NOTICE OF AND IMPORTANT INFORMATION ABOUT AN UPCOMING FUND REORGANIZATION

The Board of Trustees of Voya Investors Trust approved a proposal to reorganize the following “Merging Portfolio” with and into the following “Surviving Portfolio.” Subject to shareholder approval for the VY® FMR® Diversified Mid Cap Portfolio reorganization, it is expected that the reorganization will be effective on or about the close of business on July 14, 2017 (the “Reorganization Date”).

Merging Portfolio	Surviving Portfolio
VY® FMR® Diversified Mid Cap Portfolio (Class S2)	Voya MidCap Opportunities Portfolio (Class I)

Voluntary Transfers Before the Reorganization Date. Prior to the Reorganization Date, you may transfer amounts allocated to the subaccount that invests in a Merging Portfolio to any other available subaccount or any available fixed interest option. There will be no charge for any such transfer, and any such transfer will not count as a transfer when imposing any applicable restriction or limit on transfers. See the “**TRANSFERS AMONG INVESTMENT OPTIONS**” section of your Contract Prospectus for information about making subaccount transfers.

On the Reorganization Date. On the Reorganization Date, your investment in the subaccount that invested in the Merging Portfolio will automatically become an investment in the subaccount that invests in the corresponding Surviving Portfolio with an equal total net asset value. You will not incur any tax liability because of this automatic reallocation and your contract value immediately before the reallocation will equal your contract value immediately after the reallocation.

Automatic Fund Reallocation After the Reorganization Date. After the Reorganization Date, the Merging Portfolio will no longer be available through your contract. Unless you provide us with alternative allocation instructions, after the Reorganization Date all allocations directed to the subaccount that invested in the Merging Portfolio will be automatically allocated to the subaccount that invests in the corresponding Surviving Portfolio. Class I of the Voya MidCap Opportunities Portfolio will be automatically added to your contract. Class I shares have lower total fund expenses than Class S2 shares, and the effect of this transaction is to give contract owners an investment in a similar fund managed by the same investment adviser at a lower cost. Class S shares of the Voya MidCap Opportunities Portfolio will continue to be available under your contract. See the “**TRANSFERS AMONG INVESTMENT OPTIONS**” section of your Contract Prospectus for information about making fund allocation changes.

Allocation Instructions. You may give us alternative allocation instructions at any time by contacting us at Customer Service, P.O. Box 990063 or calling us at 1-800-584-6001.

Information about the Surviving Portfolio. Summary information about the Voya MidCap Opportunities Portfolio can be found in the **IMPORTANT INFORMATION ABOUT FUNDS AVAILABLE THROUGH THE CONTRACTS** section below. More detailed information can be found in the current prospectus and Statement of Additional Information for that fund.
