7.375% Senior Secured Notes due 2028

On January 25, 2021, Urban One, Inc. (the “Company”) completed the previously announced sale of \$825.0 million aggregate principal amount of 7.375% Senior Secured Notes due 2028 (the “New Notes”). The New Notes are governed by an indenture, dated January 25, 2021 (the “Indenture”), by and between the Company, the guarantors therein (the “Guarantors”) and Wilmington Trust, National Association, as trustee (in such capacity, the “Trustee”) and as notes collateral agent (in such capacity, the “Notes Collateral Agent”).

The Company used the net proceeds from the sale of the Notes together with cash on hand, to repay or redeem (1) the loans that were outstanding under that certain Credit Agreement, dated as of April 18, 2017, by and among the Company, various lenders party thereto, Guggenheim Securities Credit Partners, LLC, as administrative agent, and The Bank of New York Mellon, as collateral agent, (2) the Company's 8.750% Senior Secured Notes due 2022, (3) the Company's 7.375% Senior Secured Notes due 2022, (4) the loans that were outstanding under that certain Credit Agreement, dated as of December 4, 2018, by and among the Company, the various lenders party thereto, Wilmington Trust, National Association, as administrative agent and TCG Senior Funding L.L.C., as sole lead arranger and bookrunner, and (5) the loans that were outstanding under that certain Credit Agreement, dated as of December 4, 2018, by and among Urban One Entertainment SPV, LLC, Radio One Entertainment Holdings, LLC, the various lenders party thereto, Wilmington Trust, National Association, as administrative agent and collateral agent, and TCG Senior Funding L.L.C., as sole lead arranger and bookrunner, and to pay the premium, fees and expenses related thereto. Upon application of the net proceeds of the Notes, these credit facilities were terminated and the indentures governing the 7.375% Senior Secured Notes due 2022 and the 8.750% Senior Secured Notes due December 2022 were satisfied and discharged.

Interest and Maturity

Interest on the New Notes will accrue at the rate per annum equal to 7.375% and will be payable, in cash, semi-annually on February 1 and August 1 each year, commencing on August 1, 2021, to holders of record on the immediately preceding January 15 and July 15, respectively.

The New Notes are the Company’s general senior obligations and are guaranteed by each of the Company’s restricted subsidiaries (other than excluded subsidiaries). The New Notes and the guarantees are secured, subject to permitted liens and except for certain excluded assets (i) on a first priority basis by substantially all of the Company’s and the Guarantors’ current and future property and assets (other than accounts receivable, cash, deposit accounts, other bank accounts, securities accounts, inventory and related assets that secure our asset-backed revolving credit facility on a first priority basis (the “ABL Priority Collateral”)), including the capital stock of each guarantor (collectively, the “Notes Priority Collateral”) and (ii) on a second priority basis by the ABL Priority Collateral.

Optional Redemption

At any time prior to February 1, 2024, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice at a redemption price equal to 100% of the principal amount of such Notes, plus the relevant Applicable Premium, and accrued and unpaid interest, if any, to, but excluding, the redemption date.

At any time on or after February 1, 2024, the Company may redeem the New Notes, in whole or in part, upon not less than 10 nor more than 60 days’ prior notice, at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, to the redemption date during the twelve-month period beginning on February 1 of the year indicated below:

Year	Percentage
2024	103.688%
2025	101.844%
2026 and thereafter	100.000%

At any time and from time to time prior to February 1, 2024, the Company may redeem the New Notes with the net cash proceeds received by the Company from any Equity Offering (as defined in the Indenture) at a redemption price equal to 107.375% plus accrued and unpaid interest, if any, to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the New Notes (including any additional notes).

In addition, at any time prior to February 1, 2024, but not more than once during each 12-month period ending February 1, 2022, February 1, 2023 and February 1, 2024, the Company may redeem up to 10% of the aggregate principal amount of the New Notes during each such 12-month period upon not less than 10 nor more than 60 days’ prior notice, at a redemption price equal to 103.000% of the principal amount of the notes redeemed plus accrued and unpaid interest, if any, to the redemption date.

The New Notes are subject to mandatory redemption requirements imposed by gaming laws and regulations of applicable gaming regulatory authorities.

Restrictive Covenants

The terms of the Indenture, among other things, limit, in certain circumstances, the ability of the Company and its Restricted Subsidiaries (as defined in the Indenture) to: incur additional indebtedness; pay dividends or make other distributions or redeem or repurchase capital stock; prepay, redeem or repurchase certain junior, unsecured or subordinated debt; make loans and investments; sell assets; incur liens; enter into transactions with affiliates; alter the business the Company conducts; enter into agreements restricting the Company’s subsidiaries’ ability to pay dividends; and consolidate, merge or sell all or substantially all of the Company’s assets. If the New Notes achieve investment grade status by both Standard & Poor’s Rating Services and Moody’s Investors Service, Inc. and no default has occurred and is continuing, certain of the covenants under the Indenture will be suspended. If either rating on the New Notes should subsequently decline to below investment grade, the suspended covenants will be reinstated.

Change of Control

Upon the occurrence of certain events constituting a change of control as defined in the Indenture, the Company will be required to make an offer to repurchase all of the notes at a price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date, subject to the rights of holders of the New Notes on record on the relevant record date to receive interest due on the relevant interest payment date.

Events of Default

The Indenture provides for customary events of default including (subject in certain cases to customary grace and cure periods), among others: nonpayment of principal or interest; breach of other agreements in the Indenture; certain defaults under any mortgage, indenture or instrument under which indebtedness is or may be issued; certain events of bankruptcy or insolvency; a failure by the Company or a Significant Subsidiary (as defined in the Indenture) to pay certain final judgments aggregating in excess of the greater of \$20.0 million or 2.0% of the Company’s total assets; the Guarantee ceasing to be in full force and effect; and with respect to collateral constituting more than \$10.0 million individually or in the aggregate, any of the security documents relating to the Notes offer ceases to be in full force and effect. Generally, if an event of default occurs and is not cured within the time periods specified, the New Notes Trustee or the holders of at least 25% in principal amount of the then outstanding New Notes may declare all the New Notes to be due and payable immediately.

The foregoing summary of the New Notes does not purport to be complete and is qualified in its entirety by reference to the full text of (i) the New Indenture attached as Exhibit 4.1 hereto, (ii) the form of the New Notes attached as Exhibit 4.2 hereto, and (iii) the new intercreditor agreement attached as Exhibit 4.3 hereto.

In connection with the offering of the New Notes, the Company entered into an amendment of its Credit Agreement dated April 21, 2016 among the Company, as borrower, the lenders party thereto and Wells Fargo National Association, as administrative agent (the “ABL Credit Agreement”), to facilitate the issuance of the New Notes. The amendments to the ABL Credit Agreement, include, among other things, a consent to the issuance of the New Notes, revisions to terms and exclusions of collateral and addition of certain subsidiaries as guarantors. The foregoing summary of the amendment to the ABL Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of Amendment No. 2 to the Credit Agreement attached as Exhibit 4.3 hereto.

Item 1.02 Termination of a Material Definitive Agreement

As noted above, the Company used the net proceeds from the sale of the Notes together with cash on hand, to repay or redeem (1) the loans that were outstanding under that certain Credit Agreement, dated as of April 18, 2017, by and among the Company, various lenders party thereto, Guggenheim Securities Credit Partners, LLC, as administrative agent, and The Bank of New York Mellon, as collateral agent, (2) the Company's 8.750% Senior Secured Notes due 2022, (3) the Company's 7.375% Senior Secured Notes due 2022, (4) the loans that were outstanding under that certain Credit Agreement, dated as of December 4, 2018, by and among the Company, the various lenders party thereto, Wilmington Trust, National Association, as administrative agent and TCG Senior Funding L.L.C., as sole lead arranger and bookrunner, and (5) the loans that were outstanding under that certain Credit Agreement, dated as of December 4, 2018, by and among Urban One Entertainment SPV, LLC, Radio One Entertainment Holdings, LLC, the various lenders party thereto, Wilmington Trust, National Association, as administrative agent and collateral agent, and TCG Senior Funding L.L.C., as sole lead arranger and bookrunner, and to pay the premium, fees and expenses related thereto. Section 2.01 *Form and Dating.*

- (a) *General.* The Notes and the Trustee's certificate of authentication will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Upon delivery to the Trustee of an Officer's Certificate, Opinion of Counsel and Authentication Order, to issue Additional Notes under this, Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first interest payment date and the first date from which interest will accrue) as the Initial Notes; *provided* that Additional Notes will not be issued with the same CUSIP, if any, as existing Notes unless such Additional Notes are fungible with existing Notes for U.S. federal income tax purposes. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture. The Initial Notes issued on the Issue Date and any Additional Notes issued shall be treated as a single class for all purposes under this Indenture.

- (b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

- (c) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Global Note that are held by Participants through Euroclear or Clearstream.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes for the Company by manual, facsimile or electronic signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by two Officers (an "*Authentication Order*"), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. With respect to any Additional Notes, the Company shall set forth in an Officer's Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (b) the issue prices, the issue date and the CUSIP number of such Additional Notes.

The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar will keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company ("*DTC*") to act as Depositary with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest, if any, on, the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes if:

- (1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary;
- (2) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or
- (3) there has occurred and is continuing a Default or Event of Default with respect to the Notes and Holders of a majority of the aggregate principal amount of the outstanding Notes so request.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Except as provided in this Section 2.06, every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Neither the Trustee nor the Registrar shall have any duty to monitor compliance with the requirements or conditions for effecting transfers of beneficial interests within a Global Note. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Company so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.15 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary. Neither the Company, the Trustee nor any Agent shall have any responsibility or obligation to any Beneficial Owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant, Indirect Participant, Beneficial Owner or other Person (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. The rights of Beneficial Owners in a Global Note shall be exercised only through the Depositary, subject to the Applicable Procedures. The Company, the Trustee, and any Agent shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to their members, participants and any Beneficial Owners. The Company, the Trustee and the Agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered Holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest, and the giving of instructions or directions by or to the owner or Holder of a Beneficial Ownership interest in such Global Note) as the sole Holder of such Global Note and shall have no obligations to the Beneficial Owners thereof.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or any of its Restricted Subsidiaries shall not be deemed to be outstanding for purposes of Section 3.07 hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirements of the Exchange Act and the Trustee). Certification of the destruction of all canceled Notes will be delivered to the Company upon its request therefor. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed at any time, the Trustee (or Registrar if other than the Trustee) will select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified in writing to the Trustee by the Company, and in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC or DTC prescribes no method of selection, on a *pro rata* basis; *provided, however*, that no Note of \$2,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, unless the Company defaults in the payment of the redemption price, interest ceases to accrue on Notes or portions of them called for redemption.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum denominations of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, notices of redemption will be delivered by the Company electronically or mailed by first class mail at least 10 but not more than 60 days before the redemption date to each Holder to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (9) whether the redemption is conditioned on any events and what such conditions are.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Any redemption and notice of redemption may, at the Company's discretion, be given prior to the completion of a transaction (including an Equity Offering, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction, and may include multiple amounts of Notes that may be redeemed and conditions precedent applicable to such different amounts of Notes. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, subject to the satisfaction of any condition set forth in the notice of redemption.

Section 3.05

Deposit of Redemption or Purchase Price.

Prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06

Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07

Optional Redemption.

- (a) Except as set forth in clauses (b), (c), (d) and (e) below, the Notes are not redeemable at the option of the Company.
- (b) At any time prior to February 1, 2024, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes, plus the relevant Applicable Premium, and accrued and unpaid interest, if any, to, but excluding, the redemption date.
- (c) At any time and from time to time on or after February 1, 2024, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable date of redemption, if redeemed during the twelve-month period beginning on the year indicated below:

Year	Percentage
2024.....	103.688%
2025.....	101.844%
2026 and thereafter.....	100.000%

- (d) At any time and from time to time prior to February 1, 2024, the Company may redeem Notes with the net cash proceeds received by the Company from any Equity Offering at a redemption price equal to 107.375% plus accrued and unpaid interest to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including Additional Notes); *provided that*
 - 1. in each case the redemption takes place not later than 90 days after the closing of the related Equity Offering; and
 - 2. not less than 50% of the original aggregate principal amount of the Notes issued under the indenture remains outstanding immediately thereafter (including any Additional Notes but excluding Notes held by the Company and any of its Restricted Subsidiaries).
- (e) At any time prior to February 1, 2024, but not more than once during each 12-month period ending February 1, 2022, February 1, 2023 and February 1, 2024, the Company may redeem up to 10% of the aggregate principal amount of notes issued under the indenture during each such 12-month period upon not less than 10 nor more than 60 days' prior notice, at a redemption price equal to 103.000% of the principal amount of the notes redeemed plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.
- (f) If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.
- (g) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.
- (h) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(a) Each Holder, by accepting a Note, shall be deemed to have agreed that, if any gaming authority requires that a person who is a Holder or the beneficial owner of Notes be registered, licensed, qualified or found suitable under applicable gaming Laws, such Holder or beneficial owner, as the case may be, shall apply for a license, qualification or finding of suitability in accordance with such gaming Laws and shall cooperate with the requests of any gaming authority for information, documentation, and/or testimony. If such person (a) fails to apply for a license, qualification or finding of suitability, or (b) is notified by a gaming authority that it will not be licensed, qualified or found suitable, it shall be a Disqualified Holder and the and the Company shall have the right, at its option:

(1) to require such Person to dispose of its Notes or beneficial interest therein within thirty (30) days of receipt of notice of the Company's election or such earlier date as may be requested or required by such gaming authority; or

(2) to redeem such Notes, upon not less than thirty (30) days' prior written notice to the relevant Holders and the Trustee (or such earlier date as may be requested or required by such gaming authority), at a redemption price equal to either:

(3) the lesser of:

(A) the Person's cost for such Notes, plus accrued and unpaid interest, if any, to the earlier of the date of redemption or the date of the finding of unsuitability or failure to comply; and

(B) 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the earlier of the date of redemption or the date of finding of unsuitability, lack of qualification, denial of a license, or failure to comply; or

(4) such other amount as may be required by applicable Law or order of the gaming authority.

The Company shall notify the Trustee in writing of any such Disqualified Holder status or redemption as soon as practicable. Neither the Company nor the Trustee shall be responsible for any costs or expenses any Holder or beneficial owner may incur in connection with its registration, application for a license, qualification or a finding of suitability, or any renewal or continuation of the foregoing or compliance with any other requirement of a gaming authority. In addition, any Holder or beneficial owner of Notes that is required to be licensed, qualified or found suitable under applicable gaming Laws must pay all investigative fees and costs of any gaming authority in connection with such license, qualification, finding of suitability or application therefor.

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an “*Asset Disposition Offer*”), it will follow the procedures specified below.

The Asset Disposition Offer shall be made to all Holders and, to the extent the Company elects, to all holders of other outstanding Pari Passu Indebtedness to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Disposition Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than three Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Company will apply all Excess Proceeds (the “*Offer Amount*”) to the purchase of Notes and such other Pari Passu Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other Pari Passu Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Pari Passu Indebtedness tendered in response to the Asset Disposition Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

Upon the commencement of an Asset Disposition Offer, the Company will send, electronically or by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Disposition Offer. The notice, which will govern the terms of the Asset Disposition Offer, will state:

- (1) that the Asset Disposition Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Disposition Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Purchase Date;
- (5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in minimum denominations of \$2,000 or an integral multiple of \$1,000 in excess thereof;
- (6) that Holders electing to have Notes purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter (or otherwise in compliance with the Depositary’s procedures) setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes and other Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other Pari Passu Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in minimum denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased); and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Disposition Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.10. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Disposition Offer on the Purchase Date.

Other than as specifically provided in this Section 3.10, any purchase pursuant to this Section 3.10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

Principal of, and premium, if any, and interest on the Notes will be payable at the office or agency of the Company maintained for such purpose or, at the option of the paying agent, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders provided that all payments of principal, premium, if any, interest with respect to Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof.

The Company will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain in the United States, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof; provided that no office of the Trustee shall be an office or agency of the Company for the purposes of effective service of legal process against the Company.

Section 4.03 *Reports.*

(a) Whether or not the Company is subject to Sections 13(a) or 15(d) of the Exchange Act, so long as any Notes remain outstanding, the Company shall file with the SEC (subject to the next sentence) the annual reports, quarterly reports and other documents which the Company would have been required to file with the SEC pursuant to such Sections 13(a) or 15(d) if the Company were so subject (the “*Required Reports*”), such documents to be filed with the SEC no later than 15 days after the respective dates by which the Company would have been required to file such documents if the Company were so subject (including any extension as would be permitted by Rule 12b-25 under the Exchange Act, the “*Required Filing Dates*”); *provided* that any audited financial statements contained in such reports shall be reported on by an independent public accounting firm of recognized national standing. If at any time the Company is not subject to Sections 13(a) or 15(d) of the Exchange Act for any reason, the Company shall nevertheless continue to file the Required Reports with the SEC by no later than 15 days after the applicable Required Filing Date unless the SEC will not accept such a filing. The Company agrees that it shall not take any action for the purpose of causing the SEC not to accept any such filings. If notwithstanding the foregoing, the SEC shall not accept the filing of a Required Report for any reason, the Company shall post the Required Report on its website no later than 15 days after the applicable Required Filing Date and such Required Report shall be publicly available.

(b) Unless the Company is otherwise obligated to do so under the Exchange Act, the Required Reports will not be required to (i) comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Items 301 or 302 of Regulation S-K or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein), in each case, as in effect on the Issue Date, or (ii) contain the separate financial information for Guarantors contemplated by Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X promulgated by the SEC (or any similar successor provision), including the financial information of Reach Media, Inc. and its subsidiaries, if any; *provided* that the Required Reports will contain customary summary financial information with respect to Guarantor and Non-Guarantor Subsidiaries to the extent that a Non-Guarantor Subsidiary ceases to be an Immaterial Subsidiary.

(c) The Company shall also in any event (1) on the earlier of (a) 15 days after each Required Filing Date and (b) the 105th day after the end of each fiscal year, with respect to annual reports, or the 60th day after the end of each of the first three fiscal quarters of each fiscal year, with respect to quarterly reports, file with the Trustee, copies of the Required Reports and (2) if the SEC will not accept the filing of Required Reports by the Company, promptly upon written request, supply copies of such documents to any Holder at the Company’s cost. Notwithstanding the foregoing, for purposes of this clause (c), the Company shall be deemed to have furnished such Required Reports to the Holders and the Trustee if:

- (1) the Company has filed such reports with the SEC via the SEC’s Electronic Data Gathering, Analysis, and Retrieval Filing System (EDGAR) and such reports are publicly available; or
- (2) the Company is not subject to Sections 13(a) or 15(d) of the Exchange Act, and the SEC will not accept Required Reports for filing, and it has posted such Required Reports on its website and such Required Reports are publicly available.

