Financial Statements

Consolidated Statements of Operations, page F-4

1. We note your response to comment one in our letter dated September 10, 2012. The line item that you currently describe as "earnings before interest and tax" excludes additional items aside from interest and tax. For example, this line item excludes equity in loss of associates and foreign exchange results. In this regard, please retitle this line item as well as the line item currently described as "earnings before other expense, net, interest and tax" to more accurately describe the amounts that these line items represent.
