FORWARD-LOOKING STATEMENTS

This prospectus includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections of future events. These forward-looking statements are subject to risks, uncertainties and assumptions about our business. You should consider any forward-looking statements in light of the risks and uncertainties described under “Risk Factors” and elsewhere in the information contained or incorporated by reference in this prospectus. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the future events described in this prospectus may not occur.

ENFORCEABILITY OF CERTAIN CIVIL LIABILITIES

We are a public company incorporated under the laws of the Republic of South Africa. All except one of our directors and officers, and the experts named herein, reside outside the United States, principally in South Africa. You may not be able, therefore, to effect service of process within the United States upon those directors and officers with respect to matters arising under the federal securities laws of the United States.

In addition, substantially all of our assets and the assets of our directors and officers are located outside the United States. As a result, you may not be able to enforce against us or our directors and officers judgments obtained in US courts predicated on the civil liability provisions of the federal securities laws of the United States.

We have been advised by our South African counsel, Taback and Associates (PTY) Ltd., that there is doubt as to the enforceability in South Africa of civil liabilities based on federal or state securities laws of the United States, either in original actions or in actions for enforcement of judgments of US courts.

NON-GAAP FINANCIAL MEASURES

In this registration statement and in documents incorporated by reference herein, we present financial items such as “total cash costs”, “total cash costs per ounce”, “total production costs” and “total production costs per ounce” that have been determined using industry standards promulgated by the Gold Institute and are not measures under generally accepted accounting principles in the United States (“US GAAP”) or under generally accepted accounting principles in the United Kingdom (“UK GAAP”). An investor should not consider these items in isolation or as alternatives to any measure of financial performance presented in accordance with US GAAP or UK GAAP either in this document or in any document incorporated by reference herein. In addition, in this registration statement, we present terms such as “total production costs per ounce” as used by Ashanti. The term “total cash costs”, used by AngloGold, is not equivalent to the term “cash operating costs”, used by Ashanti, and the term “total production costs per ounce”, as used by AngloGold, is not equivalent to the same term as used by Ashanti. An investor should not assume that non-GAAP financial measures used by Ashanti have the same meanings as identical or similar measures used by AngloGold, even if both are contained herein.

While the Gold Institute has provided definitions for the calculation of “total cash costs”, “total cash costs per ounce”, “total production costs” and “total production costs per ounce”, the definitions of certain non-

GAAP financial measures included herein may vary significantly from those of other gold mining companies, and by themselves do not necessarily provide a basis for comparison with other gold mining companies. However, AngloGold believes that total cash costs and total production costs in total by mine and per ounce by mine are useful indicators to investors and management of a mine's performance as they provide:

- an indication of a mine's profitability, efficiency and cash flows;
- the trend in costs as the mine matures; and
- an internal benchmark of performance to allow for comparison against other mines.

A reconciliation of total production costs to cash operating costs, as included in Ashanti's audited financial statements for each of the two years in the period ended December 31, 2003, is included in a Form 6-K submitted to the United States Securities and Exchange Commission (the "SEC") by AngloGold on March 19, 2004.

THE COMPANY

We are one of the world's largest gold producers by volume of gold produced, with extensive reserves and production of approximately 5.62 million ounces of gold in 2003 (without giving effect to our combination with Ashanti Goldfields Company Limited, or Ashanti). With our corporate headquarters in Johannesburg, we draw our production from four continents. Our operations comprise open-pit and underground mines and surface reclamation plants in Argentina, Australia, Brazil, Mali, Namibia, South Africa, Tanzania and the United States, and we conduct exploration activities in these countries (except Namibia) as well as in Canada, Mongolia and Peru. We are also involved in sustaining and growing the market for our product. Ashanti has interests in major gold mines in Ghana, Guinea, Tanzania and Zimbabwe. In 2003, Ashanti's attributable gold production was 1.53 million ounces.

On August 4, 2003, we entered into a transaction agreement with Ashanti to acquire all of its issued and outstanding share capital. We expect to complete the transaction in April 2004. On a combined basis with Ashanti we will have 83.8 million ounces of attributable proven and probable reserves (based on AngloGold's and Ashanti's reported reserves as of December 31, 2003).

We were incorporated in South Africa in 1944 as Vaal Reefs Exploration and Mining Company Limited and have operated as AngloGold Limited since March 30, 1998. We will operate as AngloGold Ashanti upon the completion of our combination with Ashanti.

ASHANTI COMBINATION

Under the terms of the transaction agreement entered into between AngloGold and Ashanti, each Ashanti security holder will receive either 0.29 AngloGold ordinary shares or 0.29 AngloGold ADSs for each Ashanti share, Ashanti global depositary security or 100 Ashanti Zimbabwe depositary receipts held. In connection with our combination with Ashanti, we will issue approximately 38.5 million ordinary shares (or share equivalents) to these security holders, including 10,440,000 AngloGold ordinary shares to Lonmin Plc (or "Lonmin"), the selling shareholder. In addition, in exchange for certain regulatory undertakings, including an agreement to extend the term of the mining lease relating to Ashanti's Obuasi mine until 2054, we will issue approximately 2.7 million shares and pay approximately US\$10 million to the Government of Ghana. Based on the share capital of Ashanti and AngloGold at March 15, 2004, on completion of the combination, holders of AngloGold securities will own approximately 84.6% and holders of Ashanti securities (including the Government of Ghana in its role as regulator) will own approximately 15.4% of AngloGold Ashanti.

USE OF PROCEEDS

Lonmin will receive all of the proceeds from the sale of ordinary shares pursuant to this prospectus. We will not receive any of the proceeds from these sales.

DESCRIPTION OF ASHANTI

Overview

Ashanti is engaged in the mining and processing of gold ores and the exploration and development of gold properties in Africa and in hedging activities in connection with its gold production. Ashanti has interests in major gold mines in Ghana, Guinea, Tanzania and Zimbabwe. In 2003, Ashanti's attributable gold production was 1.53 million ounces. As at December 31, 2003, Ashanti had proven and probable contained gold reserves of approximately 20.7 million ounces on an attributable basis.

Summary Operating Data

The following table presents summary consolidated operating data for Ashanti, based on Ashanti's audited consolidated financial statements for the two years ended December 31, 2003.

Operating data for Ashanti	Year ended December 31,	
	2002	2003
Gold production (thousand ounces)	1,622	1,604
Attributable gold production (thousand ounces)	1,554	1,528
Cash operating costs (US\$ million)	323.1	356.3
Cash operating costs per ounce (US\$/oz) ⁽¹⁾	199	222
Total production costs per ounce (US\$/oz) ⁽²⁾	269	295
Capital expenditure (million US\$)	64.5	83.0

Notes:

- (1) Cash operating costs per ounce is a measure of the average cost of producing an ounce of gold, calculated by dividing the total cash operating costs in a period by the total gold production over the same period.
- (2) Total production costs per ounce is a measure of the average cost of producing an ounce of gold, calculated by dividing the production costs in a period by the gold production over the same period; total production costs per ounce represents cash operating costs per ounce, plus royalties, depreciation, depletion and amortization, employee severance costs and rehabilitation and other non-cash costs; total production costs per ounce is a non-GAAP measure of financial performance and should not be considered by investors in isolation or as alternatives to operating costs per ounce, total costs or any other measure of financial performance presented in accordance with GAAP or as an indicator of Ashanti's performance. The calculation of total production costs per ounce may vary significantly among gold mining companies. However, Ashanti believes that total production costs per ounce provides a useful indicator to investors and management of performance including: (i) an indication of profitability and efficiency; (ii) the trend in costs as mines mature; (iii) a measure of gross margins per ounce, by comparison of the total production costs per ounce to the price of gold; and (iv) an internal benchmark of performance to allow for comparison against other mines. A reconciliation of total production costs per ounce to cash operating costs per ounce as included in Ashanti's audited financial statements for the two-year period ended December 31, 2003, is included in a Form 6-K submitted to the SEC by AngloGold Limited on March 19, 2004; see documents listed in "Incorporation By Reference". See also "Non-GAAP Financial Measures" above.

