Accordingly, certain contract provisions and benefits will be revised. The revisions will be effective on or around August 10, 2015 (the “Transition Date”). The purpose of this supplement is to identify these changes as well as to update and amend disclosures concerning the value of the death benefit during the accumulation phase.

DOLLAR COST AVERAGING

Effective on the Transition Date, this program will no longer be available. All references to Dollar Cost Averaging in your Contract Prospectus and Contract Prospectus Summary will be deleted.

ASSET REBALANCING

Effective on the Transition Date, the **Asset Rebalancing Program** subsection of the **TRANSFERS** section will be deleted and replaced with the following:

Asset Rebalancing Program. This program allows you to have your account value invested in the variable investment options automatically reallocated to specified percentages on a scheduled basis. There is no additional charge for this service. Account values invested in the GAA and/or the Fixed Plus Account are not eligible to be rebalanced. You may have your account value invested in the GAA and/or the Fixed Plus Account and also participate in this program; however, you will not be able to participate in this program if current investment allocations for new contributions are allocated to the GAA and/or the Fixed Plus Account.

You may elect to participate in the Asset Rebalancing Program by accessing your account online at www.voyaretirementplans.com or by contacting the Service Center at 1-800-584-6001.

SYSTEMATIC DISTRIBUTION OPTIONS

Effective on the Transition Date, the Life Expectancy Option ("LEO") will no longer be available for new elections.

DEATH BENEFIT

Effective on the Transition Date, the **Value of the Death Benefit** subsection under the **DEATH BENEFIT – During the Accumulation Phase** section will be deleted and replaced with the following:

The Value of the Death Benefit. The death benefit will be based on your account value as calculated on the next valuation following the date on which we receive proof of death and a death claim in good order. Interest on amounts invested in the fixed interest options, if any, will be paid from the date of death at a rate no less than required by law. For amounts held in the GAA, any positive aggregate market value adjustment (the sum of all market value adjustments calculated due to a withdrawal) will be included in your account value. We will not apply a negative aggregate market value adjustment in connection with the payment of a death benefit, regardless of when the request for payment is made. **We describe the market value adjustment in APPENDIX I and in the GAA prospectus.**

The contracts provide a guaranteed death benefit that can be elected within the first six months after your death. A beneficiary who (i) elects an income phase payment option; (ii) takes a total distribution of the account; or (iii) if the beneficiary is your spouse, registers the account in his or her name, may elect to receive the guaranteed death benefit provided he or she has notified the Company of such election within six months after the participant's death. The guaranteed death benefit is the greater of A or B, where:

- A Is the sum of payments (minus any applicable premium tax) made to your account, minus a dollar for dollar adjustment for amounts withdrawn, taken as a loan or applied to an income phase payment option from your account; or
- B Is your account value, minus any outstanding loan balance, and plus any positive aggregate market value adjustment that applies to amounts allocated to the GAA on the date that notice of death and request for payment or notice of election of the death benefit are received in good order at Customer Service.

For accounts established on or after February 1, 2004, the adjustment for amounts withdrawn, taken as a loan or applied to an income phase payment option from your account in (A) above will be proportionate (i.e., the sum of payments will be reduced in the same proportion that the account value was reduced on the date of the withdrawal or application to an income phase payment option), if it would result in a higher death benefit.

A beneficiary may not make this election after he or she has initiated income phase payments or has taken a total account distribution.

If the amount of (A) is greater than the amount in (B), the Company will deposit to the account the amount by which the death benefit exceeds the account value. The amount paid to the beneficiary will equal the account value on the date the payment request is processed. The amount paid to the beneficiary may be more or less than the amount of the death benefit determined in (A) when the notice of death was received.

If the beneficiary's election of the death benefit is made more than six months after your death, the death benefit will be equal to the account value plus any positive aggregate market value adjustment.

APPENDIX II FIXED PLUS ACCOUNT

Partial Withdrawals and Full Withdrawals. Effective on the Transition Date, the provisions in **APPENDIX II – FIXED PLUS ACCOUNT** governing when we will waive the requirement that full withdrawals be paid in five annual installments will be deleted and replaced with the following:

We will waive the above full withdrawal five-payment period and pay the amount in a lump-sum if the full withdrawal is made due to any of the following:

- Your death before income phase payments have begun;
- Election of any income phase payment option with fixed payments or a lifetime payment option with variable payments;
- Your separation from service (provided, however, that such waiver shall not apply due to a severance from employment that would not otherwise qualify as a separation from service) and when
 - ▷ Separation from service is documented in a form acceptable to us; and
 - ▷ The amount paid for all withdrawals due to separation from service during the previous 12 months does not exceed 20% of the average value of all employee accounts during that period; or
- Due to your financial hardship as defined in the Tax Code and when
 - ▷ If applicable, certified by your employer; and
 - ▷ The amount paid for all withdrawals due to financial hardship the previous 12 months does not exceed 20% of the average value of all employee accounts during that period; or
- The Fixed Plus Account value is \$5,000 or less.

The 20% annual limit on partial withdrawals of the Fixed Plus Account value will also be waived for the above reasons, except that a partial withdrawal waiver will not be allowed if the Fixed Plus Account value is \$5,000 or less.

Transfers. Effective on the Transition Date, the Transfers section in **APPENDIX II – FIXED PLUS ACCOUNT** will be deleted and replaced with the following:

Transfers. Transfers are limited to 20% of the amount held in the Fixed Plus Account on the day a request in good order is received at Customer Service. The 20% limit is reduced by any Fixed Plus Account withdrawals, transfers, loans or income phase payments made in the past 12 months. We reserve the right to include payments made through a Systematic Distribution Option in calculating the 20% limit. The 20% limit will be waived if your account value in Fixed Plus Account is \$5,000 or less.

