REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMTo the Member
of HAP Trading, LLC**Opinion on the Financial Statement**

We have audited the accompanying statement of financial condition of HAP Trading, LLC (the Company) as of December 31, 2022, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of HAP Trading, LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of HAP Trading, LLC's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to HAP Trading, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB. We have served as the Company's auditor since 2022.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

HAP Trading, LLC (the “Company”), a New York limited liability company is a broker-dealer registered with the Securities and Exchange Commission and is a member of NYSE (“NYSE-AMEX”), the Chicago Board Options Exchange (“CBOE”, “CBOE BXY”, “CBOE BZX”, and “CBOE EDGX”), CME Group (“CME IMM”), the Philadelphia Stock Exchange (“PHLX”), the NYSE-ARCA Exchange, and Nasdaq Exchanges (“NQX”, “ISE”, and “GMEX”).

The Company engages in market making on the NYSE-AMEX, CBOE, and BATS BZX. The company hedges its risk with equities, Exchange Traded Funds ("ETFs") and the related equity options and/or options on the ETFs and/or indices. The Company may also engage in various other proprietary trading strategies.

The Company is a wholly-owned subsidiary of HAP Capital Advisors LLC (the “Parent”).

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (“US GAAP”) which requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

All short-term investments with an original maturity of three months or less are considered to be cash equivalents.

Financial Instruments – Credit Losses

The Company accounts for estimated credit losses on financial assets measured at an amortized cost basis and certain off-balance sheet credit exposures in accordance with Accounting Standards Codification (“ASC”) 326-20, Financial Instruments – Credit Losses. ASC 326-20 requires the Company to estimate expected credit losses over the life of its financial assets and certain off-balance sheet exposures as of the reporting date based on relevant information about past events, current conditions, and reasonable and supportable forecasts.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Instruments Owned and Financial Instruments Sold, Not Yet Purchased

The Company's securities transactions are recorded on a trade date basis. All financial instruments are recorded in the statement of financial condition at fair value in accordance with ASC 820 – Fair Value Measurement and Disclosures (see Note 3).

The fair value of a derivative financial instrument is recorded as a derivative asset or derivative liability, respectively, prior to the exchange of related cash flows at contractually specified intervals. Derivative assets and derivative liabilities also include cash and cash collateral transferred to or from such counterparties. Options and warrants are included in securities owned or securities sold, not yet purchased, as applicable, on the statement of financial condition. Unrealized gains or losses on open futures, swaps, and related collateral are included in receivable from and payable to broker dealers and clearing organizations on the statement of financial condition.

Receivables from Broker Dealers and Clearing Organizations

The Company's receivables from broker-dealers and clearing organizations include amounts receivable from unsettled trades, including amounts related to futures and options on futures contracts, amounts receivable for securities failed to deliver, accrued interest receivables and cash deposits. The Company's trades and contracts are cleared through a clearing organization and settle daily between the clearing organization and the Company. Because of this daily settlement, the amount of unsettled credit exposures is limited to the amount owed the Company for a very short period of time. The Company continually reviews the credit quality of its counterparties.

Fixed Assets

Fixed assets are stated at cost less accumulated depreciation and amortization. Fixed assets consist primarily of computer equipment, software, furniture, and leasehold improvements. The cost of computer equipment, software, furniture, and leasehold improvements is depreciated over the estimated useful lives of the assets on a straight-line basis as outlined in the following table.

<u>Asset Type</u>	<u>Estimated Useful Life</u>
Computer Equipment	3 years
Software	3 years
Furniture	5 years
Leasehold Improvements	Lesser of useful life or lease term

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncements

The Company does not expect any recent accounting pronouncements to have any material impact on its financial condition or results of operations.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value is an estimate of the exit price, representing the amount that would be received, to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date). Fair value measurements are not adjusted for transaction cost. Fair value measurement under generally accepted accounting principles provides for use of a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value into three levels:

- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: Inputs other than quoted market prices that are observable, either directly or indirectly, and reasonably available. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the Company.
- Level 3: Unobservable inputs. Unobservable inputs reflect the assumptions that the Company develops based on available information about what market participants would use in valuing the asset or liability.

An asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Availability of observable inputs can vary and is affected by a variety of factors. The Company uses judgment in determining fair value of assets and liabilities and Level 3 assets and liabilities involve greater judgment than Level 1 and Level 2 assets or liabilities.

