Item 11. Executive Compensation, page 74

Annual Incentive Compensation Programs, page 75

1. The company's annual report lists five components used to measure performance for the Griffin Land Incentive Compensation Plan for fiscal year 2007. The company, however, has not provided quantitative disclosure of the terms of the necessary targets to be achieved under each component for your named executive officers to earn their

performance bonuses under the Annual Incentive Compensation Program. In future filings, please disclose the specific performance targets used to determine incentive amounts or provide us a supplemental analysis as to why it is appropriate to omit these targets pursuant to Instruction 4 to Item 402(b) of Regulation S-K. In addition, please supplementally advise us, within the timeframe below, whether the company's targets for the fiscal year 2008 are expected to be materially different from those of fiscal year 2007. To the extent that it is appropriate to omit specific targets, please advise us of the disclosure that the company will provide pursuant to Instruction 4 to Item 402(b) of Regulation S-K.

Signatures, page 93

2. As required by General Instruction D.2(a) for Form 10-K, the signature of the principal accounting officer or controller must be included. Please include the appropriate signature or title.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. - the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
