This statement is furnished in connection with the solicitation of proxies to be used by the Board of Directors of Heritage Commerce Corp (“Commerce Corp”) at the Annual Meeting of Shareholders of Commerce Corp to be held at Commerce Corp’s offices, 150 Almaden Boulevard, San Jose, California, on May 27, 2004, at 9:30 a.m., and at any adjournments or postponements thereof (the “Meeting”).

This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about April 7, 2004.

A form of proxy for voting your shares at the Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by filing with the Corporate Secretary of Commerce Corp, an instrument revoking said proxy or a duly executed proxy bearing a later date. In addition, the powers of the proxyholders will be revoked if the person executing the proxy is present at the Meeting and advises the Chairman of his or her election to vote in person. Unless revoked, all shares represented by a properly executed proxy received prior to the Meeting will be voted as specified by each shareholder in the proxy. If no specifications are given by a shareholder, then the proxy will be voted in favor of election of nominees specified, in favor of the approval of the Stock Option Plan, the ratification of the Board’s selection of independent accountants, and in the discretion of the Board, on such other business as may properly come before the Meeting as described below.

The proxy also confers discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed which may properly be presented for action at the Meeting and may include: action with respect to procedural matters pertaining to the conduct of the Meeting and election of any person to any office for which a bona fide nominee is named herein, if such nominee is unable to serve or for good cause will not serve.

The enclosed proxy is being solicited by Commerce Corp’s Board of Directors and the cost of the solicitation is being borne by Commerce Corp. The principal solicitation of proxies is being made by mail, although additional solicitation may be made by telephone, email, facsimile or personal visits by directors, officers and employees of Commerce Corp and its subsidiary bank.

PURPOSE OF THE MEETING

The Meeting is being held for the following purposes:

1. To elect four directors to serve a three-year term as Class III directors until the annual meeting of shareholders of 2007 and until their successors shall be elected and qualified.
2. To approve the Heritage Commerce Corp 2004 Stock Option Plan for grants of stock options to officers, employees and directors of Commerce Corp.
3. To ratify the Audit Committee's selection of Deloitte & Touche LLP, independent certified public accountants, to serve as Commerce Corp's auditors for the fiscal year ending December 31, 2004.
4. To consider and transact such other business as may properly be brought before the meeting.

VOTING SECURITIES

Shareholders of record as of the close of business on April 1, 2004 ("Record Date") will be entitled to notice of and to vote at the Meeting. As of April 1, 2004, Commerce Corp had 11,495,008 shares of common stock outstanding. Each shareholder of record is entitled to one vote, in person or by proxy, for each share held on all matters to come before the meeting.

In the election of directors, the four candidates receiving the highest number of votes will be elected. Approval of the Heritage Commerce Corp 2004 Stock Option Plan requires the affirmative vote of a majority of all shares represented and voting at the Meeting. Ratification of the selection of Deloitte & Touche LLP as Commerce Corp's auditors also requires the affirmative vote of a majority of all shares represented and voting at the Meeting. Broker non-votes (i.e., shares held by brokers or nominees which are represented at the meeting but with respect to which the broker or nominee is not authorized to vote on a particular proposal) and abstentions will not be counted, except for quorum purposes, and will have no effect on the election of directors. In determining whether the requisite shareholder approval has been received for approval of the Stock Option Plan and for ratification of the selection of Commerce Corp's auditors, if the number of shares voted in favor of approval or ratification constitutes a majority of the required quorum, broker non-votes and abstentions will have no effect on the matter. However, if the number of shares voted in favor of approval of the Stock Option Plan or ratification of the selection of auditors does not constitute a majority of the required quorum, broker non-votes and abstentions will have the same effect as a vote against the matter.

From July 1984 to February 1986, Ms. Dury was Chief Financial Officer of QRONOS Technology, Inc. From 1972 to 1978, Ms. Dury was associated with Bank of America and worked on matters involving multicurrency,

Eurocurrency and domestic credits and export financing. From March of 1980 to March of 1983, Ms. Dury was assistant treasurer at Apple Computer, Inc. responsible for cash management, bank relations, foreign exchange and insurance matters.

Therefore, the Board has determined that Ms. Anneke Dury meets the definition of “audit committee financial expert” under the rules of the SEC and is “financially sophisticated” under Nasdaq rules. The determination is based on Ms. Dury’s 25 years of experience as a financial consultant to the finance and banking industry. The designation of a person as an audit committee financial expert does not result in the person being deemed an expert for any purpose, including under Section 11 of the Securities Act of 1933. The designation does not impose on the person any duties, obligations or liability greater than those imposed on any other audit committee member or any other director and does not affect the duties, obligations or liability of any other member of the audit committee or board of directors.

In the opinion of management of Commerce Corp and the Bank, all loans and commitments to lend included in such transactions were made in the ordinary course of business on the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness, and do not involve more than the normal risk of collectability or present other unfavorable features. Loans to individual directors and officers must comply with the Bank's lending policies and statutory lending limits. In addition, prior approval of the Bank's Board of Directors is required for all such loans.

