**Re: Fisher Communications, Inc.
Amendment No. 1 to Preliminary Proxy Statement on Schedule 14A
Filed April 1, 2011 by FrontFour Master Fund, Ltd., et al.
File No. 0-22439**

Dear Mr. Lorber:

We have conducted a limited review of the amended filing listed above and have the following comments.

PRRN 14A

1. We note your response to prior comment 5. As currently structured, shareholders voting for proposal 1 appear to be denied the opportunity to separately vote to approve an arrangement that could result in a change of the duration of an elected nominee's class and therefore, term, on the board. Rule 14a-4(a)(3) requires that the form of proxy "identify clearly and impartially each separate matter intended to be acted upon, whether or not related to or conditioned on the approval of other matters." In that regard, it would appear that in seeking shareholder approval to elect nominees to the Board, you are also seeking shareholder approval to assign a particular nominee to a particular class of directors after giving effect to cumulative voting results. Referencing applicable state law and/or the constitutive documents of the company, please provide us with your analysis of why proposal 1 does not need to be disaggregated from an apparently distinct proposal seeking shareholder approval to implement the director class assignment arrangement agreed upon by the parties. We may have further comment.
2. We partially reissue prior comment 12. The materials you provided indicate a variance in size of the companies you assert are Fisher competitors. Please

supplementally provide us with the basis for your conclusions that the companies you cite to are competitors and advise us of whether consideration was given to adjustments for relative size differentials between the companies being compared. Also, the materials you provided do not appear to demonstrate support for your belief that Fisher's assets could generate *enhanced margins and substantial cash flows*. Please remove the assertion or provide support.

3. Refer to Item 6 (c) 4 of Schedule 14A. It would appear that you are seeking discretionary authority to cumulate votes. If you are soliciting for such authority, revise to so state and include this as a separate matter for approval on the form of proxy card.
