**Re: International Isotopes Inc.
Post-effective amendment No. 3 to Form S-1
Filed June 10, 2011
File No. 333-171140**

Dear Mr. Laflin:

We have limited our review of your registration statement to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. Where you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

Selling Shareholders, page 5

1. We note your revisions in response to prior comment 2. Please expand to provide current disclosure that satisfies each of the Item requirements of Form S-1. We note, for example, the references on pages 5 and 9 to information as of December 7 and October 20, 2010.

Incorporation of Certain Information by Reference, page 16

2. We note that only "portions" of your Definitive Proxy Statement are incorporated by reference. Please tell us how that is consistent with Item 12(a)(2) to Form S-1.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Act of 1933 and all applicable Securities Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, before we can declare the amended registration statement effective, the company should provide us with a letter, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please contact Allicia Lam at (202) 551-3316 or Geoffrey Kruczek at (202) 551-3641 with any questions.

Sincerely,
