**Re: CommScope, Inc.  
Form 10-K for the Fiscal Year Ended December 31, 2008  
Filed February 26, 2009  
File No. 1-12929**

Dear Mr. Drendel:

We have limited our review of your filing to disclosure relating to your contacts with countries that have been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. You state on pages 38, 42, and 95 that you operate in the Middle East, Africa, and Latin America, references generally understood to encompass Iran, Syria, Sudan, and Cuba. Further, we are aware of a February 2007 news report that you have appointed EUROSTAR as your official distributor of your products in the Middle East. We also note from the website of EUROSTAR that it has a distribution office in Sudan. Iran, Syria, Sudan, and Cuba are countries that are identified by the State Department as state sponsors of terrorism, and are subject to U.S. economic sanctions and export controls. We note that your Form 10-K does not include disclosure regarding contacts with Iran, Syria, Sudan, and Cuba. Please describe to us the nature and extent of your past, current, and anticipated contacts with Iran, Syria, Sudan, and Cuba, if any, whether through subsidiaries, distributors, resellers, or other direct or indirect arrangements. Your response should describe any products, equipment, components, technology, software, or services that you have provided into Iran, Syria, Sudan, and Cuba, directly or

indirectly, and any agreements, commercial arrangements, or other contacts you have had with the governments of those countries or entities controlled by those governments.
