**Re: Transfer Technology International Corp.
Form 10-KSB for the Year Ended December 31, 2007
File No. 0-27131**

Dear Mr. Marte:

We have reviewed your filing and have the following comments. We have limited our review of your filing to the disclosures pertaining to the evaluation of your internal control over financial reporting. Specifically, we have reviewed your filing to determine if you conducted the evaluation of your internal control over financial reporting, as required by Exchange Act Rules 13a-15 and 15d-15, and provided an assessment and a conclusion as to the effectiveness of your internal control over financial reporting, as required by Item 308T(a) of Regulations S-B. Where indicated, we think you should revise your document in response to these comments, however, if you disagree, we would be pleased to consider your explanation as to why a revision is not necessary. Please be as detailed as necessary in your explanation.

While it appears that you have conducted an evaluation of internal control over financial reporting, it does not appear that you have disclosed your conclusion as required by Item 308T(a)(3) of Regulation S-B. Please amend your filing within 10 business days to provide management's conclusion as to the effectiveness of your internal control over financial reporting. In addition, please provide the disclosure required by Item 308T(b) of Regulation S-B.

Finally, we note that you did not include the conclusions of your principal executive and principal financial officers, or persons performing similar functions, regarding the effectiveness of your disclosure controls and procedures as of the end of the period covered by the report, based on the evaluation of those controls and procedures required by paragraph (b) of Rule 13a-15 or Rule 15d-15 of the Exchange Act. Please amend your filing to comply with the disclosure requirements of Item 307 of Regulation S-B. In doing so, please consider whether management's failure to perform or complete its report on internal control over financial reporting, or to provide management's conclusion as to the effectiveness of your internal control over financial reporting, impacts its conclusions disclosed in the amended filing.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
