WITNESSETH:

WHEREAS, the Stockholder has been awarded Shares (as defined below), and may in the future be awarded, or acquire through the exercise of options or otherwise, additional Shares;

WHEREAS, as of the date hereof, Parent owns all of the outstanding Shares that are not owned by the Stockholder; and

WHEREAS, the parties hereto wish to make provision relating to the ownership, voting and disposition by the Stockholder of the Shares owned by the Stockholder on the date hereof and from time to time hereafter.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereto agree as follows:

ARTICLE I

DEFINITIONS

SECTION 1.01. Definitions. As used in this Agreement, the following terms shall have the meanings ascribed to them below:

“Affiliate” of any Person shall mean any Person that, directly or indirectly through one or more intermediaries, controls, is controlled by or is under common control with such Person.

“Code” shall mean the Internal Revenue Code of 1986, as amended.

“Company Board” shall mean the Board of Directors of the Company.

“Compensation Committee” shall mean the Compensation Committee of the Board of Directors of Parent.

“Fair Market Value” shall mean, as of any date, the value of the Shares determined as follows:

(i) if the Shares are listed on any established stock exchange or a national market system, including without limitation The Nasdaq National Market or The

Nasdaq SmallCap Market of The Nasdaq Stock Market, their Fair Market Value shall be the mean between the high and low sale prices for the Shares (or the closing bid, if no sales were reported) as quoted on such exchange or system for the last market trading day prior to the time of determination, as reported in *The Wall Street Journal* or such other source as the Company Board deems reliable, or if the Shares are regularly quoted by a recognized securities dealer but selling prices are not reported, their Fair Market Value shall be the mean between the high bid and low asked prices for the Shares on the last market trading day prior to the day of determination; or

(ii) in the absence of an established market for the Shares, the aggregate Fair Market Value thereof shall be determined at least once a year on or before the first day of February and at such other times as may be deemed appropriate by the Compensation Committee in its sole discretion. As part of its determination, the Compensation Committee shall (1) obtain and consider a professional appraisal of the value of the Company from an investment bank or from another entity capable of preparing such valuation; and (2) use or cause to be used methodologies such as those used by Goldman Sachs in its 1997 valuation of the Company, including a multiple of earnings, present value of future cash flows or such other established methodologies that value comparable enterprises as going concerns. However, both the recommendation of the professional appraisal and the result of the application of such methodologies shall only be advisory to the Compensation Committee and not determinative of the value of the Company. The Compensation Committee shall have the right, in its sole discretion, to retain and make use of any advisory assistance it deems necessary or desirable in preparing the valuations of the Company, including, but not limited to, the right to appoint a new appraiser. The Fair Market Value of each Share shall be determined by dividing the aggregate Fair Market Value by the number of then-outstanding Shares plus the number of Shares reserved for issuance under and pursuant to the terms of the Company's stock option plans.

“Initial Public Offering” shall mean a bona fide underwritten public offering of Shares as a direct result of which at least 35 of the aggregate voting common equity securities of the Company (calculated on a fully diluted basis taking into account the number of Shares reserved for issuance under and pursuant to the terms of the Company's stock option plans) will be beneficially owned by Persons other than Parent and its Affiliates (including all directors, officers and employees of Parent and its Affiliates).

“Minority-Held Subsidiary” shall mean a corporation, that is not a Subsidiary of the Company, whether now or hereafter existing, in an unbroken chain of corporations beginning with the Company, in which each of the corporations in the chain other than the last corporation in the chain owns stock possessing 20% or more of the issued and outstanding stock in one of the other corporations in such chain.

“Minority-Held Subsidiary Employer” shall mean the Minority-Held Subsidiary with respect to which the Stockholder becomes an employee, director, or both, immediately following the Stockholder's termination of employment without “cause”

from the Company, from a Subsidiary Employer, or from a Minority-Held Subsidiary other than the Minority-Held Subsidiary Employer, as the case may be.

“Person” shall mean any individual, corporation (including any non-profit corporation), general or limited partnership, cooperative, limited liability company, joint venture, estate, trust, association, organization, labor union or other entity.