(d) Notwithstanding any of the foregoing, if the Company designates any of its Subsidiaries as Unrestricted Subsidiaries at any time following the Issue Date that, individually or in the aggregate, with any other Subsidiary designated by the Company as an Unrestricted Subsidiary at any time after the Issue Date, would constitute a Significant Subsidiary, then the Company’s quarterly and annual financial information required by clauses (a), (b) and (c) of this Section 4.03 will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries of the Company.

(e) The Company shall make available to any prospective purchaser of Notes or beneficial owner of Notes in connection with any sale of Notes the information required by Rule 144A(d)(4) under the Securities Act so long as such Notes are not freely transferable under the Securities Act.

(f) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Company’s website or filed with the SEC. The posting or delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officer’s Certificate).

Section 4.04 *Compliance Certificate.*

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer’s Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company and its Subsidiaries, as applicable, have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, within 30 days after the occurrence thereof, an Officer’s Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06

Stay, Extension and Usury Laws.

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

- (14) any payments in connection with the Refinancing Transactions and the costs, fees, expenses and charges (including all legal, accounting and other professional fees, rating agency fees, deferred finance costs) related thereto.

For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories of Permitted Payments described in clauses (1) through (14) above, or is permitted pursuant to Section 4.07(a) hereof and/or one or more of the clauses contained in the definition of "Permitted Investment," the Company will be entitled to classify such Restricted Payment or Investment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07, including as an Investment pursuant to one or more of the clauses contained in the definition of "Permitted Investment".

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be their face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Board of Directors of the Company acting in good faith.

If the Company or a Restricted Subsidiary makes a Restricted Payment which at the time of the making of such Restricted Payment would in the good faith determination of the Company be permitted under the provisions of the Indenture, such Restricted Payment shall be deemed to have been made in compliance with the Indenture notwithstanding any subsequent adjustments made in good faith to the Company's financial statements affecting Consolidated Net Income or Consolidated Cash Flow of the Company for any period or Total Assets as of any date.

- (a) The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

 - (2) make any loans or advances to the Company or any Restricted Subsidiary; or
 - (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;
- (b) *provided that* (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.
- (c) The provisions of Section 4.08(a) hereof will not prohibit:
- (1) any encumbrance or restriction pursuant to (a) any Credit Facility (including any ABL Credit Facility) or (b) any other agreement or instrument in effect at or entered into on the Issue Date (or otherwise required as of the Issue Date);
 - (2) this Indenture, the Security Documents, the Notes and the Note Guarantees;
 - (3) encumbrances or restrictions pursuant to or arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

 - (5) any encumbrance or restriction:
 - (A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement;
 - (B) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements;
 - (C) contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice; *provided that* such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary; or
 - (D) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;
 - (6) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;
 - (7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;
 - (8) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments;
 - (9) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business;
 - (10) any encumbrance or restriction pursuant to Hedging Obligations and Cash Management Services;
 - (11) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to the provisions of Section 4.09 hereof if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in comparable financings (as determined in good faith by the Company), together with the security documentation associated therewith as in effect on the Issue Date;
 - (12) any encumbrance or restriction existing by reason of any lien permitted by Section 4.12 hereof;
 - (13) restrictions created in connection with any Qualified Securitization Financing or Receivables Facility that, in the good faith determination of the Company, are necessary or advisable to effect such Securitization Facility or Receivables Facility;
 - (14) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, restates, replaces, restructures or refinances, an agreement or instrument referred to in clauses (1) to (13) of this Section 4.08(b) or this clause (14) (an "*Initial Agreement*") or contained in any amendment,

supplement, extension, renewal, restatement, replacement, restructuring or other modification to an agreement referred to in clauses (1) to (13) of this Section 4.08(b) or this clause (14); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no materially less favorable to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).

- (d) For purposes of determining compliance with this Section 4.08, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions on Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Company or a Restricted Subsidiary of the Company of other Indebtedness Incurred by the Company or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that, subject to Section 4.09(c) hereof, the Company and any of its Restricted Subsidiaries may Incur Indebtedness (including Acquired Indebtedness) if on the date of such Incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), the Leverage Ratio for the Company and its Restricted Subsidiaries is no greater than 6.50 to 1.00.
- (b) The provisions of Section 4.09(a) hereof will not prohibit the Incurrence of the following Indebtedness (“*Permitted Indebtedness*”):
- (1) [RESERVED];
- (2) Indebtedness Incurred pursuant to the ABL Credit Facility, and any Refinancing Indebtedness in respect thereof and Guarantees in respect of such Indebtedness in a maximum aggregate principal amount not exceeding at the time of incurrence the greater of (a) \$50.0 million and (b) the Borrowing Base, and any Refinancing Indebtedness in respect thereof;

- (B) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and
- (C) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

- (B) the Leverage Ratio of the Company would not be greater than immediately prior to such acquisition, merger or consolidation; or
- (C) such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); *provided that*, in the case of this clause (c), the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger, amalgamation or consolidation;
- (7) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);
- (8) Indebtedness incurred by the Company or any Restricted Subsidiary represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding and any Refinancing Indebtedness does not exceed the greater of (a) \$20.0 million and (b) 2.00% of Total Assets at the time of incurrence, and any Refinancing Indebtedness in respect thereof;
- (9) Indebtedness in respect of (a) workers' compensation claims, health, disability or other employee benefits, property, casualty or liability insurance, self-insurance obligations, customer guarantees, performance, indemnity, surety, judgment, appeal, advance payment, customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations and completion guarantees and warranties provided by the Company or a Restricted Subsidiary or relating to liabilities, obligations or guarantees Incurred in the ordinary course of business, (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of Incurrence; (c) customer deposits and advance payments received in the ordinary course of business from customers for goods or services purchased in the ordinary course of business; and (d) letters of credit, bankers' acceptances, guarantees or other similar instruments or obligations issued or relating to liabilities or obligations Incurred in the ordinary course of business;
- (10) Indebtedness arising from agreements providing for guarantees, indemnification, obligations in respect of earn-outs or other adjustments of purchase price or, in each case, similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Capital Stock of a Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring or disposing of such business or assets or such Subsidiary for the purpose of financing such acquisition or disposition); provided that the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness in connection with a disposition shall at no time exceed the gross proceeds, including the fair market value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;
- (11) Indebtedness in respect of any Qualified Securitization Financing or any Receivables Facility;
- (12) (a) Indebtedness consisting of promissory notes issued by the Company or any of its Subsidiaries to any current or former employee, director or consultant of the Company or any of its Subsidiaries (or permitted transferees, assigns, estates, or heirs of such employee, director or consultant), to finance the purchase or redemption of Capital Stock of the Company or any of its Subsidiaries that is permitted by Section 4.07 hereof and (b) Indebtedness consisting of obligations under deferred compensation or any other similar arrangements incurred in the ordinary course of business, consistent with past practice or in connection with any Investment or any acquisition (by merger, consolidation, amalgamation or otherwise);
- (13) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, Incurred in the ordinary course of business;
- (14) Indebtedness of the Company or any Restricted Subsidiary to the extent the proceeds of such Indebtedness are deposited and used to defease or satisfy and discharge the Notes pursuant to Articles 8 or 12 hereof, as applicable;
- (15) Preferred Stock, Designated Preferred Stock and Disqualified Stock in an aggregate amount not to exceed the greater of (a) \$30.0 million and (b) the 3.00% of Total Assets, *provided* that no Event of Default has occurred and is continuing or would result from the incurrence thereof; and
- (16) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding, will not exceed the greater of (a) \$40.0 million and (b) 3.25% of Total Assets at the time of incurrence, and any Refinancing Indebtedness in respect thereof.
- (c) Non-Guarantor Subsidiaries may not Incur Indebtedness or issue Disqualified Stock or Preferred Stock under Section 4.09(a) or Section 4.09(b)(16) hereof if, after giving pro forma effect to such incurrence or issuance (including a pro forma application of the net proceeds therefrom), the aggregate amount of Indebtedness, Disqualified Stock and Preferred Stock of Non-Guarantor Subsidiaries incurred or issued pursuant to Section 4.09(a) hereof and clause (16) of Section 4.09(b) hereof, collectively, would exceed the greater of (a) \$20.0 million and (b) 2.00% of Total Assets at the time of incurrence
- (d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with this Section 4.09:
- (1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.09(a) or (b) hereof, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.09(b) or Section 4.09(a) hereof, *provided, however*, any Indebtedness outstanding immediately prior to the Issue Date which at such time is classified as having been Incurred under one of the clauses of Section 4.09(b) hereof cannot be on or after the Issue Date classified as Indebtedness under Section 4.09(a) hereof;
- (2) additionally, all or any portion of any item of Indebtedness may later be classified as having been Incurred pursuant to any type of Indebtedness described in Section 4.09(a) or Section 4.09(b) hereof so long as such Indebtedness is permitted to be Incurred pursuant to such provision at the time of reclassification, (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 4.09(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of Section 4.09(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 4.09(a) hereof without reliance on such clause);
- (3) Indebtedness outstanding on the Issue Date under the ABL Credit Agreement shall initially be deemed to be Incurred on the Issue Date under clause (2) of Section 4.09(b) hereof;

- (4) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;
- (5) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to any clause of Section 4.09(b) or Section 4.09(a) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;
- (6) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;
- (7) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and
- (8) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.
- (e) The Company will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Indebtedness) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that (a) no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor solely by virtue of being unsecured or by virtue of being secured on a junior priority basis and (b) no Indebtedness will be deemed contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor solely because it is secured by different collateral or because it is guaranteed by different obligors.
- (f) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09 and Section 4.12 hereof. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount of the Indebtedness, or liquidation preference thereof, in the case of any other Indebtedness.
- (g) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in default of this Section 4.09).
- (h) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:
- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);
 - (2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and
 - (3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be, at its option, to permanently reduce:
 - (A) Obligations constituting Parity Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto); provided that (x) to the extent that the terms of Parity Lien Obligations (other than Obligations under the Notes) require that such Parity Lien Obligations be repaid with the Net Proceeds of Asset Dispositions prior to repayment of other Indebtedness (including the Notes), the Company and its Restricted Subsidiaries shall be entitled to repay such other Parity Lien Obligations prior to repaying the Obligations under the Notes and (y) except as provided in the foregoing clause (x), if the Company or any Restricted Subsidiary shall so reduce Parity Lien Obligations, the Company will equally and ratably reduce Obligations under the Notes as provided in Section 3.07 hereof through open-market purchases (provided that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth herein for an Asset Disposition Offer) to all Holders to purchase their Notes at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the principal amount of Notes so purchased;
 - (B) Obligations ranking pari passu with the Notes other than Parity Lien Obligations so long as the relevant Net Proceeds are received with respect to non-Collateral; *provided* that if the Company or any Restricted Subsidiary shall so reduce any such pari passu Obligations, the Company will equally and ratably reduce Obligations under the Notes in any manner set forth in clause (a) above;
 - (C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary;
 - (D) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; *provided, further, however*, that the Additional Assets (including Capital Stock) acquired with the Net Available Cash of a disposition of Collateral are pledged as Collateral to the extent required under the Security Documents; or
 - (E) any combination of the foregoing;

provided that, pending the final application of any such Net Available Cash, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise use such Net Available Cash in any manner not prohibited by this Indenture.

- (b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.10(a) hereof will be deemed to constitute “Excess Proceeds” hereunder. On the 366th day after an Asset Disposition, if the aggregate amount of Excess Proceeds hereunder exceeds the greater of \$15.0 million or (b) 1.25% of Total Assets at such time, the Company will within 30 Business Days be required to make an Asset Disposition Offer to all Holders of Notes issued under this Indenture and, to the extent required by the terms of any Pari Passu Indebtedness, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to 100% of the principal amount of the Notes and Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in Section 3.10 hereof or the agreements governing the Pari Passu Indebtedness, as applicable, and, with respect to the Notes, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. The Company will deliver notice of such Asset Disposition Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, describing the transaction or transactions that constitute the Asset Disposition and offering to repurchase the Notes for the specified purchase price on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered, pursuant to the procedures required by this Indenture and described in such notice. The Company may satisfy its obligation to make an Asset Disposition Offer with respect to any Net Available Cash of any Asset Disposition by making an Asset Disposition Offer with respect to such Net Available Cash prior to the expiration of the 365-day period.
- (c) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for any purpose not prohibited by this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness, provided that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.
- (d) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than U.S. dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in U.S. dollars that is actually received by the Company upon converting such portion into U.S. dollars.
- (e) For the purposes of Section 4.10(a)(2) hereof, the following will be deemed to be cash:
- (1) the assumption by the transferee of Indebtedness or other liabilities of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;
- (2) securities, notes or other obligations received by the Company or any Restricted Subsidiary of the Company from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;
- (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;
- (4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and
- (5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.10 that is at that time outstanding, not to exceed the greater of (a) \$30.0 million and (b) 2.50% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).
- (f) The Company will comply to the extent applicable with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with each repurchase of Notes pursuant to this Section 4.10. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.10 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.10 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Limitation on Affiliate Transactions.*

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “Affiliate Transaction”) involving aggregate value in excess of the greater of (a) \$10.0 million and (b) 1.00% of Total Assets at such time unless:
- (1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate; and
- (2) with respect to any Affiliate Transaction or series of Affiliate Transactions involving an aggregate value in excess of \$10.0 million, the Company delivers to the Trustee an Officer’s Certificate stating that the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company; and

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (2) of this Section 4.11(a) if such Affiliate Transaction is approved by a majority of the Disinterested Directors, if any.

(b) The provisions of Section 4.11(a) hereof will not apply to:

- (1) any Restricted Payment permitted to be made pursuant to Section 4.07 hereof or any Permitted Investment;
- (2) (a) any issuance, transfer or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, or amendments or modifications to, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent Company, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, and (b) directors' qualifying shares and shares issued to foreign nationals as required under applicable law, in each case in the ordinary course of business;
- (3) any Management Advances and any waiver or transaction with respect thereto;
- (4) any transaction between or among the Company and any Restricted Subsidiary (or an entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries;
- (5) the payment of compensation, reasonable fees and reimbursement of expenses to, employment and severance arrangements with, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company or any Restricted Subsidiary of the Company (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);
- (6) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.11 or to the extent not more disadvantageous to the Holders in any material respect in the reasonable determination of the Company when taken as a whole as compared to the applicable agreement as in effect on the Issue Date;
- (7) any transaction effected as part of a Qualified Securitization Financing or Receivables Facility, any disposition or acquisition of Securitization Assets, Receivables Assets or related assets in connection with any Qualified Securitization Financing or Receivables Facility;
- (8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business, which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior management of the Company or the relevant Restricted Subsidiary, or are on terms, taken as a whole, no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;
- (9) any transaction between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or similar entity (including a joint venture or an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate or similar entity or any Affiliate of the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate or similar entity;
- (10) issuances or sales of Capital Stock (other than Disqualified Stock) of the Company or any of its Restricted Subsidiaries or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;
- (11) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (1) of Section 4.11(a) hereof;
- (12) the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under the terms of, any equityholders agreement (including any registration rights agreement or purchase agreements related thereto) to which it is party as of the Issue Date and any similar agreement that it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under any future amendment to the equityholders' agreement or under any similar agreement entered into after the Issue Date will only be permitted under this clause to the extent that the terms of any such amendment or new agreement, in the reasonable determination of the Company when taken as a whole, are not otherwise disadvantageous to the Holders in any material respects;
- (13) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Company's Affiliates; provided that such purchases by the Company's Affiliates are on the same terms as such purchases by such Persons who are not the Company's Affiliates;
- (14) the payment of fees, costs and expenses related to registration rights and indemnities provided to equityholders pursuant to equityholders, investor rights, registration rights or similar agreements;
- (15) (i) investments by Affiliates in securities or loans of the Company or any of the Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Company or such Restricted Subsidiary generally to other non-affiliated third party investors on the same or more favorable terms and (ii) payments to Affiliates in respect of securities or loans of the Company or any of the Restricted Subsidiaries contemplated in the foregoing subclause (i) or that were acquired from Persons other than the Company and its Restricted Subsidiaries, in each case, in accordance with the terms of such securities or loans;
- (16) payments to or from, and transactions with, any Subsidiary or any joint venture in the ordinary course of business or consistent with past practice (including any cash management arrangements or activities related thereto); and
- (17) the Refinancing Transactions and the payment of all costs, fees, expenses and charges (including all legal, accounting and other professional fees, rating agency fees, deferred finance costs) related thereto.

The Company will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures Obligations under any Indebtedness or any related Guarantee of Indebtedness, on any asset or property of the Company or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom.

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Permitted Business, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

- (1) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary; and
- (2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

- (a) Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Notes as set forth under Section 3.07 hereof, the Company will make an offer to purchase all of the Notes (the “*Change of Control Offer*”) at a price in cash (the “*Change of Control Payment*”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will deliver notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, describing the transaction or transactions that constitute the Change of Control and stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;
- (2) the purchase price and the purchase date, which date shall be no earlier than 10 days and no later than 60 days from the date such notice is mailed (the “*Change of Control Payment Date*”);
- (3) that any Note not tendered will continue to accrue interest;
- (4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and
- (7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act, as applicable, and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.15, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.15 by virtue thereof.

- (b) On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

Prior to complying with any of the provisions of this Section 4.15, but in any event within 90 days following a Change of Control, the Company will either repay all outstanding Senior Indebtedness or obtain the requisite consents, if any, under all agreements governing outstanding Senior Indebtedness to permit the repurchase of Notes required by this Section 4.15.

- (c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, (2) notice of redemption has been given pursuant to Section 3.07 hereof and, in the event that such redemption is subject to one or more conditions precedent, such conditions have been satisfied or waived or (3) in the event that, upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Articles 8 or 12 hereof, as applicable.
- (d) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.
- (e) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

Section 4.16 *[Reserved].*

Section 4.17 *Additional Note Guarantees.*

The Company is obligated to cause (a) each Subsidiary that becomes a Wholly Owned Restricted Subsidiary after the Issue Date (other than an Excluded Subsidiary) that guarantees Indebtedness under the ABL Credit Agreement, any Parity Lien Obligations or syndicated bank indebtedness or capital markets debt securities in a principal amount in excess of the greater of (i) \$10.0 million and (ii) 1.0% of Total Assets of the Company or any of its Restricted Subsidiaries (other than an Excluded Subsidiary) and (b) any Foreign Subsidiary that guarantees Indebtedness under the ABL Credit Agreement, any Parity Lien Obligations or syndicated bank indebtedness or capital markets debt securities in a principal amount in excess of the greater of \$10.0 million and 1.0% of Total Assets of the Company or any of its Restricted Subsidiaries (other than an Excluded Subsidiary) to guarantee the Notes and the Company's other obligations under the indenture by executing a supplemental indenture to provide a Note Guarantee within 60 Business Days after the date its obligation to guarantee the Notes and the Company's other obligations under the Indenture arises; provided that this Section 4.17 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary or (ii) in the event that the Guarantee of the Company's obligations under the Notes or the Indenture by such Subsidiary would not be permitted under applicable law.

