Schedule 14A

Compensation Discussion and Analysis, page 11

2. Item 402(a)(3)(iii) of Regulation S-K requires that disclosure be provided for your three most highly compensated executive officers other than the principal executive officer and the principal financial officer who were serving as executive officers at the end of the last completed fiscal year. An executive officer is any executive with policy making authority, whether or not an executive officer under your charter and bylaws. In future filings, please ensure that you provide appropriate disclosure for all individuals for whom disclosure is required under Item 402 of Regulation S-K. Refer to Item 402(a)(3) of Regulation S-K, Instruction 1 to Item 402(a)(3) of Regulation S-K, and Exchange Act Rule 3b-7.

3. In future filings, where the Remuneration Committee uses targets to award the different types of executive compensation, please provide the actual targets. Please note that target quantification and your textual description of compensation should encompass the minimum-maximum concepts described in the table on page 19. If you did not disclose the quantified performance targets because you concluded that disclosure of the targets could cause Net 1 competitive harm, as contemplated by Instruction 4 to Item 402(b) of regulation S-K, provide us with your confidentiality analysis supplementally and include disclosure in future filings analyzing the level of difficulty necessary to reach the targets contemplated by the Instruction. For more information on the confidentiality of targets, please look to the report of the Commission Staff regarding executive compensation disclosure, released October 9, 2007.
4. In future filings, please disclose the methodology used by the committee to determine the individual, multi-year stock option and restricted stock awards made to the named executive officers. Please refer to Item 402(b)(1)(v) of Regulation S-K.
5. In the last paragraph on page 12 you reference compensation surveys that you used to determine Net 1's compensation levels. In future filings, please describe these surveys and explain how they related to your peer group information. In addition, at the bottom of page 15 you say that you considered comparable company information in addition to that for the peer group companies you previously identify. In future filings please identify these additional companies. See Item 402(b)(2)(xiv).