The Company values its positions based on the following principles and method of valuation:

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Equity securities listed on an exchange and are freely transferable are valued at their last sales price on such exchange on the date of valuation. To the extent these securities are actively traded, and valuation adjustments are not applied, they are categorized in Level 1 of the fair value hierarchy.

Exchange-traded derivatives, such as options and futures contracts, are typically classified within Level 1 or Level 2 of the fair value hierarchy depending on whether or not they are deemed to be actively traded. Swaps can either be observed or modeled using a series of techniques and model inputs from comparable benchmarks. The pricing models used by the Company do not entail significant judgment, and the pricing inputs are observed from actively quoted markets, thus swaps are categorized in Level 2 of the fair value hierarchy.

The following are the Company's financial instruments owned and financial instruments sold short by level within the fair value hierarchy on December 31, 2022.

	<u>Fair Value</u>	<u>Fair Value Hierarchy</u>
Assets		
Equity securities owned	\$ 1,333,907,165	Level 1
Equity options	521,834,260	Level 1
Liabilities		
Equity securities sold, not yet purchased	\$ 1,201,830,784	Level 1
Equity options	840,181,035	Level 1

At December 31, 2022, the Company had net unrealized gains on open futures contracts totaling \$7,976, which are Level 1, and are included within receivable from broker dealers and clearing organizations in the statement of financial condition. At December 31, 2022, the Company had net unrealized losses on open swap contracts totaling \$(151,087), which are Level 2, and are included within receivable from broker dealers and clearing organizations in the statement of financial condition. At December 31, 2022, the Company held no Level 3 investments.

NOTE 4 - INCOME TAXES

No provisions for federal and state income taxes are made in the financial statements as these taxes are the responsibility of the Company's member under a limited liability company.

In accordance with GAAP, the Company is required to determine whether its tax positions are more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. Generally, the Company is no longer subject to income tax examinations by major taxing authorities for the years before 2019. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authorities. Based on its analysis, the Company has determined that it has not incurred any liability for unrecognized tax benefits as of December 31, 2022.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

Operating Leases

The Company accounts for its leases in accordance with ASC 842, Leases. The Company has a lease agreement for office space expiring in 2026. The Company subsequently signed an amendment to its existing lease for additional office space that expires in 2031.

Remaining commitments under the operating lease are as follows:

<u>Years ending December 31,</u>	<u>Amount</u>
2023	\$ 2,286,260
2024	2,286,260
2025	2,286,260
2026	2,087,811
2027	1,659,008
Thereafter	<u>5,944,779</u>
Total	\$ 16,550,378
Less; imputed interest	<u>(3,677,918)</u>
Total lease liability - operating lease	<u>\$ 12,872,460</u>

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 5 - COMMITMENTS AND CONTINGENCIES (CONTINUED)

During 2022, the Company entered into an agreement to sublease a portion of its office space. The sublease commenced on February 1, 2022 with an abatement period of four months following the commencement date and shall expire on August 30, 2026. The rent receivable shall be a fixed amount of \$732,666 annually, prorated for partial year occupancy, plus additional rent for utilities and necessary services.

A restricted cash account in the amount of \$1,182,493 is maintained at a bank as a letter of credit for the security deposit on the lease.

Contingencies

In the normal course of business, the Company is subject to various regulatory inquiries that may result in claims from potential violations which may possibly involve sanctions and or fines. These matters are rigorously defended as they arise.

NOTE 6 – NET CAPITAL REQUIREMENTS

The Company is a member firm of the Chicago Board Options Exchange and is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. Net Capital is defined as at least, the greater of \$1,000,000 or 6 2/3% of aggregate indebtedness, as defined. Net Capital and aggregate indebtedness change daily. The Company had net capital of \$38,617,925 on December 31, 2022, which exceeded \$1,000,000 by \$37,617,925 and exceeded 6 2/3% of aggregate indebtedness by \$36,997,357. The ratio of aggregate indebtedness to net capital was 0.63 to 1 on December 31, 2022.

NOTE 7 – DERIVATIVE FINANCIAL INSTRUMENTS AND OTHER OFF-BALANCE SHEET RISKS

In the normal course of business, the Company trades various derivative financial instruments with off-balance sheet risk. The Company enters into derivative transactions for both trading and economic risk management purposes, resulting from its own business activities. These derivative transactions typically include equity options, options on ETFs and index options, coupled with futures and options on futures for ETFs and indices.

