GENERAL INFORMATION

Record Date; Shares Outstanding

As of April 23, 2002, the record date for determining shareholders entitled to notice of and to vote at the meeting, the Company had 67,298,386 shares of common stock deemed outstanding and eligible to vote. This number does not include 20,029,294 shares held by subsidiaries of AFG. Under Ohio law, shares held by subsidiaries are not entitled to vote and are therefore not considered to be outstanding for purposes of the meeting. Each share of outstanding common stock is entitled to one vote on each matter to be presented at the meeting. Abstentions (including instructions to withhold authority to vote for one or more nominees) and broker non-votes are counted for purposes of determining a quorum but will not be cast with respect to any item voted on at the meeting. As a result, abstentions and broker non-votes will have no effect on the outcome of any matter voted on at the meeting.

Cumulative Voting

Shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters. Cumulative voting allows a shareholder to multiply the number of shares owned on the record date by the number of directors to be elected and to cast the total for one nominee or distribute the votes among the nominees as the shareholder desires. Nominees who receive the greatest number of votes will be elected. In order to invoke cumulative voting, notice of cumulative voting must be given in writing to the Secretary of the Company not less than 48 hours before the time fixed for the holding of the meeting.

Proxies and Voting Procedures

Registered shareholders may vote by using a toll-free telephone number, by completing a proxy form and mailing it to the proxy tabulator, or by attending the meeting and voting in person. The telephone voting facilities will open on May 1, 2002, and close at 9:00 a.m. Eastern Daylight Savings Time on the meeting date. The telephone voting facilities are open Monday through Friday from 8:00 a.m. until 10:30 p.m. and on Saturdays from 8:00 a.m. until 4:30 p.m. Eastern Daylight Savings Time. The telephone voting procedures are designed to authenticate shareholders by use of a proxy control number and personal identification number ("PIN") to allow shareholders to confirm that their instructions have been properly recorded.

Shareholders whose shares are held in the name of a broker, bank or other nominee should refer to the proxy card or the information forwarded by such broker, bank or other nominee to see what voting options are available.

To vote by telephone, shareholders should call 1-877-298-0570, toll-free, using any touch-tone telephone and have their proxy form at hand. Shareholders will be asked to enter the proxy control number and PIN, then follow simple recorded instructions. To vote by mail, shareholders should complete and sign the bottom portion of the proxy form and return only that portion to the proxy tabulator.

Solicitation of proxies through the mail, in person and otherwise, is being made by management at the direction of AFG's Board of Directors, without additional compensation. AFG will pay all costs of soliciting proxies. In addition, AFG will request brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons, and AFG will reimburse them for their expenses.

The execution of a proxy or vote by phone does not affect the right to vote in person at the meeting, and a proxy or vote by phone may be revoked by the person giving it prior to the exercise of the powers conferred by it. A shareholder may revoke a prior vote by writing to the Secretary of AFG at the Company's principal offices or by properly executing and delivering a proxy bearing a later date (or recording a later telephone vote). In addition, persons attending the meeting in person may withdraw their proxies.

If a choice is specified on a properly executed proxy form, the shares will be voted accordingly. If a proxy form is signed without a preference indicated, those shares will be voted "FOR" the election of the eight nominees proposed by the Board of Directors. The authority solicited by this Proxy Statement includes discretionary authority to cumulate votes in the election of directors. If any other matters properly come before the meeting or any adjournment thereof, each properly executed proxy form will be voted in the discretion of the proxies named therein.

Adjournment and Other Matters

Approval of a motion for adjournment or other matters brought before the meeting requires the affirmative vote of a majority of the shares voting at the meeting. Management knows of no other matters to be presented at the meeting other than those stated in this document.

ELECTION OF DIRECTORS

The Board of Directors oversees the management of the Company on your behalf. The Board reviews AFG's long-term strategic plans and exercises direct decision-making authority in key areas such as choosing the Chief Executive Officer, setting the scope of his authority to manage the Company's business day to day, and evaluating management's performance. The Board met 4 times last year.