Reserves

The following table sets out Ashanti's attributable Proven and Probable Ore Reserves as reported by Ashanti in its annual accounts for the year ended December 31, 2003. The information on Proven and Probable Ore Reserves refers to Ashanti's attributable interest. These Ore Reserves have been estimated in compliance with the Australasian Code for Reporting of Mineral Resources and Ore Reserves (the "JORC Code"), are reported in accordance with the requirements of the SEC Industry Guide 7 and do not take into account metallurgical losses. The principles applied to the determination of the reserves as reported by Ashanti are set out below.

Cut-off grades are applied to geological data when assessing mineralized material in order to ensure that material never likely to be economic is not included in the reserves. The tonnage, grade and contained gold profiles for each deposit are interrogated at various cut-off grades to enable the engineers to clearly understand the characteristics of the mineralization and to focus on developing exploitation strategies that will optimize the net present value of the deposits. The cut-off grade that Ashanti has chosen for reporting purposes is the lowest grade that can be exploited at break-even for the highest envisaged gold price.

Classification of proven and probable reserves is based on a number of criteria including drill density, geological continuity, integrity of the data, ore accessibility and economic parameters.

The costs used in evaluating the economic operating profile for each ore block are based on actual costs incurred in the operation over the past year adjusted wherever appropriate for any inflation and exchange rate variances forecast for the coming year or cost decreases due to productivity improvements. Where new projects are concerned, the costs are based on actual materials prices, labor costs and engineering feasibility design parameters and are benchmarked wherever practical with similar operations elsewhere within the Ashanti group of companies or with peer operators nationally or internationally.

The grade estimate is inclusive of adjustments for mining dilution and ore losses during mining.

Future metal prices used for estimating purposes are decided upon by Ashanti, based on information taken from internationally respected gold price analysts.

General Description of Operations

The gold mining operations of Ashanti are Obuasi, Bibiani and Iduapriem/Teberebie in Ghana, Siguiri in Guinea, Geita in Tanzania and Freda-Rebecca in Zimbabwe.

Obuasi. Ashanti's oldest mine and largest reserve is located at Obuasi in the Ashanti region of Ghana. Ashanti has a 100% interest in the Obuasi mine. Gold mining has been conducted at this site for over 100 years and during that period, records show that Obuasi has to date produced approximately 28 million ounces of gold. Most production at Obuasi is from its underground mine, but there is also production from open-pit and tailings retreatment operations. The Obuasi mine site has separate sulphide, oxide and tailings treatment plants. Obuasi produced 513,163 ounces of gold, principally from underground operations, in the year ended December 31, 2003, compared with 537,219 ounces for the year ended December 31, 2002.

Bibiani. The Bibiani open-pit mine is located in the Western Region of Ghana, 90 kilometers west of Kumasi. Ashanti acquired Bibiani in 1996 when it acquired International Gold Resources Corporation ("IGR"), a Canadian-listed company, and Ghana Libyan Arab Mining Company Limited ("GLAMCO"). Ashanti has a 100% interest in the Bibiani mine. Gold production for the year ended December 31, 2003 was 212,716 ounces compared with 242,432 ounces for the year ended December 31, 2002. The main open-pit operations are scheduled to be completed in 2004, once the remaining open-pit ore reserve is completely mined out. Development of a decline ramp system for the exploration and possible development of an underground mining operation at Bibiani has commenced.

Iduapriem/Teberebie (attributable 80/90%). The Iduapriem open-pit mine, which is owned by Ghanaian Australian Goldfields Limited ("GAG"), is located in the Western Region of Ghana some 70 kilometers north of the coastal city of Takoradi, and 10 kilometers south west of Tarkwa. Ashanti acquired an 80% interest in the Iduapriem mine in 1996 when it acquired GAG's holding company. In June 2000, Ashanti acquired the entire issued share capital of Pioneer Goldfields Limited, which owns 90% of Teberebie Goldfields Limited (being the company which owns the mining lease to the Teberebie open-pit mine located adjacent to Iduapriem). The acquisition of the Teberebie reserves should extend the Iduapriem mine's life to approximately 2012. Ore is treated at these mines by heap leach or CIL methods. In the year ended December 31, 2003, Iduapriem/Teberebie produced 243,533 ounces of gold compared with 185,199 ounces of gold for the year ended December 31, 2002. The higher gold production was due to the increased mill throughput resulting from the upgrade of the processing plant during 2003. Installation of an additional ball mill and a new crusher is anticipated to commence during 2004 which will further increase mill capacity.

Ayanfuri. Ashanti acquired the Ayanfuri mine, located in the Central Region of Ghana, in 1996. Ayanfuri had exhausted substantially all of its gold reserves by December 31, 2000. Ashanti is currently implementing a mine closure plan under Obuasi mine management control.

Siguiri (attributable 85%). The Siguiri open-pit gold mine is located in the Siguiri District in the northeast of the Republic of Guinea, West Africa, approximately 850 kilometers from the capital city of Conakry. The nearest important town is Siguiri (approximately 50,000 inhabitants), located on the banks of the Niger River. Ashanti owns 85% of the Siguiri gold mine and the Government of Guinea owns the remaining 15%. Ashanti acquired its interest in Siguiri in 1996. The mine commenced operations in the first quarter of 1998. Production for the year ended December 31, 2003 was 252,795 ounces of gold compared with 269,292 ounces of gold for the year ended December 31, 2002. Between 2000 and 2002, production and cash operating costs were impacted by lower than expected metallurgical recovery from the material stacked during that time as well as by higher haulage and rehandling unit costs as a result of a decision to mine higher grade than planned material further from the mine. Construction of the CIP expansion project, which was suspended during 2003 due to irreconcilable differences with the engineering and construction contractor, was recommenced in the fourth quarter of 2003, following the appointment of a new contractor and the approval of the Ashanti Board in October 2003. This project, at a capital cost currently estimated to be approximately US\$75 to US\$80 million, is anticipated to be commissioned in the fourth quarter of 2004 to the first quarter of 2005.

Geita (attributable 50% prior to the combination, 100% following implementation of the combination). The Geita open-pit mine is situated in north-western Tanzania approximately 90 kilometers from the regional capital of Mwanza and 20 kilometers south of Lake Victoria in an area known as the Lake Victoria Goldfields. The operation is currently owned and operated by Ashanti and AngloGold in a joint venture following our purchase of a 50% interest in December 2000. The mine was commissioned in June 2000 and produced a total of 176,836 ounces of gold during the year 2000. In 2003, the Geita mine produced a total of 661,045 ounces of gold compared with 579,043 ounces for the year ended December 31, 2002. After the combination between us and Ashanti is completed, Geita will be wholly-owned and operated by us and will be 100% attributable to us. The Geita mine comprises a crusher, SAG and ball mill grinding circuit, a gravity circuit and a 14-tonne stripping plant.

Freda-Rebecca. Ashanti acquired the Freda-Rebecca mine in 1996. The mine is located at Bindura in Zimbabwe. Ashanti now conducts underground mining operations at Freda-Rebecca as the open-pits were mined out in 1998. The life of mine plan currently projects mining until approximately 2007 at current

production rates. In 2003, Freda-Rebecca produced 51,091 ounces of gold compared with 98,255 ounces in 2002.

