**General**

1. We note your response to prior comment 3. Please provide us with a brief legal analysis under the federal securities laws in support of the participants' conclusion that the proxies named on the proxy card may cumulate votes in their discretion. Alternatively, revise the proxy statement and form of proxy to expressly solicit security holder approval for the use of such discretion.
2. We note your response to prior comment 11 and reissue the comment. While the proposal references actions which if taken are all related to the restoration of shareholder

rights, the proposal involves a vote for two possible action on two distinct matters. Please revise your proxy and proxy card accordingly. Refer to the September 2004 Interim Supplement to Publicly Available Telephone Interpretations available at <http://www.sec.gov/interps/telephone/phonesupplement5.htm>.