The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary shall not be required to comply with the 60-day period described above and such Guarantee may be released at any time in the Company's sole discretion so long as any Indebtedness of such Subsidiary then outstanding could have been incurred by such Subsidiary (either (x) when so incurred or (y) at the time of the release of such Guarantee) assuming such Subsidiary were not a Guarantor at such time.

If any Guarantor becomes an Excluded Subsidiary, the Company shall have the right, by delivery of a supplemental indenture executed by the Company to the Trustee, to cause such Excluded Subsidiary to cease to be a Guarantor, subject to the requirement described in the first paragraph above that such Subsidiary shall be required to become a Guarantor if it ceases to be an Excluded Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); *provided* that such Excluded Subsidiary shall not be permitted to Guarantee any Credit Facility incurred pursuant to Section 4.09(b)(2) hereof or capital markets debt securities of the Company or the other Guarantors, unless it again becomes a Guarantor.

Section 4.18 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09 hereof, the Company will be in default of Section 4.09 hereof.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Event of Default would be in existence following such designation. Any such designation by the Board of Directors of the Company shall be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions.

- (a) Following the first day:
- (1) the Notes have achieved Investment Grade Status; and
 - (2) no Default or Event of Default has occurred and is continuing under this Indenture,

then, beginning on that day and continuing until the Reversion Date (as defined below), the Company and its Restricted Subsidiaries will not be subject to the following provisions (collectively, the “*Suspended Covenants*”):

- (i) Section 4.07;
- (ii) Section 4.08;
- (iii) Section 4.09;
- (iv) Section 4.10;
- (v) Section 4.11;
- (vi) Section 4.13;
- (vii) Section 4.15;
- (viii) Section 4.17; and
- (ix) Section 5.01(3).

- (b) If at any time the Notes cease to have such Investment Grade Status or if a Default or Event of Default occurs and is continuing, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the “*Reversion Date*”) and be applicable pursuant to the terms hereof (including in connection with performing any calculation or assessment to determine compliance with the terms hereof), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status and no Default or Event of Default is in existence); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period (as defined below), or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reversion Date is referred to as the “*Suspension Period*.”

- (c) On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to Section 4.09(a) hereof or one of the clauses set forth in Section 4.09(b) hereof (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to the Indebtedness Incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to Sections 4.09(a) or (b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4)(b) of Section 4.09(b) hereof. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.07 hereof will be made as though Section 4.07 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 4.07(a). In addition, any future obligation to grant further Guarantees shall be released. All such further obligation to grant Guarantees shall be reinstated upon the Reversion Date.

ARTICLE 5
SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

The Company will not consolidate with or merge with or into, or sell, convey, transfer or lease all or substantially all its assets (determined on a consolidated basis for the Company and its Restricted Subsidiaries) to, any Person, unless:

- (1) the resulting, surviving or transferee Person (the “*Successor Company*”) will be a Person organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia (provided that where the continuing Person is not a corporation, a co-obligor of the Notes is a corporation that is a Wholly Owned Restricted Subsidiary) and the Successor Company (if not the Company) will expressly assume, by supplemental indenture (or other joinder agreement, as applicable), executed and delivered to the Trustee, all the obligations of the Company under the Notes, this Indenture and the Security Documents;
- (2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;
- (3) immediately after giving effect to such transaction, either (a) the Successor Company would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to Section 4.09(a) hereof or (b) the Leverage Ratio would not be greater than it was immediately prior to giving effect to such transaction; and
- (4) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company provided that in giving an Opinion of Counsel, counsel may rely on an Officer’s Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Notwithstanding clauses (2), (3) and (4) of this Section 5.01 (which do not apply to transactions referred to in this sentence), (a) any Restricted Subsidiary of the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company and (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding clauses (2) and (3) of this Section 5.01 (which do not apply to the transactions referred to in this sentence), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

The foregoing provisions (other than the requirements of clause (2) of this Section) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Company.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the “Company” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest, if any, on, the Notes except in the case of a lease of all or substantially all of such successor Person’s assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) default in any payment of interest on any Note when due and payable, continued for 30 days;
- (2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;
- (3) failure to comply with the Company’s agreements or obligations contained in this Indenture or the Security Documents for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes (with a copy to the Trustee) which notice requires that the default be remedied and states that it is a notice of default under this Indenture; *provided* that the Company shall have 120 days after the receipt of such notice to remedy, or receive a waiver for, a failure to comply with Section 4.03 hereof
- (4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company any of its Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:
 - (A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness (a “*payment default*”); or
 - (B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates to the greater of (a) \$20.0 million or (b) 2.00% of Total Assets or more at any one time;

- (5) the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary:
 - (A) commences a voluntary case,
 - (B) consents to the entry of an order for relief against it in an involuntary case,
 - (C) consents to the appointment of a custodian of it or for all or substantially all of its property,
 - (D) makes a general assignment for the benefit of its creditors, or
 - (E) generally is not paying its debts as they become due;
- (6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary in an involuntary case;
 - (B) appoints a custodian of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; or
 - (C) orders the liquidation of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

- (7) failure by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal period end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary), to pay final judgments aggregating in excess of the greater of (a) \$20.0 million and (b) 2.00% of Total Assets other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; and
- (8) any Guarantee of the Notes ceases to be in full force and effect, other than in accordance with the terms of this Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with this Indenture; and
- (9) with respect to any Collateral constituting more than \$10.0 million individually or in the aggregate, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Holders of the Notes the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Company or any Restricted Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect (in each case (i) other than in accordance with the terms of this Indenture or the terms of the Security Documents, (ii) except to the extent that any such cessation of the Liens results from the failure of the Applicable Parity Lien Representative, as the case may be, to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file Uniform Commercial Code continuation statements, (iii) except as to Collateral consisting of real property to the extent that such losses are covered by a lender’s title insurance policy and such insurer has not denied or failed to acknowledge coverage or (iv) unless waived by the requisite lenders under any Credit Facility if, after that waiver, the Company is in compliance with Article 10 hereof); *provided* that if a failure of the sort described in this clause (9) is susceptible of cure, no Event of Default shall arise under this clause (9) with respect thereto until 30 days after written notice of such failure shall have been given to the Company by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes issued under this Indenture.

However, a default under clause (3), (4) or (6) of this Section 6.01 will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes notify the Company (with a copy to the Trustee) of the default, with respect to clauses (3) and (6), and the Company does not cure such default within the time specified in clause (3) or (6) of this Section 6.01 after receipt of such notice. Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a “*Noteholder Direction*”) provided by any one or more Holders (each a “*Directing Holder*”) must be accompanied by a written representation from each such Holder delivered to the Company and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default (a “*Default Direction*”) shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder is deemed, at the time of providing a Noteholder Direction, to covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Noteholder’s Position Representation within five Business Days of request therefor (a “*Verification Covenant*”). In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer’s Certificate stating that the Company has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Default or Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company provides to the Trustee an Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder’s participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Default or Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs.

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with the Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer’s Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Company, any Holder or any other Person in acting in good faith on a Noteholder Direction.

If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the “*Initial Default*”) occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default will also be cured without any further action.

Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.03 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture. Any time period in this Indenture to cure any actual or alleged Default or Event of Default may be extended or stayed by a court of competent jurisdiction.

Section 6.02 *Acceleration.*

If an Event of Default (other than an Event of Default specified in clause (5) of Section 6.01 hereof with respect to the Company) occurs and is continuing, the Trustee by notice to the Company or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, if any, will be due and payable immediately.

In the event of a declaration of acceleration of the Notes because an Event of Default specified in clause (4) of Section 6.01 hereof has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to clause (4) of Section 6.01 hereof shall be remedied or cured, or waived by the Holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, in each case, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

If an Event of Default described in clause (5) of Section 6.01 hereof with respect to the Company occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

The Holders of a majority in principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest, if any) and rescind any such acceleration with respect to such Notes and its consequences hereunder if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest, if any) and its consequences hereunder; *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration by notice to the Company and the Trustee. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any actions are unduly prejudicial to any Holder) or that may involve the Trustee in personal liability.

If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any fee, loss, liability or expense. Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered and, if requested, provided in writing the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07

Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08

Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09

Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10

Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall, subject to the provisions of the Intercreditor Agreements, pay out the money in the following order:

First: to the Trustee, the Agents, the Notes Collateral Agent, and their respective agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Notes Collateral Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11

Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

Section 7.01

Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (2) in the absence of gross negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificate or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
- (c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:
- (1) this clause (c) does not limit the effect of clause (b) of this Section 7.01;
- (2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and
- (3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.
- (d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b), and (c) of this Section 7.01.
- (e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any Holders, unless such Holder has offered, and if requested, provided to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.
- (f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

- (a) The Trustee may conclusively rely upon and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.
- (b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in accordance with such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance therewith.
- (c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.
- (d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.
- (e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.
- (f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.
- (g) In no event shall the Trustee be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.
- (h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.
- (i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.
- (j) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgement, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company during its regular business hours, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.
- (k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.
- (l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers or duties hereunder.
- (m) The permissive rights of the Trustee hereunder shall not be construed as duties.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

If a Default occurs and is continuing and the Trustee is given notice of such occurrence by the Company, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Company. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

- (a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.
- (b) The Company and the Guarantors will jointly and severally indemnify the Trustee and its employees, officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, the other Notes Documents and the Intercreditor Agreements, including the costs and expenses of enforcing this Indenture, the other Notes Documents and the Intercreditor Agreements, against the Company and the Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct, as determined by a final order of a court of competent jurisdiction. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. At the request of the Trustee, the Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.
- (c) The obligations of the Company and the Guarantors under this Section 7.06 will survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.
- (d) To secure the Company's and the Guarantors' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.
- (e) When the Trustee incurs expenses or renders services after an Event of Default specified in clause (5) or (6) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.
- (f) The Agents shall have the benefit of the provisions of this Article as though they were named as the Trustee herein.

Section 7.07

Replacement of Trustee.

- (a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.
- (b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing with 60 days' prior written notice. The Company may remove the Trustee if:
 - (1) the Trustee fails to comply with Section 7.09 hereof;
 - (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
 - (3) a custodian or public officer takes charge of the Trustee or its property; or
 - (4) the Trustee becomes incapable of acting.
- (c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.
- (d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.
- (e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.
- (f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly, at the expense of the Company, transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08

Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09

Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Section 7.10

Notes Collateral Agent.

The rights, privileges, protections, immunities and benefits given to the Trustee in this Indenture shall apply equally to the Notes Collateral Agent, including, without limitation, the right to compensation, expense reimbursement and indemnification and the right to resign.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees), this Indenture and the Security Documents on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees, this Indenture and the Security Documents (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes specified in Section 6.01 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19 and 4.20 hereof and Section 5.01 (other than clauses (1) and (2) of Section 5.01) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(3), (4), (5) (with respect only to the Company and Significant Subsidiaries), (6) (with respect only to the Company and Significant Subsidiaries), (7) and (8) hereof will not constitute Events of Default.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations or a combination thereof, the principal and interest on which will be sufficient for the payment of principal, premium, if any, and interest on the Notes on the applicable redemption date or maturity date, as the case may be, and the Company must specify whether the Notes are being defeased to the date of Stated Maturity or to a particular redemption date;
- (2) an Opinion of Counsel in the United States stating that Holders and beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of an election under Section 8.02 hereof only, such Opinion of Counsel in the United States must be based on a ruling of the U.S. Internal Revenue Service or change in applicable U.S. federal income tax law since the issuance of the Notes);
- (3) an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code, as amended;
- (4) an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Company; and
- (5) an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that that all conditions precedent provided for or relating to Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with.

Section 8.05

Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06

Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07

Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest, if any, on any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder of Notes, the Company, the Trustee and the other parties thereto, as applicable, may amend or supplement any Note Documents, the ABL Intercreditor Agreement, the Junior Lien Intercreditor Agreement and the Parity Lien Intercreditor Agreement to:

- (1) cure any ambiguity, mistake, defect, error or inconsistency, conform any provision to the "Description of the Notes" section of the Offering Memorandum, or reduce the minimum denomination of the Notes;
- (2) provide for the assumption by a successor Person of the obligations of the Company under any Note Document or to comply with the covenant described in Section 5.01;
- (3) provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of the Indenture relating to the form of the Notes (including related definitions) *provided*, that such Notes are issued in registered form for purposes of Section 163(f) of the Code;
- (4) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;
- (5) make any change (including changing the CUSIP or other identifying number on any Notes) that does not adversely affect the rights of any Holder in any material respect;
- (6) make such provisions as necessary (as determined in good faith by the Company) for the issuance of Additional Notes;
- (7) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 4.17 hereof to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;
- (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or Notes Collateral Agent pursuant to the requirements thereof or to provide for the accession by the Trustee or Notes Collateral Agent to any Note Document;
- (9) add additional obligors under this Indenture, the Notes or the Note Guarantees;
- (10) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (11) comply with the rules and procedures of any applicable securities depositary;
- (12) to add or release Collateral from, or subordinate, the Lien of this Indenture and the Security Documents when permitted or required by the Security Documents, this Indenture, the ABL Intercreditor Agreement, the Junior Lien Intercreditor Agreement or the Parity Lien Intercreditor Agreement, as applicable;
- (13) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Notes Collateral Agent for the benefit of the Trustee, Notes Collateral Agent and Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or for the benefit of the Notes Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise;
- (14) to add Additional Parity Lien Secured Parties to any Security Documents, the ABL Intercreditor Agreement, the Junior Lien Intercreditor Agreement or the Parity Lien Intercreditor Agreement; or
- (15) make additional Indebtedness subject to the terms of the ABL Intercreditor Agreement and/or the Parity Lien Intercreditor Agreement (and join the representatives and agents under such additional Indebtedness as parties to the ABL Intercreditor Agreement and/or the Parity Lien Intercreditor Agreement), in accordance with the terms and conditions of such agreements.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Sections 7.02 and 9.05 hereof, the Trustee and the Notes Collateral Agent, as applicable, will join with the Company and the Guarantors in the execution of any amended or supplemental indenture or other document authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.10, 4.10 and 4.15 hereof) the Notes, the Note Guarantees, the Note Documents, the ABL Intercreditor Agreement, the Parity Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, and the other Security Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes). Section 2.08 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

In addition, without the consent of at least two-thirds in aggregate principal amount of Notes then outstanding, an amendment, supplement or waiver may not modify any Security Document or the provisions of this Indenture dealing with the Security Documents or application of trust moneys in any manner, in each case, that would subordinate the Lien of the Notes Collateral Agent to the Liens securing any other Obligations (other than as contemplated under Section 9.01(12)) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents, the ABL Intercreditor Agreement, the Junior Lien Intercreditor Agreement and the Parity Lien Intercreditor Agreement.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Sections 7.02 and 9.05 hereof, the Trustee and the Notes Collateral Agent, as applicable, will join with the Company and the Guarantors in the execution of such amended or supplemental indenture or other documentation unless such amended or supplemental indenture or other documentation directly affects the Trustee's or Notes Collateral Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee and the Notes Collateral Agent may in their discretion, but will not be obligated to, enter into such amended or supplemental Indenture or other documentation.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (3) reduce the principal of or change the fixed maturity of any Note (except as provided above with respect to Sections 3.10, 4.10 and 4.15 hereof);
- (4) make any Note payable in money other than that stated in the Notes;
- (5) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium, if any, on, or interest, if any, on the Notes;
- (6) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (7) make any change in the preceding amendment and waiver provisions.

Section 9.03

Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04

Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05

Trustee to Sign Amendments, etc.

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture or other documentation, the Trustee and the Notes Collateral Agent will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture or other documentation is authorized or permitted by this Indenture.

ARTICLE 10
COLLATERAL AND SECURITY

Section 10.01 *Security Interest.*

The obligations of the Company with respect to the Notes, the obligations of the Guarantors under the Note Guarantees, the obligations of the Company with respect to the ABL Credit Agreement, the obligations of the Guarantors under the Guarantees in respect of the ABL Credit Agreement, any other future Parity Lien Obligations, any other future obligations that are secured on a junior lien basis to the Note obligations, and the performance of all other obligations of the Company and the Guarantors under the Note Documents, are, or will be, secured by Liens on the Notes Priority Collateral and on the ABL Priority Collateral.

Each Holder, by its acceptance of the Notes, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended, restated, amended and restated, supplemented or otherwise modified from time to time in accordance with, and pursuant to, their terms and authorizes and directs the Notes Collateral Agent and the Trustee to enter into the applicable Security Documents and to perform their obligations and exercise their rights thereunder in accordance therewith.

Section 10.02 *Equal and Ratable Sharing of Collateral by Holders of Parity Lien Debt.*

Notwithstanding (1) anything to the contrary contained in the Security Documents; (2) the time of Incurrence of any Series of Parity Lien Debt; (3) the order or method of attachment or perfection of any Lien securing any Series of Parity Lien Debt; (4) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Liens securing any Series of Parity Lien Debt; (5) the time of taking possession or control over any Collateral securing any Series of Parity Lien Debt; (6) that any Parity Lien may not have been perfected or may be or have become subordinated, by equitable subordination or otherwise, to any other Lien; or (7) the rules for determining priority under any law governing relative priorities of Liens, all Parity Liens granted at any time by the Company or any Guarantor on the Shared Collateral will secure, equally and ratably, all present and future Parity Lien Obligations of the Company or such Guarantor, as the case may be.

The provisions in this Section 10.02 are intended for the benefit of, and will be enforceable by, each present and future Parity Lien Claimholder, each present and future Parity Lien Representative, the Notes Collateral Agent and the Trustee, each as a holder of Parity Liens. The Parity Lien Representative of each future Series of Parity Lien Debt will be required to deliver a Lien Sharing and Priority Confirmation to the Parity Debt Collateral Agents at the time of Incurrence of such Series of Parity Lien Debt.

Section 10.03 *Relative Rights.*

Nothing in this Indenture or the other Note Documents shall:

- (1) impair, as between the Company and the Holders, the obligation of the Company to pay principal, interest, premium, if any, on the Notes in accordance with their terms or any other obligation of the Company or any Guarantor under the Note Documents;
- (2) affect the relative rights of Holders as against any other creditors of the Company or any Guarantor (other than as expressly specified in any Intercreditor Agreement);
- (3) restrict the right of any Holder to sue for payments that are then due and owing (but not the right to enforce any judgment in respect thereof against any Collateral to the extent specifically prohibited by the provisions of any Intercreditor Agreement);
- (4) restrict or prevent any Holder or holder of other Parity Lien Obligations, the Trustee or any other person from exercising any of its rights or remedies upon a Default or Event of Default not specifically restricted or prohibited by the provisions of any Intercreditor Agreement; or
- (5) restrict or prevent any Holder or holder of other Parity Lien Obligations, the Trustee or any other person from taking any lawful action in an Insolvency or Liquidation Proceeding not specifically restricted or prohibited by the provisions of any Intercreditor Agreement.

