Applicants' Representations:

1. The Advisers are investment advisers registered under the Investment Advisers Act of 1940 and serve as investment advisers to the Funds. Each Adviser is a direct or indirect subsidiary of ING Groep, N.V.

2. Each Registrant is registered under the Act as an open-end management investment company. Certain of the Funds, as defined below, currently serve, and others in the future may serve, in “fund-of-funds” arrangements whereby a Fund (each, a “Top-Tier Fund,” and collectively, the “Top-Tier Funds”) invests their assets in other Funds (“Underlying Funds”).²

3. Applicants request that the order also apply to each existing or future registered open-end management investment company or series thereof that is part of the same “group of investment companies” as the Registrants under Section 12(d)(1)(G)(ii) of the Act, and is advised or sub-advised now or in the future by an Adviser or any entity controlling, controlled by, or under common control with an Adviser (such entity included in the term “Adviser” and such investment companies or series thereof, collectively with the Registrants and their series, the “Funds”).

4. Applicants propose that the Funds enter into a Special Servicing Agreement that would allow an Underlying Fund to bear the expenses of a Top-Tier Fund (other than investment management fees, rule 12b-1 fees and class-specific administrative service fees). Under the Special Servicing Agreement, each Underlying Fund will bear expenses of a Top-Tier Fund in proportion to the estimated benefits to the Underlying Fund arising from the investment in the Underlying Fund by the Top-Tier Fund (“Underlying Fund Benefits”).

5. Applicants state that the Underlying Fund Benefits are expected to result primarily from the incremental increase in assets resulting from investments in the Underlying Funds by the Top-Tier Funds and the large size of a Top-Tier Fund’s holdings of shares in a shareholder account relative to the average size of the share balances held in other Underlying

² The Top-Tier Funds will not be Underlying Funds. Exhibit A to the application identifies the current Top-Tier Funds and Underlying Funds.

Fund shareholder accounts. A Top-Tier Fund's shareholder account will experience fewer shareholder transactions and greater predictability of transaction activity than other shareholder accounts. As a result, the shareholder servicing costs to any Underlying Fund for servicing one account registered to a Top-Tier Fund will be significantly less than the cost to that same Underlying Fund of servicing the same pool of assets contributed by a large group of shareholders owning relatively small accounts in one or more Underlying Funds. In addition, by reducing Top-Tier Fund expenses, the Special Servicing Agreement may lead to increased assets being invested in the Top-Tier Funds, which in turn would lead to increased assets being invested in the Underlying Funds. Further, increased assets could enable the Underlying Funds to control and reduce their expense ratios because their operating expenses will be spread over a larger asset base.

6. No Fund will enter into a Special Servicing Agreement unless the Special Servicing Agreement: (a) precisely describes the services provided to the Top-Tier Funds and the expenses incurred by a Top-Tier Fund that may be reimbursed by an Underlying Fund ("Underlying Fund Payments"); (b) provides that no affiliated person of the Top-Tier Funds, or affiliated person of such person, will receive, directly or indirectly, any portion of the Underlying Fund Payments; (c) provides that the Underlying Fund Payments may not exceed the amount of actual expenses incurred by the Top-Tier Funds; (d) provides that no Underlying Fund will reimburse transfer agent expenses of a Top-Tier Fund, including out-of-pocket expenses and other expenses, at a rate in excess of the average per account transfer agent expenses of the Underlying Fund, including out-of-pocket and other expenses, expressed as a basis point charge (for purposes of calculating the Underlying Fund's average per account transfer agent expense, the Top-Tier Fund's investment in the Underlying Fund will be excluded); and (e) has been

approved by the Fund's board of trustees ("Board"), including a majority of trustees who are not "interested persons" (within the meaning of section 2(a)(19) of the Act) ("Independent Directors/Trustees"), as being in the best interests of any Fund and its shareholders and not involving overreaching on the part of any person concerned.

Applicants' Legal Analysis:

1. Section 17(d) of the Act and rule 17d-1 under the Act provide that an affiliated person of, or a principal underwriter for, a registered investment company, or an affiliate of such person or principal underwriter, acting as principal, shall not participate in, or effect any transaction in connection with, any joint enterprise or other joint arrangement in which the registered investment company is a participant unless the Commission has issued an order approving the arrangement. Each Adviser, as investment adviser, is an affiliated person of each of the Underlying Funds and Top-Tier Funds, which in turn could be deemed to be under common control of the Advisers and therefore affiliated persons of each other. The Top-Tier Funds and the Underlying Funds also may be affiliated persons by virtue of a Top-Tier Fund's ownership of more than 5% of the outstanding voting securities of an Underlying Fund. Consequently, the Special Servicing Agreement could be deemed to be a joint transaction among the Top-Tier Funds, the Underlying Funds and Advisers.

