Definitive Proxy Statement on Schedule 14A

General

1. In future filings, please label your Compensation Discussion and Analysis section as such.

Executive Compensation, page 11

Summary Compensation Table, page 11

2. In future filings, please disclose all assumptions made in the valuation of awards in the option awards column of the table by reference to a discussion of those assumptions in your financial statements, footnotes to financial statements, or discussion in Management's Discussion and Analysis. Refer to Instruction 1 to Item 402(c)(2)(v) and (vi) of Regulation S-K. Similarly revise to your Director Compensation, at page 18, in regards to your option awards column. See Instruction to Regulation S-K Item 402(k), which refers to Instruction 1 to Item 402(c)(2)(v) and (vi).

3. We note that you have not provided a quantitative discussion of the terms of the necessary targets to be achieved in order for your executive officers to earn their incentive compensation. In future filings, please disclose these targets and explain how your incentive awards are specifically structured around such targets. Please also note that qualitative goals generally need to be presented to conform to the requirements of Item 402(b)(2)(v) of Regulation S-K. To the extent you believe that disclosure of the targets is not required because it would result in competitive harm such that the targets could be excluded under Instruction 4 to Item 402(b) of Regulation S-K, please provide a detailed explanation for such conclusion. Please note that to the extent that you have an appropriate basis for omitting the specific targets, you must discuss how difficult it would be for the named executive officers or how likely it will be for you to achieve the undisclosed target levels or other factors.
4. We note that options granted under your equity-based incentive compensation are based in part on consideration of market data for comparable positions in both general and restaurant industries. In future filings, please identify the companies that you have relied upon for benchmarking purposes, if applicable. If you have benchmarked different elements of your compensation against different benchmarking groups, please identify the companies that comprise each group. Refer to Item 402(b)(2)(xiv) of Regulation S-K. In addition, please disclose the actual percentiles for total compensation, and each benchmarked element of compensation, in the most recently-ended fiscal year, including a discussion of where you target each element of compensation against the peer companies and where actual payments fall within targeted parameters. To the extent actual compensation was outside a targeted percentile range, please explain why.
