OF

CLARK BENSON, LLC

THIS LIMITED LIABILITY COMPANY AGREEMENT of **CLARK BENSON, LLC**, a limited liability company organized pursuant to the Act (the “Company”), is entered into as of January 26, 2006 (the “Effective Date”), by and among the Company and the Persons set forth on Schedule A, as amended from time to time (each, a “Member” and collectively, the “Members”).

PRELIMINARY STATEMENT

WHEREAS, the Company was formed as a Delaware limited liability company pursuant to a Certificate of Formation filed with the Secretary of State of the State of Delaware on October 26, 2005;

WHEREAS, the Members desire to provide, inter alia, for the operation of the Company, and, in general, to set out fully the rights and obligations of the Members, the Manager, the Principals and officers of the Company.

ARTICLE I

DEFINITIONS

1.01 **Definitions.** The defined terms used in this Agreement shall have the meanings specified in Schedule B hereto.

ARTICLE II

GENERAL PROVISIONS

2.01 **Organization of the Company.** The parties hereto hereby acknowledge that the limited liability company has been organized pursuant to the provisions of the Act. Except as expressly provided herein, the rights and obligations of the Members and the administration and termination of the Company shall be governed by the Act. The Manager shall take all actions necessary to assure the prompt filing of any documents or instruments necessary or appropriate to effectuate the provisions of this Agreement and the conduct of the operations of the Company as contemplated hereby.

2.02 **Name of the Company.** The name of the Company shall be Clark Benson, LLC or such other name as the Manager may from time to time determine upon Consent of the Members. The Manager shall cause to be filed on behalf of the Company such limited liability company, assumed or fictitious name or foreign qualification certificate or certificates as may from time to time be required by law.

2.03 Business of the Company.

(a) The business of the Company shall be (i) to build a business to capture a share of financial planning, estate planning, employee benefits and wealth management services market through acquisitions and/or affiliated models; provided, however, that to the extent that a transaction within the scope of (i) could also be within the scope of one or more of Clark, Inc.'s operating divisions, the CEO of Clark, Inc. will determine wherein the transaction will occur and the Board will determine if the transaction will occur, and (ii) to pursue and engage in other related and unrelated business opportunities as they may arise as agreed to by the Principals with the consent of the Clark, Inc. Board of Directors. For these purposes, if an acquisition is originated and developed by the Company, there shall be a rebuttable presumption that the opportunity should be pursued through the Company rather than another operating division of Clark, Inc.

(b) The Company shall be a limited liability company solely for the purposes set forth in this Section 2.03. Except as provided in this Agreement, the Company shall not engage in any other activity or business.

2.04 Place of Business of the Company; Registered Agent. The principal place of business of the Company shall be located at 102 South Wynstone Park Drive, North Barrington, IL 60010. The Principals may, at any time and from time to time, change the location of the Company's principal place of business. The registered agent for service of process for the Company in the State shall be Corporation Trust Center, 1209 Orange Street, Wilmington, New Castle County, Delaware 18901.

2.07 Title to Company Property. All property owned by the Company, whether real or personal, tangible or intangible, shall be deemed to be owned by the Company as an entity, and no Member, individually, shall have any ownership of such property. The Company may hold any of its assets in its own name or in the name of its nominee, which nominee may be one or more individuals, partnerships, trusts or other entities.

2.08 Members' Names and Addresses. The names and addresses of the Members are as set forth on Schedule A.

2.09 Additional Members. The Company shall not admit any additional Members except pursuant to Article VIII.

ARTICLE III

DISTRIBUTIONS

3.01 Distributions.

(a) First, within sixty (60) days following the end of each Fiscal Year (or if later, the date the audited financial statements of the Company are completed, but in no event later than seventy-five (75) days following the end of each Fiscal Year), the Company shall pay in cash a Winsor Distribution to Winsor with respect to the just completed Fiscal Year; provided, however, that the payment of such Winsor Distribution shall be accelerated in the event that Winsor ceases to be a Member of the Company, and shall be made within sixty (60) days following the date in which Winsor ceases to be a Member in an amount determined based on the number of days during which Winsor was a Member of the Company during such Fiscal Year.

(b) Next, on or about the time of the Winsor Distribution, the Company shall pay in cash the Clark Distribution.

(c) Distributions made in connection with a Capital Transaction shall be distributed in accordance with Section 10.02(b) on or about the time of the Winsor Distribution.

(d) In the event that the Company does not have the funds available to make any distributions provided in this Section 3.01, Clark hereby agrees to loan such funds to the Company in order to enable the Company to timely and fully make all such distributions.

3.02 **Non-Cash Distributions.** If any non-cash assets of the Company shall be distributed in kind, such assets shall be distributed on the basis of the then fair market value thereof as determined by the Company.