The Board of Directors has nominated eight individuals to hold office until the next annual meeting of Shareholders and until their successors are elected and qualified. If any of the nominees should become unable to serve as a director, the proxies will be voted for any substitute nominee designated by the Board of Directors but, in any event, no proxy may be voted for more than eight nominees. Compensation Committee Report

The Compensation Committee of the Board of Directors consists of three directors, none of whom is an employee of the Company or any of its subsidiaries. The Committee's functions include reviewing and making recommendations to the Board of Directors with respect to the compensation of the Company's senior executive officers, as defined from time to time by the Board. The term "senior executive officers" currently includes the Chairman of the Board and Chief Executive Officer (the "CEO") and the Co-Presidents. The Compensation Committee has the exclusive authority to grant stock options under the Company's Stock Option Plan to employees of the Company and its subsidiaries, including senior executive officers.

Compensation of Executive Officers. The Company's compensation policy for all executive officers of the Company has three principal components: annual base salary, annual incentive bonuses and stock option grants. Before decisions were made regarding 2001 compensation for senior executives, the Committee had discussions with Company executives to solicit their thoughts regarding compensation. Based in part on such discussions as well as the Committee's review of the Company's financial results for the preceding year, the Committee deliberated, formed its recommendations, and presented its determinations regarding salary and bonus to the full Board for its review and approval. The compensation decisions discussed in this report conformed with recommendations made by the Committee, the CEO and the Co-Presidents.

Annual Base Salaries. The Committee approved annual base salaries and salary increases for senior executive officers that were appropriate, in the Committee's subjective judgment, for their respective positions and levels of responsibilities. The Committee approved the 2001 salaries of the CEO and the Co-Presidents, noting that such salaries would be the same rates in 2001 as in 2000, 1999, 1998 and the latter part of 1997.

Annual Bonuses. As was the case for the past five years, the Committee developed an annual bonus plan for 2001 for the CEO and the Co-Presidents that would make a substantial portion of their total compensation dependent on the Company's performance, including achievement of pre-established earnings per share targets. Other executive officers of the Company were included in the annual bonus plan for 2001 by action of the Executive Committee.

The annual bonus plan for 2001 made 50% of each participant's annual bonus dependent on the Company attaining certain earnings per share targets. The other 50% is based on the Company's overall performance, as subjectively determined by the Committee. The 2001 annual bonus plan (as in prior years) provided that 25% of any bonuses be paid in common stock.

Under the 2001 annual bonus plan, the bonus target amount for the CEO and each of the Co-Presidents was \$950,000 with 0% to 175% of \$475,000 (50% of \$950,000) to be paid depending on the Company achieving certain 2001 earnings per share allocable to insurance operations (the "EPS Component") and 0% to 175% of \$475,000 to be paid based on the Company's overall performance, as subjectively determined by the Committee (the "Company Performance Component"). The earnings per share target which would result in the payment of 100% of the EPS Component bonus was set by the Committee at \$1.60. In recommending the 2001 annual bonus plan to the Board for adoption, the Committee noted that no bonus should be paid under the plan if 2001 earnings per share from insurance operations are less than \$1.20 (75% of the 2001 EPS target). Not including the effects from the attack on the World Trade Center and an increase in reserves for asbestos related claims, the Company reported earnings per share from insurance operations of \$1.55. The Committee noted that the annual bonus plan provides that unusual or non-recurring items are not be included in determining earnings allocable to insurance operations. This results in a payment to the CEO and each of the Co-Presidents of approximately \$416,000 under the EPS Component.

The Committee then evaluated the Company's performance during 2001. The Committee considered a number of factors in discussions of such performance with senior executives, including the Company's current status of credit ratings, operating ratios, which were viewed positively, and net earnings and stock price from the end of 2000 to the end of 2001 which were viewed negatively. The Committee noted the improvement in stock price from the beginning of 2000 to the time of its meeting to consider the 2001 annual bonus plan held in March. The Committee agreed with management's recommendation that while a bonus under the Company Performance Component could be justified, no bonus attributable to that component would be paid.

