Item 1. Changes in Control of Registrant

On July 26, 2002 (as amended and restated on August 12, 2002) Mojave Southern, Inc. now "New York Medical, Inc." (the "Company") entered into an Acquisition Agreement (the "Agreement") with New York Medical Acquisition Corp., Inc. ("NYMA") to acquire all of the issued and outstanding common stock of NYMA, subject only to the completion of mutual due diligence examinations and the completion of the acquisition of New York Medical, Inc. ("NYMI") by NYMA.

In connection with the Agreement, the Company would have issue an aggregate of 29,031,510 shares of its common stock, par value \$0.001 per share, to the shareholders of NYMA in exchange for the 29,031,050 shares of NYMA common stock owned by NYMA's shareholders. At the same time, the current directors and officers were to resign their positions as directors and officers of the Company. As a result, the Company would have experienced a change in control.

Upon completion of mutual due diligence examinations it was determined that the acquisition of New York Medical Acquisition Corp., Inc. would not be in the best interest of New York Medical, Inc. (formerly Mojave Southern, Inc.) and its shareholders.

The agreement was terminated and any existing or potential claims between the parties have been settled as evidenced by the "Termination and Settlement Agreement" filed as an exhibit to this current report. Resulting from the Termination, no change in control of the registrant has occurred.

The Company did change its name to "New York Medical, Inc." and changed the OTCBB symbol under which our common stock trades on the Over-The-Counter Bulletin Board in anticipation of closing the acquisition of New York Medical Acquisition Corp., Inc. Our common stock now trades on the Over-The-Counter Bulletin Board under the OTCBB symbol "NYMD". The Company intends to change its name and trading symbol to those related to the continued business activities of the company.