3.03 **Amounts Withheld.** All amounts withheld pursuant to the Code or any provisions of any state, local or foreign tax law with respect to any payment, distribution or allocation to the Members shall be treated as amounts paid or distributed, as the case may be, to the Members with respect to which such amount was withheld pursuant to this Section 3.03 for all purposes under this Agreement. The Company is authorized to withhold from payments and distributions, or with respect to allocations to the Members, and pay over to any federal, state and local government or any foreign government, any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law or any foreign law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

ARTICLE IV

CAPITAL CONTRIBUTIONS, PROFITS AND LOSSES, WORKING CAPITAL AND ACQUISITION LOANS

4.01 Capital Contributions.

(a) Each Member has made a Capital Contribution in the amount set forth in Schedule A hereto as of the date hereof.

(b) No interest shall accrue on any contributions to the capital of the Company, and no Member shall have the right to withdraw or to be repaid any capital contributed by him or it or to receive any other payment in respect of his or its interest in the Company (including, without limitation, upon withdrawal from the Company), except as specifically provided in this Agreement.

4.02 **Capital Accounts.** A single Capital Account shall be established and maintained for each Member in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv). The Capital Account of each Member shall be initially as set forth on Schedule A hereto and (i) shall be increased by the amount of any additional capital contributions and allocations to the Member of items of Book income and gain, (ii) shall be decreased by the amount of distributions to the Member under this Agreement and allocations to the Member of items of Book loss and deduction, and (iii) shall otherwise be appropriately adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv).

4.03 Allocations of Income, Gain, Loss, and Deduction.

(a) **Items Not Arising from a Capital Transaction.** For each Fiscal Year, items of Book income, gain, loss, or deduction, other than such items arising from a Capital Transaction, shall be allocated among the Members as follows:

(i) To Winsor, items of Book income and gain so that, immediately after giving effect to such allocation, Winsor's Capital Account balance (determined without regard to the amount of Winsor's Capital Contribution) will equal, as nearly as possible, the Winsor Distribution with respect to such Fiscal Year (and payable, unless accelerated under Section 3.01(a), in the following Fiscal Year), plus any unpaid Winsor Distributions with respect to prior Fiscal Years.

(ii) To Clark, all other such items of Book income, gain, loss, or deduction.

(b) **Items Arising from a Capital Transaction.** Items of Book income, gain, loss, or deduction arising from a Capital Transaction shall be allocated among the Members as follows:

(i) To Winsor, items of Book income and gain so that, immediately after giving effect to such allocation, Winsor's Capital Account balance (determined

without regard to the amount of Winsor's Capital Contribution) will equal, as nearly as possible, twenty-five percent (25%) of the Net Capital Transaction Proceeds.

(ii) To Clark, all other such items of Book income, gain, loss, or deduction.

4.04 **Special Allocations.**

(a) **Special Allocations under Code Section 704(b).** The provisions of the Treasury Regulations promulgated under Code Section 704(b) relating to qualified income offset, minimum gain chargeback, minimum gain chargeback with respect to partner nonrecourse debt, allocations of nonrecourse deductions, allocations with respect to partner nonrecourse debt, and limitations on allocations of Losses relating to a partner's adjusted capital account deficit are hereby incorporated by reference and shall be applied to the allocation of income, gain, loss, and deduction in the manner provided in such Treasury Regulations.

(b) **Special Allocations under Code Section 704(c).** In accordance with Code Section 704(c) and the Treasury Regulations thereunder, income, gain, loss, and deduction for federal tax purposes shall take into account any variation between the adjusted federal income tax basis of Company property and the Book value of such property for purposes of maintaining Capital Accounts.

4.05 Allocations and Distributions Upon Change of Interest. If a Member disposes of its entire interest in the Company (whether by sale or exchange or liquidation by the Company), the Company's Fiscal Year will close with respect to such Member and allocations and distributions to such Member for the Fiscal Year of the disposition shall be based on an interim closing of the books as of the date of final disposition. In the event that a Member's interest in the Company changes, but the Member does not dispose of its entire interest in the Company, allocations for the Fiscal Year of the change shall take into account the varying interests of the Members in the Company in a manner consistent with Code Section 706. For this purpose, unless otherwise agreed to by the Members: (i) items of income, gain, loss, or deduction arising from the sale or other disposition of assets of the Company (other than de minimis assets or dispositions in the ordinary course of the Company's business) shall be allocated among the Members based upon an interim closing of the books as of the date of disposition; and (ii) items of income, gain, loss, or deduction in all other cases shall be prorated items and shall be assigned equally to each day in the fiscal quarter in which such change in interest occurs and allocated based on the Members' respective interests in the Company on each day in such fiscal quarter.