- (2) Amounts include an automobile allowance pursuant to the terms of each executive officer's employment, payments for unused vacation and insurance benefits.
- (3) Commerce Corp pays the cost of premiums on life insurance policies insuring all employees, including executive officers, for coverage of approximately two times their annual salaries. The incremental cost to Commerce Corp of providing such benefits to each executive officer named above did not, for the fiscal year ended December 31, 2003, exceed ten percent of the compensation paid to such officer.

STOCK OPTION PLAN

In 1994 the Board of Directors adopted the Heritage Bank of Commerce 1994 Tandem Stock Option Plan (the "1994 Plan") in order to promote the long-term success of the Bank and the creation of shareholder value. In 1998 the 1994 Plan was restated and adopted by Commerce Corp as the successor corporation to Heritage Bank of Commerce. The 1994 Plan authorizes Commerce Corp to grant stock options to officers, employees and directors of Commerce Corp and its affiliates. There were no options granted in 2003 to executive officers named in the Summary Compensation Table.

The 1994 Plan will expire on June 8, 2004. As a result, the Board of Directors has adopted the Heritage Commerce Corp 2004 Stock Option Plan, subject to shareholder approval of the 2004 Plan. See "Proposal 2 – Approval of Heritage Commerce Corp 2004 Stock Option Plan" beginning on page 27.

401(k) Plan

The Board of Directors has established an employee benefit plan under Section 401(k) of the Internal Revenue Code of 1986. The purpose of the 401(k) plan is to encourage employees to save for retirement. Eligible employees may make contributions to the plan subject to the limitations of Section 401(k) of the Internal Revenue Code as amended. The Plan trustees administer the Plan. Commerce Corp matches the first \$1,500 of each employee's contributions.

Employee Stock Ownership Plan

In 1997, Heritage Bank of Commerce initiated an employee stock ownership plan ("Stock Ownership Plan"). The Stock Ownership Plan was subsequently adopted by Commerce Corp as the successor corporation to Heritage Bank of Commerce. The Stock Ownership Plan allows Commerce Corp, at its option, to purchase shares of Commerce Corp Common Stock on the open market and award those shares to certain employees. To be eligible to receive an award of shares under the Stock Ownership Plan, an employee must have worked at least 1,000 hours during the year and must be employed by Commerce Corp on December 31. Awards under the Stock Ownership Plan generally vest over four years. During 2003, Commerce Corp contributed \$397,000 to the Stock Ownership Plan, with contributions to Brad L. Smith, Richard L. Conniff, Kenneth A. Corsello, Philip L. Griffin and Lawrence D. McGovern totaling \$5,500, \$5,000, \$3,700, \$3,700 and \$3,900, respectively. These amounts are included in the Summary Compensation Table in the column entitled "Bonus."

Smith, Chief Executive Officer of Commerce Corp, is employed under the terms of a written three-year employment contract dated August 20, 2001 which provides for the following as of December 31, 2003: base salary of \$220,000 per year; bonuses paid based upon the performance of Commerce Corp, awarded in the sole discretion of the Board of Directors; a car allowance; insurance; and severance compensation benefits in the event Commerce Corp terminates Mr. Smith's employment without cause.

Philip L. Griffin, Commerce Corp's Executive Vice President and Chief Information Officer, is employed under the terms of a written employment offer letter dated September 11, 2000 which provides for the following as of December 31, 2003: base salary of \$147,000 per year; bonuses paid based upon the performance of Commerce Corp, awarded in the

sole discretion of the Board of Directors; insurance; and severance compensation benefits in the event Commerce Corp terminates Mr. Griffin's employment without cause.

Lawrence D. McGovern, Commerce Corp's Executive Vice President and Chief Financial Officer, is employed under the terms of a written three-year employment contract dated July 16, 1998 which is renewable annually and provides for the following as of December 31, 2003: base salary of \$156,000 per year; bonuses paid based upon the performance of Commerce Corp, awarded in the sole discretion of the Board of Directors; a car allowance; insurance; and severance compensation benefits in the event Commerce Corp terminates Mr. McGovern's employment without cause.

Supplementary Retirement Plan for Directors, Including Executive Officers

Commerce Corp has a supplemental retirement plan (the "Plan") covering key executives and directors. The Plan is a nonqualified defined benefit plan and is unsecured and unfunded and there are no Plan assets. Commerce Corp has purchased insurance on the lives of the directors and executive officers who participate in the Plan and intends to use the cash values of those policies (\$25,273,000 and \$23,898,000 at December 31, 2003 and 2002, respectively) to pay the retirement obligations that accrue pursuant to the plan. Commerce Corp's total accrued pension obligation was \$4,129,000 and \$3,475,000 as of December 31, 2003 and 2002, respectively. The formula by which benefits are determined for the executive officers and directors who participate in the Plan is based on a combination of the individual's position within Commerce Corp, their age at the time when their retirement benefits become fully vested, and the amount of their benefits available under a previous non-qualified defined contribution plan. The estimated annual benefits payable upon retirement at normal retirement age for Richard L. Conniff, Kenneth A. Corsello, Philip L. Griffin, Lawrence D. McGovern, and Brad L. Smith are \$100,000, \$48,000, \$70,000, \$68,000, and \$125,000, respectively. The death benefit for participants in the Plan is an endorsement to the individual's beneficiaries of 80% of the net-at-risk insurance amount (i.e., the amount of the death benefit in excess of cash value of the underlying insurance policy).