“Securities Act” shall mean the Securities Act of 1933, as amended, and all rules and regulations promulgated thereunder.

“Shares” shall, as the case may be, mean (i) shares of common stock, par value \$1.00 per share, of the Company, (ii) any other shares of capital stock of the Company and (iii) shares of any other capital stock or securities into which such shares of common stock or other shares of capital stock are reclassified or changed, including by reason of a merger, consolidation, share exchange, reorganization, recapitalization or similar transaction.

“Subsidiary” shall mean any “subsidiary corporation,” whether now or hereafter existing, as defined in Section 424(f) of the Code; provided, however, that 80% shall be substituted for 50% wherever 50% appears in such definition.

“Subsidiary Employer” shall mean the Subsidiary of the Company with respect to which the Stockholder becomes an employee, director, or both, immediately following the Stockholder’s termination of employment without “cause” from the Company, from a Subsidiary of the Company other than the Subsidiary Employer, or from a Minority-Held Subsidiary Employer, as the case may be.

## ARTICLE II

### TRANSFERS

SECTION 2.01. Restrictions on Transfers. The Stockholder shall not, directly or indirectly, offer, transfer, sell, assign, pledge, hypothecate or otherwise dispose of (collectively, “Transfer”) any Shares, or solicit any offers to purchase or otherwise acquire or take a pledge of any Shares, other than by will or by the laws of descent and distribution. The provisions of this Section 2.01 shall not apply to any transaction contemplated by Section 2.05 or Article III hereof.

SECTION 2.02. Legend. Each certificate representing Shares held by the Stockholder shall bear substantially the following legend:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS OF, AND IN PARTICULAR MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF UNLESS SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION IS EXPRESSLY PERMITTED BY, AND COMPLIES WITH THE PROVISIONS

OF, A STOCKHOLDERS AGREEMENT (THE “AGREEMENT”) (A COPY OF WHICH IS ON FILE WITH, AND MAY BE OBTAINED FROM, THE SECRETARY OF KAPLAN, INC. (TOGETHER WITH ITS SUCCESSORS, THE “COMPANY”). THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF THE AGREEMENT.

IN ADDITION TO THE FOREGOING, THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF UNLESS (A) SUCH DISPOSITION IS PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR (B) THE HOLDER HEREOF SHALL HAVE DELIVERED TO THE COMPANY AN OPINION OF COUNSEL, WHICH OPINION OF COUNSEL SHALL BE REASONABLY SATISFACTORY TO THE COMPANY, TO THE EFFECT THAT SUCH DISPOSITION IS EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES OR “BLUE SKY” LAWS.”

SECTION 2.03. Stop Transfers. The Stockholder agrees that, in order to ensure compliance with the restrictions referred to herein, the Company may issue appropriate “stop transfer” instructions to its transfer agent, if any, and that, if the Company transfers its own securities, it may make appropriate notations to the same effect in its own records. No Transfer of Shares in violation of this Agreement shall be made or recorded on the books of the Company and any such Transfer shall be void and of no effect.

SECTION 2.04. Transfers to the Company. Notwithstanding anything in this Agreement to the contrary, the Stockholder may at any time transfer all or a portion of his Shares to the Company (on the terms and conditions as may be agreed upon by the Stockholder and the Company) without complying with the provisions of this Article II.

SECTION 2.05. Repurchase Right Upon Termination of Employment. In the event that the Stockholder ceases to be employed by the Company, a Subsidiary Employer or a Minority-Held Subsidiary Employer (including by reason of death or disability), and at such time, the Stockholder (or his estate) holds Shares, the Company shall have the right for a period of 90 days following the effective date of any such termination of employment to repurchase all outstanding Shares held by the Stockholder (or his estate) for an amount equal to the then Fair Market Value of such Shares. The Company, in exercising its repurchase right, shall give the Stockholder (or his estate) written notice specifying (i) the number of Shares the Company is repurchasing and (ii) the Fair Market Value of such Shares (the “Repurchase Notice”). The Fair Market Value for purposes of the Company’s exercise of its repurchase right hereunder shall be the Fair Market Value of the Shares as of the date of the Repurchase Notice as determined in

good faith by the Compensation Committee. The purchase price for Shares repurchased by the Company shall be paid in cash.

