

Exhibit 4.2

CEPHEID

1997 STOCK OPTION PLAN

(as amended on May 28, 2003)

1. **PURPOSE.** The purpose of this Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of the Company, its Parent and Subsidiaries, by offering them an opportunity to participate in the Company's future performance through awards of Options. Capitalized terms not defined in the text are defined in Section 22.

2. **SHARES SUBJECT TO THE PLAN.**

2.1 **Number of Shares Available.** Subject to Sections 2.2 and 16, the total number of Shares reserved and available for grant and issuance pursuant to this Plan as of May 28, 2003, is 7,195,867 Shares plus (i) any authorized shares not issued or subject to outstanding grants under the Company's 2000 Non-Employee Directors' Stock Option (the "***Directors' Plan***") on the date the Directors' Plan is terminated; (ii) shares that are subject to issuance upon exercise of an option granted under the Directors' Plan but cease to be subject to such option for any reason other than exercise of such option; and (iii) shares that were issued under the Directors' Plan which are repurchased by the Company at the original issue price or forfeited. Subject to Sections 2.2 and 16 hereof, Shares subject to Options, and Shares issued upon exercise of Options, will again be available for grant and issuance in connection with subsequent Options under this Plan to the extent such Shares: (i) are repurchased by the Company at the original issue price or forfeited on or after May 28, 2003; or (ii) cease to be subject to issuance upon exercise of an Option, other than due to exercise of such Option. In addition, on each January 1 occurring after May 28, 2003, the aggregate number of Shares reserved and available for grant and issuance pursuant to this Plan will be increased automatically by a number of Shares equal to the lesser of (i) 1,000,000 Shares, (ii) 3% of the total outstanding shares of the Company as of January 1, or (iii) an amount determined by the Board, provided that no more than 50,000,000 shares shall be issued as ISOs (as defined in Section 5 below). At all times the Company shall reserve and keep available a sufficient number of Shares as shall be required to satisfy the requirements of all outstanding Options granted under this Plan and all other outstanding but unvested Options granted under this Plan.

2.2 **Adjustment of Shares.** In the event that the number or type of outstanding shares of the Company's Common Stock is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change in the capital structure of the Company without consideration, then (a) the number and class of Shares reserved for issuance under this Plan, (b) the Exercise Prices of outstanding Options, and (c) the number of Shares subject to outstanding Options may, upon approval of the Board in its discretion, be proportionately adjusted in compliance with applicable securities laws; provided, however, that fractions of a Share will not be issued.

3. ELIGIBILITY. ISOs (as defined in Section 5 below) may be granted only to employees (including officers and directors who are also employees) of the Company or of a Parent or Subsidiary of the Company. All other Options may be granted to employees, officers, directors, consultants, independent contractors and advisors of the Company or any Parent or Subsidiary of the Company; provided such consultants, independent contractors and advisors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. No person will be eligible to receive more than one million five hundred thousand (1,500,000) Shares in any calendar year under this Plan pursuant to the grant of Options hereunder, other than new employees of the Company or of a Parent or Subsidiary of the Company (including new employees who are also officers and directors of the Company or any Parent or Subsidiary of the Company), who are eligible to receive up to a maximum of two million (2,000,000) Shares in the calendar year in which they commence their employment. A person may be granted more than one Option under this Plan.

4. ADMINISTRATION.

4.1 Committee Authority. This Plan will be administered by the Committee or by the Board acting as the Committee. Except for automatic grants to Outside Directors pursuant to Section 6 hereof, and subject to the general purposes, terms and conditions of this Plan, and to the direction of the Board, the Committee will have full power to implement and carry out this Plan. Except for automatic grants to Outside Directors pursuant to Section 6 hereof, the Committee will have the authority to:

- (a) construe and interpret this Plan, any Option Agreement and any other agreement or document executed pursuant to this Plan;
- (b) prescribe, amend and rescind rules and regulations relating to this Plan or any Option;
- (c) select persons to receive Options;
- (d) determine the form and terms of Options;
- (e) determine the number of Shares or other consideration subject to Options;
- (f) determine whether Options will be granted singly, in combination with, in tandem with, in replacement of, or as alternatives to, other Options under this Plan or any other incentive or compensation plan of the Company or any Parent or Subsidiary of the Company;
- (g) grant waivers of Plan or Option conditions;
- (h) determine the vesting, exercisability and payment of Options;
- (i) correct any defect, supply any omission or reconcile any inconsistency in this Plan, any Option or any Option Agreement;
- (j) determine whether an award has been earned; and

- (k) make all other determinations necessary or advisable for the administration of this Plan.

