Dear Mr. Galici:

We have not heard from anyone since last year's Annual Meeting update concerning the examination of REIT or MLP status. In light of the upcoming deadline to submit stockholder proposals for consideration at the 2014 Annual Meeting, we would welcome your input so that our proxy voting committee can best determine what course of action it should take in its continued attempts to recognize shareholder value creation.

Best Regards,

George Maldonado  
Director of Proxy Voting Services