Notes:

- (1) Ashanti owns an 80% interest in Iduapriem and a 90% interest in Teberebie.
- (2) Ashanti owns an 85% interest in Siguiri. The Government of Guinea owns the remaining 15% interest at Siguiri. However, the Government of Guinea's interest is a free carry interest and, as a result, the Government of Guinea does not contribute to capital expenditure at Siguiri.
- (3) Ashanti owns a 50% interest in Geita (since 2000). The remaining 50% is owned by AngloGold.
- (4) Cash operating costs per ounce is a measure of the average cost of producing an ounce of gold, calculated by dividing the total cash operating costs in a period by the total gold production over the same period.
- (5) Total production costs per ounce is a measure of the average cost of producing an ounce of gold, calculated by dividing the production costs in a period by the gold production over the same period; total production costs per ounce represents cash operating costs per ounce, plus royalties, depreciation, depletion and amortization, employee severance costs and rehabilitation and other non-cash costs; total production costs per ounce is a non-GAAP measure of financial performance and should not be considered by investors in isolation or as alternatives to operating costs per ounce, total costs or any other measure of financial performance presented in accordance with GAAP or as an indicator of Ashanti's performance. All expenses incurred with respect to the registration of the ordinary shares owned by Lonmin will be borne by us, but we will not be obligated to pay any commissions, fees,

discounts or expenses of any underwriter, broker, dealer or agent in connection with or incident to the sale of any of Lonmin's shares.

This offering will terminate on the earlier of (1) the first year anniversary of the date on which Lonmin receives the ordinary shares or (2) the date on which all ordinary shares offered by this prospectus have been sold by Lonmin.

During the three-year period preceding the filing date of this registration statement, a director of Lonmin has served on the board of directors of Ashanti. Currently, Edward Haslam, Lonmin's chief executive officer, is a director of Ashanti. Mr. Haslam has announced his intention to retire from his position as Lonmin's chief executive officer on reaching retirement age in April 2004.

Sam Jonah, the chief executive officer of Ashanti, is currently a non-executive director of Lonmin. Mr. Jonah was an executive director of Lonmin until February 28, 2003, at which time he became employed directly by a subsidiary of Ashanti and became a non-executive director of Lonmin.

In July 2001, certain subsidiaries of Lonmin (together comprising the Lonmin platinum division) entered into a joint venture with Anglo American Platinum Corporation Limited ("Anglo Platinum"), a subsidiary of Anglo American plc, in relation to the mining of certain areas in the Northwest Province of South Africa, known as the Pandora Joint Venture. Under the terms of the joint venture, the initial capital in the joint venture was contributed as to 60% by the Lonmin group and 40% by Anglo Platinum. Thereafter, capital has been contributed equally by both parties and both parties are equal participants, with a minority stake being held by various black empowerment partners.

On June 28, 2002 Lonmin subscribed for US\$75 million of Mandatorily Exchangeable Notes ("MENs") issued by Ashanti Capital Second Limited, a subsidiary of Ashanti. On completion of the combination of Ashanti and AngloGold, the MENs will be redeemed together with accrued and unpaid interest in accordance with the terms of the MENs.

PLAN OF DISTRIBUTION

Lonmin (and any of its pledgees, assignees and successors-in-interest) may offer and sell the ordinary shares (or, if the ordinary shares are deposited with The Bank of New York and Lonmin receives AngloGold ADSs in exchange for the ordinary shares, such AngloGold ADSs) at various times and from time to time on any stock exchange, market or trading facility on which the shares or ADSs are traded or in private transactions. These sales may be at market prices then prevailing, at prices related to prevailing market prices, at negotiated prices or at fixed prices. Without limiting the generality of the foregoing, Lonmin may use any one or more of the following methods when selling shares or ADSs:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the date of this prospectus;
- broker-dealers may agree with the selling shareholder to sell a specified number of such shares at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- by pledge to secure debts or other obligations;
- by an underwritten public offering;
- in a combination of any of the above; or

- any other method permitted pursuant to applicable law.

In addition, Lonmin may sell any ordinary shares that qualify for sale under Rule 144 or Rule 145(d) under the Securities Act in transactions complying with Rule 144 or Rule 145(d), as applicable, rather than pursuant to this prospectus. Lonmin will act independently of us in making decisions with respect to the timing, manner and size of each sale. We will not receive any proceeds from the sale of ordinary shares by Lonmin.

In order to comply with the securities laws of certain states, if applicable, the ordinary shares or ADSs may be sold only through registered or licensed brokers or dealers. In addition, in certain states, the ordinary shares or ADSs may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and its requirements are met.

Broker-dealers engaged by Lonmin may arrange for other broker-dealers to participate in sales. Broker-dealers will either receive discounts or commissions from Lonmin, or they will receive commissions from purchasers of ordinary shares for whom they have acted as agents. Neither we nor Lonmin can presently estimate the amount of this type of compensation. We know of no existing arrangements between Lonmin, any other shareholder, broker, dealer, underwriter or agent relating to the sale or distribution of the ordinary shares.

Lonmin may also sell ordinary shares or ADSs short and deliver securities covered by this prospectus to close out its short positions, or loan or pledge the securities covered by this prospectus to broker-dealers that in turn may sell these securities. Lonmin may also enter into options, swaps, derivatives or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of the securities covered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemental or amended to reflect such transaction).

Lonmin and any broker-dealers who act in connection with the sale of the ordinary shares or ADSs might be deemed to be “underwriters” within the meaning of the Securities Act, and any commissions they receive and proceeds of any sale of ordinary shares or ADSs might be deemed to be underwriting discounts and commissions under the Securities Act. These broker-dealers may be acting as brokers, as principals in a riskless principal transaction or as principals engaging in a distribution of the ordinary shares. If there is a material change to the plan of distribution described here, we will file a prospectus supplement or a post-effective amendment to this prospectus, as appropriate, including, if appropriate, naming the broker-dealers acting as underwriters.

We will pay all of the expenses in connection with or incident to the registration of the ordinary shares or ADSs. We shall not be responsible for any commissions, fees, discounts or expenses of underwriters, broker-dealers or agents or any counsel thereto or any expenses incurred by Lonmin related to the sale or offering of the ordinary shares or ADSs, including the expenses of Lonmin’s counsel. We have also agreed to indemnify Lonmin and related persons against liabilities related to the ordinary shares or ADSs, including liabilities related to the offer and sale of these ordinary shares or ADSs under the Securities Act.

We have advised Lonmin that while it is engaged in a distribution of the ordinary shares or ADSs included in this prospectus it is required to comply with Regulation M promulgated under the Securities Exchange Act of 1934. With limited exceptions, Regulation M precludes Lonmin, any affiliated purchasers and any broker-dealer or other person who participates in the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase, any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing might affect the marketability of the ordinary shares offered.

This offering will terminate on the earlier of (1) the first year anniversary of the date on which Lonmin receives the ordinary shares or (2) the date on which all ordinary shares offered by this prospectus have been sold by Lonmin.

