1. We note your response to comment four. Addressing ASC 205-20-15-2, tell us in more detail how you concluded that the Divestiture Markets do not constitute a component. Also, addressing ASC 360-10-20, tell us what is the lowest level asset group for which identifiable cash flows are largely independent of the cash flows of other groups of assets and liabilities.

2013 Estimates, page 25

2. We note in footnote (1) that the estimates reflect the impacts of selling Apple products. However, footnote (4) states that Adjusted Revenues exclude US Cellular Equipment sales revenues, presumably Apple product revenues. Please reconcile these inconsistencies.