Section 10.04 *Further Assurances.*

The Company and each of the Guarantors will do or cause to be done all acts and things that may be reasonably required, to assure and confirm that the Notes Collateral Agent holds, for the benefit of the Holders of Obligations under the Note Documents, duly created and enforceable and perfected Liens upon the Collateral (including any property or assets that are acquired or otherwise become Collateral after the Notes are issued), in each case, as and to the extent contemplated by, and with the Lien priority required under, the Note Documents.

Section 10.05 *Insurance.*

The Company and the Guarantors shall:

- (1) keep their properties insured and maintain such general liability, automobile liability, workers' compensation/employers' liability, property casualty insurance and any excess umbrella coverage related to any of the foregoing as is customary for companies in the same or similar businesses operating in the same or similar locations (including through self-insurance);
- (2) maintain such other insurance as may be required by law; and
- (3) maintain such other insurance as may be required by the Note Documents.

Promptly following the reasonable request of the Notes Collateral Agent acting at the direction of the Trustee, acting, in turn, at the direction of Holders of a majority in outstanding principal amount of Notes), the Company and the Guarantors will furnish to the Trustee full information as to their property and liability insurance carriers (absent an Event of Default, limited to one request per year). The Company shall (x) provide the Notes Collateral Agent with notice of cancellation or modification with respect to their respective property and casualty policies before the effective date of such cancellation or modification and (y) subject to the terms of any Intercreditor Agreement, name the Notes Collateral Agent as a co-loss payee on property and casualty policies and as an additional insured as their respective interests may appear on the liability policies listed in clause (1) of this Section 10.05. Neither the Trustee nor the Notes Collateral Agent shall have any responsibility for the Company's insurance coverage or claims or actions in respect thereof, including, without limitation, adjusting any insurance claims or approving any condemnation awards, for monitoring the Company's insurance coverage or for determining the adequacy or sufficiency of the coverage.

The Notes Collateral Agent's Liens upon the Collateral will no longer secure the Notes outstanding under this Indenture or any other Obligations under this Indenture, and the right of the Holders of the Notes and such Obligations to the benefits and proceeds of the Notes Collateral Agent's Liens on the Collateral will terminate and be discharged with respect to the Collateral:

- (1) in part, upon a sale, transfer or other disposition of Collateral in accordance with this Indenture;
- (2) in whole, upon satisfaction and discharge of this Indenture as described under Section 12.01 hereof;
- (3) in whole, upon a legal defeasance or covenant defeasance of the Notes as described under Article 8 hereof;
- (4) in whole, upon payment in full and discharge of all Notes outstanding under this Indenture and all Obligations that are outstanding, due and payable under this Indenture at the time the Notes are paid in full and discharged;
- (5) upon the release of a Guarantor from its Guarantee with respect to the Notes pursuant to the terms of this Indenture or to the extent such Collateral otherwise becomes Excluded Assets;
- (6) in whole or in part, with the consent of the Holders of the requisite percentage of Notes in accordance with the provisions described in Section 9.02 hereof; or
- (7) if and to the extent required by the provisions of any Intercreditor Agreements.

For the avoidance of doubt, the Company and the Guarantors will not be required to comply with all or any portion of Section 314(d) of the TIA.

Section 10.07

Authorization of Actions to Be Taken by the Trustee Under the Security Documents.

At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Notes Collateral Agent with respect thereto unless it has been indemnified or secured to its satisfaction in accordance with this Indenture. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (1) any failure of the Notes Collateral Agent to enforce such security within a reasonable time or at all;
- (2) any failure of the Notes Collateral Agent to pay over the proceeds of enforcement of the security;
- (3) any failure of the Notes Collateral Agent to realize such security for the best price obtainable;
- (4) monitoring the activities of the Notes Collateral Agent in relation to such enforcement;
- (5) taking any enforcement action itself in relation to such security;
- (6) agreeing to any proposed course of action by the Notes Collateral Agent which could result in the Trustee incurring any liability for its own account; or
- (7) paying any fees, costs or expenses of the Notes Collateral Agent.

Section 10.08

Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture and the Intercreditor Agreements.

The Company and the Guarantors shall use commercially reasonable efforts to deliver to the Notes Collateral Agent within 120 days following the Issue Date (and continue to use commercially reasonable efforts to take such actions to the extent such security interest has not been created or perfected and such related documents have not been provided within such time following the Issue Date (unless the Company determines that any further efforts to take any such action after such time following the Issue Date would be commercially futile, as evidenced by an officer's certificate to that effect delivered to the Trustee) with respect to each Real Property Asset owned by the Company or any Guarantor (the "*Mortgaged Property*"), the following:

- (1) fully executed and notarized mortgages, deeds of trust or debentures encumbering the fee interest of the Company or any Guarantor in each such Initial Mortgaged Property, together with such UCC-1 financing statements or other fixture filings as shall be required or advisable with respect to such Mortgaged Property;
- (2) a fully paid and effective pro forma title insurance policy, along with endorsements and in amounts not to exceed the value of the Mortgaged Properties covered thereby, appropriate title affidavits, surveys, and zoning reports, in each case if required, and any other customary documents, certificates or deliverables required by a title company for each Mortgaged Property, which, upon the recording of the mortgages, deeds of trust or debentures, as applicable, will insure the mortgages, deeds of trust or debentures, as applicable, to be valid and subsisting Liens on the Mortgaged Property described therein, free and clear of all material Liens, except Permitted Liens;
- (3) a written opinion from local counsel in each jurisdiction in which the Mortgaged Property is located with respect to the creation and enforceability of Liens created by the applicable mortgage, deed of trust or debenture and any related fixture filings, in customary form and substance;
- (4) a written opinion from counsel in each jurisdiction of organization of the owner of the applicable Mortgaged Property covering the due authorization, execution, delivery and other customary matters related to the mortgages, in customary form and substance;
- (5) at any time and from time to time, promptly execute and deliver any and all further instruments and documents and take all such other action necessary in obtaining the full benefits of, or in perfecting and preserving the Liens of, such mortgages, deeds of trust or debentures; and
- (6) prior to accepting any mortgage, deed of trust or debenture pursuant to this Section 10.10, the Company shall deliver to the Notes Collateral Agent and the Trustee an Officer's Certificate to the effect that all conditions precedent provided for in this Indenture to the delivery of such mortgage, deed of trust or debenture, as applicable, have been complied with.

With respect to the time periods set forth in this Section 10.09, if any government office required for an action is closed on one or more days on which it would normally be open, the applicable time periods set forth above shall not commence until the 3rd business or working day following the latest date such government office was closed on a day on which it would normally be open.

Section 10.10

Trustee's Duties with Respect to Collateral; Rights of Notes Collateral Agent.

Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or the Security Documents by the Company, the Guarantors or the Notes Collateral Agent.

Without prejudice to Section 7.10, the rights and protections afforded to the Trustee under this Section 10.11 shall be equally applicable to the Notes Collateral Agent. Notwithstanding anything herein to the contrary, the Notes Collateral Agent shall not be required to take any action or exercise any discretion under the Security Documents or with respect to the Collateral unless such action is directed pursuant to Section 6.05 hereof (subject to Sections 7.01(c)(3) and 7.02(f) hereof), it being understood that the duties and obligations of the Notes Collateral Agent under the Security Documents shall be wholly ministerial.

If in order to perfect the security interest of the Trustee or the Notes Collateral Agent in a deposit account or a securities account, the Trustee or the Notes Collateral Agent is required to enter into a control agreement, the Trustee and the Notes Collateral Agent shall not be required to enter into any such agreement that requires the Trustee or the Notes Collateral Agent to indemnify any Person from its own personal assets.

Section 10.11

Holder Direction.

Each Holder, by accepting a Note, shall be deemed (1) to have consented and agreed to the terms of the Security Documents, the Intercreditor Agreements and any additional Intercreditor Agreement entered into in compliance with the provisions hereof or of any Intercreditor Agreement as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Notes Collateral Agent to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith, (2) to have authorized the Trustee and the Notes Collateral Agent, as applicable, to enter into the Security Documents, the Intercreditor Agreements and any additional Intercreditor Agreement, to make any representations on behalf of the Holders in the Intercreditor Agreements and any additional Intercreditor Agreement and to be bound thereby and (3) to have irrevocably appointed and authorized the Notes Collateral Agent and the Trustee to give effect to the provisions in the Intercreditor Agreements, any additional Intercreditor Agreements and the Security Documents. The Notes Collateral Agent is hereby authorized to exercise such rights and powers as are specifically delegated to it by the terms of the Security Documents and the Trustee and Notes Collateral Agent are directed to enter into and perform the Intercreditor Agreements, as applicable. The Trustee may conclusively assume that any document identified as an Intercreditor Agreement in a request from the Company to the Trustee to execute such Intercreditor Agreement meets the requirements of this Section 10.11. The Holders acknowledge that the Notes Collateral Agent is an agent and not a trustee.

ARTICLE 11
NOTE GUARANTEES

Section 11.01 *Guarantee.*

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

- (1) the principal of, premium, if any, on, and interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and
- (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

- (b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.
- (c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.
- (d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the date of this Indenture, if required by Section 4.17 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.17 hereof and this Article 11, to the extent applicable.

- (a) No Guarantor may
- (1) consolidate with or merge with or into any Person, or
 - (2) sell, convey, transfer, lease or dispose of, all or substantially all its assets, in one transaction or a series of related transactions, to any Person, or
 - (3) permit any Person to merge with or into the Guarantor, unless:
 - (A) the other Person is the Company or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or
 - (B) (1) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Notes and the Security Documents; and (2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or
 - (C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

The Note Guarantee of a Guarantor will terminate and be automatically and unconditionally released and discharged:

- (1) upon a sale or other disposition (including by way of stock issuance, consolidation or merger) of the Capital Stock of such Guarantor after which such Guarantor is not a Restricted Subsidiary or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture;
- (2) upon the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;
- (3) upon defeasance or discharge of the Notes, as provided in Article 8 and Article 12 hereof;
- (4) upon the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of the proviso of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause;
- (5) upon any Guarantor becoming an Excluded Subsidiary (other than as a result of being an Immaterial Subsidiary), so long as such Guarantor does not guarantee or act as a co-issuer or co-borrower of Indebtedness under the ABL Credit Agreement, any Parity Lien Obligations or syndicated bank indebtedness or capital markets debt securities in a principal amount in excess of the greater of (a) \$10.0 million and (b) 1.0% of Total Assets of the Company or any of its Restricted Subsidiaries (other than an Excluded Subsidiary);
- (6) to the extent such Guarantor was required to provide a Note Guarantee pursuant to the covenant described below under Section 4.17 upon the release or discharge of the guarantee of such Guarantor of each of the obligations of the Company or its Restricted Subsidiaries that gave rise to the requirement to provide such Note Guarantee or the repayment of each of the obligations of the Company or its Restricted Subsidiaries that gave rise to the obligation to provide such Note Guarantee;
- (7) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with Article 5;
- (8) upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date; or
- (9) as described under Article 9.

ARTICLE 12
SATISFACTION AND DISCHARGE

Section 12.01

Satisfaction and Discharge.

This Indenture and the Security Documents will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

- (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Company) have been delivered to the Trustee for cancellation; or (b) all Notes not previously delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company;
- (2) the Company has deposited or caused to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be;
- (3) the Company has paid or caused to be paid all other sums payable under this Indenture; and
- (4) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under this Section 12.01 have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to clause (2) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02

Application of Trust Money.

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Section 13.02 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company shall furnish to the Trustee:

- (1) an Officer's Certificate satisfactory to the Trustee (which must include the statements set forth in Section 13.03 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

- (3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and
- (4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 13.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

No director, officer, employee, incorporator or shareholder of the Company or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Company under the Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the U.S. federal securities laws and it is the view of the SEC that such a waiver is against public policy.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES AND THE SECURITY DOCUMENTS WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The parties irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, City of New York, over any suit, action or proceeding arising out of or relating to this Indenture. To the fullest extent permitted by applicable law, the parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 11.05 hereof.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. Any signature to this Indenture may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal E-SIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Indenture.

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or other unavailability of the Federal Reserve Bank wire or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

The parties hereto acknowledge that in accordance with Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the “*U.S.A. Patriot Act*”), the Trustee and the Notes Collateral Agent, like all U.S. financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee and the Notes Collateral Agent with such information as they may request in order to satisfy the requirements of the U.S.A. Patriot Act.

EACH OF THE COMPANY, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

[Signatures on following page]

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the day and year first written above.

(1) **INTEREST.** Urban One, Inc., a Delaware corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at 7.375% per annum from _____, until maturity. The Company will pay interest, if any, semiannually in arrears on February 1 and August 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided that*, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be _____. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) **METHOD OF PAYMENT.** The Company will pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on the January 15 or July 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) **PAYING AGENT AND REGISTRAR.** Initially, Wilmington Trust, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) **INDENTURE.** The Company issued the Notes under an Indenture dated as of January 25, 2021 (the “*Indenture*”) among the Company, the Guarantors and the Trustee and Notes Collateral Agent. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) **OPTIONAL REDEMPTION.**

(a) Except as set forth in clauses (b), (c), (d), (e) and (f) below, the Notes are not redeemable at the option of the Company.

(b) At any time prior to February 1, 2024, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice at a redemption price equal to 100% of the principal amount of such Notes, plus the relevant Applicable Premium, and accrued and unpaid interest, if any, to, but excluding, the redemption date.

(c) At any time and from time to time on or after February 1, 2024, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days’ prior notice at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable date of redemption, if redeemed during the twelve-month period beginning on the year indicated below:

Year	Percentage
2024.....	103.688%
2025.....	101.844%
2026 and thereafter.....	100.000%

(d) At any time and from time to time prior to February 1, 2024, the Company may redeem Notes with the net cash proceeds received by the Company from any Equity Offering at a redemption price equal to 107.375% plus accrued and unpaid interest to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including Additional Notes); *provided that*

1. in each case the redemption takes place not later than 90 days after the closing of the related Equity Offering; and

2. not less than 50% of the original aggregate principal amount of the Notes issued under the indenture remains outstanding immediately thereafter (including any Additional Notes but excluding Notes held by the Company and any of its Restricted Subsidiaries).

(e) At any time prior to February 1, 2024, but not more than once during each 12-month period ending February 1, 2022, February 1, 2023 and February 1, 2024, the Company may redeem up to 10% of the aggregate principal amount of notes issued under the indenture during each such 12-month period upon not less than 10 nor more than 60 days’ prior notice, at a redemption price equal to 103.000% of the principal amount of the notes redeemed plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) Each Holder, by accepting a Note, shall be deemed to have agreed that, if any gaming authority requires that a person who is a Holder or the beneficial owner of Notes be registered, licensed, qualified or found suitable under applicable gaming Laws, such Holder or beneficial owner, as the case may be, shall apply for a license, qualification or finding of suitability in accordance with such gaming Laws and shall cooperate with the requests of any gaming authority for information, documentation, and/or testimony. If such person (a) fails to apply for a license, qualification or finding of suitability, or (b) is notified by a gaming authority that it will not be licensed, qualified or found suitable, it shall be a Disqualified Holder and the and the Company shall have the right, at its option:

1. to require such Person to dispose of its Notes or beneficial interest therein within thirty (30) days of receipt of notice of the Company's election or such earlier date as may be requested or required by such gaming authority; or
2. to redeem such Notes, upon not less than thirty (30) days' prior written notice to the relevant Holders and the Trustee (or such earlier date as may be requested or required by such gaming authority), at a redemption price equal to either:
3. the lesser of:
 - (i) the Person's cost for such Notes, plus accrued and unpaid interest, if any, to the earlier of the date of redemption or the date of the finding of unsuitability or failure to comply; and
 - (ii) 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the earlier of the date of redemption or the date of finding of unsuitability, lack of qualification, denial of a license, or failure to comply; or
4. such other amount as may be required by applicable Law or order of the gaming authority.

The Company shall notify the Trustee in writing of any such Disqualified Holder status or redemption as soon as practicable. Neither the Company nor the Trustee shall be responsible for any costs or expenses any Holder or beneficial owner may incur in connection with its registration, application for a license, qualification or a finding of suitability, or any renewal or continuation of the foregoing or compliance with any other requirement of a gaming authority. In addition, any Holder or beneficial owner of Notes that is required to be licensed, qualified or found suitable under applicable gaming Laws must pay all investigative fees and costs of any gaming authority in connection with such license, qualification, finding of suitability or application therefor.

(7) **MANDATORY REDEMPTION.** The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(8) **REPURCHASE AT THE OPTION OF HOLDER.**

(a) Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Notes as set forth under Section 3.07 of the Indenture, the Company will make an offer (a "Change of Control Offer") at a price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will deliver notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Disposition, on the 366th day after such Asset Disposition, if the aggregate amount of Excess Proceeds exceeds the greater of (a) \$15.0 million and (b) 1.25% of Total Assets, the Company will make an Asset Disposition Offer to all Holders of Notes and all holders of other *Pari Passu* Indebtedness to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *Pari Passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Disposition Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Disposition Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *Pari Passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Disposition Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed or as otherwise in accordance with the applicable procedures of the Depository. Upon completion of each Asset Disposition Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Disposition Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" attached to the Notes.

(9) **NOTICE OF REDEMPTION.** At least 10 days but not more than 60 days before a redemption date, the Company will deliver electronically or mail by first class mail a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in minimum denominations of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(10) **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(11) **SECURITY.** The Notes will be secured on the terms and subject to the conditions set forth in the Indenture and the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Trustee and/or the Notes Collateral Agent, as applicable, to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith.

(12) **PERSONS DEEMED OWNERS.** The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(13) **AMENDMENT, SUPPLEMENT AND WAIVER.** Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to, among other things, cure any ambiguity, mistake, defect, error or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to the Indenture, to make any change that would add to the covenants or provide for a Guarantee for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Company or any Restricted Subsidiary or that does not adversely affect the rights under the Indenture of any Holder, to conform the text of the Indenture, the Notes, or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum, to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes.