We may suspend sales under this prospectus in some situations. Upon receipt of written notice from us, Lonmin must cease using this prospectus until we file and deliver to it a revised prospectus, or until we advise Lonmin that the current prospectus may still be used and deliver to it any documents we have submitted to be incorporated by reference in the current prospectus. If we suspend sales under this prospectus, we will use our reasonable efforts to cause the use of the prospectus to be resumed as soon as reasonably practicable after the expiration of such a suspension period. We have agreed with Lonmin that we will not exercise our right to delay sales of ordinary shares held by Lonmin on more than three occasions and in no event for more than 90 days during the effective period of the registration statement.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 8. Indemnification of Directors and Officers

Section 247 of the South African Companies Act 61 of 1973, as amended (“the SA Companies Act”), provides that any provision, whether contained in a company’s articles of association or in any contract with the company, which purports to exempt any director or officer or auditor of the company from any liability which by law would otherwise attach to him in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the company or to indemnify him against any such liability, shall be void. This provision is subject to two qualifications: (i) the stipulation does not apply to insurance taken out and kept by the company as indemnification for the benefit of the company against any liability of any director or officer towards the company in respect of any negligence, default, breach of duty or breach of trust; and (ii) a company may indemnify a director, officer or auditor in respect of any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour, or in which he is acquitted, or in respect of any such proceedings which are abandoned, or in connection with which any application under section 248 of the SA Companies Act in which relief is granted to him by the court.

Section 248 of the SA Companies Act allows the court to relieve any director, officer or auditor of a company either wholly or partly from his liability if it appears to the court that the person concerned is or may be liable in respect of his negligence, default, breach of duty or breach of trust, but that he has acted honestly and reasonably, and that, having regard to all the circumstances of the case, he ought fairly to be excused from the negligence, default, breach of duty or breach of trust.

Our articles of association provide that, subject to the provisions of Section 247 of the SA Companies Act, every director, manager, secretary and officer of the company shall be indemnified out of the funds of the company against all liabilities incurred by him as such director, manager, secretary or officer in defending any proceedings, whether civil or criminal, in which judgment is given in his favour, or in which he is acquitted, or in connection with which any application under Section 248 of the SA Companies Act in which relief is granted to him by the court.

We have purchased directors’ and officers’ liability insurance.

Item 10. Undertakings

- (a) The undersigned registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the “Securities Act”);
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) that are incorporated by reference in this registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act, as amended, need not be furnished, *provided*, that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to registration statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act or Rule 3-19 of Regulation S-K if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Form F-3.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant’s annual reports pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

WHEREAS, concurrently herewith, AngloGold and Ashanti Goldfields Company Limited, a publicly listed company incorporated under the laws of the Republic of Ghana (the “Company”), are entering into a Transaction Agreement (the “Transaction Agreement”), which contemplates a business combination transaction between AngloGold and the Company, subject to the terms and conditions thereof, pursuant to a scheme of arrangement (the “Scheme”) between the Company and its members under Section 231 of the Ghana Companies Code, 1963 (Act 179), as amended;

WHEREAS, Lonmin is the legal and beneficial owner of 36,000,000 ordinary shares, no par value per share, of the Company (the “Company Shares” and, together with any other securities of the Company or its subsidiaries of which legal or beneficial ownership is held or hereafter acquired by Lonmin, the “Company Securities”);

WHEREAS, the approval of the Scheme by the requisite majority of the members of the Company is a condition to the obligations of AngloGold and the Company to consummate the Scheme under the Transaction Agreement;

WHEREAS, concurrently herewith, AngloGold and Lonmin are entering into a Shareholder Support Deed of Agreement (the “Deed”), which provides, among other things, for Lonmin to vote the Company Securities in favor of the approval of the Scheme and any other matters relating to the consummation of the transaction contemplated by the Transaction Agreement or, if AngloGold commences a tender offer for the Company, for Lonmin to tender all of the Company Securities into such tender offer, as the case may be;

WHEREAS, upon the effectiveness of the Scheme (or in any tender offer for the Company, as the case may be), Lonmin will receive AngloGold Shares (such securities, together with any securities received as a distribution or dividend thereon, the “Lonmin AngloGold Shares”) in accordance with the terms of the Scheme (or the tender offer, as the case may be);

WHEREAS, it is the objective to enable Lonmin to sell the Lonmin AngloGold Shares in the United States immediately following the Effective Date (as defined herein) through transactions registered under the Securities Act (as defined herein) and to provide for the orderly marketing and distribution of such sales both in the United States and/or outside the United States;

WHEREAS, AngloGold and Lonmin each desire to make certain covenants and agreements concerning the sale by Lonmin of the Lonmin AngloGold Shares from time to time after the Effective Date in transactions registered under the Securities Act or in transactions exempt from registration under the Securities Act.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained herein, and intending to be legally bound hereby, AngloGold and Lonmin hereby agree as follows:

If AngloGold, or a Person identified by AngloGold, declines, or fails to deliver to Lonmin the acceptance (in form reasonably satisfactory to Lonmin) of the offer, to purchase such AngloGold Shares prior to the expiration of the Negotiation Period, Lonmin shall have the right, subject to compliance with the requirements of the Securities Act, the securities or “blue sky” laws of the various states of the United States, any securities laws and applicable rules and regulations of any jurisdiction outside the United States and the terms of this Agreement, to sell in an Exempt Transaction up to the number of AngloGold Shares, and under the terms and conditions, specified in the Exempt Transaction Sale Notice and at any price, within the 20 calendar days immediately following the termination of the Negotiation Period or AngloGold declining to purchase, whichever is sooner.

(b) In connection with any Exempt Transaction, AngloGold shall procure the prompt cooperation of AngloGold’s transfer agent and the depository in respect of any sponsored depository receipt facility in settling any offering or sale of Registered Securities, including with respect to the furnishing of unlegended share certificates and the transfer of physical stock certificates into book-entry form and the deposit of Registered Securities into such facility, as reasonably necessary to expedite or facilitate the offer and sale by Lonmin of Registered Securities in such Exempt Transaction.

5. Registration Procedures. In order to effect the sale by Lonmin of Registered Securities in accordance with the terms of Section 4.1 hereof, AngloGold will do the following:

5.1 Business Combination Transaction Registered with the SEC.

(a) If AngloGold registers with the SEC the AngloGold Shares to be issued to members of the Company in the transaction contemplated by the Transaction Agreement on a registration statement on Form F-4 under the Securities Act (the “Form F-4”), AngloGold shall register on such Form F-4 the resale by Lonmin of all Registered Securities.

(b) As promptly as reasonably practicable (and in any event within ten Business Days) after the Effective Date, AngloGold shall prepare and file with the SEC a post-effective amendment to the Form F-4 (the “Post-Effective Amendment”). The Post-Effective Amendment shall be filed on a Form F-3 or another appropriate form under the Securities Act and shall (upon becoming effective) permit the sale by Lonmin of Registered Securities from time to time on a delayed or continuous basis in accordance with Rule 415 under the Securities Act.

(c) AngloGold shall use reasonable endeavours to cause such Post-Effective Amendment to become effective as promptly as reasonably practicable.

5.2 Business Combination Transaction Exempt from Registration under Section 3(a)(10).

(a) If AngloGold does not register with the SEC the AngloGold Shares to be issued to members of the Company in the transaction contemplated by the Transaction Agreement due to the receipt of a no-action letter in relation to the availability of an exemption from registration provided by Section 3(a)(10) of the Securities Act, AngloGold shall prepare

and file contemporaneously with, or as promptly as reasonably practicable (and in any event within ten Business Days) after the date of, posting the Scheme documentation to members of the Company as contemplated by the Transaction Agreement, a registration statement on Form F-3 or another appropriate form under the Securities Act permitting (upon becoming effective) the sale by Lonmin of Registered Securities from time to time on a delayed or continuous basis in accordance with Rule 415 under the Securities Act (the “Resale Shelf” and, together with the Post-Effective Amendment, a “Shelf Registration Statement”). AngloGold may, in its sole discretion, combine the Resale Shelf with the Universal Shelf pursuant to Rule 429.

