THE WASHINGTON POST COMPANY

DEFERRED COMPENSATION PLAN

Section 1. Purpose.

The Washington Post Company Deferred Compensation Plan (the “Plan”) is an unfunded plan established for the purpose of offering a select group of management and other highly compensated key employees and non-employee directors the opportunity to defer the receipt of compensation payments or fees that would otherwise become payable to them currently for the periods provided in the Plan.

This Plan is strictly a voluntary undertaking on the part of the Company and shall not be deemed to constitute a contract of employment or part of a contract between the Company and any employee or any employee of an Affiliate or any director, nor shall it be deemed to give any employee the right to be retained in the employ of the Company or an Affiliate, as the case may be, or to interfere with the right of the Company or an Affiliate, as the case may be, to discharge any employee at any time, or to establish the terms and conditions of employment of any employee nor shall it be deemed to give any director the right to be retained as a director of the Company.

Benefits from this Plan shall be payable solely from the general assets of the Company and participants herein shall not be entitled to look to any source for payment of such benefits other than the general assets of the Company.

To the extent Section 409A of the Internal Revenue Code of 1986 applies to the Plan, the terms of the Plan are intended to comply with Section 409A and shall be interpreted and administered in accordance with Section 409A and any governmental regulations and other guidance issued thereunder. To the extent any provision of this Plan that is intended to comply with Section 409A must be effective as of January 1, 2005, such provision shall be effective as of such date.

Section 2. Definitions.

As used in this Plan, the following words shall have the following meanings:

(a) “Affiliate” means any corporation (other than the Company) 50% or more of the outstanding stock of which is directly or indirectly owned by the Company and any unincorporated trade or business which is under common control with the Company as determined in accordance with Section 414(c) of the Code. Except with respect to Grandfathered Deferred Compensation, the term Affiliate shall include any other entity required to be aggregated with the Company under Section 409A.

(b) “Annual Incentive Compensation” means any bonus awarded to a Participant and payable in cash under the Company’s Incentive Compensation Plan or any other annual bonus program maintained by the Company or an Affiliate.

(c) “Beneficiary” means the person, persons or entity designated in writing by the Participant to receive his or her Participant Account in the event of his or her death. If no effective designation of beneficiary is on file with the Committee, then such amounts that would otherwise be payable to a Beneficiary will be paid to the surviving spouse of the Participant, or, if there is no surviving spouse, then to the Participant’s estate.

(d) “Code” means the Internal Revenue Code of 1986, as amended. References herein to Section 409A and other sections of the Code shall apply to any successor provisions.

(e) “Committee” means the Compensation Committee of the Board of Directors or such other Committee appointed by the Board to administer the Plan.

(f) “Company” means The Washington Post Company, a Delaware Corporation, and any successors in interest thereto.

(g) “Deferred Compensation” means any amounts deferred under this Plan in accordance with Section 3, together with any investment credits thereto under Section 4.

(I) Except for Grandfathered Deferred Compensation, one of the following periods as selected by the Participant with respect to his or her Deferred Compensation for the particular Plan Year or Short Year: (1) until a specified date in the future; or (2) until a date which is the end of the calendar month (or a designated subsequent period) following the month that the Participant ceases to be an employee of the Company or an Affiliate or ceases to be an Eligible Director, provided, however, that if an employee Participant selects a date determined on the basis of the date such Participant ceases to be an employee of the Company or an Affiliate and such Participant is a Specified Employee, then, notwithstanding such Participant's election, the Designated Deferral Period for such Plan Year or Short Year shall end on the later of (i) the date selected by such Participant, or (ii) the end of the sixth-month period following the date such Participant ceases to be such an employee. For purposes of this subparagraph, it shall not be considered a termination of employment when a Participant is granted a military or personal leave of absence by the Company or an Affiliate or when a Participant is transferred from the Company to an Affiliate or from an Affiliate to the Company or another Affiliate. Notwithstanding any other provision of this subparagraph or of this Plan and except as is otherwise required in the case of a Specified Employee as set forth in clause (2) above, a Participant may not defer the date on which payment of his or her Deferred Compensation is made or commences beyond the later of (i) the first of the calendar month following his or her 65th birthday, or (ii) the end of the calendar month following the month in which the Participant ceases to be an employee of the Company or an Affiliate or an Eligible Director of the Company.