The annual base salary and bonus target amounts of the CEO and the Co-Presidents are virtually identical because the Committee reviews them as working as a management team whose skills and areas of expertise complement each other.

Stock Option Grants. Stock options represent an important part of the Company's performance-based compensation system. The Committee believes that Company shareholders' interests are well served by aligning the Company's senior executives' interests with those of its shareholders through the grant of stock options in addition to paying a portion of any annual bonus in common stock. Options under the Company's Stock Option Plan are granted at exercise prices equal to the fair market value of common stock on the date of grant and vest at the rate of 20% per year. The Committee believes that these features provide an optionee with substantial incentive to maximize the Company's long-term success. Options for 55,000 shares were granted to each of the Co-Presidents and additional options were granted to the other senior executives of the Company in December 2000, so that the exercise price of such options would be near the public offering of Common Stock which was completed in December 2000. While no options were granted to such persons in 2001, the Committee determined to extend the expiration dates of certain of the options held by two of the Company's Co-Presidents to April 2005 to align the expiration dates of the options held by each Co-President. No options were granted to the CEO in 2000 or 2001.

The Compensation Committee of the Board of Directors consists of three directors, none of whom is an employee of the Company or any of its subsidiaries. The Committee's functions include reviewing and making recommendations to the Board of Directors with respect to the compensation of the Company's senior executive officers, as defined from time to time by the Board. The term "senior executive officers" currently includes the Chairman of the Board and Chief Executive Officer (the "CEO") and the Co-Presidents. The Compensation Committee has the exclusive authority to grant stock options under the Company's Stock Option Plan to employees of the Company and its subsidiaries, including senior executive officers.

Certain Transactions

From time to time, AFG and its subsidiaries have had transactions with affiliates. AFG believes that the financial terms of these transactions are comparable to those that would apply to unrelated parties and are fair to AFG.

Members of the Lindner Family are the principal owners of Provident Financial Group, Inc. ("Provident"). In 2001, AFG paid Provident \$245,000 in connection with an expense sharing arrangement for a cafeteria operated by Provident for the employees of both companies. AFG provides security guard and surveillance services at the main office of Provident for which Provident paid \$100,000 in 2001. Provident leases its main banking and corporate office from AFG for which Provident paid rent of \$3,125,000 in 2001. A subsidiary of Provident leases equipment to subsidiaries of AFG for which Provident was paid an aggregate of \$805,000 during 2001.

During 2001, AFG paid the Cincinnati Reds \$109,000 for tickets to baseball games. Carl H. Lindner is the Chief Executive Officer of the Reds. In addition, a subsidiary of AFG, and a company owned by Carl H. Lindner, Carl H. Lindner III, Keith E. Lindner and S. Craig Lindner, are part owners of the Reds.

In July 2000, AFG's principal insurance company subsidiary, Great American Insurance Company, entered into a thirty-year agreement with the Reds, pursuant to which the Reds' home stadium will be named "Great American Ball Park" upon its expected completion in time for the 2003 baseball season. Great American paid the Reds \$2 million during 2001, and will pay the Reds approximately \$2.3 million annually over the term of the agreement. For these payments, Great American will also receive approximately \$1.3 million of premium seating, marketing credits, and related sponsorship rights.

In 2001, an AFG subsidiary purchased a 29% interest in an aircraft for \$1.6 million (fair value as determined by independent third party) from an entity owned by one of Carl H. Lindner's brothers. The remaining interests in the aircraft are owned by Carl H. Lindner and his two brothers. Costs of operating the aircraft are being borne proportionately. During 2001 and prior to the purchase, AFG and its subsidiaries had chartered the aircraft from the same entity. The total charges for such aircraft usage were \$584,000.

