**File No. 1-14856**

Dear Mr. Urata:

We have reviewed your filing and have the following comment.

Please respond to this letter within ten business days by providing the requested response or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to this comment, we may have additional comments.

Related Party Transactions, page 133

1. We note your disclosure on page 134 regarding transactions with Related Parties; however, you do not appear to have provided the details contemplated by Item 7B of Form 20-F. For example, with regard to certain transactions with related parties, you disclose that the transactions may be material to related parties but you do not disclose the “extent” of these transactions as required by the form. In addition, with regard to loans to related parties, you appear to have provided aggregate figures as opposed to the specific information required for each loan. Note that “information given should include the largest amount outstanding during the period covered, the amount outstanding as of the latest practicable date, the nature of the loan and the transaction in which it was incurred, and the interest rate on the loan.” Please provide the staff with this revised

disclosure and represent that you will provide this level of disclosure in future filings, as appropriate.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing;
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Gregory Dundas, Attorney-Advisor, at (202) 551-3436 or Kathryn McHale, Senior Counsel, at (202) 551-3464 if you have questions regarding this letter.

Sincerely,

Kathryn McHale
