Cover Page

1. Please disclose the material terms of Enterprise's termination right, such as the trading price for SB One common stock necessary for the termination right to apply, as well as the degree to which the stock would need to underperform the NASDAQ Bank Index (e.g. by 20% or more) and the "specified period of time" for which its performance will be assessed. Please further disclose the degree to which the exchange ratio would be increased to prevent termination if Enterprise elects to exercises its termination right. Please make corresponding revisions throughout your proxy statement/prospectus.