4.06 Separately Stated Items. Allocations of items of income, gain, loss, or deduction shall consist of a pro rata portion of the Company's items of income, gain, loss, or deduction required to be separately stated under Code Section 702(a).

4.07 Working Capital and Acquisition Loans. The operations of the Company will be financed by Clark as follows:

(a) Clark shall make the following working capital loans to the Company, subject to the terms set forth below:

(i) During such time as Benson is employed by the Company as its President and Chief Executive Officer, Clark shall make a loan or loans to the Company during each Fiscal Year (which loan amounts will be appropriately prorated for partial Fiscal Years) in such annual aggregate amount equal to such amount as is necessary for the Company to satisfy its obligations under the Benson Employment Agreement, including without limitation, \$1,000,000 plus the amount equal to the amount of the Company's portion of payroll taxes with respect thereto assessable during such Fiscal Year (each such loan, a "Compensation Loan") to be applied for the payment of Benson's annual salary plus the Company's portion of payroll taxes. Each Compensation Loan shall be made to the Company no less frequently than in equal quarterly installments at the beginning of each quarter during each Fiscal Year.

(ii) Prior to the commencement of each Fiscal Year the Principals will jointly submit to the Clark Board of Directors (the "Clark Board") the Operating Budget for the next immediate Fiscal Year, which shall identify, among other things, the amount of the Estimated Operating Expenses. Upon approval of the applicable Operating Budget by the Clark Board, which approval shall be in the Clark Board's discretion (to be exercised in good faith), Clark shall make a loan or loans to the Company from time to time as may be necessary to fund the approved Operating Budget, to make the distributions as provided in Section 3.01(a) when due, and to repay the Compensation Loan and any working capital loans made during such Fiscal Year not otherwise repaid when due (such Compensation Loan and the loan made pursuant to this clause (ii) referred to herein collectively as the "Working Capital Loans").

(iii) Working Capital Loans shall accrue interest on an annual, non-compounded basis at the Applicable Federal Rate. Interest on Working Capital Loans shall be payable annually except to the extent there is an Operational Shortfall. Working Capital Loans made during any Fiscal Year shall be due on December 31 of such Fiscal Year provided that the Company has operating income that is equal to or greater than operating expenses. To the extent that operating income is less than operating expenses (including Required Interest) for the applicable Fiscal Year (the "Operational Shortfall") the Working Capital Loans for such Fiscal Year to the extent of the Operational Shortfall automatically will be extended and shall be payable in conjunction with a Capital Transaction.

(b) Clark shall make the following acquisition loans to the Company, subject to the terms set forth below:

(i) Prior to the commencement of each Fiscal Year, the Principals jointly shall present to the Clark Board an acquisition budget estimating the aggregate acquisitions contemplated for such year. From time to time during each Fiscal Year, the Principals shall jointly submit to the Clark Board a request for loans to finance the acquisition of businesses or to otherwise give effect to the purposes of the Company (collectively, the "Acquisition Loans"). Such loan requests shall specify the business to

be acquired or with which the Company will be affiliated and such financial information as may be reasonably required to enable the Clark Board to exercise its judgment to fund the Acquisition Loan. The granting of an Acquisition Loan also shall be subject to the approval of the Bank, if and when required. Subject to the approval of the relevant acquisition as well as the relevant Acquisition Loan by the Clark Board, which approval shall be in the discretion of the Clark Board (to be exercised in good faith), Clark shall fund the amount of the requested Acquisition Loans upon the closing(s) of the applicable acquisitions for which such Acquisition Loans were requested. In the event that securities of Clark, Inc. are provided in connection with any such acquisitions, the market value of such securities as of the date of the closing of the relevant acquisition shall be included as part of the principal amount of the applicable Acquisition Loan and shall be treated as an Acquisition Loan for all purposes of this Agreement.

(ii) Acquisition Loans shall accrue interest on an annual basis, non-compounded, at a fluctuating rate which causes the amount of interest accruing on the Acquisition Loans plus the amount of interest accruing on the Working Capital Loans, when added together, to equal the amount of interest that would have been generated on the Acquisition Loans if they were accruing interest at the Cost of Capital. Interest on Acquisition Loans shall be payable annually.

