**NOTICE OF AND IMPORTANT INFORMATION ABOUT
UPCOMING FUND REORGANIZATIONS**

*The following information only affects you if you currently invest in or plan to invest in the subaccounts that correspond to the **ING BlackRock Science and Technology Opportunities** and **ING UBS U.S. Large Cap Equity** Portfolios.*

The Board of Directors of ING Variable Portfolios, Inc. and the Board of Directors of ING Partners, Inc. approved separate proposals to reorganize certain funds. Subject to shareholder approval, effective on or about March 23, 2013 (the “Reorganization Effective Date”), the following “Merging Funds” will be reorganized and will merge with and into the following “Surviving Funds.”

Merging Funds	Surviving Funds
ING BlackRock Science and Technology Opportunities Portfolio (Class I)	ING MidCap Opportunities Portfolio (Class I)
ING UBS U.S. Large Cap Equity Portfolio (Class I)	ING Growth and Income Portfolio (Class I)

In connection with the upcoming Fund reorganizations, effective on the Reorganization Effective Date, the ING MidCap Opportunities Portfolio (Class I) and the ING Growth and Income Portfolio (Class I) will be added to your Contract. Additionally, all existing account balances invested in Class S shares of the ING Growth and Income Portfolio will automatically become investments in Class I shares. Class I shares have lower total fund expenses than Class S shares, and the effect of this transaction is to give contract owners an investment in the same Fund at a lower cost. Please note that the Merging Funds are currently closed to new investors and to new investments by existing investors. The Surviving Funds will also be closed to new investors and to new investment by existing investors.

- Prior to the Reorganization Effective Date, you may transfer amounts allocated to a subaccount that invests in a Merging Fund to any other available subaccount or to any available fixed interest option. **See the “TRANSFERS” section of your Contract Prospectus or the “INVESTMENT OPTIONS” section of your Contract Prospectus Summary for information about making subaccount transfers, including applicable restrictions and limits on transfers.**
- On the Reorganization Effective Date, your investment in a subaccount that invests in a Merging Fund will automatically become an investment in the subaccount that invests in the corresponding Surviving Fund with an equal total net asset value.
- After the Reorganization Effective Date, the Merging Funds will no longer exist and all references to them in the Contract Prospectus and Contract Prospectus Summary will be replaced by the corresponding Surviving Fund.
- The minimum and maximum “*Total Annual Fund Operating Expenses*” shown in the Contract Prospectus will not change as a result of the upcoming fund reorganizations. Consequently, there will be no change to the “Fund Fees and Expenses Examples” shown in the Contract Prospectus and Contract Prospectus Summary.
- You will not incur any fees or charges or any tax liability because of the upcoming fund reorganizations.

- Information about the investment adviser/subadviser and the investment objective of the ING Growth and Income Portfolio can be found in an appendix to your Contract Prospectus and Contract Prospectus Summary.