Notwithstanding any other provision of this subparagraph or of this Plan, a Participant may not defer the date on which payment of his or her Grandfathered Deferred Compensation is made or commences beyond the later of (i) the first of the calendar month following his or her 65th birthday, or (ii) the end of the calendar month following the month in which the Participant ceases to be an employee of the Company or an Affiliate or an Eligible Director of the Company.

(i) “Effective Date” means November 15, 1996, in the case of employees of the Company or an Affiliate, and October 1, 1997, in the case of Eligible Directors.

In the case of an employee Participant, Grandfathered Deferred Compensation shall include and be limited to deferred Incentive Compensation payable with respect to 2003 and prior Plan Years; in the case of an Eligible Director Participant, Grandfathered Deferred Compensation shall include and be limited to deferred directors’ fees for services performed as a director in 2004 and prior Plan Years.

(m) “Incentive Compensation” means Annual Incentive Compensation and Long-Term Incentive Compensation.

(n) “Investment Election” means an election filed by a Participant selecting the investment credit factor(s) that will be applicable to the Participant Accounts of the Participant. The Committee shall determine the manner in which Investment Elections may be made and the frequency with which such elections may be prospectively changed.

(o) “Long-Term Incentive Compensation” means any bonus awarded to a Participant and payable in cash under the Performance Unit provisions of the Company’s Incentive Compensation Plan or another special long-term incentive compensation plan maintained by the Company or an Affiliate that provides the opportunity for a cash bonus payment at the end of a specified period (minimum two years) based on the attainment of specific performance goals.

(p) “Participant” means (i) an employee of the Company or an Affiliate recommended by the Company’s senior management and designated a participant in this Plan by the Committee, who is within the category of a select group of management or highly compensated employees as referred to in Sections 201(2), 301(a)(3) and 401(a)(1) of ERISA for any Plan Year and who is a participant in the Company’s Incentive Compensation Plan or any other incentive program maintained by the Company or an Affiliate or (ii) an Eligible Director who elects to participate in the Plan.

(q) “Participant Account” means a separate account representing the value of a Participant’s Deferred Compensation with respect to any Plan Year or Short Year. (v) "Specified Employee" means an employee who is defined as a "specified employee" in Section 409A(a)(2)(B)(i) of the Code.

Section 3. Deferral Elections

(a) Subject to the limitations described below, each Participant may elect to have the payment of a Specified Amount of his or her Incentive Compensation or annual directors' fees, as the case may be, deferred pursuant to this Plan for the Designated Deferral Period.

(b) A deferral election must be an irrevocable written election made on a form prescribed by the Committee within a period specified by the Committee which, (I) for an employee Participant (1) in the case of Annual Incentive Compensation shall end no later than the last day of the Plan Year preceding the Plan Year for which such Incentive Compensation would be payable, and (2) in the case of Long-Term Incentive Compensation shall end no later than the last day of the Plan Year preceding the last Plan Year in the period for which such Incentive Compensation would be payable, and (II) for an Eligible Director, shall end no later than the last day of the Plan Year preceding the Plan Year in which the annual directors' fees are earned. Notwithstanding the foregoing, in the event any Incentive Compensation that constitutes performance-based compensation under Section 409A of the Code is payable with respect to any period of at least 12 months that does not correspond to one or more Plan Years, the specified period established by the Committee for such Incentive Compensation shall end no later than six months before the end of the period for which such Incentive Compensation would be payable. In the event of a Short Year, the specified period established by the Committee shall end no later than 30 days following the date the employee or Eligible Director first becomes eligible to participate in the Plan, and, except as otherwise permitted under Section 409A of the Code, such deferral election shall apply only to Incentive Compensation or annual directors' fees earned after the date of the Participant's deferral election.