(14) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default in any payment of interest on any Note when due and payable, continued for 30 days; (ii) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise; (iii) failure to comply with the Company's agreements or obligations contained in the Indenture or the Security Documents (as defined in the Indenture) for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes which notice requires that the default be remedied and states that it is a notice of default under this Indenture; *provided* that the Company shall have 120 days after the receipt of such notice to remedy, or receive a waiver for, a failure to comply with Section 4.03 of the Indenture; (iv) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company any of its Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which (a) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness, or (b) results in the acceleration of such Indebtedness prior to its stated final maturity, and, in each case under (a) and/or (b) above, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates to the greater of (a) \$20.0 million and (b) 2.00% of Total Assets or more; (v) certain events of bankruptcy, insolvency or court protection of the Company or a Significant Subsidiary (as defined in the Indenture) or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; (vi) failure by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal period end provided as required under Section 4.03 of the Indenture) would constitute a Significant Subsidiary) to pay certain final judgments aggregating in excess of the greater of (a) \$20.0 million and (b) 2.00% of Total Assets, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) any Guarantee of the Notes ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with the Indenture. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice; and (viii) with respect to any Collateral (as defined in the Indenture) constituting more than \$10.0 million individually or in the aggregate, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the holders of the Notes the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Company or any Restricted Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect, as set forth in Section 6.01 of the Indenture. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, interest, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders of Notes, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

 - (4) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions that are, in each case, inconsistent with the terms of this Agreement, with respect to the Junior Lien Obligations and the Collateral;
 - (5) exercise any of its rights or remedies with respect to the Collateral to the extent permitted by Section 3.1(a)(1); and
 - (6) bid for or purchase Collateral at any public, private or judicial foreclosure upon such Collateral initiated by any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder, or any sale of Collateral during an Insolvency or Liquidation Proceeding; provided that such bid may not include a "credit bid" in respect of any Junior Lien Obligations unless the cash proceeds of such bid are otherwise sufficient to, and are applied to, cause the Discharge of Parity Lien Obligations.

Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, agrees that it will not take or receive any Collateral or any proceeds of Collateral in connection with the exercise of any right or remedy (including set-off and recoupment) with respect to any Collateral in its capacity as a creditor in violation of this Agreement. Unless and until the Discharge of Parity Lien Obligations has occurred, except as provided in Sections 3.1(a) and 6.3(b) and this Section 3.1(c), the sole right of the Junior Lien Representatives, the Junior Lien Collateral Agents and the other Junior Lien Claimholders with respect to the Collateral is to hold a Lien on the Collateral pursuant to the Junior Lien Collateral Documents for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of Parity Lien Obligations has occurred.

(d) Subject to Sections 3.1(a) and 3.1(c) and Section 6.3(b):

(1) each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, agrees that such Junior Lien Representative or such Junior Lien Collateral Agent and such Junior Lien Claimholders represented by it will not take any action that would hinder any exercise of remedies under the Parity Lien Debt Documents or is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the Collateral, whether by foreclosure or otherwise;

(2) each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, hereby waives any and all rights such Junior Lien Representative or such Junior Lien Collateral Agent and such Junior Lien Claimholders represented by it may have as a junior lien creditor or otherwise to object to the manner in which any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder seeks to enforce or collect the Parity Lien Obligations or Liens securing the Parity Lien Obligations granted in any of the Parity Lien Collateral undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder is adverse to the interest of any Junior Lien Claimholder; and

(3) each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Lien Debt Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder with respect to the Collateral as set forth in this Agreement and the Parity Lien Debt Documents.

(e) Except as specifically set forth in this Agreement, the Junior Lien Representatives, the Junior Lien Collateral Agents and the other Junior Lien Claimholders may exercise rights and remedies as unsecured creditors against the Company or any other Grantor that has guaranteed or granted Liens to secure the Junior Lien Obligations in accordance with the terms of the Junior Lien Debt Documents and applicable law (other than initiating or joining in an involuntary case or proceeding under any Insolvency or Liquidation Proceeding with respect to any Grantor); provided that in the event that any Junior Lien Claimholder becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Junior Lien Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Parity Lien Obligations) in the same manner as the other Liens securing the Junior Lien Obligations are subject to this Agreement.

(f) Except as specifically set forth in Sections 3.1(a) and 3.1(d), nothing in this Agreement shall prohibit the receipt by any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder of the required payments of interest, principal and other amounts owed in respect of the Junior Lien Obligations, or amounts received in connection with a permitted refinancing of the Junior Lien Obligations, so long as such receipt is not the direct or indirect result of the exercise by any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder of rights or remedies as a secured creditor (including set-off and recoupment) or enforcement in contravention of this Agreement of any Lien held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder may have with respect to the Parity Lien Collateral.

Section 16.02

Actions Upon Breach; Specific Performance. If any Junior Lien Claimholder, in contravention of the terms of this Agreement, in any way takes, attempts to or threatens to take any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement), or fails to take any action required by this Agreement, this Agreement shall create an irrebuttable presumption and admission by such Junior Lien Claimholder that relief against such Junior Lien Claimholder by injunction, specific performance and/or other appropriate equitable relief is necessary to prevent irreparable harm to the Parity Lien Claimholders, it being understood and agreed by each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of each Junior Lien Claimholder represented by it, that (i) the Parity Lien Claimholders' damages from actions of any Junior Lien Claimholder may at that time be difficult to ascertain and may be irreparable and (ii) each Junior Lien Claimholder waives any defense that the Grantors and/or the Parity Lien Claimholders cannot demonstrate damage and/or be made whole by the awarding of damages. Each of the Parity Lien Representatives and/or Parity Lien Collateral Agents may demand specific performance of this Agreement. Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder. No provision of this Agreement shall constitute or be deemed to constitute a waiver by any Parity Lien Representative or any Parity Lien Collateral Agent on behalf of itself and each other Parity Lien Claimholder represented by it of any right to seek damages from any Person in connection with any breach or alleged breach of this Agreement.

Section 17.01

Application of Proceeds. So long as the Discharge of Parity Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, any Collateral or any proceeds thereof and any insurance proceeds to be distributed pursuant to Section 5.2 received in connection with any Enforcement Action or other exercise of remedies by any Parity Lien Representative, any Parity Lien Collateral Agent or any Parity Lien Claimholder shall be applied as follows:

FIRST, by the Designated Parity Lien Collateral Agent and the other Parity Lien Collateral Agents or the Parity Lien Representatives, as applicable, to the Parity Lien Obligations in such order as specified in the relevant Parity Lien Debt Documents and, if then in effect, the ABL Intercreditor Agreement and the Parity Lien Pari Passu Intercreditor Agreement, until a Discharge of Parity Lien Obligations; *provided*, that any non-cash Collateral or non-cash proceeds may be held by the applicable Parity Lien Collateral Agent as Collateral unless the failure to apply such amounts would be commercially unreasonable;

SECOND, by the Designated Junior Lien Collateral Agent and the other Junior Lien Collateral Agents or the Junior Lien Representatives, as applicable, to the applicable Junior Lien Obligations in such order as specified in the applicable Junior Lien Collateral Documents and, if then in effect, the ABL Intercreditor Agreement and the Junior Lien Pari Passu Intercreditor Agreement, until a Discharge of Junior Lien Obligations; and

THIRD, to the Company and the other Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

Section 17.02

Payments Over.

- (a) So long as the Discharge of Parity Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, any Collateral or any proceeds thereof (including assets or proceeds subject to Liens referred to in the second to last paragraph of Section 2.3 and any assets or proceeds subject to Liens that have been avoided or otherwise invalidated, but excluding any debt obligations of the reorganized debtor distributed as contemplated by Section 6.6) received by any Junior Lien Representative, Junior Lien Collateral Agent or any other Junior Lien Claimholder in connection with any Enforcement Action or other exercise of any right or remedy relating to the Collateral, less any reasonable out-of-pocket expenses incurred in connection with such Enforcement Action, in all cases shall be segregated and held in trust and forthwith paid over to the Designated Parity Lien Collateral Agent for the benefit of the Parity Lien Claimholders in the same form as received, with any necessary endorsements (which endorsements shall be without recourse and without any representations or warranties) or as a court of competent jurisdiction may otherwise direct. The Designated Parity Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Junior Lien Representatives, Junior Lien Collateral Agents or any such other Junior Lien Claimholder. This authorization is coupled with an interest and is irrevocable until the Discharge of Parity Lien Obligations.
- (b) So long as the Discharge of Parity Lien Obligations has not occurred, if in any Insolvency or Liquidation Proceeding any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder shall receive any distribution of money or other property in respect of the Collateral or proceeds thereof (including any assets or proceeds subject to Liens referred to in the second to last paragraph of Section 2.3 and assets or proceeds subject to Liens that have been avoided or otherwise invalidated) such money or other property (other than debt obligations of the reorganized debtor distributed as contemplated by Section 6.6) shall be segregated and held in trust and forthwith paid over to the Designated Parity Lien Collateral Agent for the benefit of the Parity Lien Claimholders in the same form as received, with any necessary endorsements (which endorsements shall be without recourse and without any representations or warranties). The Designated Parity Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Junior Lien Representatives, the Junior Lien Collateral Agents or any such other Junior Lien Claimholder. This authorization is coupled with an interest and is irrevocable until the Discharge of Parity Lien Obligations. Any Lien received by any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder in respect of any of the Junior Lien Obligations in any Insolvency or Liquidation Proceeding shall be subject to the terms of this Agreement.

- (a) If in connection with any Enforcement Action by any Parity Lien Representative or any Parity Lien Collateral Agent or any other exercise of any Parity Lien Representative's or any Parity Lien Collateral Agent's remedies in respect of the Collateral, in each case prior to the Discharge of Parity Lien Obligations, such Parity Lien Collateral Agent, for itself or on behalf of any of the Parity Lien Claimholders represented by it, releases any of its Liens on any part of the Collateral or such Parity Lien Representative, for itself or on behalf of any of the Parity Lien Claimholders represented by it, releases any Grantor from its obligations under its guaranty of the Parity Lien Obligations, then the Liens, if any, of each Junior Lien Collateral Agent, for itself or for the benefit of the Junior Lien Claimholders, on such Collateral, and the obligations of such Grantor under its guaranty of the Junior Lien Obligations, shall be automatically, unconditionally and simultaneously released. If in connection with any Enforcement Action or other exercise of rights and remedies by any Parity Lien Representative or any Parity Lien Collateral Agent, in each case prior to the Discharge of Parity Lien Obligations, the equity interests of any Person are foreclosed upon or otherwise disposed of and such Parity Lien Collateral Agent releases its Lien on the property or assets of such Person then the Liens of each Junior Lien Collateral Agent with respect to the property or assets of such Person will be automatically released to the same extent as the Liens of such Parity Lien Collateral Agent. Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself or on behalf of any Junior Lien Claimholder represented by it, shall promptly execute and deliver to the Parity Lien Representatives, Parity Lien Collateral Agents or such Grantor such termination statements, releases and other documents as any Parity Lien Representative, Parity Lien Collateral Agent or such Grantor may request to effectively confirm the foregoing releases.
- (b) If in connection with any sale, lease, exchange, transfer or other disposition of any Collateral by any Grantor (collectively, a **"Disposition"**) permitted under the terms of the Parity Lien Debt Documents [and the terms of the Junior Lien Debt Documents]⁹ (other than in connection with an Enforcement Action or other exercise of any Parity Lien Representative's and/or Parity Lien Collateral Agent's remedies in respect of the Collateral, which shall be governed by Section 5.1(a)), any Parity Lien Collateral Agent, for itself or on behalf of any Parity Lien Claimholder represented by it, releases any of its Liens on any part of the Collateral, or any Parity Lien Representative, for itself or on behalf of any Parity Lien Claimholder represented by it, releases any Grantor from its obligations under its guaranty of the Parity Lien Obligations, in each case other than (A) in connection with, or following, the Discharge of Parity Lien Obligations or (B) after the occurrence and during the continuance of any Event of Default under (and as defined in) any Junior Lien Debt Document, then the Liens, if any, of each Junior Lien Collateral Agent, for itself or for the benefit of the Junior Lien Claimholders represented by it, on such Collateral, and the obligations of such Grantor under its guaranty of the Junior Lien Obligations, shall be automatically, unconditionally and simultaneously released. Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, shall promptly execute and deliver to the Parity Lien Representatives, the Parity Lien Collateral Agents or such Grantor such termination statements, releases and other documents as any Parity Lien Representative, Parity Lien Collateral Agent or such Grantor may request to effectively confirm such release.
- (c) Until the Discharge of Parity Lien Obligations occurs, each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, hereby irrevocably constitutes and appoints the Designated Parity Lien Collateral Agent and any officer or agent of the Designated Parity Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Lien Representative, such Junior Lien Collateral Agent and such Junior Lien Claimholders or in the Designated Parity Lien Collateral Agent's own name, from time to time in the Designated Parity Lien Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release. This power is coupled with an interest and is irrevocable until the Discharge of Parity Lien Obligations. Without limiting the foregoing, the Designated Parity Lien Collateral Agent or any agent or designee thereof is hereby authorized to execute any documents necessary or appropriate to release the Liens of any Junior Lien Collateral Agent on any certificate of title in accordance with this Section 5.1.
- (d) Until the Discharge of Parity Lien Obligations occurs, to the extent that any Parity Lien Collateral Agent, any Parity Lien Representative or any Parity Lien Claimholder (i) has released any Lien on Collateral or any Grantor from its obligation under its guarantee and any such Liens or guarantee are later reinstated or (ii) obtains any new Liens or additional guarantees, then each Junior Lien Collateral Agent, for itself and for the Junior Lien Claimholders represented by it, shall be granted a Lien on any such Collateral (except to the extent such Lien represents a Junior Lien Declined Lien with respect to the Junior Lien Debt represented by such Junior Lien Collateral Agent), subject to this Agreement, and each Junior Lien Representative, for itself and for the Junior Lien Claimholders represented by it, shall be granted an additional guarantee, as the case may be.

Section 18.02

Insurance. Unless and until the Discharge of Parity Lien Obligations has occurred, the Parity Lien Representatives, the Parity Lien Collateral Agents and the other Parity Lien Claimholders shall have the sole and exclusive right, subject to the rights of the Grantors under the Parity Lien Debt Documents, to adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral. Unless and until the Discharge of Parity Lien Obligations has occurred, and subject to the rights of the Grantors under the Parity Lien Debt Documents, all proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of the Collateral shall be distributed in accordance with the terms of Section 4.1. Until the Discharge of Parity Lien Obligations has occurred, if any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, then it shall segregate and hold in trust and forthwith pay such proceeds over to the Designated Parity Lien Collateral Agent in accordance with the terms of Section 4.2.

- (a) The Parity Lien Debt Documents of any Series may be amended, restated, amended and restated, supplemented, waived or otherwise modified in accordance with their terms, and the Indebtedness under the Parity Lien Debt Documents may be refinanced subject Section 8.7; provided, however, (i) without the prior written consent of the Junior Lien Representatives, no Parity Lien Debt Document may be amended, restated, amended and restated, waived, restructured, renewed, extended, supplemented, refinanced or otherwise modified, or entered into, to the extent such amendment, restatement, waiver, restructuring, renewal, extension, supplement, refinancing or modification, or the terms of such new Parity Lien Debt Document (x) would contravene the provisions of this Agreement and/or (y) increase the sum of Indebtedness for borrowed money constituting principal outstanding under the Parity Lien Debt Documents in excess of the Intercreditor Parity Lien Cap]¹⁰ and (ii) the holders of any such refinancing debt shall bind themselves (directly or through their agent or representative) in a writing addressed to the Junior Lien Representatives to the terms of this Agreement.
- (b) The Junior Lien Debt Documents may be amended, restated, amended and restated, supplemented, waived or otherwise modified in accordance with their terms, and the Indebtedness under the Junior Lien Debt Documents may be refinanced subject to Section 8.7; provided, however, (i) without the prior written consent of the Parity Lien Representatives, no Junior Lien Debt Document may be amended, restated, amended and restated, waived, restructured, renewed, extended, supplemented, refinanced or otherwise modified, or entered into, to the extent such amendment, restatement, waiver, restructuring, renewal, extension, supplement, refinancing or modification, or the terms of such new Junior Lien Debt Document would contravene the provisions of this Agreement and (ii) the holders of any such refinancing debt shall bind themselves (directly or through their agent or representative) in a writing addressed to the Parity Lien Representatives to the terms of this Agreement.
- (c) In the event any Parity Lien Collateral Agent or the applicable Parity Lien Claimholders and the relevant Grantor enter into any amendment, waiver or consent in respect of any of the Parity Lien Collateral Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Parity Lien Collateral Document or changing in any manner the rights of the applicable Parity Lien Collateral Agent, such Parity Lien Claimholders, the Company or any other Grantor thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of a Junior Lien Collateral Document without the consent of any Junior Lien Representative, Junior Lien Collateral Agent, any other Junior Lien Claimholder, the Company or any other Grantor and without any action by any Junior Lien Representative, any Junior Lien Collateral Agent, any other Junior Lien Claimholder, the Company or any other Grantor, provided that:
- (1) no such amendment, waiver or consent shall have the effect of:
 - (A) removing assets subject to the Lien of the Junior Lien Collateral Documents, except to the extent that a release of such Lien is permitted or required by Section 5.1 and provided that there is a corresponding release of the Liens securing the Parity Lien Obligations on such removed assets;
 - (B) imposing duties on any Junior Lien Collateral Agent or any Junior Lien Representative without its consent;
 - (C) permitting other Liens on the Collateral not permitted under the terms of the Junior Lien Debt Documents or Section 6; or
 - (D) being prejudicial to the interests of the Junior Lien Claimholders to a greater extent than the Parity Lien Claimholders (other than by virtue of their relative priority and the rights and obligations hereunder); and
 - (2) notice of such amendment, waiver or consent shall have been given by the Company to each Junior Lien Collateral Agent within ten Business Days after the effective date of such amendment, waiver or consent.

Section 18.04

Confirmation of Subordination in Junior Lien Collateral Documents. The Company and each Junior Lien Representative, Junior Lien Collateral Agent and other Junior Lien Claimholder agrees that each Junior Lien Collateral Document shall include the following language (or language to similar effect approved by the Designated Parity Lien Collateral Agent (such approval not to be unreasonably withheld, conditioned or delayed)):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to the [Collateral Agent] pursuant to this Agreement and the exercise of any right or remedy by the [Collateral Agent] hereunder are subject to the provisions of the First/Second Lien Junior Lien Intercreditor Agreement, dated as of [] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Intercreditor Agreement**”), among [], as Initial Parity Lien Representative and Initial Parity Lien Collateral Agent, [], as Initial Junior Lien Representative and Initial Junior Lien Collateral Agent, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

In addition, the Company and each Junior Lien Representative, Junior Lien Collateral Agent and other Junior Lien Claimholder agrees that each Junior Lien Mortgage, if any, covering any Collateral shall contain such other language as the Designated Parity Lien Collateral Agent may reasonably request to reflect the subordination of such Junior Lien Mortgage to the Parity Lien Collateral Documents covering such Collateral.

