Submitted February 14, 2014
CIK No. 377-00437**

Dear Mr. Carlson:

We have reviewed your amended draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Prospectus Cover Page

1. Although we note your response to prior comment 4, the information on your cover page should be limited to information required by Item 501 of Regulation S-K. Please revise your cover page to identify only the lead or managing underwriters and delete the reference to "Joint Book-Running Managers" as such designations are not required by Item 501 of Regulation S-K, conflict with plain English principles and are not material to an investment decision. If you wish to continue to use these designations, please limit their use to the "Underwriting" section.

Management's Discussion and Analysis of Financial Condition and Results of Operations, page 53

2. Please expand your disclosures to discuss the material changes in results of operations for the most recent fiscal quarter ending December 31, 2013 and the corresponding fiscal quarter ending December 31, 2012 of the preceding fiscal year. Please refer to Regulation S-K, Item 303(B)(2) for further guidance.

3. We note your response to prior comment 20. Please identify the persons who have shared voting or investment power over Mayflower. See Regulation S-K C&DI No. 240.04.

Note 14 – Commitments and Contingencies, page F-27

4. We are currently considering your response to prior comment 29 of our letter dated February 7, 2014 and the supplemental information submitted to support your conclusion to record a gain contingency. We may have further comments.