(iii) Acquisition Loans shall be due as follows: (a) in the case of a sale of an Acquisition Company in a transaction which is not a Capital Transaction, the Acquisition Loan (including all accrued and unpaid interest thereto) attributable to such Acquisition Company shall be due and payable upon the closing of the sale of such Acquisition Company, (b) in the case of a Capital Transaction, the Acquisition Loans (including all accrued and unpaid interest thereto) shall be paid as set forth in Section 10.02(a), and (c) in the case of a Capital Transaction in which the acquirer assumes the Company's debt, the Acquisition Loans shall be refinanced by the acquirer or otherwise and repaid prior to the closing of such Capital Transaction. For purposes of clarification, Exhibit A sets forth hypothetical examples of the method of calculation of the interest accruing on Acquisition Loans.

ARTICLE V

MANAGEMENT

5.01 **General.** Except as provided in this Agreement, the overall management and control of the business and affairs of the Company will be vested in the Manager who may delegate the day to day management and control of the business and affairs of the Company to such officers and other employees or agents as the Manager may deem necessary or advisable as and to the extent provided in this Article V and in the Benson Employment Agreement. - (j) to sell or otherwise dispose of any part of the assets of the Company in the normal course of business;
- (k) to employ accountants, legal counsel, managing agents or other experts to perform services for the Company and to compensate them from Company funds;
- (l) subject to the foregoing provisions, to execute on behalf of the Company all instruments and documents, including, without limitation: checks; drafts; notes and other

negotiable instruments; bills of sale; leases; and any other instruments or documents necessary, in the opinion of the Principals to the business of the Company; and

(m) to engage in such other activities and incur such other expenses as may be reasonably necessary, advisable or appropriate for the furtherance of the Company's purposes so long as such activities may be lawfully carried on or performed by the Company under the terms of this Agreement and by a limited liability company under the Act, and to execute, acknowledge and deliver any and all instruments necessary to implement the foregoing.

5.03 Election and Tenure. The Manager of the Company shall be (a) the person from time to time acting as the CEO of Clark, Inc. or (b) such other person as may from time to time be designated by the Clark Board with the consent of Winsor if Winsor is a Member at such time. The Manager initially shall be Thomas Wamberg, the current chief executive officer of Clark, Inc.

5.04 Officers.

Each officer shall hold office until his successor is elected or appointed or qualified, or until he dies, resigns, is removed or becomes disqualified. The compensation payable by the Company to officers shall be determined by the Principals jointly.

(b) **Resignation, Removal and Vacancies.** Any officer may resign by giving written notice of his resignation to the Manager and such resignation shall become effective at the time specified therein. Any officer may be removed with or without cause by the Principals acting jointly. Notwithstanding this provision, resignation or removal in the case of Benson will be governed by the Benson Employment Agreement.

5.05 Liability for Certain Acts. The Manager, the Principals and officers of the Company shall perform their managerial duties in good faith, in a manner they reasonably believe to be in the best interests of the Company, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. A Manager, Principal or officer of the Company who so performs his managerial duties shall not have any liability by reason of having performed such duties. No Manager, Principal or officer of the Company, in any way, guarantees the return of any Member's Capital Contributions or a profit for the Members from the operations of the Company. No Manager, Principal or officer shall be liable to the Company or to any Member for any loss or damage sustained by the Company or any Member, unless the loss or damage shall have been the result of fraud, deceit, gross negligence, willful misconduct, or a wrongful taking by such Manager or officer.

5.06 Manager Has No Exclusive Duty to Company. The Manager shall not be required to manage the Company as his sole and exclusive function and he may have other business interests and may engage in other activities in addition to those relating to the

Company. Neither the Company nor any Member shall have any right, by virtue of this Agreement, to share or participate in such other investments or activities of the Manager or to the income or proceeds derived therefrom. The Manager shall not incur any liability to the Company or to any of the Members as a result of engaging in any other business or venture.

5.07 Indemnification. To the maximum extent permitted under Delaware law, the Company shall indemnify, hold harmless, defend and advance expenses to the Members, the Manager, the Principals and officers for all costs, losses, liabilities and damages, including, without limitation, reasonable attorneys' fees, paid or accrued by such Members, the Manager, the Principals and officers in connection with the management of the business of the Company. The Company shall indemnify and advance expenses to employees and other agents who are not Members, Managers, Principals or officers to the fullest extent permitted by law, provided that such indemnification and advancement of expenses in any given situation are reasonable and necessary and are approved or ratified by the Principals. The Company will secure standard Employment Practices Liability Insurance and Director and Officer Liability Insurance covering the officers of the Company. The insurance shall be in amounts and scope of coverage that are commercially reasonable and customary and at least equal to the amounts and scope of coverage provided for the officers and directors of Clark, Inc. and Clark. The Director and Officer coverage shall include at least Side A and Side B coverage.

5.08 Certain Expenses. All reasonable and necessary expenses incurred by the Principals and officers in connection with the Company's business shall be paid by the Company or reimbursed to the Principals and officers by the Company. Any such expenses shall be paid prior to any distributions to the Members.