(b) AngloGold shall use reasonable endeavours to cause such Resale Shelf to become effective as promptly as reasonably practicable.

5.3 Blackout Periods.

(a) Anything in this Agreement to the contrary notwithstanding, AngloGold shall be entitled to postpone, delay or suspend any sale of Registered Securities pursuant to a Registration Statement or defer compliance with its obligations under this Agreement to keep a Registration Statement effective and current for a reasonable period of time, not to exceed 45 calendar days in the case of clauses (i) and (ii) below, or 30 calendar days in the case of clause (iii) below (unless the information relates to an event described in clause (i) or (ii) of this subsection (a), in which case a 45 calendar day limitation shall apply) (each, a “Blackout Period”), if AngloGold shall determine that any such sale of Registered Securities or compliance with its obligation to keep a Registration Statement effective and current would (i) in the good faith judgment of the board of directors of AngloGold, impede, delay or otherwise interfere with any pending or contemplated financing, acquisition, corporate reorganization or other similar transaction involving AngloGold, (ii) based upon advice from AngloGold’s financial advisor, adversely affect any pending or contemplated offering or sale of any class of securities by AngloGold, or (iii) require disclosure of material nonpublic information which, if disclosed at such time, would be materially harmful to the interests of AngloGold and its shareholders (“contemplated transaction” for purposes of this Section 5.3 shall mean a specific transaction that has been submitted to the Investment Committee of AngloGold which committee shall have approved continuation of work on such transaction with a bona fide view to ultimate submission to the Board of Directors of AngloGold); provided, however, that, in the case of a Blackout Period pursuant to clause (i) or (ii) above, the Blackout Period shall earlier terminate upon the completion or abandonment of the relevant securities offering or sale, financing, acquisition, corporate reorganization or other similar transaction; and provided, further, that in the case of a Blackout Period pursuant to clause (iii) above, the Blackout Period shall earlier terminate upon public disclosure by AngloGold or public admission by AngloGold of such material nonpublic information or such time as such material nonpublic information shall be publicly disclosed without breach of the last sentence of this subsection (a); and provided, further, that in the case of a Blackout Period pursuant to clause (i), (ii) or (iii) above, AngloGold shall furnish to Lonmin a certificate of an executive officer of AngloGold to the effect that an event permitting a Blackout Period has occurred. Notwithstanding anything herein to the contrary, AngloGold shall not exercise its rights pursuant to this Section 5.3 more than three times during the Effective Period and in no event shall the aggregate number of calendar days subject to Blackout Periods and the number of calendar days on which use of a prospectus has been suspended pursuant to Section 5.4 (i)(v) hereof exceed 90 calendar days during the Effective Period. Upon notice by

AngloGold to Lonmin of any such determination, Lonmin covenants that it shall keep the fact of any such notice strictly confidential, and, in the case of a Blackout Period pursuant to clause (iii) above, promptly halt any offer, sale, trading or transfer by it or any of its affiliates of any Registered Securities for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by AngloGold) and promptly halt any use, publication, dissemination or distribution of any Registration Statement, each prospectus included therein, and any amendment or supplement thereto by it and any of its affiliates, in each case for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by AngloGold). After the expiration of any Blackout Period (or its earlier termination by AngloGold) and without further request from Lonmin, AngloGold shall use all reasonable endeavors to prepare and file with the SEC such amendments or supplements to such Registration Statement or prospectus used in connection therewith as may be necessary to cause such Registration Statement to become effective as promptly as reasonably practicable and to cause such Registration Statement and prospectus not to contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, in the light of the circumstances under which they were made) not misleading and to furnish to Lonmin a reasonable number of copies of such supplements or amendments, in each case as promptly as reasonably practicable.

5.4 Common Registration Procedures. In connection with the filing by AngloGold of a Registration Statement with the SEC under the Securities Act pursuant to the terms of this Agreement, AngloGold will:

- (a) at least five Business Days or such shorter period as Lonmin and AngloGold may mutually agree before filing a Registration Statement or prospectus used in connection therewith or any amendments or supplements thereto (for purposes of this subsection, amendments shall not be deemed to include any filing that AngloGold is required to make pursuant to the Exchange Act), furnish to Lonmin draft copies of all documents proposed to be filed, which documents will be subject to the reasonable review and comment of Lonmin;

(e) furnish, if it would be customary in such a transaction, if the method of distribution is by means of an underwriting, on the date that the Registered Securities are delivered to the underwriters for sale pursuant to such registration, or if such Registered Securities are not being sold through underwriters, on the date that the registration statement with respect to such Registered Securities becomes effective, (1) a signed opinion, dated such date, of the independent legal counsel representing AngloGold for the purpose of such registration, addressed to Lonmin and the underwriters, if any, as to such matters as would be customary in such a transaction; and (2) letters dated such date and the date the offering is priced from the independent certified public accountants of AngloGold and the Company, addressed to the underwriters, if any, and to Lonmin but if such accountants refuse to deliver such letters to Lonmin, then to AngloGold (i) stating that they are independent certified public accountants within the meaning of the Securities Act and that, in the opinion of such accountants, the financial statements and other financial data included in the Registration Statement or the prospectus, or any amendment or supplement thereto, comply as to form in all material respects with the applicable accounting requirements of the Securities Act and (ii) covering such other financial matters (including information as to the period ending not more than five (5) business days prior to the date of such letters) with respect to the registration in respect of which such letter is being given as would be customary in such a transaction;

(g) use all reasonable endeavors to comply with all applicable rules and regulations of the SEC, and make available to its security holders an earnings statement, as soon as reasonably practicable but in no event later than 90 days after the end of the period of twelve months commencing on the first day of any fiscal quarter next succeeding each sale by Lonmin

of Registered Securities, which earnings statement shall cover such twelve month period and shall satisfy the provisions of Section 11(a) of the Securities Act and may be prepared in accordance with Rule 158 under the Securities Act;

(h) use reasonable endeavors to cause all Registered Securities to be listed on each securities exchange or quotation system on which AngloGold Shares are listed or traded;

(i) give prompt written notice to Lonmin:

(i) when such Registration Statement or any related prospectus or any amendment or supplement thereto has been filed with the SEC and, with respect to the Registration Statement or any post-effective amendment thereto, when the same has become effective;

(ii) of any request by the SEC for amendments or supplements to the Registration Statement or the prospectus included therein or for additional information;

(iii) of the issuance by the SEC or any state securities authority of any stop order or other action suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose;

(iv) of the receipt by AngloGold of any notification with respect to the suspension of the qualification of the Registered Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) during the Effective Period, of the happening of any event which makes any statement in the Registration Statement or any post-effective amendment thereto, prospectus or any amendment or supplement thereto or any document incorporated therein by reference untrue in any material respect or which requires the making of any changes in the Registration Statement or post-effective amendment thereto or prospectus or amendment or supplement thereto so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, in the light of the circumstances under which they were made) not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made). If AngloGold notifies Lonmin to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then Lonmin shall forthwith suspend use of such prospectus and use reasonable endeavors to return to AngloGold as promptly as reasonably practicable all copies of such prospectus other than permanent file copies then in Lonmin's possession;

(j) during the Effective Period, take all lawful action to prevent the issuance or obtain the withdrawal of (i) any order suspending the effectiveness of such Registration Statement or any post-effective amendment thereto, or (ii) any suspension of the qualification of the Registered Securities for sale in any jurisdiction in which the Registered Securities have been registered or qualified for sale pursuant to subsection 5.4(d) hereof, except, in the case of (ii) hereof, if such suspension is due to events specified in subsection 5.4(d) hereof;