(c) Each deferral election shall set forth the Specified Amount of the Participant's Incentive Compensation or annual directors' fees, as the case may be, for the period covered by the election that the Participant desires to have deferred, the Designated Deferral Period, and the Payout Period. After the latest date that a deferral election may be made, a Participant may not change the election, except as follows:

(I) Except for Grandfathered Deferred Compensation, a Participant may file a change in the Designated Deferral Period and/or the Payout Period with respect to his or her deferral election for any Plan Year or Short Year; provided that (1) such change will be given effect only if made at least 12 months before the end of the previously elected Designated Deferral Period (or at least 12 months before actual termination of employment or termination of service as an Eligible Director if the previously elected Designated Deferred Period was based on such a termination), (2) any change in the Designated Deferral Period must extend the Designated Deferral Period for a minimum of 60 months, and (3) the change in the dates of payment resulting from a change in the Designated Deferral Period and/or the Payout Period must have the effect of extending such dates for the minimum period or periods required under Section 409A of the Code.

(II) In the case of Grandfathered Deferred Compensation, a Participant may file a change in the Designated Deferral Period and/or the Payout Period with respect to his or her deferral election for any Plan Year or Short Year, provided that (1) such change will be given effect only if made at least 12 months before the end of the previously elected Designated Deferral Period (or at least 12 months before actual termination of employment or termination of service as an Eligible Director if the previously elected Designated Deferred Period was based on such a termination), (2) any change in the Designated Deferral Period to a specified date must extend the Designated Deferral Period for a minimum of 30 months (in the case of a change from one specified date to another specified date), or until a date not less than 42 months after the election is filed (in the case of a change from termination of employment or termination of service as an Eligible Director to a specified date), and (3) a change in the Designated Deferral Period from a specified date to a date based on termination of employment or termination of service as an Eligible Director will be given effect only if made at least 12 months

before such termination. This Section 3(c)(II) shall apply to changes filed after July 31, 2005. Changes filed before that date shall be subject to the Plan terms and procedures in effect prior to the addition of this Section 3(c)(II).

(d) The Committee may, from time to time, set limitations on the amount of a Participant's Incentive Compensation or directors' fees, as the case may be, which may be subject to deferral under this Plan, including but not limited to establishing annual limitations relating to particular employment positions or levels of Participants and/or compensation levels. Any applicable limitations will be set forth on the deferral election form relating to the Plan Year for which such limitations are applicable.

(e) A Participant will be 100% vested in his or her Participant Account at all times.

Section 4. Treatment of Deferred Amounts.

(a) The Company shall maintain on its books a separate Participant Account for each Participant who has deferred compensation under this Plan with respect to any Plan Year or Short Year. The amount of such Deferred Compensation shall be credited to such Participant Account on the date or dates during the Plan Year on which the Deferred Compensation would have been payable to the Participant but for the deferral under this Plan.

(b) Each Participant Account shall be deemed to earn investment credits reflecting gains or losses with respect to each Plan Year or Short Year in accordance with the Participant's individual Investment Election. The Committee shall determine the investment credit factors that will be offered in any Plan Year. Beginning with the applicable Effective Date, the investment credit factors will be the equivalent rates of return generated by the investment options offered under the 401(k) plan maintained by the Company covering eligible corporate office employees and shall continue to be such factors unless otherwise determined by the Committee.

(c) Each Participant must file an Investment Election at the time he or she first files a deferral election. The Investment Election will determine the investment credit

factors that will be applicable to the Deferred Compensation in the Participant Accounts of such Participant. A Participant may file a new Investment Election at any time. In the event a Participant fails to complete a valid Investment Election, his or her Deferred Compensation will be credited with the investment credit amounts equivalent to the rates of return generated by the money market option under the Company's 401(k) plan referred to above.