Director Fees and Director Fee Deferral Plan

During 2003, Commerce Corp paid retainers and fees to non-employee directors. In January 2003, the Board changed its compensation to non-employee directors to bring it more in line with that of comparable banking institutions. Beginning in January 2003, non-employee directors were paid a monthly retainer of \$2,000 and \$500 for each Board committee meeting attended. Total fees paid to non-employee directors in 2003 were \$398,000.

An option of the director compensation program is the deferral of fees ("Deferral Plan"). Under the Deferral Plan, a participating director may defer up to 100% of his or her board fees into the Deferral Plan for up to ten years from the date of the first deferral. Amounts deferred earn interest at the rate of 8% per annum. The director may elect a distribution schedule of up to

ten years, with interest accruing (at the same 8%) on the declining balance. A participating director is eligible to begin receiving benefits upon retirement.

Commerce Corp has purchased life insurance policies on the lives of directors who participate in the Deferral Plan. It is expected that the earnings on these policies will offset the cost of the program. In addition, Commerce Corp will receive death benefit payments upon the death of the director. The proceeds will permit Commerce Corp to “complete” the Deferral Plan as the director originally intended if the director dies prior to the completion of the Deferral Plan. The disbursement of deferred fees is accelerated at death and commences one month after the director dies.

In the event of the director’s disability prior to attainment of his benefit eligibility date, the director may request that the Board permit him to receive an immediate disability benefit equal to the annualized value of the director’s deferral account.

To date, two of the directors are currently deferring their fees. For the years 2001, 2002 and 2003, Commerce Corp accrued expenses of \$73,000, \$54,000 and \$75,000, respectively, to account for its obligation to pay deferred fees.

Compensation Committee Report

The Compensation and Benefits Committee, in accordance with applicable requirements, has provided the following report to the Board of Directors of Commerce Corp.

Report on Senior Executive Compensation By the Compensation and Benefits Committee of the Board of Directors

The Report of the Compensation and Benefits Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Commerce Corp specifically incorporates the information contained in the report by reference, and shall not otherwise be deemed filed under such acts.

Commerce Corp’s general compensation strategy for senior executive officers is to pay annual and long term compensation which is competitive with executives in similar positions at peer group companies, taking into appropriate account Commerce Corp’s overall financial condition and its performance relative to companies in similar circumstances. In determining compensation levels, Commerce Corp obtains salary survey information regarding executive salary levels for comparable companies through many sources, including banking industry associates and independent compensation consultants. Additionally, Commerce Corp ties incentive compensation levels to financial performance goals of Commerce Corp.

The compensation policy of Commerce Corp is designed to attract and retain highly qualified personnel and to provide meaningful incentives for measurable performance. The components of executive compensation include base salary, an incentive bonus plan, non-plan bonuses, stock options and a supplemental executive retirement plan.

Commerce Corp's senior executive compensation, including that of the Chief Executive Officer, is determined by the Compensation and Benefits Committee of the Board of Directors and by the Board itself, at the recommendation of the Compensation and Benefits Committee. The Committee meets a minimum of four times per year. Salaries and other compensation are reviewed annually. Any significant increases or other changes to compensation or benefits are approved by the Board of Directors, at the recommendation of the Compensation and Benefits Committee. Incentive bonus awards are determined by the Committee in January or February and recommended to the full Board for immediate action. Compensation for a newly hired executive may be established by the Committee at a special meeting.

In its discretion, Commerce Corp pays annual incentive bonuses to its senior executives after receiving a recommendation to do so by the Compensation and Benefits Committee of the Board. The decision to pay, and the amount of payment, is based upon an assessment of the institution's performance in the context of certain pre-determined performance standards and with reference to the executive's base wages, as well as to peer group patterns.

PROPOSAL 2

APPROVAL OF HERITAGE COMMERCE CORP 2004 STOCK OPTION PLAN

In 1994 the Board of Directors of Heritage Bank of Commerce adopted the Heritage Bank of Commerce 1994 Tandem Stock Option Plan ("1994 Plan"). In 1998, following the organization of Commerce Corp as the holding company for Heritage Bank of Commerce, the 1994 Plan was restated and adopted by Commerce Corp as the successor corporation to Heritage Bank of Commerce. The 1994 Plan will expire on June 8, 2004. It is anticipated that when the 1994 Plan expires on June 8, 2004 approximately 1,439,000 of unexercised stock options, including options available for future grants, issued pursuant to the 1994 Plan, equal to approximately 12.5 percent of the total number of shares of Commerce Corp common stock currently outstanding, will remain outstanding. A total of approximately 165,000 shares remain available for grants of options under the 1994 Plan. See "Equity Compensation Plan Information" on page 20 for further information.