### ARTICLE III

#### DRAG-ALONG RIGHTS; BRING-ALONG RIGHTS, REGISTRATION RIGHTS

SECTION 3.01. Drag-Along Right. (a) If Parent at any time proposes to sell or dispose of Shares representing more than 50% of the Shares then outstanding to any Person or Persons other than an Affiliate of Parent (such transferee Person or Persons are hereinafter referred to collectively as the “Drag-Along Purchasers”), Parent shall have the right (the “Drag-Along Right”) to require the Stockholder to sell or dispose to the Drag-Along Purchasers such number of outstanding Shares owned by the Stockholder determined in accordance with this Section 3.01 (a “Drag-Along Disposition Transaction”). Parent shall send a written notice (a “Drag-Along Notice”) to the Stockholder not less than 30 days prior to the date upon which such sale or disposition is scheduled to close. Each Drag-Along Notice shall (i) specify in reasonable detail all the terms and conditions upon which such sale or disposition is to occur and (ii) make reference to this Section 3.01 and state that the Stockholder is obligated to sell or dispose of its Drag-Along Shares (as defined below) pursuant to such sale.

(b) In connection with any Drag-Along Disposition Transaction, (i) the Stockholder shall be required to sell or dispose of the number of remaining Shares (the “Drag-Along Shares”), requested by Parent; provided, however, that the percentage of the total number of remaining Shares then owned by the Stockholder represented by such Drag-Along Shares shall be equal to the percentage of the total number of outstanding Shares then owned by Parent to be sold by Parent. Unless the Stockholder agrees otherwise, the Stockholder shall receive as consideration upon such sale or disposition for his Shares the same type of consideration and the same amount of consideration per share and on the same terms and conditions as are applicable to the Shares to be sold by Parent. The Stockholder shall agree to the same covenants, representations and warranties as Parent agrees to in connection with the proposed sale. To the extent the Stockholder is required to provide indemnification in connection with the Drag-Along Disposition Transaction, the monetary indemnification obligations of the Stockholder shall be limited to the fair market value of the cash, property and other assets received by the Stockholder in such Drag-Along Disposition Transaction; provided, however, that this limitation shall not apply in respect of any representations, warranties or covenants that are personal in nature to the Stockholder (e.g., title to Shares being transferred).

(c) Each of Parent and each Drag-Along Purchaser shall have the right, in its sole discretion, at all times prior to consummation of the proposed Drag-Along Disposition Transaction, to abandon or otherwise terminate such transaction, and neither Parent nor any Drag-Along Purchaser shall have any liability or obligation to the Stockholder with respect thereto by virtue of such

abandonment or termination; provided, however, that the Company shall promptly pay to the Stockholder his reasonable out-of-pocket costs and expenses (if any) incurred in connection with the transaction through the date of abandonment or termination thereof.

SECTION 3.02. Bring-Along Rights. (a) If the Company Board approves the sale of the Company to another entity (whether by a merger, consolidation, share exchange, reorganization, recapitalization or similar transaction) (an “Approved Sale”), then (i) the Stockholder shall not raise dissenter or appraisal rights with respect to the Approved Sale, and (ii) if the Approved Sale is structured as a sale of capital stock, the Stockholder shall sell all remaining Shares held by the Stockholder, on the terms and conditions approved by the Company Board. The Stockholder shall promptly take all actions as the Company Board shall deem necessary and appropriate in connection with the consummation of the Approved Sale. In the event of an Approved Sale, the Stockholder, unless he expressly (i.e. other than by operation of clause (i) of this Section 3.02(a)) agrees otherwise pursuant to the terms of the Approved Sale, shall receive as consideration upon such Approved Sale for his Shares the same type of consideration and the same amount of consideration per Share as shall be received by Parent in connection with such Approved Sale; provided, however, that in any Approved Sale to a Person who is not an Affiliate of Parent, Parent may retain 10% or less of the Shares held by Parent or receive a different type of consideration than the Stockholder in respect of 10% or less of the Shares held by Parent in circumstances the Company Board determines necessary for the Approved Sale to be accounted for in the manner requested by the purchaser of the Company in such Approved Sale.

