Form 40-F for the Fiscal Year Ended January 31, 2010  
Filed April 30, 2010  
File No. 0-29970**

Dear Mr. Pagan:

We have limited our review of your filing to your contacts with countries that have been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note the disclosure on pages 16-17 of Exhibit 99.1 that you conduct business in the Middle East, Africa, and Latin America, regions that are generally understood to include Iran, Syria, Sudan, and Cuba. It also appears from the Global Trade Compliance section of your website that you offer customers solutions that provide information on various trade compliance regulations, including those of Cuba. Cuba, Iran, Sudan, and Syria are countries that are identified by the State Department as state sponsors of terrorism, and are subject to U.S. economic sanctions and export controls. We note that your Form 40-F does not include disclosure regarding contacts with Cuba, Iran, Sudan, and Syria.

Please describe to us the nature and extent of your past, current, and anticipated contacts with Cuba, Iran, Sudan, and Syria, if any, whether through subsidiaries, distributors, resellers, or other direct or indirect arrangements. Your response should describe any goods, services, technology, or information that you have provided into Cuba, Iran, Sudan, and Syria, directly or indirectly, and any agreements, commercial

arrangements, or other contacts you have had with the governments of those countries or entities controlled by those governments.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.