(k) make reasonably available for inspection by Lonmin, any underwriter participating in any offer and sale pursuant to such Registration Statement and any attorney, accountant or other agent retained by Lonmin or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of AngloGold and cause AngloGold's officers, directors and employees to supply all relevant information reasonably requested by Lonmin or any such underwriter, attorney, accountant or agent in connection with such offer and sale pursuant to such Registration Statement;

(l) in connection with any underwritten offering, make appropriate officers of AngloGold available to Lonmin for meetings with prospective purchasers of Registered Securities and prepare and present to potential investors customary "road show" material in each case as are customary in transactions of such kind or reasonably necessary in connection therewith in order to expedite or facilitate the sale of Registered Securities;

(m) procure the prompt cooperation of AngloGold's transfer agent and the depository in respect of any sponsored depository receipt facility in settling any offering or sale of Registered Securities, including with respect to the furnishing of unlegended share certificates and the transfer of physical stock certificates into book-entry form and the deposit of Registered Securities into such facility, as reasonably necessary to expedite or facilitate such offering or sale of Registered Securities; and

(n) in the event of an underwritten offering, as promptly as reasonably practicable, include in a prospectus supplement or post-effective amendment to the Registration Statement such information as the managing underwriter or underwriters reasonably agree should be included therein and to which AngloGold does not reasonably object and make all required filings of such prospectus supplement or post-effective amendment as promptly as reasonably practicable following receipt by AngloGold of such information to be included in such prospectus supplement or post-effective amendment.

(o) upon the happening of any event described in clause 5.4(i)(v) hereof, AngloGold shall, subject to any Blackout Periods pursuant to Section 5.3 hereof, use all reasonable endeavors to prepare and file with the SEC such amendments or supplements to such Registration Statement or prospectus used in connection therewith as may be necessary to cause such Registration Statement to become effective as promptly as reasonably practicable and to cause such Registration Statement and prospectus not to contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, in the light of the circumstances under which they were made) not misleading and to furnish to Lonmin a reasonable number of copies of such supplements or amendments, in each case as promptly as reasonably practicable.

It shall be a condition precedent to the obligation of AngloGold to take any action pursuant to this Agreement in respect of the Registered Securities that Lonmin shall furnish to AngloGold such information regarding the Registered Securities held by Lonmin and the intended method of sale thereof as AngloGold shall reasonably request and as shall be required in connection with the action taken by AngloGold. Lonmin shall give notice to AngloGold of any inaccuracy or change in information previously furnished by Lonmin to AngloGold or the happening of any event, which makes any statement regarding the Registered Securities held by

Lonmin and the intended method of sale thereof in a Registration Statement or any related prospectus or any amendment or supplement thereto untrue in any material respect or which requires the making of changes in such Registration Statement or any related prospectus or any amendment or supplement thereto so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, in the light of the circumstances under which they were made) not misleading; and Lonmin shall furnish to AngloGold any additional information required to correct and update any previously furnished information or required so that such Registration Statement or any related prospectus or any amendment or supplement thereto will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, in the light of the circumstances under which they were made) not misleading. .

6. Expenses. AngloGold shall pay all Registration Expenses.

7. Indemnification and Contribution.

(a) If a Registration Statement is filed by AngloGold with the SEC under the Securities Act pursuant to this Agreement, AngloGold will, and hereby agrees to, indemnify and hold harmless Lonmin, Lonmin's directors and officers, each person who participates in the offering of such Registered Securities, including underwriters (as defined in the Securities Act), and each person, if any, who controls Lonmin or any participating person within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or proceedings in respect thereof) arise out of or are based on any untrue or alleged untrue statement of any material fact contained in such Registration Statement, or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and AngloGold will, and hereby agrees to, reimburse each of Lonmin, Lonmin's directors and officers, and each such participating person or controlling person for any legal or other out-of-pocket expenses reasonably incurred by them (but not in excess of expenses incurred in respect of one counsel for all of them unless there is an actual conflict of interest between any indemnified parties, which indemnified parties may be represented by separate counsel) in connection with investigating or defending any such claim, proceeding or action; provided, however, that the indemnity agreement contained in this Section 7 shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of AngloGold (which consent shall not be unreasonably withheld); provided, further, that AngloGold shall not be liable to Lonmin, Lonmin's directors and officers, or any participating person or controlling person in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, preliminary prospectus, final prospectus or amendments or supplements thereto, in reliance upon and in conformity with written information furnished expressly for use therein by any of Lonmin, Lonmin's directors and officers, or any participating person or controlling person or by Lonmin's failure to furnish AngloGold, upon request, with the information with respect to Lonmin or any participating person, or Lonmin's intended method of

distribution, that is the subject of the untrue statement or omission or if AngloGold shall sustain the burden of proving that Lonmin or such participating person sold securities to the person alleging such loss, claim, damage or liability without sending or giving, at or prior to the written confirmation of such sale, a copy of the applicable prospectus (excluding any documents incorporated by reference therein) or of the applicable prospectus, as then amended or supplemented (excluding any documents incorporated by reference therein) if AngloGold had previously furnished copies thereof to Lonmin or such participating person, and such prospectus corrected such untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any of Lonmin, Lonmin's directors and officers, or any participating person or controlling person, and shall survive the transfer of such securities by Lonmin.

(b) If a Registration Statement is filed by AngloGold with the SEC under the Securities Act pursuant to this Agreement, Lonmin will, and hereby agrees to, indemnify and hold harmless AngloGold, each of its directors and officers, each person, if any, who controls AngloGold within the meaning of the Securities Act, and each agent and any underwriter (within the meaning of the Securities Act) against any losses, claims, damages or liabilities, joint or several, to which AngloGold or any such director, officer, controlling person, agent or underwriter may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or proceedings in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such Registration Statement or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in such Registration Statement, preliminary or final prospectus, or amendments or supplements thereto, in reliance upon and in conformity with written information furnished to AngloGold by or on behalf of Lonmin expressly for use therein; and Lonmin will, and hereby agrees to, reimburse any legal or other out-of-pocket expenses reasonably incurred by AngloGold or any such director, officer, controlling person, agent or underwriter (but not in excess of expenses incurred in respect of one counsel for all of them unless there is an actual conflict of interest between any indemnified parties, which indemnified parties may be represented by separate counsel) in connection with investigating or defending any such claim, proceeding or action; provided, however, that the indemnity agreement contained in this Section 7(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of Lonmin (which consent shall not be unreasonably withheld).

(c) If the indemnification provided for in this Section 7 from the indemnifying party is unavailable to an indemnified party hereunder in respect of any losses, claims, damages, liabilities or expenses referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and indemnified parties in connection with the actions which resulted in such losses, claims, damages, liabilities or

expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified parties shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such indemnifying party or indemnified parties, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding. If the allocation provided in this paragraph (c) is not permitted by applicable law, the parties shall contribute based upon the relevant benefits received by AngloGold from the offering of primary AngloGold Shares on the one hand and the net proceeds received by Lonmin from the sale of Registered Securities on the other.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 7(c) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(d) Any Person entitled to indemnification hereunder (the "Indemnified Party") agrees to give prompt written notice to the indemnifying party (the "Indemnifying Party") after the receipt by the Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; provided, that the failure so to notify the Indemnified Party shall not relieve the Indemnifying Party of any liability that it may have to the Indemnifying Party hereunder unless such failure is materially prejudicial to the Indemnifying Party. If notice of commencement of any such action is given to the Indemnifying Party as above provided, the Indemnifying Party shall be entitled to participate in and, to the extent it may wish, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such Indemnified Party. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the Indemnified Party unless (i) the Indemnifying Party agrees to pay the same, (ii) the Indemnifying Party fails to assume the defense of such action, or (iii) the named parties to any such action (including any impleaded parties) have been advised by such counsel that either (A) representation of such Indemnified Party and the Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (B) there are one or more legal defenses available to it which are substantially different from or additional to those available to the Indemnifying Party. No Indemnifying Party shall be liable for any settlement entered into without its written consent, which consent shall not be unreasonably withheld.