To replace the 1994 Plan, the Board of Directors of Commerce Corp has adopted the Heritage Commerce Corp 2004 Stock Option Plan ("2004 Plan"), subject to shareholder approval of the 2004 Plan. The purpose of the 2004 Plan is to promote the long-term success of Commerce Corp and the creation of shareholder value. The Board of Directors believes that the availability of stock options will be a key factor in the ability of Commerce Corp to attract and retain qualified individuals to serve as directors, officers and employees. A copy of the 2004 Plan is attached as Exhibit C to this Proxy Statement. The following discussion is qualified in its entirety by reference to the text of the 2004 Plan.

The 2004 Plan authorizes Commerce Corp to grant options that qualify as incentive stock options (“ISO”) under the Internal Revenue Code of 1986 and nonqualified stock options (“NSOs”) to officers and employees of Commerce Corp and its affiliated companies. Nonemployee directors and consultants are only eligible to receive NSOs.

The 2004 Plan sets aside 300,000 authorized, but unissued, shares of Commerce Corp’s Common Stock (“Shares”) for grant at an amount per share equal to not less than the fair market value of Commerce Corp’s Common Stock on the date each option is granted. As of March 31, 2004, the closing sales price of Commerce Corp’s Common Stock was \$12.97 per share. If an ISO is granted to an officer or employee of Commerce Corp who, at the time of the grant, owns more than 10 percent of Commerce Corp’s Common Stock, the exercise price of the options must be not less than 110 percent of the fair market value of Commerce Corp’s Common Stock at the time the option is granted. To the extent that the aggregate fair market value of stock with respect to which ISOs are exercisable for the first time by any individual during any calendar year exceeds \$100,000, such options will be treated as NSOs. The 300,000 authorized under the 2004 Plan are equal to approximately 2.6 percent of the total number of shares of Commerce Corp common stock currently outstanding.

Upon receipt of cash (or, with the consent of the Board of Directors, common stock already owned by the optionee) which equals the total consideration for the exercise of a stock option, share certificates will be issued to the exercising optionee. Upon approval by the Board of Directors options may also be exercised through a broker-dealer selected by the optionee in a “cashless exercise” procedure. Options will expire as specified in the 2004 Plan, or on such date as the Board of Directors may determine at the time Commerce Corp grants the option; provided, however, an option may not have a term in excess of ten years. All options granted pursuant to the 2004 Plan become exercisable in full (i) for a period of 12 months in the event of the termination of the employee’s or nonemployee director’s service because of death or permanent disability, or (ii) for a period of at least 30 days in the event of a change in control with respect to Commerce Corp.

The Board of Directors may amend, suspend or terminate the 2004 Plan at any time and for any reason, except that an amendment of the 2004 Plan is subject to shareholder approval to the extent required by law, regulation or rule. The Board of Directors may not amend the 2004 Plan to increase the number of shares available for grants of options without shareholder approval.

Unless the Board of Directors terminates the 2004 Plan earlier, the 2004 Plan will terminate on February 5, 2014. Commerce Corp may not grant any options under the 2004 Plan after the termination date, but termination will not affect any option previously granted by Commerce Corp.

The 2004 Plan will be administered by the Board of Directors. The Board will have the authority to construe and interpret the 2004 Plan; define the terms used therein; prescribe, amend and rescind rules and regulations related to administration of the 2004 Plan; select from the eligible class of individuals the persons to whom and the times at which options should be granted, the terms of stock option agreements and the number of shares subject to each option; and make all other determinations necessary or advisable for administration of the 2004

Plan. Also, the Board may adopt such rules or guidelines as it deems appropriate to implement the 2004 Plan. The determinations of the Board of Directors under the 2004 Plan will be final and binding on all persons.

Neither the optionee nor Commerce Corp will incur any federal tax consequences as a result of the grant of an option. The optionee will have no taxable income upon exercising an ISO (except that the alternative minimum tax may apply), and Commerce Corp will receive no deduction when an ISO is exercised. Upon exercising an NSO, the optionee generally must recognize ordinary income equal to the “spread” between the exercise price and the fair market value of Commerce Corp’s Common Stock on the date of exercise; Commerce Corp will be entitled to a business expense deduction for the same amount. In the case of an employee, the option spread at the time an NSO is exercised is subject to income tax withholding, but the optionee generally may elect to satisfy the withholding tax obligation by having shares of Common Stock withheld from those purchased under the NSO. The tax treatment of a disposition of option shares acquired under the 2004 Plan depends on how long the shares have been held and on whether such shares were acquired by exercising an ISO or by exercising an NSO. Commerce Corp will not be entitled to a deduction in connection with a disposition of option shares, except in the case of a disposition of shares acquired under an ISO before the applicable ISO holding period has been satisfied. No options have been granted subject to shareholder approval of the 2004 Plan.