- (a) Each Parity Lien Collateral Agent agrees to hold that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees), to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC (such Collateral being the “**Pledged Collateral**”), as collateral agent for the Parity Lien Claimholders and as gratuitous bailee for the Junior Lien Collateral Agents (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee thereof solely for the purpose of perfecting the security interest granted under the Parity Lien Debt Documents and the Junior Lien Debt Documents, respectively, subject to the terms and conditions of this Section 5.5. Solely with respect to any deposit accounts under the control (within the meaning of Section 9-104 of the UCC) of any Parity Lien Collateral Agent, such Parity Lien Collateral Agent agrees to also hold control over such deposit accounts as gratuitous agent for the Junior Lien Collateral Agents, subject to the terms and conditions of this Section 5.5. Prior to a Discharge of Parity Lien Obligations, at the request of the Designated Parity Lien Collateral Agent, each Junior Lien Collateral Agent shall turn over possession of any Pledged Collateral in possession of such Junior Lien Collateral Agent to the Designated Parity Lien Collateral Agent.
- (b) No Parity Lien Collateral Agent shall have any obligation whatsoever to the other Parity Lien Claimholders, the Junior Lien Representatives, the Junior Lien Collateral Agents or the Junior Lien Claimholders to ensure that the Pledged Collateral is genuine or owned by any of the Grantors, to perfect the security interests of the Junior Lien Collateral Agents or other Junior Lien Claimholders or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.5. The duties or responsibilities of any Parity Lien Collateral Agent under this Section 5.5 shall be limited solely to holding the Pledged Collateral as gratuitous bailee (and with respect to deposit accounts, gratuitous agent) in accordance with this Section 5.5 and delivering the Pledged Collateral upon a Discharge of Parity Lien Obligations as provided in Section 5.5(d).
- (c) No Parity Lien Collateral Agent or any other Parity Lien Claimholder shall have by reason of the Parity Lien Collateral Documents, the Junior Lien Collateral Documents, this Agreement or any other document a fiduciary relationship in respect of any Junior Lien Representative or any other Junior Lien Claimholder and the Junior Lien Representatives, the Junior Lien Collateral Agents and the Junior Lien Claimholders hereby waive and release the Parity Lien Collateral Agents and the other Parity Lien Claimholders from all claims and liabilities arising pursuant to any Parity Lien Collateral Agent’s role under this Section 5.5 as gratuitous bailee and gratuitous agent with respect to the Pledged Collateral. It is understood and agreed that the interests of the Parity Lien Collateral Agents and the other Parity Lien Claimholders, on the one hand, and the Junior Lien Representatives, the Junior Lien Collateral Agents and the other Junior Lien Claimholders on the other hand, may differ and the Parity Lien Collateral Agents and the other Parity Lien Claimholders shall be fully entitled to act in their own interest without taking into account the interests of the Junior Lien Representatives, the Junior Lien Collateral Agents or other Junior Lien Claimholders.
- (d) So long as this Agreement is in effect, Pledged Collateral in the possession of any Collateral Agent or any Representative shall be delivered to the Designated Parity Lien Collateral Agent or the Designated Junior Lien Collateral Agent, as applicable, together with any necessary endorsements (which endorsements shall be without recourse and without any representation or warranty), in the following manner:
- (1) to the Designated Parity Lien Collateral Agent until a Discharge of Parity Lien Obligations has occurred, and thereafter,
 - (2) to the Designated Junior Lien Collateral Agent until a Discharge of Junior Lien Obligations has occurred, and thereafter,
 - (3) to the Company or to whomever may be lawfully entitled to receive the same.

Following the Discharge of Parity Lien Obligations, each Parity Lien Collateral Agent further agrees to take all other action reasonably requested by any Junior Lien Collateral Agent at the expense of the Company in connection with the Junior Lien Collateral Agents obtaining a first-priority security interest in the Collateral.

Section 18.06

When Discharge of Obligations Deemed to Not Have Occurred. (a) If, at any time after the Discharge of Parity Lien Obligations has occurred the Company enters into any Additional Parity Lien Debt Document evidencing any Additional Parity Lien Obligations which Additional Parity Lien Obligations are permitted by the Junior Lien Debt Documents, then such Discharge of Parity Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such first Discharge of Parity Lien Obligations), and, from and after the date on which the Additional Parity Lien Representative and Additional Parity Lien Collateral Agent in respect of such Additional Parity Lien Obligations each becomes a party to this Agreement in accordance with Section 8.7(b), the obligations under such Additional Parity Lien Debt Document shall automatically be treated as Parity Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional Parity Lien Representative and the Additional Parity Lien Collateral Agent under such new Parity Lien Debt Documents shall be a Parity Lien Representative and Parity Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a Designation from the Company in accordance with Section 8.7(b)(2), each Junior Lien Representative and Junior Lien Collateral Agent shall promptly (x) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or such Additional Parity Lien Representative and/or such Additional Parity Lien Collateral Agent shall reasonably request in order to provide to such Additional Parity Lien Representative and such Additional Parity Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (y) deliver to such Additional Parity Lien Collateral Agent any Pledged Collateral held by it together with any necessary endorsements (or otherwise allow such Additional Parity Lien Collateral Agent to obtain control of such Pledged Collateral). If the Additional Parity Lien Obligations under such Additional Parity Lien Debt Documents are secured by assets of the Grantors constituting Collateral that do not also secure the Junior Lien Obligations, then the Junior Lien Obligations shall be secured at such time by a junior-priority Lien on such assets to the same extent provided in the Junior Lien Collateral Documents and this Agreement except to the extent, with respect to any Series of Junior Lien Obligations, such Lien on such assets constitutes a Junior Lien Declined Lien. This Section 5.6(a) shall survive termination of this Agreement.

(b) If, at any time after the Discharge of Junior Lien Obligations has occurred, the Company enters into any Additional Junior Lien Debt Document evidencing any Additional Junior Lien Obligations which Additional Junior Lien Obligations are permitted by the Parity Lien Debt Documents, then such Discharge of Junior Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such first Discharge of Junior Lien Obligations), and, from and after the date on which the Additional Junior Lien Representative and Additional Junior Lien Collateral Agent in respect of such Additional Junior Lien Obligations each becomes a party to this Agreement in accordance with Section 8.7(b), the obligations under such Additional Junior Lien Debt Document shall automatically be treated as Junior Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional Junior Lien Representative and the Additional Junior Lien Collateral Agent under such new Junior Lien Debt Documents shall be a Junior Lien Representative and Junior Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a designation from the Company in accordance with Section 8.7(b)(2), each Parity Lien Representative and Parity Lien Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or such Additional Junior Lien Representative and/or such Additional Junior Lien Collateral Agent shall reasonably request in order to provide to such Additional Junior Lien Representative and such Additional Junior Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. If the Additional Junior Lien Obligations under such Additional Junior Lien Debt Documents are secured by assets of the Grantors constituting Collateral that do not also secure the Parity Lien Obligations, then the Parity Lien Obligations shall be secured at such time by a first-priority Lien on such assets to the same extent provided in the Parity Lien Collateral Documents and this Agreement except to the extent, with respect to any Series of Parity Lien Obligations, such Lien on such assets constitutes a Parity Lien Declined Lien. This Section 5.6(b) shall survive termination of this Agreement.

Section 18.07

Designation of Hedging/Bank Product Obligations. With respect to any Hedging Obligations and Bank Product Obligations that would otherwise constitute both Parity Lien Obligations and Junior Lien Obligations hereunder, such Hedging Obligations and Bank Product Obligations shall solely constitute Parity Lien Obligations for all purposes of this Agreement unless at the time that the Company or any of its Restricted Subsidiaries enters into the related Hedge Agreement or agreement giving rise to Bank Product Obligations, the Company shall designate the related Hedging Obligations and/or Bank Product Obligations under such Hedge Agreement or agreement giving rise to Bank Product Obligations as Junior Lien Obligations in a written designation to the related swap counterparty or provider of Bank Product Obligation with a copy to each Representative in which case such Hedging Obligations and Bank Product Obligations shall solely constitute Junior Lien Obligations for all purposes of this Agreement.

(a) Until the Discharge of Parity Lien Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Parity Lien Representative shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code) on which such Parity Lien Representative, such Parity Lien Collateral Agent or any other creditor has a Lien, or to permit the Company or any other Grantor to obtain financing, whether from the Parity Lien Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law (“**DIP Financing**”) then each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, will not:

(1) object to such Cash Collateral use or DIP Financing (including any proposed orders for such Cash Collateral use and/or DIP Financing which are acceptable to any Parity Lien Representative); and

(2) to the extent the Liens securing the Parity Lien Obligations are subordinated to or pari passu with such DIP Financing, each Junior Lien Collateral Agent will subordinate its Liens in the Collateral to the Liens securing such DIP Financing (and all Obligations relating thereto), including any customary “carve-outs” and each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the Designated Parity Lien Representative or to the extent permitted by Section 6.3);

(b) Junior Lien Claimholders may provide DIP Financing to the Company or any other Grantor; provided that such DIP Financing may not “roll-up” or otherwise include or refinance any pre-petition Junior Lien Obligations.

(c) Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, agrees that it will not seek consultation rights in connection with, and it will not object to or oppose, a motion to sell, liquidate or otherwise dispose of Collateral under Section 363 of the Bankruptcy Code if the requisite Parity Lien Claimholders have consented to such sale, liquidation or other disposition. Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, further agrees that it will not directly or indirectly oppose or impede entry of any order in connection with such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition, if the requisite Parity Lien Claimholders have consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event the Junior Lien Claimholders will be deemed to have consented to the sale or disposition of Collateral pursuant to Section 363(f) of the Bankruptcy Code, so long as such order does not impair the rights of the Junior Lien Claimholders under Section 363(k) of the Bankruptcy Code.

Relief from the Automatic Stay. Until the Discharge of Parity Lien Obligations has occurred, each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, agrees that none of them shall: (i) seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral, without the prior written consent of the Parity Lien Representatives or (ii) oppose (or support any other Person in opposing) any request by any Parity Lien Representative or Parity Lien Collateral Agent for relief from such stay.

- (a) Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, agrees that none of them shall contest (or support any other Person contesting):
- (1) any request by any Parity Lien Representative, any Parity Lien Collateral Agent or other Parity Lien Claimholder for adequate protection under any Bankruptcy Law; or
 - (2) any objection by any Parity Lien Representative, any Parity Lien Collateral Agent or other Parity Lien Claimholder to any motion, relief, action or proceeding based on such Parity Lien Representative, Parity Lien Collateral Agent or Parity Lien Claimholder claiming a lack of adequate protection.
- (b) Notwithstanding the foregoing provisions in this Section 6.3, in any Insolvency or Liquidation Proceeding:
- (1) if the Parity Lien Claimholders (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any Cash Collateral use or DIP Financing, then each Junior Lien Collateral Agent, for itself and on behalf of any other Junior Lien Claimholder represented by it, may seek or request adequate protection in the form of a Lien on such additional collateral, which Lien will be subordinated to the Liens securing the Parity Lien Obligations (and any customary “carve-out”) and such Cash Collateral use or DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Junior Lien Obligations are so subordinated to the Parity Lien Obligations under this Agreement; and
 - (2) the Junior Lien Representatives, the Junior Lien Collateral Agents and Junior Lien Claimholders shall only be permitted to seek adequate protection with respect to their rights in the Collateral in any Insolvency or Liquidation Proceeding in the form of:
 - (A) additional collateral; provided that as adequate protection for the Parity Lien Obligations, each Parity Lien Collateral Agent, on behalf of the Parity Lien Claimholders represented by it, is also granted a Lien on such additional collateral, which Lien shall be senior to any Lien of the Junior Lien Representatives, the Junior Lien Collateral Agents and the Junior Lien Claimholders on such additional collateral (or offered a Lien on such additional collateral) on the same basis as the Liens securing the Parity Lien Obligations are so secured on the Collateral;
 - (B) replacement Liens on the Collateral; provided that as adequate protection for the Parity Lien Obligations, each Parity Lien Collateral Agent, on behalf of the Parity Lien Claimholders represented by it, is also granted replacement Liens on the Collateral, which Liens shall be senior to the Liens of the Junior Lien Representatives, the Junior Lien Collateral Agents and the Junior Lien Claimholders on the Collateral on the same basis as the Liens securing the Parity Lien Obligations are so secured on the Collateral;
 - (C) an administrative expense claim; provided that as adequate protection for the Parity Lien Obligations, each Parity Lien Representative, on behalf of the Parity Lien Claimholders represented by it, is also granted an administrative expense claim which is senior and prior to the administrative expense claim of the Junior Lien Representatives and the other Junior Lien Claimholders; and
 - (D) cash payments with respect to interest on the Junior Lien Obligations; provided that (1) as adequate protection for the Parity Lien Obligations, each Parity Lien Representative, on behalf of the Parity Lien Claimholders represented by it, is also granted cash payments with respect to interest on the Parity Lien Obligation represented by it and (2) such cash payments do not exceed an amount equal to the interest accruing on the principal amount of Junior Lien Obligations outstanding on the date such relief is granted at the interest rate under the applicable Junior Lien Debt Documents and accruing from the date the applicable Junior Lien Representative is granted such relief.
- (3) If any Junior Lien Claimholder receives Post-Petition Interest and/or adequate protection payments in an Insolvency or Liquidation Proceeding (“**Junior Lien Adequate Protection Payments**”) and the Parity Lien Claimholders do not receive payment in full in cash of all Parity Lien Obligations upon the effectiveness of the plan of reorganization for, or conclusion of, that Insolvency or Liquidation Proceeding, then each Junior Lien Claimholder shall pay over to the Parity Lien Claimholders an amount (the “**Pay-Over Amount**”) equal to the lesser of (i) the Junior Lien Adequate Protection Payments received by such Junior Lien Claimholder and (ii) the amount of the short-fall (the “**Short Fall**”) in payment in full in cash of the Parity Lien Obligations; provided that to the extent any portion of the Short Fall represents payments received by the Parity Lien Claimholders in the form of promissory notes, equity or other property equal in value to the cash paid in respect of the Pay-Over Amount, the Parity Lien Claimholders shall, upon receipt of the Pay-Over Amount, transfer those promissory notes, equity or other property, equal in value to the cash paid in respect of the Pay-Over Amount, to the applicable Junior Lien Claimholders pro rata in exchange for the Pay-Over Amount. Notwithstanding anything herein to the contrary, the Parity Lien Claimholders shall not be deemed to have consented to, and expressly retain their rights to object to, the grant of adequate protection in the form of cash payments to the Junior Lien Claimholders made pursuant to this Section 6.3(b).
- (c) Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, agrees that notice of a hearing to approve DIP Financing or use of Cash Collateral on an interim basis shall be adequate if delivered to such Junior Lien Representative and Junior Lien Collateral Agent at least two (2) Business Days in advance of such hearing and that notice of a hearing to approve DIP Financing or use of Cash Collateral on a final basis shall be adequate if delivered to such Junior Lien Representative and Junior Lien Collateral Agent at least fifteen (15) days in advance of such hearing.

Section 19.04

No Waiver. Subject to Section 6.7(b), nothing contained herein shall prohibit or in any way limit any Parity Lien Representative or any other Parity Lien Claimholder from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Lien Representative or any other Junior Lien Claimholder, including the seeking by any Junior Lien Representative or any other Junior Lien Claimholder of adequate protection or the asserting by any Junior Lien Representative or any other Junior Lien Claimholder of any of its rights and remedies under the Junior Lien Debt Documents or otherwise.

Section 19.05

Avoidance Issues. If any Parity Lien Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the Company or any other Grantor any amount paid in respect of Parity Lien Obligations (a “**Recovery**”), then such Parity Lien Claimholder shall be entitled to a reinstatement of its Parity Lien Obligations with respect to all such recovered amounts on the date of such Recovery, and from and after the date of such reinstatement the Discharge of Parity Lien Obligations shall be deemed not to have occurred for all purposes hereunder. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. This Section 6.5 shall survive termination of this Agreement.

Section 19.06

Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan, both on account of Parity Lien Obligations and on account of Junior Lien Obligations, then, to the extent the debt obligations distributed on account of the Parity Lien Obligations and on account of the Junior Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

- (a) None of any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder shall oppose or seek to challenge any claim by any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder for allowance in any Insolvency or Liquidation Proceeding of Parity Lien Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the Parity Lien Collateral Agents on behalf of the Parity Lien Claimholders on the Collateral or any other Parity Lien Claimholder's Lien on the Collateral, without regard to the existence of the Liens of the Junior Lien Collateral Agents or the other Junior Lien Claimholders on the Collateral.
- (b) None of any Parity Lien Representative, Parity Lien Collateral Agent or any other Parity Lien Claimholder shall oppose or seek to challenge any claim by any Junior Lien Representative, Junior Lien Collateral Agent or any other Junior Lien Claimholder for allowance in any Insolvency or Liquidation Proceeding of Junior Lien Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the Junior Lien Collateral Agents, on behalf of the Junior Lien Claimholders, on the Collateral (after taking into account the amount of the Parity Lien Obligations).

Section 19.08 *Waiver.* Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, waives any claim it may hereafter have against any Parity Lien Claimholder arising out of the election of any Parity Lien Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code, and/or out of any cash collateral or financing arrangement or out of any grant of a security interest in connection with the Collateral in any Insolvency or Liquidation Proceeding so long as such actions are not in express contravention of the terms of this Agreement.

Section 19.09 *Separate Grants of Security and Separate Classification.* Each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, and each Parity Lien Representative and each Parity Lien Collateral Agent, for itself and on behalf of each other Parity Lien Claimholder represented by it, acknowledges and agrees that:

- (a) the grants of Liens pursuant to the Parity Lien Collateral Documents and the Junior Lien Collateral Documents constitute two separate and distinct grants of Liens; and
- (b) because of, among other things, their differing rights in the Collateral, the Junior Lien Obligations are fundamentally different from the Parity Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Parity Lien Claimholders and the Junior Lien Claimholders in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Collateral (with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Junior Lien Claimholders), the Parity Lien Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of senior and junior secured claims) in respect of Post-Petition Interest (including any additional interest payable pursuant to the Parity Lien Debt Documents, arising from or related to a default, which is disallowed as a claim in any Insolvency or Liquidation Proceeding) before any distribution is made in respect of the claims held by the Junior Lien Claimholders with respect to the Collateral, with each Junior Lien Representative and each Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Claimholder represented by it, hereby acknowledging and agreeing to turn over to the Designated Parity Lien Collateral Agent, for itself and on behalf of each other Parity Lien Claimholder, Collateral or proceeds of Collateral otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Lien Claimholders).

Section 19.10 *Effectiveness in Insolvency or Liquidation Proceedings.* The parties hereto acknowledge that this Agreement is a "subordination agreement" under Section 510(a) of the Bankruptcy Code, which will be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in this Agreement to any Grantor will include such Person as a debtor-in-possession and any receiver or trustee for such Person in an Insolvency or Liquidation Proceeding.

Section 20.01

Reliance. Other than any reliance on the terms of this Agreement, each Parity Lien Representative and each Parity Lien Collateral Agent, on behalf of itself and each other Parity Lien Claimholder represented by it, acknowledges that it and such Parity Lien Claimholders have, independently and without reliance on any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Parity Lien Debt Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Parity Lien Debt Documents or this Agreement. Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, acknowledges that it and such Junior Lien Claimholders have, independently and without reliance on any Parity Lien Representative, any Parity Lien Collateral Agent or any other Parity Lien Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Junior Lien Debt Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Junior Lien Debt Documents or this Agreement.