In 1997, Carl H. Lindner and Great American Financial Resources, Inc. (an 83%-owned subsidiary of AFG) purchased 51% and 49%, respectively, of the outstanding common stock of a newly incorporated entity formed to acquire the assets of a company engaged in the production of ethanol. In 2000, the ethanol company repurchased the 49% interest from GAFRI for amounts which included an \$18.9 million subordinated debenture bearing interest at 12 1/4% with scheduled repayments through 2005. The balance owed on the subordinated debenture at year-end 2001 was \$12.9 million. Another AFG subsidiary has a working capital credit facility in place under which the ethanol company may borrow up to \$10 million at a rate of prime plus 3%. There were no borrowings outstanding under this facility in 2001. In 1998, GAFRI made a loan to the ethanol company in the amount of \$4 million, bearing interest at the rate of 14% and maturing in September 2008.

An AFG subsidiary is the lender under a credit agreement with American Heritage Holding Corporation, a Florida-based homebuilder which is 49% owned by AFG and 51% owned by brothers of Carl H. Lindner. The homebuilder may borrow up to \$8 million at 13% per annum, with interest deferred and added to principal. In January 2001, the maturity date of this loan was extended from March 31, 2001 to March 31, 2003. The highest outstanding balance owed to the AFG subsidiary during 2001 was \$8.0 million and the balance at year-end 2001 was \$6.4 million.

Directors' Compensation

Pursuant to the Non-Employee Directors' Compensation Plan (the "Directors' Plan"), all directors who are not officers or employees of the Company are paid the following fees: an annual retainer of \$40,000; an additional annual retainer of \$12,000 for each Board Committee on which the non-employee director serves; and an attendance fee of \$1,000 for each Board or Committee meeting attended. Non-employee directors who become directors during the year receive a pro rata portion of these annual retainers. The retainers and fees to be paid under the Directors' Plan are reviewed by the Board of Directors from time to time and are subject to change at its discretion.

In order to align further the interests of the Company's non-employee directors with the interests of shareholders, the Directors' Plan provides that a minimum of 50% of such directors' annual retainers are paid through the issuance of shares of AFG common stock.

The Board of Directors has a program under which a retiring Company director (other than an officer or employee of the Company or any of its subsidiaries) will, if the director has met certain eligibility requirements, receive upon retirement (in a lump sum or, if elected, in deferred payments) an amount equal to five times the then current annual director's fee. For purposes of this program, retirement means resignation as a Company director or not being nominated for reelection by shareholders as a Company director. To be eligible for the retirement benefit, a person must have served as a Company director for at least four years while not an officer or employee of the Company or any of its subsidiaries. In addition, a Company director will not become eligible for the retirement benefit until reaching age 55. A director who receives a retirement benefit must provide consulting services to the Company on request for five years following retirement without further compensation (except reimbursement for expenses). Under the program, a death benefit equal to the retirement benefit will be paid (in lieu of any retirement benefit under the program) to the designated beneficiary or legal representative of any person who dies while serving as a Company director, whether or not eligible for a retirement benefit at time of death. This death benefit will not be available to a director who at any time during the two years immediately preceding death was an officer or employee of the Company or any of its subsidiaries.

In addition to providing for the grant of stock options to key employees, the Stock Option Plan provides for automatic annual grants of options to each non-employee director of the Company. During 2001, each non-employee director was granted an option under the foregoing provisions of the Stock Option Plan to purchase 2,500 shares at an exercise price of \$27.95 per share on June 1, 2001, the exercise price being the fair market value of the Company's common stock on the date of grant.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The Company's Board of Directors held four meetings and took action in writing ten times in 2001. The Board has an Executive Committee, an Audit Committee and a Compensation Committee, but no Nominating Committee.