On March 31, 2004, the Financial Accounting Standards Board released a formal proposal, entitled *Share-Based Payment, an Amendment of FASB Statements No. 123 and 95*, to revise generally accepted accounting principles by requiring that a company record an expense for accounting purposes equal to the value at the time of grant of each option that it grants. The comment period for the exposure draft ends June 30, 2004. At present the grant of an option has no effect on a company's net income or loss under GAAP, although in-the-money options are considered outstanding in the calculation of diluted earnings per share and the expense relating to certain options must be disclosed in the footnotes to the financial statements. Factors to be taken into account under the proposal when determining the value of an option when it is granted are: the exercise price of the option; the expected term of the option; the current price of the underlying share; the expected volatility of the price of the underlying share; the expected dividends on the underlying share; and the risk-free interest rate(s) for the expected term of the option. At present Commerce Corp is unable to determine with any certainty the effect this proposal, if adopted, would have on the reported earnings of Commerce Corp or whether adoption of the proposal might cause Commerce Corp to grant fewer options in the future than it would have granted if the proposal is not adopted.

PROPOSAL 3

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

At the 2004 Annual Meeting of Shareholders, the following resolution will be subject to ratification by a simple majority vote of the shares represented at the meeting:

RESOLVED, that the selection of Deloitte & Touche LLP as the independent certified public accountants of Heritage Commerce Corp for the fiscal year ending December 31, 2004 is hereby ratified.

If ratification is not achieved, the selection of an independent certified public accountant will be reconsidered and made by the Audit Committee. Even if the selection is ratified, the Audit Committee reserves the right and, in its discretion, may direct the appointment of any other independent certified public accounting firm at any time if the Audit Committee decides that such a change would be in the best interests of the Corporation and its shareholders.

The services provided by Deloitte & Touche LLP include the examination and reporting of the financial status of Commerce Corp. These services have been furnished at customary rates and terms. There are no existing direct or indirect agreements or understandings that fix a limit on current or future fees for these audit services.

A representative of Deloitte & Touche LLP is expected to attend the 2004 Annual Meeting of Shareholders. The representative will have the opportunity to make a statement, if he or she desires, and is expected to be available to respond to appropriate shareholder inquiries.

Audit Committee Report

In accordance with its written charter adopted by Heritage Commerce Corp's Board of Directors (Board), the Heritage Commerce Corp Audit Committee (Committee) assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of Commerce Corp. During fiscal 2003 the Committee met three times, and the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with the CFO, controller and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and Commerce Corp that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors

the quality and adequacy of Commerce Corp's internal controls and the internal audit functions, organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the audited financial statements of Commerce Corp as of and for fiscal year ended December 31, 2003 with management and the independent auditors. Management has the responsibility for the preparation of Commerce Corp's financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussion with management and the independent auditors, the Committee recommended to the Board that Commerce Corp's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of the independent auditors and the Board concurred in such recommendation.

EXECUTIVE AND PRINCIPAL FINANCIAL OFFICERS CODE OF ETHICS as adopted by the Boards of Directors of Heritage Commerce Corp and Heritage Bank of Commerce on March 31, 2004

Introduction

The SEC has adopted Item 406 of Regulation S-K, implementing Section 406(a) of the Sarbanes Oxley Act of 2002. These provisions require companies subject to SEC reporting requirements to disclose whether or not they have adopted a code of ethics to be applied to Commerce Corp's principal executive officers, principal financial officer, principal accounting officer or controller, or persons performing similar functions ("Principal Financial Officers"). This Code of Ethics is adopted in response to these provisions.

I. GENERAL POLICY STATEMENT

It is the policy of Commerce Corp that Commerce Corp's Principal Financial Officers conduct business in accordance with the highest ethical standards in order to merit and maintain the complete confidence and trust of its customers, shareholders, regulators and the public in general. Principal Financial Officers must conduct their personal affairs and manage their business transactions in a manner which does not result in adverse comments or criticism from the public or in any way that damages Commerce Corp's reputation as a responsible financial services organization.

This Code of Ethics for Principal Financial Officers is intended to supplement the requirements in the Heritage Commerce Corp's Professional Code of Ethics that is applicable to all officers and employees of Commerce Corp.

II. CODE OF ETHICS

A. Honest and Ethical Conduct. It is the policy of Commerce Corp for all Principal Financial Officers to act in an honest and ethical manner, including the handling of actual or apparent conflict of interest between personal and professional relationships. Commerce Corp expects its Principal Financial Officers to use good judgment and high ethical standards and to refrain from any form of illegal, dishonest or unethical conduct. Additionally, Principal Financial Officers may not personally, or cause anyone else to, influence, coerce, manipulate or mislead any accountant engaged in preparing an audit for Commerce Corp or its subsidiary Bank. You may not compete with Commerce Corp and may never let business dealings on behalf of Commerce Corp be influenced - or even appear to be influenced - by personal or family interests.

