Filed June 29, 2006
File No. 0-49767**

Dear Mr. Rudderow:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 8-K Filed June 29, 2006

1. Item 4.02(c) of Form 8-K requires you provide the independent accountant with a copy of the disclosures you are making in response to Item 4.02(b), and request that your independent accountant furnish you as promptly as possible a letter stating whether your accountant agrees with the statements made by you in response to this Item 4.02(b) and, if not, stating the respects in which it does not agree. Please obtain the required letter from your independent accountants and file such letter as an exhibit to an amended Form 8-K no later than two business day after you have received the letter.
2. Please revise to clarify the nature of the revisions made in the Form 10-K/A and whether the non-reliance on such Form 10-K/A relates solely to the incomplete

information in the filing or whether the financial statements have been restated and/or may be further restated

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
