Fiscal Year ended December 31, 2007 compared to Fiscal Year Ended December 31, 2006, page 31

1. We note that interest income increased by approximately US\$161,000 during fiscal 2007. You disclose that this is due to the increase in bank deposits during the year; however, the balances of cash and cash equivalents at December 31, 2007 are not significantly higher than the balances at December 31, 2006. In future filings please expand your discussion to disclose the average balances of bank deposits during fiscal 2007 compared to fiscal 2006 to provide a reader with a better basis for comparison.

Item 15. Controls and Procedures, page 62

(a) Evaluation of Disclosure Controls and Procedures, page 62

2. We note that you state that your Chief Executive Officer and Chief Financial Officer has evaluated your disclosure controls and procedures (as defined in Rules 13a-14(c) and 15d-14(c)) under the Securities Exchange Act of 1934 as of the end of the period covered by your annual report on Form 20-F. Please amend your filing to correctly reference Rules 13a-15(e) and 15d-15(e).
3. We note that you also disclose that he has concluded that as of such date your disclosure controls and procedures were effective and designed to ensure that information required to be disclosed by you in reports that you file or submit under the Exchange Act is recorded, processed, summarized and reported within the time period specified in applicable SEC rules and forms. Since it appears that your Chief Executive Officer and Chief Financial Officer are not the same person, please amend your filing to disclose whether both of these persons concluded that your disclosure controls and procedures were effective.
4. Please amend your filing to clarify, if true, that your officers concluded that your disclosure controls and procedures are also effective to ensure that information required to be disclosed in the reports that you file or submit under the Exchange Act is accumulated and communicated to your management, including your principal executive and principal financial officer, to allow timely decisions regarding required disclosure. See Exchange Act Rule 13a-15(e).

(b) Management's Annual Report on Internal Control over Financial Reporting, page 63

5. We note your management, under the supervision of your Chief Executive Officer

and Chief Financial Officer, is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(c) and Rule 15d-15(e) of the Exchange Act. Please amend your filing to correctly reference Rule 13a-15(f) and Rule 15d-15(f).

6. Please amend your filing to disclose management's assessment of the effectiveness of internal control over financial reporting as of the end your fiscal year, including a statement as to whether or not internal control over financial reporting is effective. Your current disclosure which states: "Based on this assessment, our Chief Executive Officer and Chief Financial Officer have conducted that, as of December 31, 2007, our internal control over financial reporting is effective based on those criteria." is insufficient in this regard. If your use of the word 'conducted' in your assessment of the effectiveness of your internal control over financial reporting was a typographical error, please confirm that to us and amend your filing to provide management's conclusion as to the effectiveness of your internal control over financial reporting.
7. We note your statement that management of the Company has performed preliminary evaluations of internal controls during the period ended December 31, 2007 and that some deficiencies have been noted. You also state that management of the Company is in the process of developing complete evaluations in order to rectify those deficiencies. Based on your disclosures it does not appear that your management has completed its assessment of internal control over financial reporting as of December 31, 2007. Since you were required to file or filed an annual report for the prior fiscal year, it appears you are required to report on your management's assessment of internal control over financial reporting.

If your management has not yet completed its assessment, we ask that you complete your evaluation and amend your filing within 30 calendar days to provide the required management's report on internal control over financial reporting.

In completing your evaluation, you may find the following documents helpful:

- the Commission's release *Amendments to Rules Regarding Management's Report on Internal Control Over Financial Reporting* (Securities Act Release 8809/Financial Reporting Release 76). You can find this release at:

8. Please elaborate on the internal control deficiencies that have been noted. Specifically, please tell us whether the deficiencies in your internal controls your disclosure refers to are material weaknesses or significant deficiencies for which further disclosure should be made. If so, please discuss the nature of the material weaknesses or significant deficiencies and what actions you have taken or plan to take to remediate the problem(s). Furthermore, please be advised that you are not permitted to conclude that your internal control over financial reporting is effective if material weaknesses were identified.
9. Please consider whether management’s failure to perform or complete its report on internal control over financial reporting impacts its conclusions regarding the effectiveness of your disclosure controls and procedures *as of the end of the fiscal year* covered by the report and revise your disclosure as appropriate. In addition, if you discovered material weaknesses in your internal control over financial reporting, please disclose in reasonable detail the basis for your officers’ conclusions that the company’s disclosure controls and procedures were nonetheless effective as of the end of the period covered by the report.
10. We note that you filed your Principal Executive Officer and Principal Financial Officer certifications under Item 12 of the Instructions as to Exhibits of Form 20-F. Please revise these certifications to include the introductory language of paragraph 4 and the language of paragraph 4(b) of Item 12 of the Instructions as to Exhibits of Form 20-F.

(c) Changes in Internal Controls, page 63

11. We note that you state there were no significant changes in your internal controls or in other factors that could significantly affect these controls subsequent to the date of the evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses, (that) were made as a result of the evaluation. Please amend your filing and disclose any change in your internal controls that occurred during the period covered by the annual report that has materially affected or is reasonably likely to materially affect your internal control over financial reporting.