Executive Committee: The Executive Committee consists of Carl H. Lindner (Chairman), Carl H. Lindner III, S. Craig Lindner and Keith E. Lindner. The Committee's functions include analyzing the future development of the business affairs and operations of the Company, including further expansion of businesses in which the Company is engaged and acquisitions and dispositions of businesses. With certain exceptions, the Executive Committee is generally authorized to exercise the powers of the Board of Directors between meetings of the Board of Directors. The Executive Committee consulted among themselves informally many times throughout the year and took action in writing on six occasions in 2001.

Compensation Committee. The Compensation Committee met two times and took action in writing on three occasions in 2001.

Audit Committee. The Audit Committee met eight times in 2001.

Audit Committee Report

The Audit Committee is comprised of three directors, each of whom is experienced with financial statements and two of whom have past accounting or related financial management experience. Each of the members of the Audit Committee is independent as defined by the New York Stock Exchange listing standards.

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to shareholders and others, the systems of internal control which management has established, and the audit process. The members of the Committee are Theodore H. Emmerich (Chairman), William R. Martin and Thomas M. Hunt. It is expected that if elected, Mr. Verity will take the seat of Mr. Hunt on this committee following the meeting.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes. Additionally, the Audit Committee recommends to the Board an accounting firm to be engaged as the Company's independent accountants.

The Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Company's independent accountants also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and disclosures required by the Audit Committee Charter, and the Committee discussed with the independent accountants that firm's independence.

Based on the Committee's discussions with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Committee, the Committee recommended that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.

Members of the Audit Committee:

Theodore H. Emmerich, Chairman
William R. Martin
Thomas M. Hunt

INDEPENDENT AUDITORS

The accounting firm of Ernst & Young LLP served as the Company's independent auditors for the fiscal year ended December 31, 2001. Representatives of that firm will attend the meeting and will be given the opportunity to comment, if they so desire, and to respond to appropriate questions that may be asked by shareholders. No auditor has yet been selected for the current year because it is generally the practice of the Company not to select independent auditors prior to the annual shareholders meeting.

Audit Fees, Financial Information Systems Design and Implementation Fees and All Other Fees. Ernst and Young's aggregate fees for services related to the audits of financial statements for the year ended December 31, 2001, and for quarterly reviews within that period amounted to approximately \$1.5 million. While they were not billed separately, we estimate that fees for statutory audits for insurance regulatory purposes and similar audit related services amounted to approximately one-fourth of the aggregate audit fees.

In addition, during 2001 Ernst & Young billed approximately \$161,000 for services related to actuarial reviews, approximately \$88,000 for tax services and approximately \$209,000 for all other miscellaneous services. There were no Ernst & Young fees in 2001 for financial information systems design and implementation. The Audit Committee considered the non-audit services provided in satisfying itself as to Ernst & Young's independence.

NOMINATIONS AND SHAREHOLDER PROPOSALS

In accordance with the Company's Code of Regulations (the "Regulations"), the only candidates eligible for election at a meeting of shareholders are candidates nominated by or at the direction of the Board of Directors and candidates nominated at the meeting by a shareholder who has complied with the procedures set forth in the Regulations. Shareholders will be afforded a reasonable opportunity at the meeting to nominate candidates for the office of director. However, the Regulations require that a shareholder wishing to nominate a director candidate must have first given the Secretary of the Company at least five and not more than thirty days prior written notice setting forth or accompanied by (1) the name and residence of the shareholder and of each nominee specified in the notice, (2) a representation that the shareholder was a holder of record of the Company's voting stock and intended to appear, in person or by proxy, at the meeting to nominate the persons specified in the notice and (3) the consent of each such nominee to serve as director if so elected.

The Proxy Form used by AFG for the annual meeting typically grants authority to management's proxies to vote in their discretion on any matters that come before the meeting as to which adequate notice has not been received. In order for a notice to be deemed adequate for the 2003 annual meeting, it must be received by March 16, 2003. In order for a proposal to be considered for inclusion in AFG's proxy statement for that meeting, it must be received by December 31, 2002.

REQUESTS FOR FORM 10-K