ARTICLE VI

ARTICLE VIII

TRANSFERABILITY OF UNITS

8.01 **General.** No Member may sell, transfer, assign, pledge, encumber or otherwise dispose of all or any part of its interest in the Company, whether voluntarily, involuntarily or by operation of law (the doing of any of the foregoing, to “Assign” or to make an “Assignment”), except in accordance with this Agreement. Any Assignment in contravention of any of the terms of this Agreement shall be null and void and ineffective to transfer any interest in the Company, and shall not bind or be recognized by or on the books of the Company, and any transferee or assignee in such transaction shall not be treated as or be deemed to be a Member for any purpose.

8.02 **Assignment.** Except as otherwise provided in this Article VIII, (a) no Member may Assign all or any part of his Units without the Written Consent of the Manager, which consent may be given or withheld in the Manager’s sole discretion and (b) Clark may not Assign all or any part of its Units to an Affiliate without the Written Consent of Winsor, if Winsor is a Member at the time of such Assignment. Any Member who shall have properly assigned his Units in accordance with the terms of this Article VIII shall cease to be a Member of the Company, except for the purpose of determining the allocations under Article IV to its authorized assignee, and shall no longer have any of the rights or privileges of a Member.

8.03 **Rights of First Refusal on Voluntary Transfers.**

(a) **Right of First Refusal of the Company.** Except with respect to an Assignment of its Units by Clark pursuant to a Change of Control transaction as described in Section 8.05(c), any Member who intends to sell, assign, transfer or otherwise voluntarily alienate or dispose of any Units (the “Selling Member”) to a bona fide third party shall, prior to any such transfer, (i) first, satisfy the conditions set forth in Section 8.02 hereof, applicable to Assignments and (ii) second, give written notice (the “Selling Member’s Notice”) of such intention to the Company. The Selling Member’s Notice shall include the name of the proposed transferee, the proposed purchase price per Unit, the terms of payment of such purchase price

and all other matters relating to such sale and shall be accompanied by a copy of a binding written agreement of the proposed transferee to purchase such Units from the Selling Member. The Selling Member's Notice shall constitute a binding offer by the Selling Member to sell to the Company or its designee such number of Units (the "Offered Units") then owned by the Selling Member as are proposed to be sold in the Selling Member's Notice at the monetary price per Unit designated in the Selling Member's Notice, payable as provided in Section 8.03(c) hereof. Not later than thirty (30) days after receipt of the Selling Member's Notice, the Company shall deliver written notice (the "Company's Notice") to the Selling Member stating whether the Company has accepted the offer stated in the Selling Member's Notice. The Company may only accept the offer of the Selling Member in whole and may not accept such offer in part. If the Company accepts the offer of the Selling Member, the Company's Notice shall fix a time, location and date for the closing of such purchase, which date shall be not less than ten (10) nor more than thirty (30) days after delivery of the Company's Notice.

(b) **Right of First Refusal of Other Member.** If the Company fails to accept the offer stated in the Selling Member's Notice within the thirty (30) day period provided in Section 8.03(a), then the Member other than the Selling Member (the "Buying Member") shall have the right to purchase the Offered Units, at the monetary price per Unit designated in the Selling Member's Notice, payable as provided in Section 8.03(c). Not later than thirty (30) days after the expiration of the thirty (30) day period described in Section 8.03(a), the Buying Member shall deliver to the Selling Member a written notice (the "Buying Member's Notice") stating whether the Buying Member has accepted the offer stated in the Selling Member's Notice. The Buying Member may only accept the offer of the Selling Member in whole and may not accept such offer in part. If the Buying Member accepts the offer of the Selling Member, the Buying Member's Notice shall fix a time, location and date for the closing of such purchase, which date shall be not less than ten (10) nor more than thirty (30) days after delivery of the Buying Member's Notice.

(c) **Closing.** The place for the closing of any purchase and sale described in Section 8.03(a) or Section 8.03(b) shall be the principal office of the Company or at such other place as the parties shall agree. At the closing, the Selling Member shall accept payment on the terms offered by the proposed transferee named in the Selling Member's Notice; provided, however, that the Company and the Buying Member shall not be required to meet any non-monetary terms of the proposed transfer, including, without limitation, delivery of other securities in exchange for the Units proposed to be sold. At the closing, the Selling Member shall deliver to the Company or the Buying Member, as the case may be, in exchange for Units purchased and sold at the closing, certificates for the number of Units stated in the Selling Member's Notice, accompanied by duly executed instruments of transfer.

