ITEM 8.01. Other Events

On May 20, 2021, the City of Richmond, Virginia (the "City") announced that it has selected the Company's wholly owned unrestricted subsidiary RVA Entertainment Holdings, LLC ("RVAEH"), as the City's preferred casino gaming operator to develop and operate a casino resort in Richmond. Pursuant to the Virginia Casino Act, the City is one of five cities within the Commonwealth of Virginia eligible to host a casino gaming establishment, subject to the citizens of the City approving a referendum, which is anticipated to be held in November 2021. Prior to requesting a Virginia court to order the referendum, the City is required to (i) select the City's preferred location for the Casino, which must be listed on the referendum, (ii) select a preferred casino gaming operator to develop and operate the Casino (the "Preferred Casino Operator"), and (iii) submit the Preferred Casino Operator to the Commonwealth for pre-certification. If the voters approve the referendum then the Commonwealth may issue one license permitting operation of a casino in Richmond.

Upon passage and certification of the referendum, RVAEH, along with its management and development team, including Peninsula Pacific Entertainment ("P2E") would commence development and construction of the casino resort to be named ONE Casino + Resort. The project is estimated to cost approximately \$563 million and Urban One's aggregate capital investment in RVAEH is anticipated to be up to approximately \$100 million. The Company's investment will be sourced from a combination of cash on Urban One's balance sheet and/or capacity from the Company's undrawn \$50 million revolver. The Company also anticipates investment from local investors in the amount of \$11.5 million dollars as well as a personal investment by Alfred C. Liggins, III the Company's Chief Executive Officer.

The City's press release is attached hereto as Exhibit 99.1.

ONE Casino + Resort recommended by the Evaluation Panel *Mayor Stoney supports the recommendation*

Richmond, VA — The city’s Resort Casino Evaluation Panel has recommended that the ONE Casino + Resort move forward as the city’s preferred casino gaming operator at the proposed site on Walmsley Boulevard in South Richmond. The Evaluation Panel’s recommendation is supported by Mayor Stoney.

“ONE Casino + Resort presents a tremendous opportunity to develop a resort casino project in Richmond,” said Mayor Levar Stoney. “The project will create over 1,000 good paying jobs, generate a significant amount of new revenue for the city, and establish an additional economic engine in South Richmond. I applaud the work of the Evaluation Panel in their vetting of the proposals and engaging the entire city throughout this project.”

ONE Casino + Resort was proposed by Urban ONE in partnership with Peninsula Pacific Entertainment. Urban ONE is a publicly traded integrated media company. Peninsula Pacific Entertainment owns and operates several casinos and Rosie’s Gaming Emporiums in Virginia.

“ONE is thrilled the Richmond casino selection committee has chosen the best project with the best location and best team to develop a world-class entertainment destination in Richmond’s Southside, said Alfred Liggins, CEO of Urban One. “Urban One and our diverse group of local investors are fully committed to creating good paying jobs with profit-sharing for employees, pathways to successful careers, and generating significant new tax revenues that can improve Richmond’s schools and fund community programs and infrastructure.”

The Evaluation Panel made its recommendation based on factors including the project’s feasibility and sustainability, proposed location, economic development impact, financial revenue impact, and community benefits.

Mayor Stoney will introduce the proposed ONE Casino + Resort project to City Council on Monday, May 24, 2021. Per legislation approved by the Virginia General Assembly, City Council will be asked to petition the court so that a referendum on casino gaming in the City of Richmond can take place during the November 2, 2021 election.

Information on the city’s resort casino process can be found at <https://www.rva.gov/economic-development/resort-casino>.

The city will host a public meeting on the decision on Tuesday, May 25 at 6 p.m. The link to join will be posted on the informational webpage.