4.2 Committee Discretion. Except for automatic grants to Outside Directors pursuant to Section 6 hereof, any determination made by the Committee with respect to any Option will be made in its sole discretion at the time of grant of the Option or, unless in contravention of any express term of this Plan or the Option, at any later time, and such determination will be final and binding on the Company and on all persons having an interest in any Option under this Plan. The Committee may delegate to two or more directors of the Company the authority to grant an Option under this Plan to Participants who are not Insiders of the Company.

5. OPTIONS. The Committee may grant Options to eligible persons and will determine whether such Options will be Incentive Stock Options within the meaning of the Code (“*ISOs*”) or Nonqualified Stock Options (“*NQSOs*”), the number of Shares subject to the Option, the Exercise Price of the Option, the period during which the Option may be exercised, and all other terms and conditions of the Option, subject to the following:

5.1 Form of Option Grant. Each Option granted under this Plan will be evidenced by an Option Agreement which will expressly identify the Option as an ISO or an NQSO (“*Stock Option Agreement*”), and will be in such form and contain such provisions (which need not be the same for each Participant) as the Committee may from time to time approve, and which will comply with and be subject to the terms and conditions of this Plan.

5.2 Date of Grant. The date of grant of an Option will be the date on which the Committee makes the determination to grant such Option, unless otherwise specified by the Committee. The Stock Option Agreement and a copy of this Plan will be delivered to the Participant within a reasonable time after the granting of the Option.

5.3 Exercise Period. Options may be exercisable within the times or upon the events determined by the Committee as set forth in the Stock Option Agreement governing such Option; provided, however, that no Option will be exercisable after the expiration of ten (10) years from the date the Option is granted; and provided further that no ISO granted to a person who directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any Parent or Subsidiary of the Company (“*Ten Percent Shareholder*”) will be exercisable after the expiration of five (5) years from the date the ISO is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise, in such number of Shares or percentage of Shares as the Committee determines.

5.4 Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted; provided that: (i) the Exercise Price of an ISO will be not less than 100% of the Fair Market Value of the Shares on the date of grant; (ii) the Exercise Price of any ISO granted to a Ten Percent Shareholder will not be less than 110% of the Fair Market Value of the Shares on the date of grant; and (iii) the Exercise Price of an NQSO will not be less than 85% of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with Section 7.

5.5 Method of Exercise. Options may be exercised only by delivery to the Company of a written stock option exercise agreement (the “*Exercise Agreement*”) in a form approved by the Committee (which need not be the same for each Participant), stating the number of Shares being purchased, the restrictions imposed on the Shares purchased under such Exercise Agreement, if any, and such representations and agreements regarding the Participant’s investment intent and access to information and other matters, if any, as may be required by or desirable to the Company to comply with applicable securities laws, together with payment in full of the Exercise Price for the number of Shares being purchased.

5.6 Termination. Notwithstanding the exercise periods set forth in the Stock Option Agreement, the exercise of an Option will always be subject to the following:

- (a) If the Participant is Terminated for any reason except the Participant’s death or Disability, then the Participant may exercise such Participant’s Options only to the extent that such Options would have been exercisable by the Participant on the Termination Date no later than three (3) months after the Termination Date (or such shorter time period not less than thirty (30) days or longer time period not exceeding five (5) years as may be determined by the Committee, with any exercise beyond three (3) months after the Termination Date deemed to be an NQSO), but in any event no later than the expiration date of the Options.
- (b) If the Participant is Terminated because of Participant’s death (or the Participant dies within three (3) months after a Termination other than for Cause or because of the Participant’s Disability), then the Participant’s Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the Termination Date and must be exercised by the Participant (or the Participant’s legal representative or authorized assignee) no later than twelve (12) months after the Termination Date (or such shorter time period not less than six (6) months or longer time period not exceeding five (5) years as may be determined by the Committee, with any exercise beyond (a) three (3) months after the Termination Date when the Termination is for any reason other than the Participant’s death or Disability, or (b) twelve (12) months after the Termination Date when the Termination is for the Participant’s death or Disability, deemed to be an NQSO), but in any event no later than the expiration date of the Options.
- (c) If the Participant is Terminated because of Participant’s Disability, then the Participant’s Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the Termination Date and must be exercised by the Participant (or the Participant’s legal representative or authorized assignee) no later than six (6) months after the Termination Date, with any exercise beyond (a) three (3) months after the Termination Date when the Termination is for any reason other than the Participant’s death or Disability, or (b) twelve (12) months after the Termination Date when the Termination is for the