B. Full, Fair, Accurate, Timely and Understandable Disclosure. It is the policy of Commerce Corp that Principal Financial Officers provides shareholders and financial markets with full, fair, accurate, timely and understandable disclosure in reports and documents that Commerce Corp files with, or submits

to the Securities Exchange Commission and other public communications. Commerce Corp realizes that only through such disclosure can shareholders truly analyze the credibility of Commerce Corp and its subsidiary Bank.

C. Compliance with Applicable Governmental Laws, Rules and Regulations. Principal Financial Officers must fully comply with the spirit and intent of all applicable laws, regulations and corporate governance standards of all markets on which or through which Commerce Corp's securities may be traded.

D. Internal Reporting of Code Violations. Commerce Corp and its subsidiary Bank are committed to establishing procedures that will permit the receipt, retention and treatment of complaints received by Commerce Corp regarding violations of this Code. The Principal Financial Officers will proactively promote both ethical behavior and compliance with this Code of Ethics. Principal Financial Officers should report violations of laws, rules, regulations or this Code to the Audit Committee. Commerce Corp and its subsidiary Bank will not permit retaliation against any employee for reports of breaches of this Code made in good faith. An anonymous complaint can be made by email to Audit.Chairman@herbank.com or in writing to Mr. Humphrey Polanen, Chairman of the Audit Committee, Heritage Commerce Corp, 150 Almaden Blvd., San Jose, California 95113.

B. Waivers: The full Audit Committee has to authorize any waivers via prior written consent, for subsequent acceptance by the Board of Directors. Any waiver must be promptly disclosed to shareholders via a Form 8-K, or in 10-K statement.

comply with any applicable laws, including the rules under Rule 16b-3 relating to the disinterested administration of employee benefit plans under which Section 16(b) exempt discretionary grants and awards of equity securities are to be made. From time to time the Board may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause) and appoint new members in substitution therefore, fill vacancies, however caused, and remove all members of the Committee and thereafter directly administer the Plan, all to the extent permitted by the Applicable Laws.

(iv) **Compliance with Section 162(m).** If, at any time, awards made under the Plan shall be subject to Section 162(m) of the Code, the Plan shall be administered by a committee comprised solely of “outside directors” (within the meaning of Treas. (i) to determine the Fair Market Value of the Common Stock in accordance with Section 2(l) of the Plan;

(ii) to select the Directors, Consultants and Employees to whom Options may from time to time be granted hereunder;

(iii) to determine whether and to what extent Options are granted hereunder;

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Optionees and any other holders of any Options.

5. Eligibility.

(a) Nonstatutory Stock Options may be granted to Directors, Employees and Consultants. Incentive Stock Options may be granted only to Employees. A Director, Employee or Consultant who has been granted an Option may, if otherwise eligible, be granted additional Options.

(b) Each Option shall be designated in the written option agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of Commerce Corp) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 5(b), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(c) Neither the Plan nor any Option shall confer upon any Optionee any right with respect to continuation of his or her employment or consulting relationship with Commerce Corp, nor shall it interfere in any way with his or her right or Commerce Corp's right to terminate his or her employment or consulting relationship at any time, with or without cause.

6. Term of Plan.

The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of Commerce Corp, as described in Section 17 of the Plan. It shall continue in effect for a term of ten years unless sooner terminated under Section 13 of the Plan.

In the case of an Incentive Stock Option granted to an Optionee who, at the time the Option is granted, owns stock representing more than ten percent of the voting power of all classes of

stock of Commerce Corp, the term of the Option shall be five years from the date of grant thereof or such shorter term as may be provided in the Option Agreement.

8. Option Exercise Price and Consideration.

(a) The per share exercise price for the Shares to be issued upon exercise of any Option shall be such price as is determined by the Administrator, but shall be subject to the following:

(i) In the case of an Incentive Stock Option

(A) granted to an Employee who, at the time of grant of such Option, owns stock representing more than ten percent of the voting power of all classes of stock of Commerce Corp, the per Share exercise price shall be no less than 110 percent of the Fair Market Value per Share on the date of grant.

(B) granted to any other Employee, the per Share exercise price shall be no less than 100 percent of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option granted to any person, the per Share exercise price shall be no less than 100 percent of the Fair Market Value per Share on the date of grant.

(b) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). Such consideration may consist of (i) cash, (ii) check or (iii) any combination of those methods of payment. In addition, if there is a public market for the Shares, the Administrator may allow the Optionee to elect to pay the exercise price through either of the following procedures:

(i) A special sale and remittance procedure under which the Optionee provides irrevocable written instructions to a designated brokerage firm to effect the immediate sale of a portion of the purchased Shares and remit to Commerce Corp, out of the sale proceeds available on the settlement date, an amount sufficient to cover the aggregate option price payable for the purchased Shares plus all applicable Federal and State income and employment taxes required to be withheld by Commerce Corp by reason of such purchase and/or sale. The Optionee must also provide such irrevocable written instructions to Commerce Corp to deliver the certificates for the purchased Shares directly to such brokerage firm to effect the sale transaction. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit Commerce Corp. Optionee shall also deliver a properly executed exercise notice together with such other documentation as the Administrator and a broker, if applicable, shall require to effect an exercise of the Option. Notwithstanding the above, Commerce Corp shall not be required to permit the Optionee to utilize the sale and remittance procedure described above if Commerce Corp's legal counsel advises Commerce Corp that the procedure may violate any applicable law, regulation or regulatory guidance.

