Dear Mr. Merrick:

In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2007

General

1. Where a comment below requests additional disclosures or other revisions to be made, please show us in your supplemental response what the revisions will look like. These revisions should be included in your future filings.

Item 8 – Financial Statements

General

2. We have reviewed your response to prior comment 8. We note that you included the increase in property, plant and equipment acquired which were funded by liabilities in trade payables or other liabilities in your statement of cash flows. Please tell us what the related amounts were for the year ended December 31, 2007 and the quarters ended March 31, 2008 and June 30, 2008. Show us for each period what your statement of cash flows would look like if the related cash flows were not included until the period the amounts were actually paid. We assume that upon actual payment, they would be included in investing activities. Confirm that is what you did in your statement of cash flows for September 30, 2008 as well.

FORM 10-Q FOR THE PERIOD ENDED SEPTEMBER 30, 2008

Item 1 – Financial Statements

3. We have reviewed your response to prior comment 22. It is unclear how you have met the disclosure requirements set forth in paragraphs 32-35 of SFAS 157 regarding assets and liabilities that are measured at fair value.