Participant's death or Disability, deemed to be an NQSO), but in any event no later than the expiration date of the Options.

- (d) If the Participant is terminated for Cause, then Participant's Options shall expire on such Participant's Termination Date, or at such later time and on such conditions as are determined by the Committee.

5.7 Limitations on Exercise. The Committee may specify a reasonable minimum number of Shares that may be purchased on any exercise of an Option, provided that such minimum number will not prevent any Participant from exercising the Option for the full number of Shares for which it is then exercisable.

5.8 Limitations on ISOs. The aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under this Plan or under any other incentive stock option plan of the Company or any Parent or Subsidiary of the Company) will not exceed \$100,000. If the Fair Market Value of Shares on the date of grant with respect to which ISOs are exercisable for the first time by a Participant during any calendar year exceeds \$100,000, then the Options for the first \$100,000 worth of Shares to become exercisable in such calendar year will be ISOs and the Options for the amount in excess of \$100,000 that become exercisable in such calendar year will be NQSOs. In the event that the Code or the regulations promulgated thereunder are amended after the Effective Date to provide for a different limit on the Fair Market Value of Shares permitted to be subject to ISOs, such different limit will be automatically incorporated herein and will apply to any Options granted after the effective date of such amendment.

5.9 Modification, Extension or Renewal. The Committee may modify, extend or renew outstanding Options and authorize the grant of new Options in substitution therefor, provided that any such action may not, without the written consent of a Participant, impair any of such Participant's rights under any Option previously granted. Any outstanding ISO that is modified, extended, renewed or otherwise altered will be treated in accordance with Section 424(h) of the Code. The Committee may reduce the Exercise Price of outstanding Options without the consent of Participants affected by a written notice to them; provided, however, that the Exercise Price may not be reduced below the minimum Exercise Price that would be permitted under Section 5.4 for Options granted on the date the action is taken to reduce the Exercise Price.

5.10 No Disqualification. Notwithstanding any other provision in this Plan, no term of this Plan relating to ISOs will be interpreted, amended or altered, nor will any discretion or authority granted under this Plan be exercised, so as to disqualify this Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

6. AUTOMATIC GRANTS TO OUTSIDE DIRECTORS.

6.1 Types of Options and Shares. Options granted under this Plan and subject to this Section 6 shall be NQSOs.

6.2 Eligibility. Options subject to this Section 6 shall be granted only to Outside Directors. An Outside Director who is elected or reelected as a member of the Board will be eligible to receive an option grant under this Section 6.

6.3 Grant for Initial Election or Appointment. Each Outside Director who is first elected or appointed as a member of the Board on or after the 2003 annual meeting of shareholders will automatically be granted an option for 15,000 Shares (an “**Initial Election Grant**”) on the date such Outside Director is first elected or appointed as a member of the Board.

6.4 Annual Grants. On the date of the first meeting of the Board immediately following each annual meeting of shareholders of the Company beginning with the 2003 annual meeting (even if held on the same day as the meeting of shareholders), the Company shall grant each Outside Director then in office for longer than six months, an option for 7,500 Shares (an “**Annual Grant**”).

6.5 Discretionary Grant. The Board may make discretionary grants to any Outside Director (a “**Discretionary Grant**”).

6.6 Vesting and Exercisability. The date an Outside Director receives an Initial Election Grant or an Annual Grant is referred to in this Plan as the “**Start Date**” for such option.

(a) Initial Election Grants. Except as set forth in Section 16.4, each Initial Election Grant will vest and become exercisable as to 5,000 of the Shares on each one-year anniversary of the Start Date, so long as the Outside Director continuously remains a director of the Company.