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 7 – DERIVATIVE FINANCIAL INSTRUMENTS AND OTHER OFF-BALANCE SHEET RISKS (CONTINUED)

In addition, the Company has sold securities and derivative contracts that it does not currently own and will therefore be obligated to purchase such securities at a future date. The Company has recorded these obligations in the financial statements on December 31, 2022 at fair value, and will incur a loss if the fair value of the securities and derivative contracts sold and not yet owned increases subsequent to December 31, 2022.

Generally, the Company hedges against the securities and derivative contracts sold and not yet owned, thus a loss in these positions may be offset by income attributable to the hedge.

Risk arises from the potential inability of counterparties to perform under the terms of the contracts (credit risk) and from changes in the values of the underlying financial instruments (market risk). The Company is subject to credit risk to the extent any broker with whom it conducts business is unable to fulfill contractual obligations on its behalf. The Company attempts to minimize its exposure to credit risk by monitoring brokers with which it conducts trading activities. In management's opinion, market risk is substantially diminished when all financial instruments are aggregated.

Clearing Agreements

The Company has a Joint Back Office ("JBO") clearing agreement with a clearing broker in which the Company will introduce all of its securities transactions to its sole clearing broker on a fully disclosed basis. Therefore, all of the Company's money balances and long and short security positions will be carried on the books of the clearing broker. Under certain conditions as defined in the clearance agreement, the Company has agreed to indemnify the clearing broker for losses, if any, which the clearing broker may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing broker monitor collateral on the securities transactions introduced by the Company. The Company has invested \$50,000 in the preferred shares of its clearing broker and is included within other assets in the statement of financial condition.

NOTE 8 – EMPLOYEE BENEFIT PLAN

The Company has a 401(k) retirement plan covering substantially all employees. Full time employees who meet the service period are eligible to participate in the plan. The Company makes a matching contribution on an individual basis, equal to 100% of the contributions made by the participants to the plan, not to exceed 6.67% of the employee's total annual compensation capped at the annual deferral limit as defined.

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 9 – RELATED PARTY TRANSACTIONS

Services Agreement with Parent

The Company has an agreement with the Parent for administrative, financial and technology services to be charged on a monthly basis based on costs incurred. The agreement may be terminated without cause or further obligation by the Company with 30 days written notice. The amount payable as of December 31, 2022 was \$258,991 and is included within due to related parties in the statement of financial condition.

Revolving Note Payable to Member

On May 1, 2022, the Company entered into a revolving note agreement with the Parent with \$10,000,000 available for borrowing. On August 1, 2022, the revolving note agreement was amended to increase the amount available for borrowing to \$20,000,000. The note bears interest at a rate equal to the applicable federal rate (2% during the year ended December 31, 2022) payable no less than annually. The note expires on May 1, 2024, at which point the outstanding principal is payable in full. At December 31, 2022, the outstanding balance and interest payable on the note were \$15,941,000 and \$144,628, respectively, and are included within notes payable to member and due to related parties, respectively, in the statement of financial condition.

NOTE 10 – FIXED ASSETS

Major classifications of fixed assets as of December 31, 2022 are summarized as follows:

Category	Estimated Useful Life	Amount
Computer equipment	3 Years	\$ 3,657,415
Software	3 Years	25,382
Furniture	5 Years	1,024,225
Leasehold improvements	Lesser of useful life or lease term	3,419,649
Total		\$ 8,126,671
Less; accumulated depreciation		(3,840,855)
Fixed assets, net of accumulated depreciation		<u>\$ 4,285,816</u>

HAP TRADING, LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2022

NOTE 11 – GUARANTEES

Accounting Standards Codification Topic 460 (“ASC 460”), Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity’s failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.

NOTE 12 – CONCENTRATION OF CREDIT RISK

At December 31, 2022, significant credit concentration consisted of approximately \$74 million and \$7 million, respectively, representing the fair value of the Company’s trading accounts carried by two of its clearing brokers. Management does not consider any credit risk associated with this receivable to be significant. At December 31, 2022, the Company had a cash balance at one bank that exceeded federally insured limits by approximately \$722,000. Management believes the Company is not exposed to any significant credit risk on cash.

NOTE 13 – SUBSEQUENT EVENTS

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2022, and through February 22, 2023, the date that the financial statements were available to be issued. There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2022.
