Re: Amendment No. 2 to Registration Statement on Form SB-2
Filed September 29, 2006
File No. 333-133749
Rule 437 Application to Dispense with Consent

Dear Ms. Stacey:

I am securities counsel for FTS Group, Inc. (the "Company"). The Company is aware of the requirement, as set forth in Section 7 of the Securities Act of 1933 and Item 601 of Regulation S-B, to provide an auditor's consent for the use of its audit report in the form of an exhibit to the registration statement; however the Company respectfully requests an exemption to that requirement with respect to its auditors for the fiscal year ended December 31, 2004 in its Registration Statement on Form SB-2, as amended, which is currently pending.

The Company believes that the obtaining of such consent is impracticable and would involve an undue hardship on the Company. The specific facts which give rise to the Company's request to dispense with the consent are included in the attached sworn affidavit.

The Company's Registration Statement on Form SB-2 is currently in review by the Staff. In the Staff's letter dated October 26, 2006, the Staff requested in Comment 19 that the

Affidavit

Dear Ms. Stacey,

The specific facts which give rise to our application to dispense with consent are as follows:

Our independent public auditors for the fiscal year ended December 31, 2005 were R.E. Bassie & Co. Our independent public auditors for the year ended December 31, 2004 were Withum, Smith & Brown, P.C.

We filed a Registration Statement on Form SB-2 on May 2, 2006 (file number 333-133749). In that Registration Statement, we furnished a consent for the use of the audit report issued by R.E. Bassie & Co. for the fiscal year ended December 31, 2005. Although an issuer's prior auditors must execute consents in order for financial statements previously audited by that firm to be included in the registration statement, Withum, Smith & Brown, P.C. has refused to provide such a consent. We attempted to obtain the consent via multiple phone calls and emails. After several weeks, Withum, Smith & Brown informed us that, in order for the firm to issue the consent, we must pay \$17,000 in advance. Additionally, Withum, Smith & Brown indicated that, even if we paid the sum, there is no assurance that Withum, Smith & Brown would provide us with the consent. We contacted the Public Company Accounting Oversight Board (PCAOB) regarding the matter. It was suggested by the PCAOB that we file a formal complaint. We filed a formal complaint with the PCAOB on July 24, 2006.

Thank you for your attention to this matter.

Sincerely,

FTS Group, Inc.