(ii) The surrender to Commerce Corp of shares of Commerce Corp's common stock which have already been owned by the Optionee for more than six months. The shares of Commerce Corp's common stock which are surrendered to Commerce Corp as payment for Shares issued upon the exercise of an Option shall be valued at their Fair Market Value on the date of exercise of the Option.

9. Exercise of Option.

(a) Procedure for Exercise; Rights as a Shareholder. Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Administrator and as permissible under the terms of the Plan, but in no case at a rate of less than 20 percent per year over five years from the date the Option is granted. The right to exercise an Option may be conditioned on specific performance criteria with respect to Commerce Corp and/or the Optionee. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed to be exercised when written notice of such exercise has been given to Commerce Corp in accordance with terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by Commerce Corp. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Section 8(b) hereof. Until the issuance (as evidenced by the appropriate entry on the books of Commerce Corp or of a duly authorized transfer agent of Commerce Corp) of the stock certificate evidencing such Shares, no right to vote, receive dividends or any other rights as a shareholder shall exist with respect to the Shares, notwithstanding the exercise of the Option. Commerce Corp shall issue (or cause to be issued) such stock certificate promptly upon exercise of the Option. No adjustment shall be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 hereof.

Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) Termination of Directorship, Employment or Consulting Relationship. Except as otherwise provided in subsections (c) and (d) below, in the event of termination of an Optionee's Continuous Status as a Director, Employee or Consultant (but not in the event of an Optionee's change of status from Employee to Director or Consultant (in which case an Employee's Incentive Stock Option shall automatically convert to a Nonstatutory Stock Option three months and one day following such change of status) or from Director or Consultant to Employee), such Optionee may, but only within three months after the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), exercise his or her Option to the extent that the Optionee was entitled to exercise it at the date of such termination; provided, however, that the Administrator may extend the period during which a Nonstatutory Stock Option may be exercised following such termination on a case-by-case basis, as the Administrator deems appropriate in the Administrator's discretion. To the extent that the Optionee was not entitled to exercise the Option at the date of such termination, or if the Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate.

(c) Disability of Optionee. In the event of termination of an Optionee's Continuous Status as a Director, Employee or Consultant as a result of his or her disability, the Optionee may, but only within 12 months from the date of such termination (and in no event later than the expiration date of the termination of such Option as set forth in the Option Agreement), exercise the Option to the extent otherwise entitled to exercise it at the date of such termination. However, in the event of termination of an Optionee's Continuous Status as a Director, Employee or Consultant as a result of his or her "permanent disability" as such term is defined in Section 22(e)(3) of the Code, the Optionee shall be entitled, but only within 12 months from the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), to exercise all Options such Director, Employee or Consultant would have been entitled to exercise had such Director, Employee or Consultant remained employed for one year from the date of such termination. If such disability is not a "permanent disability," in the case of an Incentive Stock Option such Incentive Stock Option shall automatically cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Nonstatutory Stock Option three months and one day following such termination. If the Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) Death of Optionee. In the event of the death of an Optionee, the Optionee's estate or any person who acquired the right to exercise the Option by bequest or inheritance shall be entitled, but only within 12 months from the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), to exercise all Options such Director, Employee or Consultant would have been entitled to exercise had such Director, Employee or Consultant remained employed for one year from the date of such termination. All remaining Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If, after the Optionee's death, the Optionee's estate or a person who acquires the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Rule 16b-3. Options granted to a person subject to Section 16(b) of the Exchange Act must comply with Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

10. Non-Transferability of Options.

Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee; provided, however, that any Nonstatutory Stock Option may be transferred by the optionee to any member of the Optionee's immediate family, to a partnership the members of which (other than the Optionee) are all members of the Optionee's immediate family, or to a family trust the beneficiaries of which (other than the Optionee) are all members of the Optionee's immediate family.

11. Adjustments Upon Changes in Capitalization or Merger.

(a) Changes in Capitalization. Subject to any required action by the shareholders of Commerce Corp, the number of shares of Common Stock covered by each outstanding Option, and the number of shares of Common Stock that have been authorized for issuance under the Plan but as to which no Options have yet been granted or that have been returned to the Plan upon cancellation or expiration of an Option, as well as the price for each share of Common Stock covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease as determined by the Administrator. Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by Commerce Corp of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Common Stock subject to an Option.

