**Voya *express* VARIABLE ANNUITY**

**Supplement dated December 16, 2014 to the Contract Prospectus and  
Statement of Additional Information, each dated April 29, 2011, as amended**

The following information updates and amends certain information contained in your variable annuity Contract Prospectus and Statement of Additional Information (“SAI”). Please read it carefully and keep it with your Contract Prospectus and SAI for future reference.

*The following information only affects you if you currently invest in or plan to invest in the subaccounts that correspond to the Voya Global Resources Portfolio and the Voya International Value Portfolio.*

**Notice of and Important Information About an Upcoming Fund Reorganization**

The Board of Trustees of Voya Variable Products Trust approved a proposal to reorganize the following “Merging Portfolios” with and into the following “Surviving Portfolio.” The proposed reorganization is subject to approval by the shareholders of each Merging Portfolio. The proposed reorganization is subject to shareholder approval. If shareholder approval is obtained, it is expected each reorganization will be effective on or about the close of business on March 6, 2015 (the “Reorganization Date”).

Merging Portfolios	Surviving Portfolio
Voya Global Resources Portfolio (Class ADV)	Voya Global Value Advantage Portfolio (Class S)
Voya International Value Portfolio (Class S) <sup>1</sup>	

**Voluntary Transfers Before the Reorganization Date.** Prior to the Reorganization Date, you may transfer amounts allocated to the subaccount that invests in the Merging Portfolios to any other available subaccount or any available fixed interest option. There will be no charge for any such transfer, and any such transfer will not count as a transfer when imposing any applicable restriction or limit on transfers. See the “Transfers Among Investment Options” section of your Contract Prospectus for information about making subaccount transfers.

**On the Reorganization Date:**

- Your investment in the subaccount that invested in the Merging Portfolios will automatically become an investment in the subaccount that invests in the Surviving Portfolio with an equal total net asset value. You will not incur any tax liability because of this automatic reallocation and your contract value immediately before the reallocation will equal your contract value immediately after the reallocation; and
- All existing account balances invested in Class ADV shares of the Voya Global Resources Portfolio will automatically become investments in the subaccount that invests in Class S shares of the Voya Global Value Advantage Portfolio which will be open for investments under your contract. Class S shares have lower total fund expenses than Class ADV shares, and the effect of this transaction is to give contract owners an investment in a similar fund managed by the same investment adviser at a lower cost.

**Automatic Fund Reallocation After the Reorganization Date.** After the Reorganization Date, the Merging Portfolios will no longer be available through your contract. Unless you provide us with alternative allocation instructions, after the Reorganization Date all allocations directed to the subaccount that invested in the Merging Portfolios will be automatically allocated to the subaccount that invests in the Surviving Portfolio. See the “Transfers Among Investment Options” section of your Contract Prospectus for information about making fund allocation changes.

<sup>1</sup> This fund is only available to individuals invested in the fund prior to April 29, 2011.

**Allocation Instructions.** You may give us alternative allocation instructions at any time by contacting us at Customer Service, Defined Contribution Administration, P.O. Box 990063, Hartford, CT 06199-0063 or calling us at 1-800-262-3862.
