Item 2—Management's Discussion and Analysis of Financial Condition and Results of Operations

Liquidity and Capital Resources, page 70

1. Please refer to the table on page 72. We note that the estimated total investment exceeds the investment to date for The Hub on Causeway - Podium, Dock 72, and The Hub on Causeway - Residential. In this regard, please tell us and revise future filings to clarify why the amounts in the column for estimated future equity requirement are zero for The Hub on Causeway - Podium and Dock 72 and why the amount for estimated future equity requirement is significant less than the amount that your estimated total investment exceeds your investment to date for The Hub on Causeway – Residential.
2. Please clarify for us why the costs described in footnote (1) to the table on page 72 are not included in the column for estimated future equity requirement. In your response, please tell us how such costs are funded and why they eventually represent a portion of your estimated total investment.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact William Demarest, Accountant at 202-551-3432 or me at 202-551-3295 with any questions.

Sincerely,

/s/ Jennifer Monick
