The statements in this news release and on our recorded message, other than the historical financial information, contain forward-looking statements that involve risks and uncertainties that could cause actual results to differ from anticipated results. Wherever used, the words “expect,” “plan,” “anticipate,” “believe” and similar expressions identify forward-looking statements. Any such forward-looking statements are subject to risks and uncertainties and the company’s future results of operations could differ materially from historical results or current expectations. Some of these risks include, without limitation, miscalculation of the demand for our products, effective management of our growth, decline in comparable store sales performance, ongoing competitive pressures in the apparel industry, changes in the level of consumer spending or preferences in apparel, and/or other factors that may be described in the company’s annual report on Form 10-K and/or other filings with the Securities and Exchange Commission. Future economic and industry trends that could potentially impact revenues and profitability are difficult to predict.