(b) Annual Grants. Except as set forth in Section 16.4, each Annual Grant will vest and become exercisable as to 7,500 of the Shares on the one-year anniversary of the Start Date, so long as the Outside Director continuously remains a director of the Company.

(c) Discretionary Grants. Except as set forth in Section 16.4, Discretionary Grants shall vest and be exercisable as determined by the Board.

6.7 Exercise Price. The exercise price of an option grant to an Outside Director shall be the Fair Market Value of the Shares at the time that the option is granted.

7. PAYMENT FOR SHARE PURCHASES.

7.1 Payment. Payment for Shares purchased pursuant to this Plan may be made in cash (by check) or, where expressly approved for the Participant by the Committee and where permitted by law:

- (a) by cancellation of indebtedness of the Company to the Participant;
- (b) by surrender of shares that either: (1) have been owned by the Participant for more than six (6) months and have been paid for within the meaning of SEC Rule 144 (and, if such shares were purchased from the Company by

use of a promissory note, such note has been fully paid with respect to such shares); or (2) were obtained by the Participant in the public market;

- (c) by waiver of compensation due or accrued to the Participant for services rendered to the Company or a Parent or Subsidiary of the Company;
- (d) with respect only to purchases upon exercise of an Option, and provided that a public market for the Company's Common Stock exists:
 - (1) through a "same day sale" commitment from the Participant and a broker-dealer that is a member of the National Association of Securities Dealers (an "NASD Dealer") whereby the Participant irrevocably elects to exercise the Option and to sell a portion of the Shares so purchased to pay for the Exercise Price, and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the Exercise Price directly to the Company; or
 - (2) through a "margin" commitment from the Participant and an NASD Dealer whereby the Participant irrevocably elects to exercise the Option and to pledge the Shares so purchased to the NASD Dealer in a margin account as security for a loan from the NASD Dealer in the amount of the Exercise Price, and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the Exercise Price directly to the Company;
- (e) by any combination of the foregoing; or
- (f) by any other method approved by the Board.

8. WITHHOLDING TAXES.

8.1 Withholding Generally. Whenever Shares are to be issued in satisfaction of Options granted under this Plan, the Company may require the Participant to remit to the Company an amount sufficient to satisfy federal, state and local withholding tax requirements prior to the delivery of any certificate or certificates for such Shares. Whenever, under this Plan, payments in satisfaction of Options are to be made in cash, such payment will be net of an amount sufficient to satisfy federal, state, and local withholding tax requirements.

8.2 Stock Withholding. When, under applicable tax laws, a Participant incurs tax liability in connection with the exercise or vesting of any Option that is subject to tax withholding and the Participant is obligated to pay the Company the amount required to be withheld, the Committee may in its sole discretion allow the Participant to satisfy the minimum withholding tax obligation by electing to have the Company withhold from the Shares to be issued that number of Shares having a Fair Market Value equal to the minimum amount required to be withheld, determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose will be made in accordance with the requirements established by the Committee and be in writing in a form acceptable to the Committee.

9. TRANSFERABILITY.

9.1 General Rule. Except as otherwise provided in this Section 9, Options granted under this Plan, and any interest therein, will not be transferable or assignable by any Participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as determined by the Committee and set forth in the Option Agreement with respect to Options that are not ISOs.

9.2 All Options other than NQSOs. All Options other than NQSOs shall be exercisable: (i) during the Participant's lifetime only by (A) the Participant, or (B) the Participant's guardian or legal representative; and (ii) after the Participant's death, by the legal representative of the Participant's heirs or legatees.

9.3 NQSOs. Unless otherwise restricted by the Committee, an NQSO shall be exercisable: (i) during the Participant's lifetime only by (A) the Participant, (B) the Participant's guardian or legal representative, (C) a Family Member of the Participant who has acquired the NQSO by "permitted transfer;" and (ii) after the Participant's death, by the legal representative of the Participant's heirs or legatees. "***Permitted transfer***" means, as authorized by this Plan and the Committee in an NQSO, any transfer effected by the Participant during the Participant's lifetime of an interest in such NQSO but only such transfers which are by gift or domestic relations order. A permitted transfer does not include any transfer for value and neither of the following are transfers for value: (a) a transfer under a domestic relations order in settlement of marital property rights or (b) a transfer to an entity in which more than fifty percent of the voting interests are owned by Family Members or the Participant in exchange for an interest in that entity.

