IMPORTANT INFORMATION REGARDING UPCOMING FUND REORGANIZATIONS

The Board of Trustees of Voya Investors Trust approved proposals to reorganize the following “Merging Portfolios” with and into the following “Surviving Portfolios”:

<i>Merging Portfolios</i>	<i>Surviving Portfolios</i>
VY BlackRock Health Sciences Opportunities Portfolio <i>(Class S)</i> VY BlackRock Large Cap Growth Portfolio <i>(Class S)</i> VY Marsico Growth Portfolio <i>(Class S)</i>	Voya Large Cap Growth Portfolio ¹ <i>(Class S)</i>
VY MFS Utilities Portfolio <i>(Class S)</i>	Voya Large Cap Value Portfolio <i>(Class S)</i>
VY MFS Total Return Portfolio <i>(Class S)</i>	VY Invesco Equity and Income Portfolio <i>(Class S)</i>

¹ This portfolio is closed to new investments and transfers.

Subject to shareholder approval, the reorganizations are expected to take place **on or about July 18, 2014** (the “Reorganization Date”), resulting in a shareholder of each Merging Portfolio becoming a shareholder of the corresponding Surviving Portfolio. Each shareholder will thereafter hold shares of the corresponding Surviving Portfolio having equal aggregate value as shares of the Merging Portfolio, and the Merging Portfolio will no longer be available under the contract.

Prior to the Reorganization Date, you may reallocate your contract value in each Merging Portfolio to another investment portfolio or fixed option currently available under the contract. This reallocation will neither count as a transfer for purposes of our Excessive Trading Policy nor be subject to a transfer charge under the contract. Contract value remaining in each Merging Portfolio on the Reorganization Date will be placed in the corresponding Surviving Portfolio.

Unless you provide us with alternative allocation instructions, after the Reorganization Date all future allocations directed to each Merging Portfolio will be automatically allocated to the corresponding Surviving Portfolio, if the Surviving Portfolio is then available to new investments. If the Surviving Portfolio is not available to new investments, future allocations will be allocated pro rata among the other available funds you have selected in your allocation instructions, if any. You may provide alternative instructions by calling Customer Service at the number above.

As of the Reorganization Date, all references in the prospectus to the Merging Portfolios are deleted. For more information, or information related to asset allocation requirements, please refer to your prospectus or call Customer Service.

NOTICE OF AND IMPORTANT INFORMATION REGARDING PROPOSED FUND SUBSTITUTION

The following information only affects you if you currently invest in the subaccount that corresponds to the Fidelity® VIP Equity-Income Portfolio.

ReliaStar Life Insurance Company of New York (the "Company") and its Separate Account NY-B (the "Separate Account") have filed an application with the Securities and Exchange Commission to permit the following "Replaced Fund" to be replaced with the following "Substitute Fund":

Replaced Fund	Substitute Fund
Fidelity® VIP Equity-Income Portfolio (Service Class 2)	Voya Russell™ Large Cap Value Index Portfolio (Class S)

The principal purposes of the proposed substitution are as follows:

- **Implement Business Plan.** The substitution is another step in the Company's overall business plan to help make the Contracts more attractive to customers and more efficient to administer and oversee. This plan involves providing funds available through the Contracts that meet certain performance, risk and pricing guidelines.
- **Influence.** The substitution will replace an unaffiliated fund with a fund that is advised and sub-advised by affiliates of the Company. The Substitute Fund will only be available through variable insurance products offered by the Company or their affiliated insurance companies. Consequently, the Board of the Substitute Fund has greater sensitivity to the needs of Contract Owners. The Company believes that the substitution will enable them to exercise more influence over the management and administration of the funds offered through their Contracts, thereby reducing costs and customer confusion.
- **Reduction of Costs.** The Substitute Fund, which is managed by affiliated investment advisers, will allow the Company to reduce costs by consolidating administration of the Substitute Fund with its other funds.
- **Due Diligence.** The substitution will allow the Company to respond to expense, performance and management matters that they have identified in their due diligence review of the funds available through the Contracts.

The following lists important information regarding the upcoming fund substitution:

- Prior to the fund substitution you will receive another prospectus supplement which will indicate the substitution effective date, provide you with further details about the Substitute Fund and reiterate your rights related to the substitution. You will also receive a summary prospectus for the Substitute Fund.
- Prior to the substitution effective date and for thirty days thereafter you may transfer amounts allocated to the subaccount that invests in the Replaced Fund to any other available subaccount or any available fixed account free of charge, and any such transfer will not count as a transfer when imposing any applicable restrictions or limits on transfers (other than restrictions related to frequent or disruptive transfers).
- On the substitution effective date your investment in the subaccount that invests in the Replaced Fund will automatically become an investment in the subaccount that invests in the Substitute Fund with an equal total net asset value. Your Contract value immediately before the substitution will equal your Contract value immediately after the substitution.
- Unless you provide us with alternative allocation instructions, after the substitution effective date all allocations directed to the subaccount that invested in the Replaced Fund will be automatically allocated to the subaccount that invests in the Substitute Fund. You may give us alternative allocation instructions at any time by contacting Customer Service at P.O. Box 9271, Des Moines, IA 50306-9271 or call (800) 366-0066.
- The overall expenses of the Substitute Fund are less than the overall expenses of the Replaced Fund. The fees and expenses of the Substitute Fund will be provided to you prior to the substitution effective date.
- The investment objective and investment policies of the Substitute Fund are similar to the investment objective and policies of the Replaced Fund. The investment objective of the Substitute Fund along with information about the Substitute Fund's investment adviser/subadviser will be provided to you prior to the substitution effective date.
- After the substitution effective date, the Replaced Fund will no longer be available through the Contract and there will be no further disclosure regarding it in any future Contract prospectus or supplements to the Contract prospectus.
- You will not incur any fees or charges or any tax liability because of the substitution.

