Form 10-K for the fiscal year ended December 31, 2007

Item 8. Financial Statements and Supplementary Data

Notes to Consolidated Financial Statements

Note 3. Investment Securities, page 49

1. We have considered your response to our prior comment six from our letter dated August 12, 2008. We are still unclear how you have determined that you have the ability and intent to hold available-for-sale securities until recovery or maturity. Please tell us how you identified the securities to be sold during the third quarter of 2007 and the first quarter of 2008. Additionally, please tell us how you factored continued negative market conditions in 2008, projections of future results, and minimum capital requirements in your determination that you have the intent and ability to hold the remaining available-for-sale securities in an unrealized loss position for a period of time sufficient to recover all unrealized losses.
