INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

This Information Statement is being mailed on or about July 24, 2006 to all stockholders of record of MANGAPETS INC., a Delaware corporation ("Corporation"), as of the close of business on July 18, 2006. It is being furnished in connection with the adoption of a certain amendment to the Corporation's certificate of incorporation by written consent of the holders of a majority of the outstanding shares of common stock. We anticipate that the amendment will become effective on or after August 21, 2006. A copy of the amendment to our certificate of incorporation is attached to this document as Exhibit A.

On May 5, 2006 the Corporation's board of directors adopted resolutions proposing and declaring advisable an amendment to our certificate of incorporation. Specifically, the board of directors proposed that the Corporation change its name from "MANGAPETS INC." to "GLOBAL GAMING HOLDINGS INC." and to consolidate the Corporation's capital structure on a two (2) for one (1) basis reducing the Corporation's issued and outstanding shares as of May 5, 2006 from fifteen million eight hundred and fifty six thousand, one hundred and ninety two (15,856,192) shares to seven million nine hundred and twenty eight thousand and ninety six (7,928,096) shares.

On July 18, 2006, the holders of a majority of the outstanding shares of the Corporation's common entitled to vote thereon executed a written consent in accordance with Section 228 of the General Corporation Law of the State of Delaware and Article I, Section 7 of the Corporation's bylaws to approve and adopt an amendment to its certificate of incorporation. Our board of directors decided to obtain the written consent of holders of a majority of the outstanding common stock entitled to vote on the amendment in order to eliminate the cost and delay involved in holding a special meeting of the Corporation's stockholders and in order to amend our certificate of incorporation in a timely manner.

The record date for purposes of determining the stockholders entitled to vote and to whom this Information Statement is to be sent is July 15, 2006. As of the record date, we had 15,856,192 shares of common stock issued and outstanding and entitled to vote on the amendments, with each share of common stock entitled to one vote. The holders of 8,264,425 shares of the issued and outstanding common stock, representing approximately 52% of the votes entitled to be cast with regard to the amendment, approved the amendment by written consent.

Pursuant to regulations promulgated under the Securities Exchange Act of 1934, as amended, the amendments may not be effected until at least 20 calendar days after this Information Statement is sent or given to the Corporation's stockholders. We anticipate that the amendment will become effective on or after August 21, 2006 upon filing with the Delaware Secretary of State.

There will not be a meeting of stockholders and none is required under the Delaware General Corporation Law because this action has been approved by written consent of the holders of a majority of the outstanding shares of our voting common stock. Under Section 228 of the Delaware General Corporation Law and Section 14(c) of the Securities Exchange Act of 1934, as amended, we are required to provide prompt notice of the taking of corporate action without a meeting to our stockholders of record who have not consented in writing to this action. This Information Statement is intended to provide you with the required notice.

AMENDMENTS TO THE CERTIFICATE OF INCORPORATION

NAME CHANGE TO GLOBAL GAMING HOLDINGS INC.

The Corporation's board of directors and the stockholders holding a majority of the voting power of its common stock have approved the change of our corporate name from "MANGAPETS INC." to "GLOBAL GAMING HOLDINGS INC." by means of an amendment to the Corporation's certificate of incorporation. The corporate name change will become effective upon the filing of an amendment to the Corporation's certificate of incorporation with the Delaware Secretary of State, which is expected to occur as soon as is reasonably practicable on or after the twentieth (20th) day following the mailing of this Information Statement to our stockholders.

REASONS FOR NAME CHANGE

The primary purpose for changing the Corporation's name is to move it away from the identification of the Corporation's business with the development of the MangaPets internet web portal and establish a new broad based name identification that would lend itself to the wide range of business opportunities in which the Corporation is currently involved. The name change will not involve any change in management's plan to continue to seek out new business opportunities either through merger or acquisition.

The voting and other rights that accompany the Corporation's securities will not be affected by the change in our corporate name. However, both our ticker symbol, which is "MPTS," and our CUSIP number will change as a result of the Corporation's name change. Stockholders may, but need not, exchange their certificates to reflect the change in corporate name and CUSIP number. Your existing certificate or certificates will continue to represent shares of the Corporation's common stock as if its name had not changed. The Corporation's transfer agent will issue stock certificates with its new name as stock certificates are sent in upon transfers of shares by our existing stockholders. Until you sell or otherwise transfer your shares of common stock, there is no need to send our transfer agent or us your existing stock certificates.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the outstanding shares of common stock is required for approval of the amendment to the certificate of incorporation under the Corporation's certificate of incorporation. The Corporation has obtained this approval through the written consent of stockholders owning a majority of the outstanding voting shares of its common stock. Therefore, a special meeting of the stockholders to approve the name change and the amendment to the certificate of incorporation is unnecessary and will not take place for this purpose. A copy of the amendment is attached to this Information Statement as Exhibit A.

TWO TO ONE CONSOLIDATION

The Corporation's board of directors and the stockholders holding a majority of the voting power of its common stock have approved the consolidation of the Company's capital structure on a two (2) to one (1) basis which reduction would reduce the Corporation's issued and outstanding shares as of May 5, 2006 from fifteen million eight hundred and fifty six thousand, one hundred and ninety two (15,856,192) shares to seven million nine hundred and twenty eight thousand and ninety six (7,928,096) shares.

ABSENCE OF DISSENTERS' RIGHTS

No dissenters' or appraisal rights are available to our stockholders under the Delaware General Corporation Law in connection with the amendment.

REASONS FOR THE REVERSE SPLIT

The primary purpose of a reverse stock split is to combine the outstanding shares of common stock so that the common stock outstanding after the reverse split trades at a significantly higher price per share than it did before the reverse split.

The closing bid price for the common stock on May 5, 2006, was \$1.87 per share. The Over the Counter Bulletin Board does not require any minimum share price for shares to be quoted on it. However, the Corporation believes that such a low quoted market price per share

- may discourage potential new investors,
- increases market price volatility and
- reduces the liquidity of the common stock.

The Corporation believes that the current per share price level of our common stock has reduced the effective marketability of the shares because many leading brokerage firms are reluctant to recommend low priced stock to their clients. Some investors view low-priced stock as unattractive because of the greater trading volatility sometimes associated with these stocks. In addition, a variety of brokerage house policies and practices relating to the payment of brokerage commissions make the handling of low priced stocks unattractive to brokers from an economic standpoint.

In addition, since brokerage commissions on low-priced stock are generally higher as a percentage of the stock price than commissions on higher priced stock, the current share price of the common stock means that stockholders are paying higher transaction costs than they would pay if the share price were substantially higher. The relatively high commission costs also may limit the willingness of institutions to purchase the common stock at its current low share price.

For all the above reasons, the Corporation believes that a reverse stock split is in the best interests of both the Corporation and its stockholders. The Corporation expects that after a reverse stock split, the common stock will trade at a price significantly higher than the current market price of the common stock. However, the Corporation cannot give any assurance that it will trade at ten times the market price before the reverse stock split.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the outstanding shares of common stock is required for approval of the consolidation. The Corporation has obtained this approval through the written consent of stockholders owning a majority of the outstanding voting shares of its common stock. Therefore, an extraordinary meeting of the stockholders to approve the consolidation is unnecessary and will not take place for this purpose.

ABSENCE OF DISSENTERS' RIGHTS

No dissenters' or appraisal rights are available to our stockholders under the Delaware General Corporation Law in connection with the consolidation.
