REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Integrys Energy Group
Employee Benefits Administrator Committee:

We have audited the accompanying statements of net assets available for benefits of Wisconsin Public Service Corporation Employee Stock Ownership Plan & Trust (the "Plan") as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2006, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2006 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

WISCONSIN PUBLIC SERVICE CORPORATION EMPLOYEE STOCK OWNERSHIP PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2006 AND 2005

1. DESCRIPTION OF THE PLAN

The following brief description of the Wisconsin Public Service Corporation Employee Stock Ownership Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document, as amended, for more complete information.

General—Wisconsin Public Service Corporation (the "Company"), a wholly owned subsidiary of Integrys Energy Group, Inc. ("Integrys") (known as WPS Resources Corporation prior to its merger with Peoples Energy on February 21, 2007), established the Plan effective January 1, 1975 as a defined contribution employee stock ownership plan. The Plan invests principally in Integrys common stock. The Plan is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the "Code"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Overall responsibility for administering the Plan rests with the Employee Benefits Administrator Committee (the "Committee") which consists of Integrys employees. Wells Fargo Bank N.A. ("Trustee") is responsible for the management and control of the Plan's assets and has discretionary responsibility for the investments and management of such assets. Wells Fargo Bank N.A., is also the recordkeeper for the Plan and maintains the individual participant accounts.

Eligibility—Employees of Integrys and its participating subsidiaries are generally eligible to participate in the Plan except for limited-term employees (unless limited-term employees work 1,000 hours and/or are participating in the Company's Employee Savings Plan) and non-administrative employees of Upper Peninsula Power Company ("UPPCO"). Employees of Empire State, Michigan Gas Utilities Corporation, Minnesota Energy Resources Corporation (subsidiaries of Integrys), and Wisconsin River Power Company, an affiliate of Integrys, also are not eligible to participate. Limited-term employees are defined under the Plan as employees of the Company or any affiliate who are hired for a limited period of time, such as temporary summer help or as a student employee who is scheduled to perform services during summer or semester breaks.

Participant Accounts—The Plan is a defined contribution plan under which separate individual accounts are established for each participant. At the end of each quarter, each participant's account is allocated its proportionate number of shares and any change in fair market value since the preceding quarter. Fair market value is determined by the number of shares held and the closing price of the Company's stock for the coinciding day.

Vesting—Participants are immediately vested in their accounts.

Employer Contributions—Part of the Company contributions to the Plan reflect amounts included in the cost of service for rate setting purposes by the Public Service Commission of Wisconsin and Federal Energy Regulatory Commission.

Contributions for administrative employees are determined using a formula that is different than the formula for determining contributions for non-administrative employees. Contributions to the Plan on behalf of eligible administrative employees are made in Integrys common stock with a value equal to a 100% match on the first 4% and a 50% match on the next 2% of eligible pay that each participant defers into the Wisconsin Public Service Corporation Administrative Employees' Savings Plan. The total match is limited to a maximum of 5% of eligible pay. Such contributions totaled \$5,988,380 and \$5,446,153 for 2006 and 2005, respectively. Company contributions to the Plan on behalf of eligible non-administrative employees are based on 2% of a participant's gross pay, as defined. Also pursuant to a union contract with Local 310, the Company contributes to the Plan on behalf of eligible non-administrative employees an additional 1.7% of a participant's base pay. Contributions for non-administrative employees totaled \$2,357,498 and \$2,585,860 for 2006 and 2005, respectively.

Investments—Contributions to the Plan are non-participant directed. The Plan is invested primarily in Integrys Energy Group, Inc. common stock.

Payment of Benefits—Benefits paid to participants represent the amount paid during the year to participants who elected to receive the distribution of their vested account balance. Non-administrative participants may withdraw from their account shares that have been held at least 84 months. Administrative participants may withdraw from their account shares that were received prior to January 1, 2001, and held for at least 84 months. For administrative employees, shares received after January 1, 2001, may be withdrawn only upon termination or retirement.

Former employees may elect to receive distributions quarterly as described in the Plan document, or may defer distribution until the year they attain age 69. Participants who die, become disabled or retire are entitled to distribution at the next withdrawal opportunity. To the extent provided for by a qualified domestic relations order, and as determined by the administrator, a lump sum payment may be made to an alternate payee under such order at the next withdrawal opportunity. Fractional shares are paid in cash.

Dividend Distributions—Each eligible participant may elect, for dividends declared and payable on stock that is allocated to the participant account, to be paid in cash directly to the participant or be reinvested in the participant's account.

Voting Rights—Each participant is entitled to exercise voting rights attributable to the shares allocated to the participant's account. Each participant is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any share for which instructions have not been given by a participant.

Termination—Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan at anytime, subject to Plan provisions and applicable provisions of ERISA. If the Plan were to terminate, each participant's interest in the Plan would be distributed to each participant or to each participant's beneficiary as prescribed by the Plan and the Code at the time of termination. Upon termination of the Plan, the Committee shall direct the Trustee to pay all liabilities and expenses of the Plan.
