Dear Mr. Dodge:

Note 21. Subsequent events, page F-37

1. We note your response to prior comment 5. As you've stated, pursuant to paragraph 33 of SFAS 144, the criteria of paragraph 30 were met after the balance sheet date but before issuance of the financial statements. However, it does not appear that all of the information required by paragraph 47(a) of SFAS 144 was disclosed in the notes to the financial statements. Please tell us in your response what disclosures will be made in future filings to satisfy this requirement.

Correspondence dated March 3, 2009

2. We note that you did not provide the three acknowledgements requested in our previous comment letter dated February 9, 2009. Please include the following acknowledgements in your response letter which addresses our comments above:
 - The company is responsible for the adequacy and accuracy of the disclosure in the filing;
 - staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
 - the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