(d) The Company will add to (or subtract from) each Participant Account the appropriate amounts, in accordance with the Participant's Investment Election, calculated no less frequently than the last day of each calendar quarter.

(e) No assets shall be segregated or earmarked in respect of any Participant Account and no Participant shall have any right to assign, transfer, or pledge his or her interest, or any portion thereof, in his or her Participant Accounts. The Plan and the crediting of accounts hereunder shall not constitute a trust and shall merely be for the purpose of recording an unsecured contractual obligation. All amounts payable pursuant to the terms of this Plan shall be paid from the general assets of the Company.

(f) Until the entire balance in all of the Participant Accounts of a Participant has been paid in full, the Company will furnish or cause to be furnished to each Participant a report, at least annually, setting forth the credits and debits to each Participant Account and the status of all Participant Accounts of such Participant.

Section 5. Payment of Deferred Accounts.

(a) The amount to be paid to a Participant following the expiration of the Designated Deferral Period with respect to any Participant Account shall be computed on the basis of the balance of the Participant Account (i.e., the original Deferred Compensation amount plus and minus cumulative investment credits under Section 4 and minus any payments previously made) as of the payment date.

(b) All payments of amounts under this Plan shall be made in cash.

(c) Notwithstanding the Designated Deferral Period or the Payout Period selected by the Participant, if the employment of an employee Participant or the services as a director of an Eligible Director Participant are terminated as a result of the Participant's death or permanent disability, the entire Participant Account shall be payable in a lump sum to such Participant (or, in the case of death, to his or her Beneficiary) as soon as practical but not later than the end of the calendar quarter following the Participant's death or permanent disability. A Participant's employment shall be deemed to have been terminated as a result of permanent disability: (i) in the event the Participant is considered disabled within the meaning of Section 409A of the Code; or (ii) in the case of Grandfathered Deferred Compensation, in the event the Participant suffers a physical illness, injury or other impairment in respect to which the Participant is entitled to receive benefits under the long-term disability plan maintained by the Company (or, in the case of a Participant who is an Eligible Director, would have been so entitled if he or she were eligible to participate in such plan), provided the Participant is expected to remain on permanent disability for an indefinite period of time.

(d) Notwithstanding any other provision of this Plan to the contrary, a Participant's Deferred Compensation (other than a Participant's Grandfathered Deferred Compensation) shall become payable upon the Participant's incurring an unforeseeable emergency within the meaning of Section 409A of the Code. In such event, the amount of Deferred Compensation payable with respect to the unforeseeable emergency shall not exceed the amount necessary to satisfy the emergency plus the amount necessary to satisfy taxes reasonably anticipated as a result of the emergency payment; the amount necessary to satisfy the emergency shall be determined taking into account the extent to which the financial hardship caused by the emergency is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship).

(e) Notwithstanding any other provision of this Plan to the contrary, the Committee, in its sole discretion, is empowered to accelerate the payment of a Participant's Grandfathered Deferred Compensation, without a prepayment penalty, to a Participant for any reason the Committee may determine to be appropriate. Neither the

Company nor the Committee shall have any obligation to make any such acceleration for any reason whatsoever.

(f) Notwithstanding any other provision of this Plan to the contrary, in no case may the payment of any Deferred Compensation, other than Grandfathered Deferred Compensation, be accelerated under this Plan, except as otherwise may be permitted under Section 409A of the Code.

(g) Notwithstanding any other provision of this Plan to the contrary, the Committee shall have the authority to require deferral of a Participant's Grandfathered Deferred Compensation beyond the expiration of the Designated Deferral Period to the extent necessary to avoid a limitation on the deductibility by the Company of the deferred amount under Section 162(m), or any other applicable provision, of the Code.

Section 6. Administration and Amendment

(a) This Plan shall be administered by the Committee. All decisions and interpretations of the Committee shall be conclusive and binding on the Company, its Affiliates and the Participants. The Committee may at any time terminate an employee's designation as a Participant, in which event the employee shall not be permitted to defer additional Incentive Compensation under the Plan. No such change in designation shall otherwise affect such a Participant's rights under the Plan.