10. PRIVILEGES OF STOCK OWNERSHIP; RESTRICTIONS ON SHARES.

10.1 Voting and Dividends. No Participant will have any of the rights of a shareholder with respect to any Shares until the Shares are issued to the Participant. After Shares are issued to the Participant, the Participant will be a shareholder and have all the rights of a shareholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are restricted stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the restricted stock; provided, further, that the Participant will have no right to retain such stock dividends or stock distributions with respect to Shares that are repurchased at the Participant's Exercise Price pursuant to Section 10.2.

10.2 Restrictions on Shares. At the discretion of the Committee, the Company may reserve to itself and/or its assignee(s) a right to repurchase (a "***Right of Repurchase***") a portion of or all Unvested Shares held by a Participant following such Participant's Termination at any time within ninety (90) days after the later of the Participant's Termination Date and the date the Participant purchases Shares under this Plan, for cash and/or cancellation of purchase money indebtedness, at the Participant's Exercise Price, as the case may be.

11. CERTIFICATES. All certificates for Shares or other securities delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Committee may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted.

12. ESCROW; PLEDGE OF SHARES. To enforce any restrictions on a Participant's Shares, the Committee may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates. Any Participant who is permitted to execute a promissory note as partial or full consideration for the purchase of Shares under this Plan will be required to pledge and deposit with the Company all or part of the Shares so purchased as collateral to secure the payment of the Participant's obligation to the Company under the promissory note; provided, however, that the Committee may require or accept other or additional forms of collateral to secure the payment of such obligation and, in any event, the Company will have full recourse against the Participant under the promissory note notwithstanding any pledge of the Participant's Shares or other collateral. In connection with any pledge of the Shares, the Participant will be required to execute and deliver a written pledge agreement in such form as the Committee will from time to time approve. The Shares purchased with the promissory note may be released from the pledge on a pro rata basis as the promissory note is paid.

13. EXCHANGE AND BUYOUT OF AWARDS. The Committee may, at any time or from time to time, authorize the Company, with the consent of the respective Participants, to issue new Options in exchange for the surrender and cancellation of any or all outstanding Options. The Committee may at any time buy from a Participant an Option previously granted with payment in cash, Shares (including restricted stock) or other consideration, based on such terms and conditions as the Committee and the Participant may agree.

14. SECURITIES LAW AND OTHER REGULATORY COMPLIANCE. An Option will not be effective unless such Option is in compliance with all applicable federal and state securities laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the date of grant of the Option and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and/or (b) completion of any registration or other qualification of such Shares under any state or federal law or ruling of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any state securities laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so.

15. NO OBLIGATION TO EMPLOY. Nothing in this Plan or any Option granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Parent or Subsidiary of the Company or limit in any way the right of the Company or any Parent or Subsidiary of the Company to terminate Participant's employment or other relationship at any time, with or without cause.

16. CORPORATE TRANSACTIONS.

16.1 Dissolution or Liquidation. Except for automatic grants to Outside Directors pursuant to Section 6 hereof, in the event of the proposed dissolution or liquidation of the Company, the Company shall notify the Participant at least thirty (30) days prior to such proposed action. To the extent it has not been previously exercised, all Options will terminate immediately prior to the consummation of such proposed action.

16.2 Merger or Asset Sale. Except for automatic grants to Outside Directors pursuant to Section 6 hereof, in the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company:

(a) Options. Each Option shall be assumed or an equivalent option substituted by the successor corporation (including as a "successor" any purchaser of substantially all of the assets of the Company) or a parent or subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option, the Participant shall have the right to exercise the Option as to all of the shares of Common Stock covered by the Option, including Shares as to which it would not otherwise be exercisable. If an Option is exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Company shall notify the Participant that the Option shall be fully exercisable for a period of fifteen (15) days from the date of such notice, and the Option shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option shall be considered assumed if, following the merger or sale of assets, the option confers the right to purchase or receive, for each share of Common Stock subject to the Option immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the merger or sale of assets was not solely common stock of the successor corporation or its parent entity, the Company may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option, for each Share of Common Stock subject to the Option, to be solely common stock of the successor corporation or its parent entity equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