IMPORTANT INFORMATION REGARDING AN UPCOMING FUND REORGANIZATION

The Board of Trustees of Voya Investors Trust approved a proposal to reorganize the following "Merging Portfolio" with and into the following "Surviving Portfolio":

<i>Merging Portfolio</i>	<i>Surviving Portfolio</i>
VY MFS Total Return Portfolio (<i>Class S</i>)	VY Invesco Equity and Income Portfolio (<i>Class S</i>)

Subject to shareholder approval, the reorganization is expected to take place **on or about July 18, 2014** (the "Reorganization Date"), resulting in a shareholder of the Merging Portfolio becoming a shareholder of the Surviving Portfolio. Each shareholder will thereafter hold shares of the Surviving Portfolio having equal aggregate value as shares of the Merging Portfolio, and the Merging Portfolio will no longer be available under the contract.

Prior to the Reorganization Date, you may reallocate your contract value in the Merging Portfolio to another investment portfolio or fixed option currently available under the contract. This reallocation will neither count as a transfer for purposes of our Excessive Trading Policy nor be subject to a transfer charge under the contract. Contract value remaining in the Merging Portfolio on the Reorganization Date will be placed in the Surviving Portfolio.

Unless you provide us with alternative allocation instructions, after the Reorganization Date all future allocations directed to the Merging Portfolio will be automatically allocated to the Surviving Portfolio. You may provide alternative instructions by calling Customer Service at the number above.

As of the Reorganization Date, all references in the prospectus to the Merging Portfolio are deleted. For more information, or information related to asset allocation requirements, please refer to your prospectus or call Customer Service.

NOTICE OF AND IMPORTANT INFORMATION REGARDING PROPOSED FUND SUBSTITUTION

The following information only affects you if you currently invest in the subaccount that corresponds to the ClearBridge Variable Large Cap Value Portfolio.

ReliaStar Life Insurance Company of New York (the "Company") and its Variable Annuity Account NY-B (the "Separate Account") have filed an application with the Securities and Exchange Commission to permit the following "Replaced Fund" to be replaced with the following "Substitute Fund":

Replaced Fund	Substitute Fund
ClearBridge Variable Large Cap Value Portfolio	Voya Russell TM Large Cap Value Index Portfolio (Class I)

In connection with the substitution, the **Voya RussellTM Large Cap Value Index Portfolio (Class I)** will be added as an available investment option.

The principal purposes of the proposed substitution are as follows:

- **Implement Business Plan.** The substitution is another step in the Company's overall business plan to help make the Contracts more attractive to customers and more efficient to administer and oversee. This plan involves providing funds available through the Contracts that meet certain performance, risk and pricing guidelines.
- **Influence.** The substitution will replace an unaffiliated fund with a fund that is advised and sub-advised by affiliates of the Company. The Substitute Fund will only be available through variable insurance products offered by the Company or their affiliated insurance companies. Consequently, the Board of the Substitute Fund has greater sensitivity to the needs of Contract Owners. The Company believes that the substitution will enable them to exercise more influence over the management and administration of the funds offered through their Contracts, thereby reducing costs and customer confusion.
- **Reduction of Costs.** The Substitute Fund, which is managed by affiliated investment advisers, will allow the Company to reduce costs by consolidating administration of the Substitute Fund with its other funds.

- **Due Diligence.** The substitution will allow the Company to respond to expense, performance and management matters that they have identified in their due diligence review of the funds available through the Contracts.

The following lists important information regarding the upcoming fund substitution:

- Prior to the fund substitution you will receive another prospectus supplement which will indicate the substitution effective date, provide you with further details about the Substitute Fund and reiterate your rights related to the substitution. You will also receive a summary prospectus for the Substitute Fund.
- Prior to the substitution effective date and for thirty days thereafter you may transfer amounts allocated to the subaccount that invests in the Replaced Fund to any other available subaccount or any available fixed account free of charge, and any such transfer will not count as a transfer when imposing any applicable restrictions or limits on transfers (other than restrictions related to frequent or disruptive transfers).
- On the substitution effective date your investment in the subaccount that invests in the Replaced Fund will automatically become an investment in the subaccount that invests in the Substitute Fund with an equal total net asset value. Your Contract value immediately before the substitution will equal your Contract value immediately after the substitution.
- Unless you provide us with alternative allocation instructions, after the substitution effective date all allocations directed to the subaccount that invested in the Replaced Fund will be automatically allocated to the subaccount that invests in the Substitute Fund. You may give us alternative allocation instructions at any time by contacting Customer Service at P.O. Box 9271, Des Moines, IA 50306-9271 or call (800) 366-0066.
- The overall expenses of the Substitute Fund are less than the overall expenses of the Replaced Fund. The fees and expenses of the Substitute Fund will be provided to you prior to the substitution effective date.
- The investment objective and investment policies of the Substitute Fund are similar to the investment objective and policies of the Replaced Fund. The investment objective of the Substitute Fund along with information about the Substitute Fund's investment adviser/subadviser will be provided to you prior to the substitution effective date.
- After the substitution effective date, the Replaced Fund will no longer be available through the Contract and there will be no further disclosure regarding it in any future Contract prospectus or supplements to the Contract prospectus.
- You will not incur any fees or charges or any tax liability because of the substitution.