(b) The Board of Directors of the Company may at any time amend the Plan, including an amendment to suspend or terminate the right of Participants to defer Incentive Compensation and/or directors' fees under the Plan. No such amendment shall adversely affect a Participant's rights with respect to Deferred Compensation credited to a Participant Account before such amendment, including the right to be credited with investment credits for the period of time after such amendment as long as there continues to be a positive balance in the Participant Account. To the extent permitted under Section 409A of the Code, the Board of Directors may in its discretion terminate the Plan and distribute all Participant Accounts established under the Plan within twelve months of a change in control of the Company, as defined for purposes of Section 409A of the Code.

(c) IT IS THE INTENTION OF THE COMPANY THAT NO AMENDMENT TO THE PLAN SHALL CONSTITUTE A MATERIAL MODIFICATION OF THE PLAN WITHIN THE MEANING OF SECTION 409A OF THE CODE AND SECTION 885(d) OF THE AMERICAN JOBS CREATION ACT OF 2004, P.L. 108-357, WITH RESPECT TO GRANDFATHERED DEFERRED COMPENSATION, SINCE ANY SUCH AMENDMENT WOULD SUBJECT GRANDFATHERED DEFERRED COMPENSATION TO THE REQUIREMENTS OF SECTION 409A OF THE CODE AND COULD ALSO MAKE GRANDFATHERED DEFERRED COMPENSATION IMMEDIATELY TAXABLE TO PARTICIPANTS. ACCORDINGLY AND TO THE GREATEST EXTENT POSSIBLE, ALL AMENDMENTS TO THE PLAN SHALL BE CONSTRUED AND INTERPRETED SO AS TO AVOID CREATING ANY MATERIAL MODIFICATIONS WITH RESPECT TO GRANDFATHERED DEFERRED COMPENSATION.

(d) Notwithstanding any other section of this Plan, if a Participant is discharged by the Company or an Affiliate or his or her services as a director are terminated because of conduct that the Participant knew or should have known was detrimental to legitimate interests of the Company or its Affiliates, dishonesty, fraud, misappropriation of funds or confidential, secret or proprietary information belonging to the Company or an Affiliate or commission of a crime, such Participant's rights to any benefits under this Plan shall be forfeited; except that, if and to the extent permitted under Section 409A of the Code, such Participant shall be entitled to receive a lump-sum payment equal to the lesser of (i) the current aggregate balance in all of the Participant Accounts of such Participant, or (ii) the aggregate of all Specified Amounts deferred by the Participant under the Plan plus investment credits thereon at the money market fund rate of return under the Company's 401(k) plan for the relevant deferral periods.

(e) The Company's sole obligation under this Plan is to pay the benefits provided for herein and neither the Participant nor any other person shall have any legal or equitable right against the Company, any Affiliate, the Boards of Directors thereof, the Committee or any officer or employee of the Company or any Affiliate other than the right against the Company to receive such payments from the Company provided herein.

(f) The Company shall bear all expenses incurred by it in administering this Plan.

(g) The Company shall have the right to deduct from any other payments to be made by the Company or any Affiliate to a Participant any Federal, state or local taxes required by law to be withheld. To the extent that the Company or any Affiliate is required to withhold any taxes or other amounts with respect to a Participant's Deferred Compensation pursuant to any Federal, state or local law, such amounts shall be taken out of the Participant's compensation which is paid currently. To the extent such compensation is not sufficient for such purpose and if such action does not constitute an impermissible acceleration under Section 409A of the Code, the Company shall also have the right to deduct from amounts credited to the Participant Accounts of any Participant any Federal, state or local taxes required by law to be withheld with respect to any Deferred Compensation credited to such Participant Accounts, whether or not such Deferred Compensation is otherwise currently payable to the Participant.