(d) **Transfers to Third Parties.** If the Company and the Buying Member fail to accept the offer stated in the Selling Member's Notice, then the Selling Member shall be free to sell all, but not less than all, of the Offered Units to the designated transferee at a price and on terms no less favorable to the Selling Member than described in the Selling Member's Notice; provided, however, that such sale is consummated within ninety (90) days after the later of the giving of the Selling Member's Notice to the Company and, if applicable, to the Buying Member. As a condition precedent to the effectiveness of a transfer pursuant to this Section (d), the proposed transferee(s) shall agree in writing prior to such transfer to become a party to this

Agreement and shall thereafter be permitted to transfer Units only in accordance with this Agreement. Notwithstanding the foregoing, any such sale shall be subject to all of the provisions of Article VIII, including, without limitation, the provisions of Section 8.07.

8.04 Transfers by Operation of Law. In the event that Winsor (i) files a voluntary petition under any bankruptcy or insolvency law or a petition for the appointment of a receiver or makes an assignment for the benefit of creditors, (ii) is subjected involuntarily to such a petition or assignment or to an attachment or other legal or equitable interest with respect to its Units and such involuntary petition or assignment or attachment is not discharged within thirty (30) days after its date, or (iii) is subject to a transfer of its Units by operation of law, the Company or its assignee shall have the right to elect to purchase all of the Units which are then owned by Winsor at a purchase price for all of the Units of Winsor equal to the Put Formula Value. Failure of the Company to elect to purchase the Units under this Section 8.04 shall not affect its right to purchase the same Units under Section 8.03 in the event of a proposed sale, assignment, transfer or other disposition by or to any receiver, petitioner, assignee, transferee or other person obtaining an interest in the Units.

8.05 Put Right of Winsor; Call Right of the Company; Change of Control Purchase.

(a) (i) Winsor shall have the right at any time after any of the following events to require the Company to purchase all of the Units owned by Winsor (the "Put Right"):

- (A) the death of Benson,
- (B) the Permanent Disability of Benson, or
- (C) the termination of Benson's employment with the Company for any reason.

In the event that Winsor desires to exercise the Put Right, it shall so notify the Company by written notice thereof (the "Put Notice").

(ii) The Company shall have the right at any time after any of the following events to require Winsor to sell to the Company all of the Units owned by Winsor (the "Call Right"):

- (A) the death of Benson,
- (B) the Permanent Disability of Benson,
- (C) the termination of Benson's employment with the Company other than as provided in clause (D) below,

or

(D) the termination of Benson's employment with the Company without Cause or pursuant to a constructive termination under the Benson Employment Agreement.

In the event that the Company desires to exercise the Call Right, it shall so notify Winsor by

written notice thereof (the "Call Notice").

(iii) The Closing in connection with the Put Notice or the Call Notice, as the case may be (the "Put/Call Closing"), shall take place no later than 180 days after receipt by either party of the Put Notice or the Call Notice, as applicable, from the other party. At the Put/Call Closing, the Company shall purchase, and Winsor shall sell, all of the Units held by Winsor. In the event of the exercise of the Put Right, the purchase price for all of the Units held by Winsor shall be equal to the Put Formula Value and shall be payable in cash at the Put/Call Closing. In the event of the exercise of the Call Right, the purchase price for all of the Units held by Winsor shall be equal to the Call Formula Value and shall be payable in cash at the Put/Call Closing. During the period extending from the date of the Put Notice or the Call Notice, as the case may be, through the date of the Company's purchase of the Units held by Winsor, the purchase price shall accrue interest at a rate equal to that rate of interest being charged to Clark, Inc. and its operating divisions by the Bank. For purposes of clarification, Exhibit B sets forth hypothetical examples of the method of calculation of the Put Formula Value and the Call Formula Value.

(b) Notwithstanding anything herein to the contrary, at any time on or after the Effective Date of the Agreement, the Company (other than upon the occurrence of events sets forth in Section 8.05(a)) shall be deemed to have a Call Right which it may exercise by a Call Notice. Not later than thirty (30) days after receipt by Winsor of the Call Notice, the Company shall purchase, and Winsor shall sell, all of the Units held by Winsor at a purchase price for such Units equal to Call Formula Value.

(c) (i) In the event of a Change of Control transaction with respect to Clark, Clark, Inc. and/or any of their respective Affiliates other than the Company (collectively, the "Clark Entities"), Clark shall be obligated to purchase all of the Units of Winsor (the "Change of Control Purchase") at a purchase price equal to twenty-five percent (25%) of the Company's Appraised Value; provided, however, that with respect to the Change of Control Purchase hereunder, Winsor shall not receive less than (i) \$2,500,000, if the Change of Control is consummated at any time on or prior to December 31, 2007 or (ii) one and one-half percent (1.5%) of the aggregate value of the consideration realized in connection with the Change of Control transaction if the Change of Control transaction is consummated at any time after December 31, 2007.

