and its  
Variable Annuity Account C**

**ING *express* VARIABLE ANNUITY**

**Supplement Effective as of April 30, 2012**

---

The following information updates and amends certain information contained in your variable annuity Contract Prospectus dated April 29, 2011, as amended. Please read it carefully and keep it with your current Contract Prospectus for future reference.

**IMPORTANT INFORMATION REGARDING A FUND NAME CHANGE**

ING Baron Small Cap Growth Portfolio has changed its name to the ING Baron Growth Portfolio

**IMPORTANT INFORMATION REGARDING THE COMPANY**

The following updates and replaces the Regulatory Matters paragraph in the Contract Prospectus:

**Regulatory Matters.** As with many financial services companies, the Company and its affiliates periodically receive informal and formal requests for information from various state and federal governmental agencies and self-regulatory organizations in connection with examinations, inquiries, investigations and audits of the products and practices of the Company or the financial services industry. These currently include an inquiry regarding the Company's policy for correcting errors made in processing trades for ERISA plans or plan participants. Some of these investigations, examinations, audits and inquiries could result in regulatory action against the Company. The potential outcome of the investigations, examinations, audits, inquiries and any such regulatory action is difficult to predict but could subject the Company to adverse consequences, including, but not limited to, additional payments to plans or participants, disgorgement, settlement payments, penalties, fines, and other financial liability and changes to the Company's policies and procedures, the financial impact of which cannot be estimated at this time, but management does not believe will have a material adverse effect on the Company's financial position or results of operations. It is the practice of the Company and its affiliates to cooperate fully in these matters.

**IMPORTANT INFORMATION ABOUT THE COMPANY'S  
INTEREST BEARING RETAINED ASSET ACCOUNT**

The following updates information regarding payment of death benefits or proceeds in the "DEATH BENEFIT" and "THE INCOME PHASE" sections of the Contract Prospectus.

**Payment of Death Benefit or Proceeds.**

Subject to state law conditions and requirements, full payment of the death benefit or proceeds ("Proceeds") to a beneficiary may be made into an interest bearing retained asset account that is backed by our general account. **The retained asset account is not guaranteed by the FDIC.** The beneficiary may access the entire Proceeds in the account at any time without penalty through a draftbook feature. The Company seeks to make a profit on the account, and interest credited on the account may vary from time to time but will not be less than the minimum rate stated in the supplemental contract delivered to the beneficiary together with the paperwork to make a claim to the Proceeds. Interest earned on the Proceeds in the account may be less than could be earned if the Proceeds were invested outside of the account. Likewise, interest credited on the Proceeds in the account may be less than under other settlement or payment options available through the contract. A beneficiary should carefully review all settlement and payment options available under the contract and are encouraged to consult with a financial professional or tax advisor before choosing a settlement or payment option.

A beneficiary may request additional information about the retained asset account and the draftbook feature or may elect to receive payment of the Proceeds by check rather than through the account's draftbook feature by contacting us at our ING USFS Customer Service Center, Defined Contribution Administration, P.O. Box 990063, Hartford, CT 06199-0063, 1-800-262-3862.
