Filed July 10, 2006  
File No. 0-25707**

Dear Mr. Liu:

We have reviewed your Item 4.01 Form 8-K and have the following comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 8-K filed July 10, 2006

1. We note that you are engaged in the exploration of the Bralorne area of British Columbia, Canada, and that you have retained Zhong Yi C.P.A. Company Limited, an accounting firm from Hong Kong, to audit your financial statements for the fiscal year ended November 30, 2006. Please tell us how you concluded that it is appropriate to have an audit report issued by an auditor licensed outside of the United States or Canada, in light of your incorporation in the United States and the majority of your assets and corporate offices are located in Canada. Further guidance may be found in Section 5.K of "International Reporting and Disclosure Issues in the Division of Corporation Finance" on the Commission's website at: <http://www.sec.gov/divisions/corpfin/internatl/cfirdissues1104.htm>. Please tell us whether your management and accounting records are located in the United States or Canada as well as where the majority of the audit work will be conducted.
2. We note that you will file a copy of Exhibit 16 letter from your former accountants in a future amendment. We may have future comments upon the filing of such letter.

As appropriate, please amend your filing and respond to these comments within 5 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