If you transfer 20% of your account value held in the Fixed Plus Account in each of four consecutive 12-month periods, you may transfer the remaining balance in the succeeding 12-month period provided you do not allocate any amount to or transfer any other amount from the Fixed Plus Account during the five-year period. The 20% amount available to transfer under this provision will be reduced by any amount surrendered, transferred, taken as a loan or applied to income phase payment options within the 12-month period preceding the first 20% transfer. Also, we may reduce it for payments we made from your Fixed Plus Account value under any Systematic Distribution Option.

Section 33-779 of the Connecticut General Statutes (“CGS”) provides that a corporation may provide indemnification of or advance expenses to a director, officer, employee or agent only as permitted by Sections 33-770 to 33-778, inclusive, of the CGS. Reference is hereby made to Section 33-771(e) of the CGS regarding indemnification of directors and Section 33-776(d) of CGS regarding indemnification of officers, employees and agents of Connecticut corporations. These statutes provide in general that Connecticut corporations incorporated prior to January 1, 1997 shall, except to the extent that their certificate of incorporation expressly provides otherwise, indemnify their directors, officers, employees and agents against “liability” (defined as the obligation to pay a judgment, settlement, penalty, fine, including an excise tax assessed with respect to an employee benefit plan, or reasonable expenses incurred with respect to a proceeding) when (1) a determination is made pursuant to Section 33-775 that the party seeking indemnification has met the standard of conduct set forth in Section 33-771 or (2) a court has determined that indemnification is appropriate pursuant to Section 33-774. Under Section 33-775, the determination of and the authorization for indemnification are made (a) by two or more disinterested directors, as defined in Section 33-770(2); (b) by special legal counsel; (c) by the shareholders; or (d) in the case of indemnification of an officer, agent or employee of the corporation, by the general counsel of the corporation or such other officer(s) as the board of directors may specify. Also, Section 33-772 with Section 33-776 provide that a corporation shall indemnify an individual who was wholly successful on the merits or otherwise against reasonable expenses incurred by him in connection with a proceeding to which he was a party because he is or was a director, officer, employee, or agent of the corporation. Pursuant to Section 33-771(d), in the case of a proceeding by or in the right of the corporation or with respect to conduct for which the director, officer, agent or employee was adjudged liable on the basis that he received a financial benefit to which he was not entitled, indemnification is limited to reasonable expenses incurred in connection with the proceeding against the corporation to which the individual was named a party.

A corporation may procure indemnification insurance on behalf of an individual who is or was a director of the corporation. Consistent with the laws of the State of Connecticut, Voya Financial, Inc. maintains Professional Liability and Fidelity bond, Employment Practices liability and Network Security insurance policies issued by an international insurer. The policies cover Voya Financial, Inc. and any company in which Voya Financial, Inc. has a controlling financial interest of 50% or more. The policies provide for the following types of coverage: Errors and Omissions/Professional Liability, Employment Practices liability and Fidelity/Crime (a.k.a. “Financial Institutional Bond”) and Network Security (a.k.a. “Cyber/IT”).

Section 20 of the Voya Financial Partners, LLC Limited Liability Company Agreement executed as of November 28, 2000 provides that Voya Financial Partners, LLC will indemnify certain persons against any loss, damage, claim or expenses (including legal fees) incurred by such person if he is made a party or is threatened to be made a party to a suit or proceeding because he was a member, officer, director, employee or agent of Voya Financial Partners, LLC, as long as he acted in good faith on behalf of Voya Financial Partners, LLC and in a manner reasonably

believed to be within the scope of his authority. An additional condition requires that no person shall be entitled to indemnity if his loss, damage, claim or expense was incurred by reason of his gross negligence or willful misconduct. Item 31. Management Services

Not applicable

Item 32. Undertakings

Registrant hereby undertakes:

- (a) to file a post-effective amendment to this registration statement on Form N-4 as frequently as is necessary to ensure that the audited financial statements in the registration statement are never more than sixteen months old for as long as payments under the variable annuity contracts may be accepted;
- (b) to include as part of any application to purchase a contract offered by a prospectus which is part of this registration statement on Form N-4, a space that an applicant can check to request a Statement of Additional Information; and
- (c) to deliver any Statement of Additional Information and any financial statements required to be made available under this Form N-4 promptly upon written or oral request.

The Company hereby represents that with respect to plans established pursuant to Section 403(b) of the Internal Revenue Code of 1986, as amended, that are subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), it is relying on and complies with the terms of the SEC Staff's No-Action Letter dated August 30, 2012, with respect to participant acknowledgement of and language concerning withdrawal restrictions applicable to such plans. See ING Life Insurance and Annuity Company; S.E.C. No-Action Letter, 2012 WL 3862169, August 30, 2012.

Except in relation to 403(b) plans subject to ERISA, the Company hereby represents that it is relying on and complies with the provisions of Paragraphs (1) through (4) of the SEC Staff's No-Action Letter dated November 28, 1988, with respect to language concerning withdrawal restrictions applicable to plans established pursuant to Section 403(b) of the Internal Revenue Code of 1986, as amended. See American Council of Life Insurance; S.E.C. No-Action Letter, 1988 WL 1235221, November 28, 1988.

Insofar as indemnification for liability arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Voya Retirement Insurance and Annuity Company represents that the fees and charges deducted under the contracts covered by this registration statement, in the aggregate, are reasonable in relation to the services rendered, the expenses expected to be incurred, and the risks assumed by the insurance company.