2. Rule 17d-1 under the Act provides that, in passing upon a joint arrangement under the rule, the Commission will consider whether participation of the investment company in the joint enterprise or joint arrangement on the basis proposed is consistent with the provisions, policies, and purposes of the Act and the extent to which the participation is on a basis different from or less advantageous than that of other participants.

3. Applicants request an order under section 17(d) and rule 17d-1 to permit the proposed expense sharing arrangements. Applicants state that participation by the Top-Tier Funds, the Underlying Funds and Advisers in the proposed expense sharing arrangements is consistent with the provisions, policies and purposes of the Act, and that the terms of the Special Servicing Agreement and the conditions set forth below will ensure that no participant will participate on a basis less advantageous than that of other participants.

Applicants' Conditions:

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. No Fund will enter into a Special Servicing Agreement unless the Special Servicing Agreement: (a) precisely describes the services provided to the Top-Tier Funds and the Underlying Fund Payments; (b) provides that no affiliated person of the Top-Tier Funds, or affiliated person of such person, will receive, directly or indirectly, any portion of the Underlying Fund Payments; (c) provides that the Underlying Fund Payments may not exceed the amount of actual expenses incurred by the Top-Tier Funds; (d) provides that no Underlying Fund will reimburse transfer agent expenses of a Top-Tier Fund, including out-of-pocket expenses and other expenses, at a rate in excess of the average per account transfer agent expenses of the Underlying Fund, including out-of-pocket expenses and other expenses, expressed as a basis point charge (for purposes of calculating the Underlying Fund's average per account transfer agent expense, the Top-Tier Funds' investment in the Underlying Fund will be excluded); and (e) has been approved by the Funds' Board, including a majority of the Independent Directors/Trustees, as being in the best interests of the Fund and its shareholders and not involving overreaching on the part of any person concerned.

2. In approving a Special Servicing Agreement, the Board of an Underlying Fund will consider, without limitation: (a) the reasons for the Underlying Fund's entering into the Special Servicing Agreement; (b) information quantifying the Underlying Fund Benefits; (c) the extent to which investors in the Top-Tier Fund could have purchased shares of the Underlying Fund; (d) the extent to which an investment in the Top-Tier Fund represents or would represent a consolidation of accounts in the Underlying Funds, through exchanges or otherwise, or a reduction in the rate of increase in the number of accounts in the Underlying Funds; (e) the extent to which the expense ratio of the Underlying Fund was reduced following investment in the Underlying Fund by the Top-Tier Fund and the reasonably foreseeable effects of the investment by the Top-Tier Fund on the Underlying Fund's expense ratio; (f) the reasonably foreseeable effects of participation in the Special Servicing Agreement on the Underlying Fund's expense ratio; and (g) any conflicts of interest that the Advisers, any affiliated person of the Advisers, or any other affiliated person of the Underlying Fund may have relating to the Underlying Fund's participation in the Special Servicing Agreement.

3. Prior to approving a Special Servicing Agreement on behalf of an Underlying Fund, the Board of the Underlying Fund, including a majority of the Independent Directors/Trustees, will determine that: (a) the Underlying Fund Payments under the Special Servicing Agreement are expenses that the Underlying Fund would have incurred if the shareholders of the Top-Tier Fund had instead purchased shares of the Underlying Fund through the same broker-dealer or other financial intermediary; (b) the amount of the Underlying Fund Payments is less than the amount of Underlying Fund Benefits; and (c) by entering into the Special Servicing Agreement, the Underlying Fund is not engaging, directly or indirectly, in

financing any activity which is primarily intended to result in the sale of shares issued by the Underlying Fund.

4. In approving a Special Servicing Agreement, the Board of a Fund will request and evaluate, and Advisers will furnish, such information as may reasonably be necessary to evaluate the terms of the Special Servicing Agreement and the factors set forth in condition 2 above, and make the determinations set forth in conditions 1 and 3 above.

5. Approval by the Fund's Board, including a majority of the Independent Directors/Trustees, in accordance with conditions 1 through 4 above, will be required at least annually after the Fund's entering into a Special Servicing Agreement and prior to any material amendment to a Special Servicing Agreement.

6. To the extent Underlying Fund Payments are treated, in whole or in part, as a class expense of an Underlying Fund, or are used to pay a class-based expense of a Top-Tier Fund, conditions 1 through 5 above must be met with respect to each class of a Fund as well as the Fund as a whole.

7. Each Fund will maintain and preserve the Board's findings and determinations set forth in conditions 1 and 3 above, and the information and considerations on which they were

based, for the duration of the Special Servicing Agreement, and for a period not less than six years thereafter, the first two years in an easily accessible place.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
