1. We note that you include e-commerce sales in your determination of comparable retail sales and that you attribute increases to your revenues for both the year ended January 28, 2017 and the thirteen weeks ended April 29, 2017 to the growth in this metric. To the extent that e-commerce sales have a measurable effect on your comparable retail sales, please quantify your e-commerce sales or provide transparent disclosure regarding the impacts that e-commerce sales had on your comparable retail sales metric.
