Please respond to this comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

Form 10-K for the Fiscal Year Ended December 31, 2019

Item 8. Financial Statements and Supplementary Data

Note 10. Commitments and Contingent Liabilities

Other Legacy Matters, page 95

1. We note that you recorded pre-tax charges of \$68.0 million in 2019 for the estimated costs of the new spillway for the Libby Dam. In light of the fact that these costs relate to the future permit renewal, please address the timing of your expense recognition. In addition, please tell us what consideration was given to ASC 410-30-25-17 and 25-18 in determining that such costs should not be capitalized. Refer to Example 5 in ASC 410-30-55-18 through 55-26.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
