**IMPORTANT INFORMATION REGARDING UPCOMING INVESTMENT PORTFOLIO REORGANIZATIONS**

The Board of Trustees of Voya Investors Trust approved a proposal to reorganize the **Voya Global Resources Portfolio** (the “Merging Portfolio”) with and into the **Voya Global Value Advantage Portfolio** (the “Surviving Portfolio”). The proposed reorganization is subject to shareholder approval. If shareholder approval is obtained, the reorganization is expected to take place on or about March 6, 2015 (the “Reorganization Date”).

**Prior to the Reorganization Date**, you may reallocate your contract value in the Merging Portfolio to another investment portfolio or fixed option currently available under your contract. This reallocation will neither count as a transfer for purposes of our Excessive Trading Policy nor be subject to a transfer charge under the contract.

**On the Reorganization Date**, your contract value remaining in the Merging Portfolio will automatically become an investment in the Surviving Portfolio with an equal total net asset value. You will not incur any tax liability because of this automatic reallocation and your contract value immediately before the reallocation will equal your contract value immediately after the reallocation.

**After the Reorganization Date**, the Merging Portfolio will no longer be available under the contract. Unless you provide us with alternative allocation instructions, after the Reorganization Date all future allocations directed to the Merging Portfolio will be automatically allocated to the Surviving Portfolio, if the Surviving Portfolio is then available to new investments. You may provide alternative instructions by calling Customer Service at the number above.

**Information about the Voya Global Value Advantage Portfolio.** In connection with the upcoming reorganization, effective on the Reorganization Date, the **Voya Global Value Advantage Portfolio (Class S)** will be added under your contract as an available investment option. The following chart lists summary information regarding the Voya Global Value Advantage Portfolio and is added to **APPENDIX III –Description of Underlying Funds** in the Prospectus.
