Item 4.01 of Form 8-K

Reportable Condition: Material Internal Control Weaknesses

1. See the fourth paragraph regarding the disclosure of the adverse opinion on the effectiveness of your internal control over financial reporting. Please provide us with a copy of any letters or written communication to and from the former accountants, KPMG LLP, to management, the Board of Directors or the audit committee regarding the material weaknesses in your internal controls.
2. In detail, describe for us the nature of each material weakness in internal controls cited by the former auditors and the amounts

involved, if any. Also, tell us in what period the reportable event occurred and whether or not you restated (or intend to restate) any prior period for any adjustment resulting from the reportable event; and if not, why not. Tell us in detail the steps you have taken (or plan to take) and procedures you implemented (or plan to implement) to correct each reportable event.

3. Please provide us with a schedule of your fiscal year end December 26, 2004 fourth quarter adjustments recorded in connection with or as a result of the audit. Clearly explain the reason for each adjustment. For each adjustment, show us the impact on pre-tax net loss. Quantify the net effect of all adjustments on pre-tax net income (loss). Also, tell us if any of the adjustments relate to a prior period. Explain in detail why you believe the timing of each adjustment is appropriate.