(b) Terminating Events. A Terminating Event shall be defined as any one of the following events: (i) a dissolution or liquidation of Commerce Corp; (ii) a reorganization, merger or consolidation of Commerce Corp with one or more corporations, as the result of which (A) Commerce Corp is not the surviving corporation or (B) Commerce Corp becomes a subsidiary of another corporation (which shall be deemed to have occurred if another corporation shall own directly or indirectly, over 50 percent of the aggregate voting power of all outstanding equity securities of Commerce Corp); (iii) a sale of substantially all the assets of Commerce Corp to another corporation; or (iv) a sale of the equity securities of Commerce Corp representing more than 50 percent of the aggregate voting power of all outstanding equity securities of Commerce Corp to any person or entity, or any group of persons and/or entities acting in concert. Upon a Terminating Event (i) Commerce Corp shall deliver to each optionee, no less than thirty days prior to the Terminating Event, written notification of the Terminating Event and the optionee's right to exercise all options granted pursuant to this Plan, whether or not vested under this Plan or applicable stock option agreement, and (ii) all outstanding options granted pursuant to this Plan shall completely vest and become immediately exercisable as to all shares granted pursuant to the option immediately prior to such Terminating Event. This right of exercise shall be conditional upon execution of a final plan of dissolution or liquidation or a definitive agreement of consolidation or merger. Upon the occurrence of the Terminating Event all then outstanding options and the Plan shall terminate; provided, however, that any outstanding options not exercised as of the occurrence of the Terminating Event shall not terminate if there is a successor corporation which assumes the outstanding options or substitutes for such options, new options covering the stock of the successor corporation with appropriate adjustments as to the number and kind of shares and prices.

(c) Compliance with Incentive Stock Option Provisions. Notwithstanding anything to the contrary herein, each adjustment made to an Incentive Stock Option pursuant to this Section 11 shall comply with the rules of Section 424(a) of the Code, and no adjustment shall be made that would cause any Incentive Stock Option to become a Nonstatutory Stock Option.

12. Time of Granting Options.

The date of grant of an Option shall, for all purposes, be the date on which the Administrator makes the determination granting such Option, or such other date as is determined by the Administrator. Notice of the determination shall be given to each Director, Employee or Consultant to whom an Option is so granted within a reasonable time after the date of such grant.

13. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or discontinue the Plan, but no amendment, alteration, suspension or discontinuation shall be made which would impair the rights of any Optionee under any grant theretofore made, without his or her consent. In addition, to the extent necessary and desirable to comply with Rule 16b-3 under the Exchange Act or with Section 422 of the Code (or any other applicable law or regulation, including the requirements of the NASD or an established stock exchange), Commerce Corp shall obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) Effect of Amendment or Termination. Any amendment or termination of the Plan shall not affect Options already granted, and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and Commerce Corp.

14. Conditions Upon Issuance of Shares.

Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the laws of the United States, including the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the Common Stock may then be listed, and shall be further subject to the approval of counsel for Commerce Corp with respect to such compliance. As a condition to the exercise of an Option, Commerce Corp may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for Commerce Corp, such a representation is required by any of the aforementioned relevant provisions of law.

15. Reservation of Shares.

During the term of this Plan, Commerce Corp shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan. The inability of Commerce Corp to obtain authority from any regulatory body having jurisdiction, which authority is deemed by Company counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve Commerce Corp of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16. **Agreements.**

Options shall be evidenced by written agreements in such form as the Administrator shall approve from time to time.

17. **Shareholder Approval.**

Continuance of the Plan shall be subject to approval by the shareholders of Commerce Corp within 12 months before or after the date the Plan is adopted. Such shareholder approval shall be obtained in the degree and manner required under applicable state and federal law and the rules of any stock exchange upon which the Common Stock is listed.

18. **Information to Optionees and Purchasers.**

Commerce Corp shall provide to each Optionee and to each individual who acquires Shares pursuant to the Plan, not less frequently than annually during the period such Optionee or purchaser has one or more Options outstanding, and, in the case of an individual who acquires Shares pursuant to the Plan, during the period such individual owns such Shares, copies of annual financial statements. Commerce Corp shall not be required to provide such statements to key employees whose duties in connection with Commerce Corp assure their access to equivalent information.

31. The Audit Committee and each of its members may communicate directly and/or privately with Commerce Corp's directors, officers, employees, consultants, agents, internal auditors, independent auditors, attorneys-in-fact, counsel and advisors, and any and all third parties, and require the full cooperation of all such persons, in the performance of the Committee's functions.

35. No member of the Audit Committee, including the Chair, may simultaneously serve on the audit committee of more than two other corporations besides Commerce Corp, unless the Board of Directors determines that such simultaneous service would not impair the director's ability to effectively serve on Commerce Corp's Audit Committee and such determination is disclosed in Commerce Corp's proxy statements relating to its annual meetings of shareholders.

36. The Board of Directors reserves all authority permitted under the rules of the Commission and the relevant listing authority in connection with any matter referred to in this Charter, including but not limited to the determination of independence of Audit Committee members.