Section 20.02

No Warranties or Liability. Each Parity Lien Representative and each Parity Lien Collateral Agent, on behalf of itself and each other Parity Lien Claimholder represented by it, acknowledges and agrees that no Junior Lien Representative or other Junior Lien Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Junior Lien Debt Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the Junior Lien Claimholders will be entitled to manage and supervise their respective extensions of credit under the Junior Lien Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, acknowledges and agrees that no Parity Lien Representative or other Parity Lien Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Parity Lien Debt Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the Parity Lien Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Parity Lien Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. The Junior Lien Representatives, the Junior Lien Collateral Agents and the other Junior Lien Claimholders shall have no duty to the Parity Lien Representatives, the Parity Lien Collateral Agents or any of the other Parity Lien Claimholders, and the Parity Lien Representatives, the Parity Lien Collateral Agents and the other Parity Lien Claimholders shall have no duty to the Junior Lien Representative, the Junior Lien Collateral Agents or any of the other Junior Lien Claimholders, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Company or any other Grantor (including the Parity Lien Debt Documents and the Junior Lien Debt Documents), regardless of any knowledge thereof which they may have or be charged with.

Section 20.03

No Waiver of Lien Priorities; No Marshaling.

- (a) No right of the Parity Lien Claimholders, the Parity Lien Representatives, the Parity Lien Collateral Agents or any of them to enforce any provision of this Agreement shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or any other Grantor or by any act or failure to act by any Parity Lien Claimholder, Parity Lien Representative or Parity Lien Collateral Agent, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Parity Lien Debt Documents or any of the Junior Lien Debt Documents, regardless of any knowledge thereof which any Parity Lien Representative, Parity Lien Collateral Agent or any Parity Lien Claimholder, or any of them, may have or be otherwise charged with.
- (b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Company and the other Grantors under the Parity Lien Debt Documents and subject to the provisions of Section 5.3(a)), the Parity Lien Claimholders, the Parity Lien Representatives, the Parity Lien Collateral Agents and any of them may, at any time and from time to time in accordance with the Parity Lien Debt Documents and/or applicable law, without the consent of, or notice to, any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder, without incurring any liabilities to any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder is affected, impaired or extinguished thereby) do any one or more of the following:
- (1) change the manner, place or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase or alter, the terms of any of the Parity Lien Obligations or any Lien on any Parity Lien Collateral or guaranty of any of the Parity Lien Obligations or any liability of the Company or any other Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Parity Lien Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by any Parity Lien Representative, any Parity Lien Collateral Agent or any of the other Parity Lien Claimholders, the Parity Lien Obligations or any of the Parity Lien Debt Documents; provided that any such amendment, restatement, supplement, modification, replacement, renewal, extension, increase or Refinancing shall not, without the consent of the Designated Junior Lien Representative, increase the sum of Indebtedness for borrowed money constituting principal outstanding under the Parity Lien Debt Documents in excess of the Intercreditor Parity Lien Cap;
 - (2) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Parity Lien Collateral or any liability of the Company or any other Grantor to any of the Parity Lien Claimholders, the Parity Lien Representatives or the Parity Lien Collateral Agents, or any liability incurred directly or indirectly in respect thereof;
 - (3) settle or compromise any Parity Lien Obligation or any other liability of the Company or any other Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the Parity Lien Obligations) in any manner or order; and
 - (4) exercise or delay in or refrain from exercising any right or remedy against the Company or any other Grantor or any other Person or any security, and elect any remedy and otherwise deal freely with the Company, any other Grantor or any Parity Lien Collateral and any security and any guarantor or any liability of the Company or any other Grantor to the Parity Lien Claimholders or any liability incurred directly or indirectly in respect thereof.
- (c) Except as otherwise expressly provided herein, each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, also agrees that the Parity Lien Claimholders, the Parity Lien Representatives and the Parity Lien Collateral Agents shall not have any liability to such Junior Lien Representative, such Junior Lien Collateral Agent or any such Junior Lien Claimholders, and such Junior Lien Representative and such Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, hereby waives any claim against any Parity Lien Claimholder, any Parity Lien Representative or any Parity Lien Collateral Agent arising out of any and all actions which the Parity Lien Claimholders, any Parity Lien Representative or any Parity Lien Collateral Agent may take or permit or omit to take with respect to:
- (1) the Parity Lien Debt Documents (other than this Agreement);
 - (2) the collection of the Parity Lien Obligations; or
 - (3) the foreclosure upon, or sale, liquidation or other disposition of, any Parity Lien Collateral.

Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, agrees that the Parity Lien Claimholders, the Parity Lien Representatives and the Parity Lien Collateral Agents do not have any duty to them in respect of the maintenance or preservation of the Parity Lien Collateral, the Parity Lien Obligations or otherwise.

- (d) Until the Discharge of Parity Lien Obligations, each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of any marshaling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to any Parity Lien Collateral or any other similar rights a junior secured creditor may have under applicable law.

- (a) any lack of validity or enforceability of any Parity Lien Debt Documents or any Junior Lien Debt Documents;
- (b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the Parity Lien Obligations or Junior Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Parity Lien Debt Document or any Junior Lien Debt Document;
- (c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Parity Lien Obligations or Junior Lien Obligations or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
- (e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, the Company or any other Grantor in respect of any Parity Lien Representative, any Parity Lien Collateral Agent, the Parity Lien Obligations, any Parity Lien Claimholder, any Junior Lien Representative, any Junior Lien Collateral Agent, the Junior Lien Obligations or any Junior Lien Claimholder in respect of this Agreement.

Section 21.01

Integration/Conflicts. This Agreement, the Parity Lien Debt Documents and the Junior Lien Debt Documents represent the entire agreement of the Grantors, the Parity Lien Claimholders and the Junior Lien Claimholders with respect to the subject matter hereof and thereof, and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by any party hereto or any of the Parity Lien Claimholders or the Junior Lien Claimholders relative to the subject matter hereof and thereof expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the Parity Lien Debt Documents or the Junior Lien Debt Documents, the provisions of this Agreement shall govern and control; provided that the foregoing shall not be construed to limit the relative rights and obligations as among the Parity Lien Claimholders or as among the Junior Lien Claimholders; as among the Parity Lien Claimholders, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Parity Lien Pari Passu Intercreditor Agreement, and as among the Junior Lien Claimholders, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Junior Lien Pari Passu Intercreditor Agreement.

Section 21.02

Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination and the Parity Lien Claimholders may continue, at any time and without notice to any Junior Lien Representative or any other Junior Lien Claimholder, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any Grantor constituting Parity Lien Obligations in reliance hereon. Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to the Company or any other Grantor shall include the Company or such Grantor as debtor and debtor-in-possession and any receiver, trustee or similar Person for the Company or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect:

- (a) with respect to any Parity Lien Representative and any Parity Lien Collateral Agent, the Parity Lien Claimholders represented by it and their Parity Lien Obligations, on the date on which the Parity Lien Obligations of such Parity Lien Claimholders are Discharged, subject to Sections 5.6 and 6.5; and
- (b) with respect to any Junior Lien Representative and any Junior Lien Collateral Agent, the Junior Lien Claimholders represented by it and their Junior Lien Obligations, on the date on which the Junior Lien Obligations of such Junior Lien Claimholders are Discharged, subject to Sections 5.6 and 6.5;

provided, however, that in each case, such termination shall not relieve any such party of its obligations incurred hereunder prior to the date of such termination.

- (a) *Amendments; Waivers.*

(a) No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. For the avoidance of doubt, if any modification, amendment or waiver of any of the following provisions of this Agreement would (i) adversely affect the Grantors (it being agreed that any amendment, modification or waiver to Sections 2.1, 2.3, 4.1, 4.2, 5.1, 5.2, 5.3, 5.5, 6.1, 8.1, 8.3, 8.6, 8.7, 8.14, 8.18, and each of the defined terms used in the foregoing Sections (collectively, the “**Specified Provisions**”) without the consent of the Grantors shall be deemed to adversely affect the Grantors) or (ii) impose obligations or duties on the Grantors, such amendment, modification or waiver shall be consented to in writing by each Grantor that would be adversely affected thereby.

- (b) Notwithstanding the foregoing, without the consent of any Parity Lien Claimholder or Junior Lien Claimholder, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.7 and upon such execution and delivery, such Representative and Collateral Agent and the Additional Parity Lien Claimholders and Additional Parity Lien Obligations or Additional Junior Lien Claimholders and Additional Junior Lien Obligations, as the case may be, of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.
- (c) Notwithstanding the foregoing, without the consent of any other Representative, Collateral Agent or Claimholder, the Designated Parity Lien Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any Incurrence of any Additional Parity Lien Obligations or Additional Junior Lien Obligations in compliance with this Agreement.

Section 21.04

Information Concerning Financial Condition of the Grantors and their Subsidiaries. The Parity Lien Representatives, the Parity Lien Collateral Agents and the Parity Lien Claimholders, on the one hand, and the Junior Lien Representatives, the Junior Lien Collateral Agents and the Junior Lien Claimholders, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorser and/or guarantors of the Parity Lien Obligations or the Junior Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Parity Lien Obligations or the Junior Lien Obligations. The Parity Lien Representatives, the Parity Lien Collateral Agents and the other Parity Lien Claimholders shall have no duty to advise the Junior Lien Representatives, the Junior Lien Collateral Agents or any other Junior Lien Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event the Parity Lien Representatives, the Parity Lien Collateral Agents or any of the other Parity Lien Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any Junior Lien Representative, any Junior Lien Collateral Agent or any other Junior Lien Claimholder, it or they shall be under no obligation:

- (a) to make, and the Parity Lien Representatives, the Parity Lien Collateral Agents and the other Parity Lien Claimholders shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;
- (b) to provide any additional information or to provide any such information on any subsequent occasion;
- (c) to undertake any investigation; or
- (d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

Section 21.05

Subrogation. With respect to the value of any payments or distributions in cash, property or other assets that any of the Junior Lien Representatives, the Junior Lien Collateral Agents or the other Junior Lien Claimholders pays over to any of the Parity Lien Representatives, the Parity Lien Collateral Agents or the other Parity Lien Claimholders under the terms of this Agreement, such Junior Lien Claimholders, Junior Lien Representatives and Junior Lien Collateral Agents shall be subrogated to the rights of such Parity Lien Representatives, Parity Lien Collateral Agents and Parity Lien Claimholders; provided that each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Parity Lien Obligations has occurred. The Company and the other Grantors each acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by any Junior Lien Representative, Junior Lien Collateral Agent or other Junior Lien Claimholder that are paid over to any Parity Lien Representative, Parity Lien Collateral Agent or other Parity Lien Claimholder pursuant to this Agreement shall not reduce any of the Junior Lien Obligations.

Section 21.06

Application of Payments. All payments received by any Parity Lien Representative, Parity Lien Collateral Agent or other Parity Lien Claimholder may be applied, reversed and reapplied, in whole or in part, to such part of the Parity Lien Obligations provided for in the Parity Lien Debt Documents (subject to the Parity Lien Pari Passu Intercreditor Agreement, if then in effect). Each Junior Lien Representative and each Junior Lien Collateral Agent, on behalf of itself and each other Junior Lien Claimholder represented by it, agrees to any extension or postponement of the time of payment of the Parity Lien Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any Lien which may at any time secure any part of the Parity Lien Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

(a) To the extent, but only to the extent, permitted by the provisions of the Parity Lien Debt Documents and the Junior Lien Debt Documents and Section 5.3, the Company and the other Grantors may Incur (or issue and sell), secure and guarantee one or more series or classes of Indebtedness that the Company designates as Additional Parity Lien Debt and/or one or more series or classes of Indebtedness that the Company designates as Additional Junior Lien Debt (each, “**Additional Debt**”).

Any such series or class of Additional Parity Lien Debt may be secured by a first-priority, senior Lien on the Collateral, in each case under and pursuant to the Parity Lien Collateral Documents for such Series of Additional Parity Lien Debt, if and subject to the condition that, unless such Indebtedness is part of an existing Series of Additional Parity Lien Debt represented by a Parity Lien Representative and Parity Lien Collateral Agent already party to this Agreement, the ABL Intercreditor Agreement and the Parity Lien Pari Passu Intercreditor Agreement, the Additional Parity Lien Representative and the Additional Parity Lien Collateral Agent of any such Additional Parity Lien Debt each becomes a party to this Agreement, the ABL Intercreditor Agreement and the Parity Lien Pari Passu Intercreditor Agreement (to the extent that there is more than one Series of Parity Lien Debt after giving effect to the Incurrence of such Additional Parity Lien Debt) by satisfying the conditions set forth in clauses (1) and (2) of Section 8.7(b). Upon any Additional Parity Lien Representative and Additional Parity Lien Collateral Agent so becoming a party hereto and becoming a party to the Parity Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional Parity Lien Obligations of such Series shall also be entitled to be so secured by a senior Lien on the Collateral in accordance with the terms hereof and thereof.

Any such series or class of Additional Junior Lien Debt may be secured by a junior-priority Lien on the Collateral, in each case under and pursuant to the relevant Junior Lien Collateral Documents for such Series of Additional Junior Lien Debt, if and subject to the condition, unless such Indebtedness is part of an existing Series of Additional Junior Lien Debt represented by a Junior Lien Representative and Junior Lien Collateral Agent already party to this Agreement, the ABL Intercreditor Agreement and the Junior Lien Pari Passu Intercreditor Agreement, the Additional Junior Lien Representative and Additional Junior Lien Collateral Agent of any such Additional Junior Lien Debt each becomes a party to this Agreement, the ABL Intercreditor Agreement and the Junior Lien Pari Passu Intercreditor Agreement (to the extent that there is more than one Series of Junior Lien Debt after giving effect to the Incurrence of such Additional Junior Lien Debt) by satisfying the conditions set forth in clauses (1) and (2) of Section 8.7(b). Upon any Additional Junior Lien Representative and Additional Junior Lien Collateral Agent so becoming a party hereto and becoming a party to the Junior Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional Junior Lien Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Representative and an Additional Collateral Agent to become a party to this Agreement:

(1) such Additional Representative and such Additional Collateral Agent shall have executed and delivered to each other then-existing Representative a Joinder Agreement substantially in the form of Exhibit A hereto (if such Representative is an Additional Junior Lien Representative and such Collateral Agent is an Additional Junior Lien Collateral Agent) (with such changes as may be reasonably approved by the Designated Parity Lien Representative and such Representative and such Collateral Agent) or Exhibit B hereto (if such Representative is an Additional Parity Lien Representative and such Collateral Agent is an Additional Parity Lien Collateral Agent) (with such changes as may be reasonably approved by the Designated Parity Lien Representative and such Representative and such Collateral Agent) pursuant to which such Additional Representative becomes a Representative hereunder, such Additional Collateral Agent becomes a Collateral Agent hereunder and the related Parity Lien Claimholders or Junior Lien Claimholders, as applicable, become subject hereto and bound hereby; and

(2) the Company shall have delivered a Designation to each other then-existing Collateral Agent substantially in the form of Exhibit C hereto, pursuant to which a Responsible Officer of the Company shall (A) identify the Indebtedness to be designated as Additional Parity Lien Obligations or Additional Junior Lien Obligations, as applicable, and the initial aggregate principal amount of such Indebtedness, (B) specify the name and address of the applicable Additional Representative and Additional Collateral Agent, and (C) certify that such Additional Debt is permitted to be Incurred, secured and guaranteed by each Parity Lien Debt Document and Junior Lien Debt Document and that the conditions set forth in this Section 8.7 are satisfied with respect to such Additional Debt.

ARTICLE II.
PRIORITIES AND AGREEMENTS WITH RESPECT TO SHARED COLLATERAL

SECTION 2.1

Priority of Claims.

(a) Anything contained herein or in any of the Parity Lien Documents to the contrary notwithstanding, if an Event of Default under any Parity Lien Document has occurred and is continuing, and the Applicable Collateral Agent is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of any Grantor or any Parity Lien Claimholder receives any payment pursuant to any intercreditor agreement (other than this Agreement) or otherwise with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any Shared Collateral received by any Parity Lien Claimholder or received by the Applicable Collateral Agent or any Parity Lien Claimholder pursuant to any such intercreditor agreement or otherwise with respect to such Shared Collateral and proceeds of any such distribution (subject, in the case of any such distribution, to the sentence immediately following clause THIRD below) to which the Parity Lien Obligations are entitled under any intercreditor agreement (other than this Agreement) or otherwise (all proceeds of any sale, collection or other liquidation of any Collateral comprising either Shared Collateral and all proceeds of any such distribution and any proceeds of any insurance covering the Shared Collateral received by the Applicable Collateral Agent and not returned to any Grantor under any Parity Lien Document being collectively referred to as “*Proceeds*”), shall be applied by the Applicable Collateral Agent, subject to Article III, in the following order:

(i) FIRST, to the payment of all amounts owing to each Collateral Agent (in its capacity as such) and each Representative (in its capacity as such) secured by such Shared Collateral, including all court costs and the reasonable fees and expenses of its agents and legal counsel, and any other reasonable costs or expenses Incurred in connection with the exercise of any right or remedy hereunder or under any other Parity Lien Document and all fees, expenses and indemnities owing to such Collateral Agents and Representatives under the relevant Parity Lien Documents, ratably to each such Collateral Agent and Representative in accordance with the amounts payable to it pursuant to this clause (i);

(ii) SECOND, to the extent Proceeds remain after the application pursuant to preceding clause (i), to each Representative for the payment in full of the other Parity Lien Obligations of each Series secured by such Shared Collateral and, if the amount of such Proceeds are insufficient to pay in full the Parity Lien Obligations of each Series so secured then such Proceeds shall be allocated among the Representatives of each Series secured by such Shared Collateral, pro rata according to the amounts of such Parity Lien Obligations owing to each such respective Representative and the other Parity Lien Claimholders represented by it for distribution by such Representative in accordance with its respective Parity Lien Documents; and

(iii) THIRD, any balance of such Proceeds remaining after the application pursuant to preceding clauses (i) and (ii), to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

If, despite the provisions of this Section 2.1(a), any Parity Lien Claimholder shall receive any payment or other recovery in excess of its portion of payments on account of the Parity Lien Obligations to which it is then entitled in accordance with this Section 2.1(a), such Parity Lien Claimholder shall hold such payment or recovery in trust for the benefit of all Parity Lien Claimholders for distribution in accordance with this Section 2.1(a).

(b) It is acknowledged that the Parity Lien Obligations of any Series may, subject to the limitations set forth in the then-existing Parity Lien Documents and subject to any limitations set forth in this Agreement, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.1(a) or the provisions of this Agreement defining the relative rights of the Parity Lien Claimholders of any Series.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Parity Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Parity Lien Documents or any defect or deficiencies in, or failure to perfect, the Liens securing the Parity Lien Obligations of any Series or any other circumstance whatsoever, each Parity Lien Claimholder hereby agrees that the Liens securing each Series of Parity Lien Obligations on any Shared Collateral shall be of equal priority.

SECTION 2.2

Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.