(ii) The "Appraised Value" shall be the value of the Company as determined through the following process of multiple appraisals:

(A) Each of Clark and Winsor shall appoint a nationally recognized investment banking firm or appraisal firm (each an "Appraiser");

(B) Clark and Winsor jointly will appoint a third Appraiser;

(C) Each of Clark and Winsor shall be permitted to furnish each Appraiser with such information as they deem relevant in determining the Appraised Value of the Company, including without limitation, information concerning the Company's operations, assets and properties, financial condition,

earnings, capitalization, and any offers or indications of interest received by the Members or the Company, and such other information as any of the Appraisers may request, and to arrange to address each of such Appraisers with respect to the Appraised Value prior to any determination by such Appraisers.

(D) Each Appraiser shall, within thirty (30) days following its appointment, independently determine the value of the Company taking into account, among other things, the aggregate consideration payable pursuant to the Change of Control transaction contemplated in Section 8.05(c) and the capital structure of all companies involved in such Change of Control transaction (each an "Appraisal") and render in writing to the parties a report (such Appraiser's "Report"), which Report shall set forth the Appraisal as determined by such Appraiser, together with the calculation thereof in reasonable detail;

(E) The Appraisals produced by the three (3) Appraisers will be weighted as follows:

(I) the Appraisal produced pursuant by the third jointly appointed Appraiser (the "Third Appraiser") will be multiplied by a weight factor of three (3) (such product, a "Weighted Appraisal");

(II) of the remaining two Appraisals, the Appraisal closest in value to the Appraisal produced by the Third Appraiser will be multiplied by a weight factor of two (2) (such product, also a "Weighted Appraisal"); and

(III) the remaining Appraisal will be multiplied by a weight factor of one (1) (such product, also "Weighted Appraisal");

thereby producing three (3) "Weighted Appraisals".

The Appraised Value of the Company shall be the quotient of (x) the sum of the Weighted Appraisals, divided by (y) six (6).

(iii) The fees and expenses of all of the Appraisers appointed hereby shall be borne by Clark.

(d) The Member whose Units are being purchased by the Company pursuant to Section 8.05 (the "Departing Member") (including its Affiliated Transferees and/or its legally appointed representative(s)) shall tender all of the Units being purchased hereunder to the purchaser(s) thereof, at the principal office of the Company (or such other place as the parties may agree) at a reasonable date and time specified by the Company (in any event within 180 days of the date of the Put Notice or the Call Notice, as the case may be, by delivery of certificates or documents representing such Units or such other document as may evidence such Departing Member's Units in the Company endorsed in proper form for transfer. The Company shall deliver to the Departing Member or the legal representative of the Departing Member, the applicable purchase price for such units, determined as set forth in Section 8.05, in U.S. dollars for the number of Units being purchased, in cash or by bank or certified check of immediately

available funds, in exchange for the certificates or documents which were previously delivered as provided above.

(e) Payments to a Departing Member whose Units are being purchased by the Company pursuant to this Section 8.05 shall, to the extent permitted by Code Section 736 and the Treasury Regulations thereunder, be considered to be made in exchange for the Member's interest in Company property. Any such payments in excess of the Member's pro rata share of the Book value of Company property shall be considered goodwill of the Company.

(f) Notwithstanding anything to the contrary set forth in this Section 8.05, Winsor shall not have the right to exercise the Put Right and the Company shall not have the right to exercise the Call Right during a Potential Change of Control Period.

8.06 Take Along Right. In the event that any Person that is not an Affiliate of the Clark Entities (the "Third Party Offeror") desires to acquire all of the Units of the Members pursuant to an arm's length bona fide offer (the "Unit Acquisition") whether directly or indirectly, and

(a) Members of the Company holding not less than two-thirds of the aggregate Units in the Company (the "Approving Members") approve such transaction, and

(b) such offer provides that all Members are being treated in a similar manner with respect to the valuation of, and payment terms for, their Units, and

(c) the Company and the Members other than the Approving Members have not elected to exercise their rights pursuant to Section 8.03,

then the Approving Members shall have the right, at their option, to require each other Member who is not an Approving Member (each such Member, a "Non-Approving Member") to sell and transfer all of its Units to the Third Party Offeror by giving written notice (the "Take Along Notice") to such Non-Approving Member not later than twenty (20) days prior to consummation of the proposed Unit Acquisition. The Take Along Notice shall contain written notice of the exercise of the Approving Members' rights pursuant to this Section 8.06, setting forth (i) the aggregate number of Units to be transferred by the Approving Members, (ii) the purchase price for such Units, (iii) the terms and conditions of such Unit Acquisition and (iv) the identity of the acquirer of the Units. Each Member who receives a Take Along Notice shall be obligated, and hereby agrees, to sell to such Third Party Offeror on the terms set forth in the Take Along Notice, all of the Units owned by such Member and to execute all documents reasonably requested by the Approving Members to effectuate such sale.