(b) If the Company Board desires to consummate an Approved Sale, the Company Board shall provide a written notice to the Stockholder, which notice shall describe the proposed transaction in summary terms and, if the Approved Sale is structured as a sale of Shares, contain the price, terms and conditions of the sale of Shares by the Stockholder to the entity to which such Shares are to be sold. Upon not less than five business days’ request, the Stockholder shall enter into (i) a binding agreement with the entity to which such Shares are to be sold to sell to such entity all of his Shares, free and clear of all liens, charges, pledges, security interests and encumbrances and at the price and on the terms contained in said notice and (ii) any binding interseller agreement relating to such Approved Sale that the Company Board may approve, which agreements may provide for escrows, holdbacks, expense reimbursement and other purchase price reductions or deferrals that apply *pro rata* to all sellers. To the extent the Stockholder is required to provide indemnification in connection with any Approved Sale, the monetary indemnification obligations of the Stockholder shall be limited to the fair market value of the cash, property and other assets received by the Stockholder in the Approved Sale; provided, however, that this limitation shall not apply in respect of any representations, warranties or covenants that are personal in nature to the Stockholder (e.g., title to Shares being transferred).

(c) The Stockholder shall bear his *pro rata* share of the fees and expenses incurred by the Company and Parent in the Approved Sale.

SECTION 3.03. Piggyback Rights In the event of an Initial Public Offering, the Stockholder shall have the right to request registration of the Shares for sale in connection with an underwritten registered Initial Public Offering. However, the Company shall not be obligated to take any action to effect any registration of Stockholder's Shares if, at the time of the request, the managing underwriters advise the Company in good faith and in writing that such inclusion would adversely affect the underwriters' ability to market the shares included in the registration statement. If the Stockholder's Shares are not registered in connection with an Initial Public Offering due to advice from the managing underwriter of such shares, until such date as the Shares are registered, the Stockholder shall continue to have the right to put the Shares to the Company at the per share price of the publicly traded stock. Stockholder agrees to execute any customary agreements and certificates required by the underwriters in connection with any such underwritten registered initial public offering.

## ARTICLE IV

### VOTING; WAIVER OF RIGHTS

SECTION 4.01. Proxy; Voting. The Stockholder has, simultaneously with the execution of this Agreement, granted Parent a proxy to vote and provide consent with respect to the Stockholder's Shares as to all matters presented to the stockholders of the Company for voting or consent, including the election of directors, substantially in the form of Exhibit A attached hereto. If at any time such proxy shall not be in full force and effect for any reason other than termination of this Agreement pursuant to Section 6.14, the Stockholder shall vote or cause to be voted, and provide or cause to be provided consent with respect to, all Shares held of record by him or over which he has voting control, in each case as directed by Parent with respect to all matters presented to the stockholders of the Company for voting or consent.

SECTION 4.02. Management of the Business of the Company. The Stockholder (i) acknowledges and agrees that Parent, by virtue of its majority ownership of the capital stock of the Company, controls the management of the business and affairs of the Company (including with respect to any sale or initial public offering of the Company), (ii) acknowledges and agrees that Parent shall not be liable to the Stockholder for any action taken in connection with its management of the business and affairs of the Company and (iii) hereby irrevocably waives, to the fullest extent permitted by law, any and all rights, claims or remedies against Parent in respect of any duties (including fiduciary duties), whether in equity or at law (including any fiduciary duties that a majority stockholder may have to a minority stockholder), to the Stockholder, whether arising from Parent's and the Stockholder's ownership of capital stock of the Company or otherwise. The Stockholder acknowledges and agrees that Parent's practice has been to borrow money from the Company on a regular basis on terms previously disclosed to the Stockholder. Without limiting the generality of the foregoing, the Stockholder acknowledges and agrees that the Stockholder has no rights, claims, or remedies against Parent in respect of any duties (including fiduciary duties), whether in equity or at law

(including any fiduciary duties that a majority stockholder may have to a minority stockholder), to the extent that the Parent continues such practice.