(a) Notwithstanding Section 2.1, (i) only the Applicable Representative shall act or refrain from acting with respect to the Shared Collateral (including with respect to any other intercreditor agreement with respect to any Shared Collateral), (ii) the Applicable Representative shall not follow any instructions with respect to the Shared Collateral (including with respect to any other intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Representative (or any other Parity Lien Claimholder other than the Applicable Representative) and (iii) no Parity Lien Claimholder shall or shall instruct any Representative to, and any other Representative that is not the Applicable Representative shall not, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any other intercreditor agreement with respect to Shared Collateral), whether under any Parity Lien Document (other than the Parity Lien Documents applicable to the Applicable Representative), applicable law or otherwise, it being agreed that only the Applicable Representative, acting in accordance with the Parity Lien Documents applicable to it, shall be entitled to take any such actions or exercise any remedies with respect to such Shared Collateral at such time.

(b) Without limiting the provisions of Section 4.2, each Representative that is not the Applicable Representative, on behalf of itself and each Parity Lien Claimholder represented by it, hereby appoints the Applicable Representative as its agent and authorizes the Applicable Representative to exercise any and all remedies under each Parity Lien Document with respect to the Shared Collateral and to execute releases in connection therewith.

(c) Notwithstanding the equal priority of the Liens securing each Series of Parity Lien Obligations, the Applicable Representative may deal with the Shared Collateral as if such Applicable Representative had a senior and exclusive Lien on such Shared Collateral. No Non-Controlling Representative or Parity Lien Claimholder that is not the Applicable Representative will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Representative or any other exercise by the Applicable Representative of any rights and remedies relating to the Shared Collateral. Each Non-Controlling Representative or Parity Lien Claimholder that is not the Applicable Representative agrees that it will not (and waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of the Applicable Representative in all or any part of the Shared Collateral, or the provisions of this Agreement. The foregoing shall not be construed to limit the rights and priorities of any Parity Lien Claimholder or Representative with respect to any Collateral not constituting Shared Collateral.

(d) Each Non-Controlling Representative will have no rights to take any action under this Agreement with respect to the Shared Collateral unless and until it becomes the Applicable Representative or unless expressly permitted by the terms of this Agreement. Notwithstanding the foregoing, (i) in any Insolvency or Liquidation Proceeding, any Representative or any Other Parity Lien Claimholder may file a proof of claim or statement of interest with respect to the Parity Lien Obligations owed to such Representative or Other Parity Lien Claimholder; (ii) any Representative or any Other Parity Lien Claimholder may take any action to preserve or protect the validity, perfection and enforceability of the Liens granted in favor of such Representative or Other Parity Lien Claimholder; provided that no such action is, or could reasonably be expected to be, (A) adverse to the Liens granted in favor of the Applicable Representative or the rights of the Applicable Representative to exercise remedies in respect thereof or (B) otherwise inconsistent with the terms of this Agreement; and (iii) any Representative or any Other Parity Lien Claimholder may file any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of such Other Parity Lien Claimholder, including any claims secured by the Shared Collateral, in each case, to the extent not inconsistent with the terms of this Agreement.

(a) Each Parity Lien Claimholder agrees that (i) it will not challenge or question or support any other Person in challenging or questioning in any proceeding the validity or enforceability of any Parity Lien Obligations of any Series or any Parity Lien Document or the validity, attachment, perfection or priority of any Lien under any Parity Lien Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Parity Lien Claimholder from challenging or questioning the validity or enforceability of any Parity Lien Obligations constituting unmaturing interest or the validity of any Lien relating thereto pursuant to Section 502(b)(2) of the Bankruptcy Code, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by the Applicable Representative, (iii) except as provided in Section 2.2, it shall have no right to and shall not otherwise (A) direct the Applicable Representative or any other Parity Lien Claimholder to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any other intercreditor agreement) or (B) consent to, or object to, the exercise by, or any forbearance from exercising by, the Applicable Representative or any other Parity Lien Claimholder represented by it of any right, remedy or power with respect to any Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Representative or any other Parity Lien Claimholder represented by it seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Representative or any other Parity Lien Claimholder (i) to enforce this Agreement or (ii) to contest or support any other Person in contesting the enforceability of any Lien purporting to secure obligations not constituting Parity Lien Obligations.

(b) Each Parity Lien Claimholder hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any Shared Collateral, pursuant to any Parity Lien Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the Parity Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Parity Lien Claimholders having a security interest in such Shared Collateral and promptly transfer any such proceeds or payment, as the case may be, to the Applicable Representative, to be distributed by such Applicable Representative in accordance with the provisions of Section 2.1(a) hereof; provided, however, that the foregoing shall not apply to any Shared Collateral purchased by any Parity Lien Claimholder for cash pursuant to any exercise of remedies permitted hereunder.

(c) None of the Applicable Collateral Agent, any Applicable Representative or any other Parity Lien Claimholder shall be liable for any action taken or omitted to be taken by the Applicable Collateral Agent, such Applicable Representative or any other Parity Lien Claimholder with respect to any Shared Collateral in accordance with the provisions of this Agreement.

SECTION 2.4

Automatic Release of Liens.

(a) If, at any time any Shared Collateral is transferred to a third party or otherwise disposed of, in each case, in connection with any enforcement by the Applicable Representative in accordance with the provisions of this Agreement, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Representatives for the benefit of each Series of Parity Lien Claimholders (or in favor of such other Parity Lien Claimholders if directly secured by such Liens) upon such Shared Collateral will automatically be released and discharged upon final conclusion of such disposition as and when, but only to the extent, such Liens of the Applicable Representative on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.1 hereof and prior to such application, each Collateral Agent shall retain a Lien on such Proceeds. If in connection with any such foreclosure or other exercise of remedies by the Applicable Representative, the Applicable Representative of such Series of Parity Lien Obligations releases any guarantor from its obligation under a guarantee of the Series of Parity Lien Obligations for which it serves as agent prior to a Discharge of such Series of Parity Lien Obligations, such guarantor also shall be released from its guarantee of all other Parity Lien Obligations. If in connection with any such foreclosure or other exercise of remedies by the Applicable Representative, the equity interests of any Person are foreclosed upon or otherwise disposed of and the Applicable Representative or related Representative of such Series of Parity Lien Obligations releases its Liens on the property or assets of such Person and releases such Person from its guarantee, if any, of the Series of Parity Lien Obligations for which it serves as agent, then the Liens in favor of the other Representatives of such Series of Parity Lien Obligations (or in favor of such other Parity Lien Claimholders if directly secured by such Liens) with respect to the property or assets of such Person and the guarantee, if any, by such Person of any other Parity Lien Obligations will automatically be released.

(b) Without limiting the rights of the Applicable Collateral Agent under Section 4.2, each Collateral Agent and each Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral or guarantee provided for in this Section.

SECTION 2.5

Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against any Grantor or any of its Subsidiaries.

(b) If any Grantor shall become subject to a case (a “Bankruptcy Case”) under the Bankruptcy Code and shall move for approval of financing (“DIP Financing”) to be provided by one or more lenders (the “DIP Lenders”) under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each Parity Lien Claimholder (other than any Controlling Claimholder or any Representative of any Controlling Claimholder) agrees that it will not raise any objection to any such financing or to the Liens on the Shared Collateral securing the same (“DIP Financing Liens”) or to any use of cash collateral that constitutes Shared Collateral, unless the Applicable Representative shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Claimholders, each Non-Controlling Claimholder will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Claimholders (other than any Liens of any Parity Lien Claimholders constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the Parity Lien Obligations of the Controlling Claimholders, each Non-Controlling Claimholder will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Parity Lien Claimholders of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other Parity Lien Claimholders (other than any Liens of the Parity Lien Claimholders constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Parity Lien Claimholders of each Series are granted Liens on any additional collateral pledged to any Parity Lien Claimholders as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the Parity Lien Claimholders as set forth in this Agreement (other than any Liens of any Parity Lien Claimholders constituting DIP Financing Liens), (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Parity Lien Obligations, such amount is applied pursuant to Section 2.1(a) of this Agreement and (D) if any Parity Lien Claimholders are granted adequate protection with respect to the Parity Lien Obligations subject hereto, including in the form of periodic payments, in connection with such use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.1(a) of this Agreement; provided that the Parity Lien Claimholders of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the Parity Lien Claimholders of such Series or its Representative that shall not constitute Shared Collateral (unless such Collateral fails to constitute Shared Collateral because the Lien in respect thereof constitutes a Declined Lien with respect to such Parity Lien Representative in accordance with the terms of the applicable Parity Lien Documents); provided, further, that the Parity Lien Claimholders receiving adequate protection shall not object to any other Parity Lien Claimholder receiving adequate protection comparable to any adequate protection granted to such Parity Lien Claimholders in connection with a DIP Financing or use of cash collateral.

(c) If any Parity Lien Claimholder is granted adequate protection (A) in the form of Liens on any additional collateral, then each other Parity Lien Claimholder shall be entitled to seek, and each Parity Lien Claimholder will consent and not object to, adequate protection in the form of Liens on such additional collateral with the same priority vis-à-vis the Parity Lien Claimholders as set forth in this Agreement, (B) in the form of a superpriority or other administrative claim, then each other Parity Lien Claimholder shall be entitled to seek, and each Parity Lien Claimholder will consent and not object to, adequate protection in the form of a *pari passu* superpriority or administrative claim or (C) in the form of periodic or other cash payments, then the proceeds of such adequate protection must be applied to all Parity Lien Obligations pursuant to Section 2.1.

SECTION 2.6

Reinstatement.

In the event that any of the Parity Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under Title 11 of the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto until all such Parity Lien Obligations shall again have been paid in full in cash. This Section 2.6 shall survive termination of this Agreement.

SECTION 2.7

Insurance and Condemnation Awards.

As among the Parity Lien Claimholders, the Applicable Representative shall have the right, subject to the rights of the Grantors under the Parity Lien Documents, but not the obligation, to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. To the extent any Representative or any other Parity Lien Claimholder receives proceeds of such insurance policy and such proceeds are not permitted or required to be returned to the Company or any other Grantor under the applicable Parity Lien Documents, subject to the rights of the Grantors under the Parity Lien Documents, such proceeds shall be turned over to the Applicable Representative for application as provided in Section 2.1 hereof.

SECTION 2.8

Refinancings.

The Parity Lien Obligations of any Series may, subject to Section 5.14, be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Parity Lien Document) of any Parity Lien Claimholder of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Representative and Collateral Agent of the holders of any such Indebtedness so Refinanced shall have executed a Joinder Agreement on behalf of the holders of such Indebtedness so Refinanced. If such Indebtedness so Refinanced is intended to constitute a Replacement Credit Agreement, the Company shall so state in its Designation.

(a) The Applicable Collateral Agent shall be entitled to hold any Possessory Collateral constituting Shared Collateral.

(b) Notwithstanding the foregoing, each Collateral Agent agrees to hold any Possessory Collateral constituting Shared Collateral and any other Shared Collateral from time to time in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Parity Lien Claimholder (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee, solely for the purpose of perfecting the security interest granted in such Shared Collateral, if any, pursuant to the applicable Parity Lien Collateral Documents, in each case, subject to the terms and conditions of this Section 2.9. Solely with respect to any Deposit Accounts constituting Shared Collateral under the control (within the meaning of Section 9-104 of the UCC) of any Collateral Agent, each such Collateral Agent agrees to also hold control over such Deposit Accounts as gratuitous agent for each other Parity Lien Claimholder and any assignee solely for the purpose of perfecting the security interest in such Deposit Accounts, subject to the terms and conditions of this Section 2.9.

(c) No Collateral Agent shall have any obligation whatsoever to any Parity Lien Claimholder to ensure that the Possessory Collateral and Control Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 2.9. The duties or responsibilities of each Collateral Agent under this Section 2.9 shall be limited solely to holding any Possessory Collateral constituting Shared Collateral or any other Shared Collateral in its possession or control as gratuitous bailee (and with respect to Deposit Accounts, as gratuitous agent) in accordance with this Section 2.9 and delivering the Possessory Collateral constituting Shared Collateral as provided in Section 2.9(e) below.

(d) None of the Collateral Agents or any of the Parity Lien Claimholders shall have by reason of the Parity Lien Documents, this Agreement or any other document a fiduciary relationship in respect of the other Collateral Agents or any other Parity Lien Claimholder, and each Collateral Agent and each Parity Lien Claimholder hereby waives and releases the other Collateral Agents and Parity Lien Claimholders from all claims and liabilities arising pursuant to any Collateral Agent's role under this Section 2.9 as gratuitous bailee with respect to the Possessory Collateral constituting Shared Collateral or any other Shared Collateral in its possession or control (and with respect to the Deposit Accounts, as gratuitous agent).

(e) At any time the Applicable Collateral Agent is no longer the Applicable Collateral Agent, such outgoing Applicable Collateral Agent shall deliver the remaining Possessory Collateral constituting Shared Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), first, to the then Applicable Collateral Agent to the extent Parity Lien Obligations remain outstanding and second, to the applicable Grantor to the extent no Parity Lien Obligations remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Shared Collateral) or to whomever may be lawfully entitled to receive the same. The outgoing Applicable Collateral Agent further agrees to take all other action reasonably requested by the then Applicable Collateral Agent at the expense of the Company in connection with the then Applicable Collateral Agent obtaining a first-priority security interest in the Shared Collateral.

SECTION 2.10 Amendments to Parity Lien Collateral Documents. Subject to Section 5.14, without the prior written consent of the Applicable Representative, (x) no Parity Lien Document may be amended, restated, amended and restated, waived, restructured, renewed, extended, supplemented, Refinanced or otherwise modified, or entered into, replaced or Refinanced or otherwise modified from time to time or entered into to the extent such amendment, restatement, waiver, restructuring, renewal, extension, supplement, Refinancing or modification, or the terms of such new Parity Lien Document would contravene the provisions of this Agreement and (y) the holders of any such Refinancing Indebtedness shall bind themselves (directly or through their agent or representative) in a writing addressed to the Applicable Representative to the terms of this Agreement.

SECTION 2.11

Similar Liens and Agreements.

(a) The parties hereto agree that it is their intention that the Collateral be identical for all Parity Lien Claimholders, provided, that this provision will not be violated with respect to any particular Series if the Parity Lien Document for such Series prohibits the Collateral Agent for that Series from accepting a Lien on such asset or property or such Collateral Agent otherwise expressly declines to accept a Lien on such asset or property (any such prohibited or declined Liens with respect to a particular Series, a "Declined Lien"). In furtherance of, but subject to, the foregoing, the parties hereto agree, subject to the other provisions of this Agreement:

(i) upon request by any Collateral Agent, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the Shared Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the Credit Agreement Documents and the Other Parity Lien Documents; and

(ii) that the documents and agreements creating or evidencing the Liens on Shared Collateral securing the Credit Agreement Obligations and the Other Parity Lien Obligations shall, subject to the terms and conditions of Section 5.2, be in all material respects the same forms of documents as one another, except that the documents and agreements creating or evidencing the Liens securing the Other Parity Lien Obligations may contain additional provisions as may be necessary or appropriate to establish the intercreditor arrangements among the various separate classes of creditors holding Other Parity Lien Obligations and to address any Declined Lien.

ARTICLE III.
EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS

Whenever any Applicable Collateral Agent or any Applicable Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Parity Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the Parity Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Representative or each other Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if a Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Applicable Collateral Agent or Applicable Representative shall be entitled to assume that the Parity Lien Obligations of the relevant Series are no longer outstanding and that the Parity Lien Claimholders of such Parity Lien Obligations have no interest in the Shared Collateral. Each Applicable Collateral Agent and each Applicable Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Parity Lien Claimholder or any other person as a result of such determination.

SECTION 4.1

Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent or any Applicable Representative to any Non-Controlling Claimholder or give any Non-Controlling Claimholder the right to direct any Applicable Collateral Agent or any Applicable Representative, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.1 hereof.

(b) In furtherance of the foregoing, each Non-Controlling Claimholder acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Parity Lien Claimholders, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Parity Lien Collateral Documents, as applicable, without regard to any rights to which the Non-Controlling Claimholders would otherwise be entitled as a result of the Parity Lien Obligations held by such Non-Controlling Claimholders. Without limiting the foregoing, each Non-Controlling Claimholder agrees that none of the Applicable Collateral Agent, the Applicable Representative or any other Parity Lien Claimholder shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Parity Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Parity Lien Obligations), in any manner that would maximize the return to the Non-Controlling Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Claimholders from such realization, sale, disposition or liquidation. Each of the Parity Lien Claimholders waives any claim it may now or hereafter have against any Collateral Agent or Representative of any other Series of Parity Lien Obligations or any other Parity Lien Claimholder of any other Series arising out of (i) any actions which any such Collateral Agent, Representative or any Parity Lien Claimholder represented by it take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Parity Lien Obligations from any account debtor, guarantor or any other party) in accordance with the Parity Lien Collateral Documents or any other agreement related thereto or in connection with the collection of the Parity Lien Obligations or the valuation, use, protection or release of any security for the Parity Lien Obligations; provided that nothing in this clause (i) shall be construed to prevent or impair the rights of any Collateral Agent or Representative to enforce this Agreement, (ii) any election by any Applicable Representative or any holders of Parity Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.5, any borrowing, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by the Company or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not (i) accept any Shared Collateral in full or partial satisfaction of any Parity Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Representative representing holders of Parity Lien Obligations for whom such Collateral constitutes Shared Collateral or (ii) “credit bid” for or purchase (other than for cash) Shared Collateral at any public, private or judicial foreclosure upon such Shared Collateral, without the consent of each Representative representing holders of Parity Lien Obligations for whom such Collateral constitutes Shared Collateral.

SECTION 4.2

Power-of-Attorney.

Each Non-Controlling Representative and Collateral Agent that is not the Applicable Collateral Agent, for itself and on behalf of each other Parity Lien Claimholder of the Series for whom it is acting, hereby irrevocably appoints the Applicable Collateral Agent and any officer or agent of the Applicable Collateral Agent, which appointment is coupled with an interest with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Non-Controlling Representative, Collateral Agent or Parity Lien Claimholder, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Agreement, including the exercise of any and all remedies under each Parity Lien Collateral Document with respect to Shared Collateral and the execution of releases in connection therewith.

SECTION 5.1 Integration/Conflicts.

This Agreement, together with the other Parity Lien Documents and the Parity Lien Collateral Documents, represents the entire agreement of each of the Grantors and the Parity Lien Claimholders with respect to the subject matter hereof and thereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by any Representative, Collateral Agent or Parity Lien Claimholder relative to the subject matter hereof and thereof not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the Parity Lien Documents the provisions of this Agreement shall govern and control.

SECTION 5.2 Effectiveness; Continuing Nature of this Agreement; Severability.

This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement and the Parity Lien Claimholders of any Series may continue, at any time and without notice to any Parity Lien Claimholder of any other Series, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any Grantor constituting Parity Lien Obligations in reliance hereon. Each Representative and each Collateral Agent, on behalf of itself and each other Parity Lien Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding.