8.07 Tag Along Right. In the event that, in connection with a Unit Acquisition, the Third Party Offeror does not desire to acquire all of the Units of the Members, the Member (the "Offeree") who has received a bona fide offer from the Third Party Offeror to purchase Units of the Company owned by the Offeree (the "Tag Along Units"), for a specified price payable in cash or otherwise and on specified terms and conditions (the "Offer"), and the Offeree proposes to sell or otherwise transfer the Units to the Third Party Offeror pursuant to the Offer, the Offeree shall not effect such sale or transfer unless (i) first, the Offeree first satisfies all of the conditions of Section 8.03, and (ii) second, the other Member is first given the right to sell to the

Third Party Offeror, at the same price per Unit and on the same terms and conditions as stated in the Offer, up to the number of Units equal to the Take-Along Units multiplied by a fraction, the numerator of which is the aggregate number of Units owned by the other Member and the denominator shall be the aggregate number of Units held by the Offeree and the other Member. If the other Member wishes to participate in any such Offer to purchase, it shall notify the Offeree in writing of such intention and the number of Units it wishes to sell not later than fifteen (15) days after delivery of notice to the other Member by the Offeree of the Offeree's intent to sell to the Third Party Offeror. If the Offeree does not receive such notice from the other Member within such fifteen (15) day period, the Offeree shall be free to consummate the proposed transaction without any obligation to include the other Member's Units in such transaction.

The Offeree and the other Member, if such Member has provided timely notice of its intent to participate in the sale shall sell to the Third Party Offeror all the Units proposed to be sold by them at not less than the price and upon other terms and conditions, if any, not more favorable to the Third Party Offeror than those stated in the Offer.

ARTICLE IX

CERTIFICATES

9.01 **Certificates; Legends.** The Company may, but shall have no obligation to, issue certificates or other instruments representing or evidencing the ownership of Units by Members, which certificates or other instruments shall have the following legends placed on them:

The Units represented by this certificate have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities law and they may not be sold or otherwise transferred by any person, including a pledgee, unless (1) either (a) a registration statement with respect to such Units shall be effective under the Securities Act or (b) the company shall have received an opinion of counsel satisfactory to the company than an exemption from registration under such Securities Act is then available and (2) there shall have been compliance with all applicable securities laws.

The Units represented by this certificate are subject to further restriction as to their sale, transferability, or assignment as set forth in the Limited Liability Company Agreement dated as of January 26, 2006 by and among the company and each Member, as the same may be amended from time to time.

ARTICLE X

Said reserves may be paid over by such liquidator to a bank, to be held in escrow for the purpose of paying any such contingent or unforeseen liabilities or obligations and, at the expiration of such period as such liquidator may deem advisable, such reserves shall be distributed to the Members or their assigns in the manner set forth in Section 10.02(b) below.

(b) After paying such liabilities and providing for such reserves, and after adjusting the Capital Accounts of the Members for all items of income, gain, loss and deduction, such liquidator shall cause the remaining net assets of the Company to be distributed to and among the Members in accordance with their respective positive Capital Account balances.

10.03 **No Conversion of Company.** Notwithstanding anything herein to the contrary, the Company shall not convert to a corporation or any other entity without the unanimous written Consent of the Members.

ARTICLE XI

12.04 **Partition.** The Members hereby agree that no Member nor any successor-in-interest to any Member, shall have the right while this Agreement remains in effect to have any property of the Company partitioned, or to file a complaint or institute any proceeding at law or in equity to have any property of the Company partitioned, and each Member, on behalf of himself or itself, his or its successors, representatives, heirs, and assigns, hereby waives any such right. Interest Accrued under Acquisition Loans ***	750,000	3,618,750	7,316,786	11,418,592	15,796,012	(1)x(2)=(3)

* The Acquisition Loan Balance includes the FMV of Clark equity at the time of distribution.

** Cost of Capital is 12% through 12/31/07, and is set at Clark's Cost of Capital rate thereafter, which is assumed to be 12% for purposes of this example.

*** Accrued interest is assumed to be distributed to Clark, and is therefore not added to the acquisition loan balance. For purposes of these examples, the Clark Acquisition Loan Balance is treated as if all of it had been advanced on January 1. In practice, the Clark Acquisition Loan Balance will grow during the course of a Fiscal Year and interest thereon will have to be accounted for accordingly based on the adjusting balance.