(b) Shares Subject to Right of Repurchase. Any Shares subject to a Right of Repurchase of the Company, as described in Section 10.2 herein, shall be exchanged for the consideration (whether stock, cash, or other securities or property) received in the merger or asset sale by the holders of Common Stock for each share held on the effective date of the transaction, as described in the preceding paragraph. If in such exchange the Participant receives

shares of stock of the successor corporation or a parent or subsidiary of such successor corporation, and if the successor corporation has agreed to assume or substitute for Options as provided in the preceding paragraph, such exchanged shares shall continue to be subject to such Right of Repurchase. If, as provided in the preceding paragraph, the Participant shall have the right to exercise an Option as to all of the shares of Common Stock covered thereby, all Shares that are subject to a Right of Repurchase of the Company shall be released from such Right of Repurchase and shall be fully vested.

16.3 Assumption of Options by the Company. The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Option under this Plan in substitution of such other company's award; or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Option granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Option under this Plan if the other company had applied the rules of this Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the exercise price and the number and nature of Shares issuable upon exercise of any such option will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event the Company elects to grant a new Option rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price.

16.4 Outside Directors Options. Notwithstanding any provision to the contrary, in the event of a dissolution or liquidation described in Section 16.1 or a merger or asset sale described in Section 16.2, the vesting of all options granted to Outside Directors pursuant to Section 6 of this Plan will accelerate and such options will become exercisable in full prior to the consummation of such event at such times and on such conditions as the Committee determines, and must be exercised, if at all, within three (3) months of the consummation of said event. Any options not exercised within such three-month period shall expire.

17. **ADOPTION AND SHAREHOLDER APPROVAL.** This Plan will become effective on the date on which the registration statement filed by the Company with the SEC under the Securities Act registering the initial public offering of the Company's Common Stock is declared effective by the SEC (the "***Effective Date***"). This Plan shall be approved by the shareholders of the Company (excluding Shares issued pursuant to this Plan), consistent with applicable laws, within twelve (12) months before or after the date this Plan is adopted by the Board. Upon the Effective Date, the Committee may grant Options pursuant to this Plan; provided, however, that: (a) no Option may be exercised prior to initial shareholder approval of this Plan; (b) no Option granted pursuant to an increase in the number of Shares subject to this Plan approved by the Board will be exercised prior to the time such increase has been approved by the shareholders of the Company; (c) in the event that initial shareholder approval is not obtained within the time period provided herein, all Options granted hereunder shall be cancelled, any Shares issued pursuant to any Options shall be cancelled, and any purchase of Shares issued hereunder shall be rescinded; and (d) in the event that shareholder approval of such increase shall not be obtained within the time period provided herein, all Options granted pursuant to such increase shall be cancelled, any Shares issued pursuant to any Options granted

pursuant to such increase will be cancelled, and any purchase of Shares pursuant to such increase shall be rescinded.

18. TERM OF PLAN/GOVERNING LAW. Unless earlier terminated as provided herein, this Plan will terminate ten (10) years from the date this Plan is adopted by the Board or, if earlier, the date of shareholder approval. This Plan and all agreements thereunder shall be governed by and construed in accordance with the laws of the State of California.

19. AMENDMENT OR TERMINATION OF PLAN. The Board may at any time terminate or amend this Plan in any respect, including, without limitation, amendment of any form of Option Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the shareholders of the Company, amend this Plan in any manner that requires such shareholder approval; provided further, that a Participant's Option shall be governed by the version of this Plan then in effect at the time such Option was granted.

20. NONEXCLUSIVITY OF THE PLAN. Neither the adoption of this Plan by the Board, the submission of this Plan to the shareholders of the Company for approval, nor any provision of this Plan will be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock options and bonuses otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

21. INSIDER TRADING POLICY. Each Participant who receives an Option shall comply with any policy adopted by the Company from time to time covering transactions in the Company's securities by employees, officers and/or directors of the Company.

22. DEFINITIONS. As used in this Plan, the following terms will have the following meanings:

"Board" means the Board of Directors of the Company.

"Cause" means (a) the commission of an act of theft, embezzlement, fraud, dishonesty, (b) a breach of fiduciary duty to the Company or a Parent or Subsidiary of the Company, or (c) a failure to materially perform the customary duties of employee's employment.

"Code" means the Internal Revenue Code of 1986, as amended.
