# BUY OUT AGREEMENT

Dylan Peyton, LLC , a Texas limited liability company hereinafter referred to as DP, entered into an Exploration Agreement with an effective date of January 31, 2006 with Lexington Oil & Gas Ltd., Co., an Oklahoma limited liability company hereinafter referred to as LXO. The Exploration Agreement, which involved land and leases in Hughes and McIntosh Counties in Oklahoma, is incorporated into and made a part of this Agreement as if fully set forth herein. As a result of the Exploration Agreement, DP and LXO share an interest in oil and gas leases listed in Exhibit "A" attached hereto as well as working interest in several producing wells. Paluca Energy, L.L.C., referred to as "Paluca", an Oklahoma limited liability company, was subsequently assigned an interest in some or all of the leases and wells by LXO. DP, LXO and Paluca, collectively referred to as "the parties" now desire to end their common interests under the Exploration Agreement.

To that end, LXO and Paluca desire to sell to DP their interest in the oil and gas leases, which are more fully described in Exhibit "A", less and except the leases in Section 10 and 15-5N-11E and Section 34-6N-11E all in Hughes County, Oklahoma. In addition, LXO and Paluca desire to sell to DP their interest in the wells and all pipeline and equipment related to the drilling and production of the wells, which are more fully described in Exhibit "B" and "C" attached hereto and made a part hereof. DP desires to buy LXO's and Paluca's interests described in Exhibits "A", "B", and "C" attached hereto.

In consideration of the premises and the mutual covenants and agreements set out in this Buy Out Agreement, hereinafter referred to as Buy Out, the parties agree as follows:

## I. Terms

LXO currently has an outstanding balance owed to DP and its agents, successors, assigns or contractors, for the drilling and production of the wells listed on Exhibit "B". LXO and Paluca agree to convey to DP all of their interest in Exhibit "B" in exchange for which DP agrees to assume all the debt and liabilities of the same, whether billed to LXO and its affiliates or to DP, subject to the terms of this Buy Out.

DP owes LXO and Paluca for past production on the wells and for work related to the development of the interests in the Exploration Agreement. DP agrees to convey to LXO, from the interest it currently owns and from the interest received in the Buy Out, a proportionately reduced two percent (2%) of 8/8ths overriding royalty interest in each borehole only of the wells listed in Exhibit "B" in exchange for which LXO and its agents, successors, assigns and contractors will write off the debt it is owed and sign over its working interest revenue in the same wells.

## II. Fix and Betsey

LXO has received an offer from Panther Energy, Inc. to sell its working and leasehold interest in the Fix #1-14 and the Betsey #1-23 for $250 per acre. LXO and Paluca agree to sell their interests to DP for the same consideration as offered by Panther Energy, including the operations of the wells. DP agrees to buy LXO's and Paluca's interests in the wells, leases, pipelines, and equipment related thereto which are described in Exhibit "C" and to pay for same on the basis of $250 per acre upon execution of this Agreement.

## III. Ellis #1-15

The OCC has brought legal actions against LXO, as Operator of the Ellis #1-15 well more particularly described in Exhibit "D". Because of the immediacy involved, LXO will assume full liability of the plugging of this well in order to be able to negotiate with the OCC. DP agrees to assign all of its rights and liabilities under the wellbore to LXO. This Agreement shall serve as the assignment in the event a separate document is not executed and filed.

## IV. Assignment

Concurrent with the signing of this document, LXO and Paluca agree to execute an Assignment conveying to DP all their leasehold interests, working interests, and interests in equipment related to the drilling and production of the wells in Exhibit "B" and "C" and all of their leasehold interests in Exhibit "A", less Sections 10 and 15-5N-11E and Section 34-6N-11E all in Hughes County, Oklahoma, but including any rights-of-way, pipelines, and contracts. Likewise, DP agrees to execute an Assignment of Overriding Royalty Interest conveying to LXO the overriding royalty interest described in Section I above

described in Exhibit "B". DP agrees to execute an Assignment of its interest in the Ellis #1-15 to LXO at the time of execution of this Agreement.

**V. Operations**

LXO will have all of its files related to the wells in Exhibits "B" and "C" boxed and ready for DP to take possession upon the signing of this Buy Out. DP may pick up the files any time during regular business hours.

**VI. Effective Date**

This Buy Out Agreement is entered into the date shown below but shall be effective as of August 31, 2007.