(e) The agreements contained in this Section 7 shall survive the transfer of the Registered Securities by Lonmin and sale of all the Registered Securities pursuant to any Registration Statement and shall remain in full force and effect, regardless of any investigation made by or on behalf of Lonmin or such director, officer or participating or controlling Person.

8. Affiliate Letter. (a) Concurrently with the execution of this Agreement, Lonmin shall execute and deliver to AngloGold an “affiliate” letter, in the form attached as Exhibit A hereto, relating to the restrictions on the sale by Lonmin of the Lonmin AngloGold Shares under Rule 145 of the Securities Act and the terms of this Agreement.

9. Legends. (a) Stop transfer restrictions will be given to AngloGold's transfer agent(s) with respect to the Lonmin AngloGold Shares and there will be placed on the certificates or instruments representing the Lonmin AngloGold Shares, and on any certificate or instrument delivered in substitution therefor, a legend stating in substance:

“THE SHARES REPRESENTED BY THIS CERTIFICATE WERE ISSUED IN A TRANSACTION TO WHICH RULE 145 PROMULGATED UNDER THE U.S. SECURITIES ACT OF 1933 APPLIES. THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT (A) IN ACCORDANCE WITH THE TERMS OF A REGISTRATION RIGHTS AGREEMENT DATED MAY 2003 BETWEEN THE REGISTERED HOLDER HEREOF AND ANGLOGOLD LIMITED, A COPY OF WHICH AGREEMENT IS ON FILE AT THE PRINCIPAL OFFICES OF ANGLOGOLD LIMITED, AND (B) OTHERWISE IN COMPLIANCE WITH THE REQUIREMENTS OF SAID RULE 145 OR PURSUANT TO A REGISTRATION STATEMENT UNDER SAID ACT OR AN EXEMPTION FROM SUCH REGISTRATION.”

(b) AngloGold hereby agrees that it will cause stop transfer restrictions to be released promptly upon expiration of the Effective Period or with respect to any Lonmin AngloGold Shares that are sold (A) in accordance with the terms of this Agreement, and (B) otherwise (i) pursuant to an effective registration statement under the Securities Act, (ii) pursuant to Rule 144 or 145 under the Securities Act, (iii) in accordance with the requirements of Rule 903 or 904 of Regulation S under the Securities Act, or (iv) pursuant to another exemption from the registration requirements of the Securities Act; provided, however, that in the case of any sale, the request for transfer is accompanied by a written statement signed by Lonmin confirming compliance with the terms of this Agreement and, in addition, in the case of any sale pursuant to clause (ii), (iii) or (iv) above, the request for transfer is accompanied by a written statement signed by Lonmin confirming compliance with the requirements of the relevant exemption from registration; and provided, further, that in the case of any sale pursuant to clause (iv) above, other than any sale by Lonmin to one or more of its direct or indirect wholly-owned subsidiaries, or among such subsidiaries, or by any such subsidiary to Lonmin, AngloGold shall have received a written opinion of counsel reasonably satisfactory to AngloGold.

10. Public Information. AngloGold covenants to:

(a) make available “adequate current public information” concerning AngloGold within the meaning of Rule 144(c) under the Securities Act; and

(b) use reasonable endeavors to file with the SEC in a timely manner all reports and other documents required of AngloGold under the Securities Act and the Exchange Act.

11. Further Assurances. Each of AngloGold and Lonmin shall execute and deliver such additional instruments and other documents and shall take such further actions as may be reasonably necessary or appropriate to effectuate, carry out and comply with all of its obligations under this Agreement. Without limiting the generality of the foregoing, neither party hereto shall enter into any agreement or arrangement (or alter, amend or terminate any existing agreement or arrangement) if such action would impair the ability of the other party to effectuate, carry out or comply with all the terms of this Agreement.

12. Miscellaneous.

(a) Term of Agreement; Termination. The term of this Agreement shall commence on the date hereof and such term and this Agreement shall terminate upon the earlier to occur of (i) the valid termination of the Transaction Agreement in accordance with its terms, or (ii) the expiry of the Effective Period. In the event that this Agreement terminates pursuant to the previous sentence, neither party hereto shall have any liability to the other under this Agreement, except that nothing herein shall relieve any party from liability for any breach of any of its warranties, covenants or agreements set forth in this Agreement prior to such termination; provided, however, that Sections 7, 10(a) and 12(i) shall survive termination of this Agreement.

(b) Amendments. This Agreement may not be amended, except by an instrument in writing signed by each of the parties hereto.

(c) Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby are not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

(d) Entire Agreement. This Agreement constitutes the whole and only agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, between the parties hereto with respect to the subject matter hereof. Except to the extent repeated in this Agreement, this Agreement supersedes and extinguishes any Pre-contractual Statement. Each party acknowledges that in entering into this Agreement it is not relying on any Pre-contractual Statement which is not set out in this Agreement. No party shall have any right of action against any other party to this Agreement arising out of or in connection with any Pre-contractual Statement (except in the case of fraud) except to the extent repeated in this Agreement. For the purposes of this subsection, "Pre-contractual Statement" means a draft, agreement, undertaking, representation, warranty, promise, assurance, promise or arrangement of any nature whatsoever, whether or not in writing, relating to this Agreement made or given by a party hereto, or any other person at any time prior to the date of this Agreement.

(e) Notices. All notices, request, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by telecopy or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses (or at such other address for a party as shall be specified by notice given in accordance with this Section:

(h) Specific Performance. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or equity.

(i) Governing Law. This Agreement shall be governed by and construed in accordance with English law and the parties hereto irrevocably submit to the exclusive jurisdiction of the English Courts.

(j) Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

(k) Counterparts. This Agreement may be executed and delivered (including, without limitation, by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same deed of agreement.

IN WITNESS WHEREOF, AngloGold and Lonmin have caused this Agreement to be executed by their respective officers or representatives thereunto duly authorized as of the date first written above.

Form of Affiliate Letter

4 August 2003

AngloGold Limited
11 Diagonal Street
Johannesburg 2001
Republic of South Africa

Ladies and Gentlemen:

This is to confirm that Lonmin has been advised that as of the date of this letter it may be deemed to be an “affiliate” of Ashanti Goldfields Company Limited, a publicly listed company incorporated under the laws of the Republic of Ghana (the “Company”), as the term “affiliate” is defined for purposes of paragraphs (c) and (d) of Rule 145 of the U.S. Securities Act of 1933, as amended (together with the Rules and Regulations promulgated thereunder, the “Act”). Pursuant to the terms of the Transaction Agreement, dated May 2003 (the “Transaction Agreement”), between AngloGold Limited, a publicly listed company incorporated under the laws of the Republic of South Africa (“AngloGold”) and the Company, AngloGold intends to acquire all the issued and outstanding shares, no par value per share, of the Company pursuant to a scheme of arrangement (the “Scheme”) between the Company and its members under Section 231 of the Ghana Companies Code, 1963 (Act 179), as amended (the “Companies Code”), whereby the Company will become a wholly owned subsidiary of AngloGold. Capitalized terms used but not defined in this letter agreement shall have the meanings ascribed thereto in the Transaction Agreement.

