Dear Ms. Nova:

We have reviewed your responses to the comments in our letter dated May 27, 2011 and have the following additional comments.

Registration Statement on Form S-4

General

1. We note your response to our prior comment one. Please revise to represent that, with respect to any broker-dealer that participates in the exchange offer with respect to the outstanding securities acquired for its own account as a result of market-making activities or other trading activities, each such broker-dealer must confirm that it has not entered into any arrangement or understanding with you or an affiliate of yours to distribute the exchange securities.

Form 8-K filed November 3, 2010

Note 3—Acquisitions, Disposals and Other Transactions, page F-13  
Fiscal 2010 Transactions

2. We note your response to our prior comment five. Please expand your disclosure in future filings to describe how the combined loss of \$23 million that was recognized in connection with the disposition of the Dow Jones Indexes business and related joint venture transactions was calculated. Your revised disclosure should be presented in a level of detail consistent with the information provided in your response.