As a result of the Scheme, Lonmin may receive (i) ordinary shares, par value R0.25 per share, of AngloGold (the “AngloGold Shares”), (ii) AngloGold American Depositary Shares, each of which represents one AngloGold Share (the “AngloGold ADSs”) or (iii) AngloGold Ghanaian Depositary Shares, one hundred of which represent one AngloGold Share (the “AngloGold GhDSs”) (the AngloGold Shares, AngloGold ADSs and AngloGold GhDSs collectively referred to as the “AngloGold Securities”). Lonmin would receive such AngloGold Securities in exchange for ordinary shares, no par value per share, of the Company (“Company Shares”) owned by it or upon exercise of options for Company Shares owned by it.

AngloGold and Lonmin have entered into a registration rights agreement, dated May 2003 (the “Registration Rights Agreement”) in connection with the transaction contemplated by the Transaction Agreement.

1. Lonmin hereby represents, warrants and covenants to AngloGold that in the event it receives any AngloGold Securities as a result of the Scheme:

A. Lonmin shall make any sale, transfer or other disposition of the AngloGold Securities subject to the terms of the Registration Rights Agreement and otherwise in compliance with the Act and the Rules and Regulations. Lonmin understands that there may be additional restrictions imposed on any such sale, transfer or other disposition under the laws of England, South Africa, Ghana, and that it is Lonmin's responsibility to determine whether any such restrictions would apply to any AngloGold Securities that it might receive in the Scheme.

B. Lonmin has carefully read this letter, the Transaction Agreement and the Registration Rights Agreement and discussed the requirements of such documents and other applicable limitations upon its ability to sell, transfer or otherwise dispose of the AngloGold Securities, to the extent Lonmin felt necessary, with its counsel or counsel for the Company.

C. Lonmin has been advised that the issuance of the AngloGold Securities to it pursuant to the Scheme has not been registered with the U.S. Securities and Exchange Commission (the "SEC"), but that AngloGold has relied upon the availability of an exemption from registration under Section 3(a)(10) of the Act. Lonmin has also been advised that, because at the time the Scheme is submitted for a vote of the members of the Company, (a) it may be deemed to be an affiliate of the Company and (b) the distribution by it of the AngloGold Securities has not been registered under the Act, Lonmin may not sell, transfer or otherwise dispose of the AngloGold Securities issued to it in the Scheme unless (A) such sale, transfer or disposition complies with the terms of the Registration Rights Agreement, and (B) otherwise (i) such sale, transfer or other disposition is made in conformity with the volume and other limitations of Rules 144 and 145 promulgated by the SEC under the Act, (ii) such sale, transfer or other disposition has been registered under the Act, (iii) such sale, transfer or other disposition is made in an offshore transaction in accordance with Rules 903 or 904 of Regulation S or (iv) in the opinion of counsel reasonably satisfactory to AngloGold, such sale, transfer or other disposition is otherwise exempt from registration under the Act.

D. Lonmin understands that, other than in accordance with the terms of the Registration Rights Agreement, AngloGold is under no obligation to register the sale, transfer or other disposition of the AngloGold Securities by Lonmin or on Lonmin's behalf under the Act or take any other action necessary in order to make compliance with an exemption from such registration available.

E. Lonmin understands that there will be placed on the certificates for the AngloGold Securities issued to it, or any substitutions therefor, a legend stating in substance:

"THE SHARES REPRESENTED BY THIS CERTIFICATE WERE ISSUED IN A TRANSACTION TO WHICH RULE 145 PROMULGATED UNDER THE U.S. SECURITIES ACT OF 1933 APPLIES. THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT (A) IN

ACCORDANCE WITH THE TERMS OF A REGISTRATION RIGHTS AGREEMENT DATED MAY 2003 BETWEEN THE REGISTERED HOLDER HEREOF AND ANGLOGOLD LIMITED, A COPY OF WHICH AGREEMENT IS ON FILE AT THE PRINCIPAL OFFICES OF ANGLOGOLD LIMITED, AND (B) OTHERWISE IN COMPLIANCE WITH THE REQUIREMENTS OF SAID RULE 145 OR PURSUANT TO A REGISTRATION STATEMENT UNDER SAID ACT OR AN EXEMPTION FROM SUCH REGISTRATION.”

F. Lonmin understands that unless a sale or transfer is made (A) in accordance with the terms of the Registration Rights Agreement, and (B) otherwise (i) pursuant to an effective registration statement under the Act, (ii) in compliance with Rule 144 or 145 under the Act, (iii) in accordance with the requirements of Rule 903 or 904 of Regulation S under the Act, or (iv) in the opinion of counsel reasonably satisfactory to AngloGold such sale or transfer is exempt from registration under the Act, AngloGold reserves the right to put the following legend on the certificates issued to its transferee:

“THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 AND WERE ACQUIRED FROM A PERSON WHO RECEIVED SUCH SHARES IN A TRANSACTION TO WHICH RULE 145 PROMULGATED UNDER THE U.S. SECURITIES ACT OF 1933 APPLIES. THE SHARES HAVE BEEN ACQUIRED BY THE HOLDER NOT WITH A VIEW TO, OR FOR RESALE IN CONNECTION WITH, ANY DISTRIBUTION THEREOF WITHIN THE MEANING OF THE U.S. SECURITIES ACT OF 1933 AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) IN ACCORDANCE WITH THE TERMS OF A REGISTRATION RIGHTS AGREEMENT DATED MAY 2003 BETWEEN THE REGISTERED HOLDER HEREOF AND ANGLOGOLD LIMITED, A COPY OF WHICH AGREEMENT IS ON FILE AT THE PRINCIPAL OFFICES OF ANGLOGOLD LIMITED, AND (B) OTHERWISE IN ACCORDANCE WITH AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT OF 1933.”

2. It is understood and agreed that the legends set forth in paragraph E and F above shall be removed by delivery of substitute certificates without such legend with respect to any AngloGold Shares that are sold, transferred or disposed (A) in accordance with the terms of the Registration Rights Agreement, and (B) otherwise (i) pursuant to an effective registration

statement under the Act, (ii) pursuant to Rule 144 or 145 under the Act, (iii) in accordance with the requirements of Rule 903 or 904 of Regulation S under the Act, or (iv) pursuant to another exemption from the registration requirements of the Act; provided, however, that in the case of any sale, transfer or disposition the request for transfer is accompanied by a written statement signed by Lonmin confirming compliance with the terms of the Registration Rights Agreement and, in addition, in the case of any sale, transfer or disposition pursuant to clause (ii), (iii) or (iv) above, the request for transfer is accompanied by a written statement signed by Lonmin confirming compliance with the requirements of the relevant exemption from registration; and provided, further, that in the case of any sale, transfer or disposition pursuant to clause (iv) above, other than any sale, transfer or disposition by Lonmin to one or more of its direct or indirect wholly-owned subsidiaries, or among such subsidiaries, or by any such subsidiary to Lonmin, AngloGold shall have received a written opinion of counsel reasonably satisfactory to AngloGold.

Execution of this letter should not be considered an admission on Lonmin's part that it is an "affiliate" of the Company as described in the first paragraph of this letter, nor as a waiver of any rights Lonmin may have to object to any claim that it is such an affiliate on or after the date of this letter.

Very truly yours,

LONMIN Plc

In connection with the opinions expressed below, we have examined:

1. a signed copy of the Company's Registration Statement relating to the offering of ordinary shares;
